Lincoln, Robin Hood, Rayman, Violette Rainbow, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Dorian Tyrell and his goons, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, purple and brown, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Dorian Tyrell and his goons and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Violette Rainbow did the same by firing purple and brown, white, golden yellow, and blue energy slashes from her gold plated claws and massive greatsword, and Lincoln, Robin Hood, Violette Rainbow, Rayman, Crash Bandicoot, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and that made Dorian Tyrell and his goons even angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Dorian Tyrell and his goons, and we found ourselves in Heaven.

(Smirks Sadistically) We're just getting started.

WE GASPED IN HORROR: CALEB MAXWELL'S GOING TO UNLEASH HORRIFIC PAIN AND TORTURE ON THEM!

Then, Caleb Maxwell proceeded to throw stones at them and that bruised their bodies even more as they screamed in pain, and he proceeded to chain them to a metal pipe and he heated it, and Dorian Tyrell and his goons screamed in agonizing pain as they were being roasted alive. Then, he proceeded to spray them with hot oil and they screamed in more agonizing pain. Then, he used a heated blade to slice off pieces of their flesh from them and they screamed in even more agonizing pain, and he also took a heated pliers and proceeded to pull off pieces of their flesh with them, and he even ripped out their ears and noses with the heated pliers.

It was so horrific, and we almost barfed once again. Finally, he proceeded to disembowel Dorian Tyrell and his goons by ripping their crotches and testicles off with sharp hooks and ripped their stomachs open with his gold-armored dragon claws and their guts came out, and finally, he shot them all in the head and ended their lives, and we banished their spirits to The Black Abyss forever.

Lynn: And he's out!

We cheered as we holstered our weapons and we powered down, and Violette Rainbow's new body, clothes, weapons, jewelry, Third Eye, longer purple tail and long horn, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large brown and purple planets orbiting around her legs, twenty-five smaller brown and purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive purple angel wings and eleven sets of larger purple angel wings underneath her massive purple angel wings are permanent.

Eli: What we just saw now, that was just horrific!

Me: It sure was!

Nico: I knew you had a hatred for gangsters especially for your dad's former organization and your brother, Drake Maxwell, but I never knew it was that horrific!

Cage Blunt: That's against those who are just like Drake Maxwell, and Dorian Tyrell and his goons, they were just like him, so I don't blame Caleb for resorting to using those torture methods to kill them.

James Blunt: The Watchers have known those torture methods for many centuries and he also made sure to burn the bodies of The Syndicate thugs so that way, no one would be able to trace them back to him, and that impressed them.

Lincoln: That sort of thing would've made him perfect for the ANBU, but with his bloody reputation for violently killing gangsters and all those who are beyond pure evil, even the toughest veterans would start to get scared of him.

Caleb Maxwell: And I can't really blame them, because of what

Drake did to me with his years of out of control violence, anger, and abuse, the innocence I once had since childhood died and the light I once had in my eyes was gone and all that remained in my eyes was darkness. In other words, I was out for blood and revenge on all those who dared to hurt the innocent and defenseless.

Timothy Maddock: (British Accent) What Drake did to you can never be forgiven, and due to that, you had to carry the scars of his anger and violence with you, and the students and teachers from your high school noticed them along with seeing your depressed state. They wanted to help you, but you turned their offers down for fear of Drake's retribution.

Caleb Maxwell: I should've accepted their help from the beginning, but Drake's violent anger and his erratic behavior made it impossible. I should've taken matters into my own hands earlier back then, but it wouldn't change a thing, in the end, my fate was still sealed: my innocence had died when I became sixteen and the light in my eyes was gone and I was killed in 1985 during the climax of The Hallowshade Bloodbath by Drake and the four senior members of The Syndicate, and eight years later, I would come back from the dead in search of vengeance on Drake.

Jack Howard: Yes, that's true, and when Roxy's dad showed us the video of your dad's reason as to why he went into crime, that hatred towards your dad was suddenly gone, but your hatred towards Drake, those four senior Syndicate members, and your dad's scumbag relatives wasn't.

Roxy Drake: But, that all came to and end when they got killed for good.

Caleb Maxwell: Yes, that's true, my killers may be dead, but the years of the anger and violence of my brother's atrocious behavior and betrayal had left me with the demons and shadows of the past coming back to haunt me before and after my death, and they followed me after I came back from the dead.

Lincoln: And what you said, about the demons and shadows of the past coming back to haunt you, there's no doubt it's true, and we got to keep an eye out for any more demons from your past, who knows how dangerous they were.

Poromon: I know what to do with all this money!

Nico: Expand Neo Phoenix Land?

Poromon: Yep!

Me: COOL!

Benson, Swarm, and Bumble Blast are heading to the world of Droners, and not only is Lincoln going to rescue the four girls here, but we're going to defeat Admiral Antaboga, and we're going to recruit all of the Droners teams and their GENIEs including Mr. Wyatt Whale and his GENIE to TLPS afterwards, and as for Adam, Hannah's brother, and Kass Krane, they are going to be recruited to the MOE.

Lincoln: Whoa, we're here in the world of Droners, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're going to defeat Admiral Antaboga, and we're going to recruit all of the Droners teams and their GENIEs including Mr. Wyatt Whale and his GENIE to TLPS afterwards, and as for Adam, Hannah's brother, and Kass Krane, they are going to be recruited to the MOE.

Me: This is gonna be one awesome fight.

Nico: You said it. So, who are the Droners teams?

Lincoln: They come from the tropical paradise island of Nuï. However, the island is threatened by rising sea waters due to climate change. So, they entered the Whale Cup so they could ask Wyatt Whale's help to save their home. The teams are Team Tiki, Team Bees, Team Pirates, Team Planktons, Team Sirens, Team Zealots, Team Starfish, The Tao Twins, The Pack, and Team Cold Kings. Plus, we're also recruiting Wyatt Whale and his GENIE to the team, and they knew what we did in killing Gavinda Teach.

Eli: Nice. Now, who's going to be sent to The M.O.E.?

Lincoln: That's easy, Adam, Hannah's brother, and Kass Krane, and Vypra already recruited The Pack and The Blizzard Bosses into The M.O.E., but they've also helped Team Tiki as well, so they're gonna be in The Redemption Squad as well.

Hornet Man: Nice. Now, we should get going.

Lincoln: Right. (Sensed something) Oh crud, I just sensed something here. (Ghost Sense went off) Oh boy, we've got ghosts.

Suddenly, we saw a group of Goob ghosts, Oozer ghosts, and Hammer ghosts from Luigi's Mansion 3 appear, and they were no doubt sent to get rid of us.

Me: Ghosts.

Nico: Oh man. Now's the perfect time to use our new Poltergust G-00s, let's get them.

Lincoln: Time to take those ghosts down.

We hit them with a flash of light from the flashlights on our Poltergust G-00s, and then, we sucked the ghosts in.

Lincoln: Our Poltergust G-00s work perfectly. Now, whenever we have any ghost problems, we can use the Poltergust G-00 to vacuum them up, and with the new features added in, they send them to Professor E. Gadd to put into his collection.

Me: Awesome.

Suddenly, we saw a suitcase appear out of nowhere, and when Lincoln opened it, he saw the contents of the suitcase: inside the suitcase was a massive collection of Dual Scream communicators and they had our favorite colors and they had all the features of The Dual Scream and Virtual Boo: view the map, use the E. Gadd hotline, find ghosts and enemies, and teleport to the lab of Professor E. Gadd.

Lincoln: Whoa, and we also have our own Dual Scream communicators as well, perfect.

Eli: Professor E. Gadd must've been the one who sent the Dual Scream communicators as well, along with the Poltergust G-00s that we got yesterday.

Lincoln: This is no doubt his doing, something big is happening, and we're no doubt we're talking big as in the problem we faced with King Boo returning last year thanks to that mega jerk, Norm. Alright, now let's get going and find Team Tiki, Team Bees, Team Pirates, Team Planktons, Team Sirens, Team Zealots, Team Starfish, The Tao Twins, The Pack, Team Cold Kings, and Wyatt Whale and his GENIE, and then, we get after Adam, Kass Krane, and Admiral Antaboga.

Me: Right.

We put the Dual Scream Communicators in our 28th Century Miracle Box backpacks and we got a move on to find Team Tiki, Team Bees, Team Pirates, Team Planktons, Team Sirens, Team Zealots, Team Starfish, The Tao Twins, The Pack, Team Cold Kings, and Wyatt Whale and his GENIE, and then, go after Adam and Kass Krane and send them to the M.O.E., and finally, defeat Admiral Antaboga.

We were flying around, and then, we saw Team Tiki, Team Bees, Team Pirates, Team Planktons, Team Sirens, Team Zealots, Team Starfish, The Tao Twins, The Pack, Team Cold Kings, and Wyatt Whale and his GENIE, and they were fighting Adam and Kass Krane, and to our shock, they're also fighting some Team Rocket grunts as well.

Lincoln: There they are. And there's also Team Rocket grunts here as well!

Me: Let's get them!

Suddenly, we saw a Minotaur flying across the skies and we saw mountains forming out of nowhere and the Team Rocket grunts got smashed into pulp and Adam and Kass Krane were sent flying into a portal Lincoln opened up that sent them to The M.O.E., and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair, yellow eyes, massive brown angel wings, white short-sleeved blouse with a Minotaur on it and on her forehead, sleeveless orange crop top, white gloves, orange skirt, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, earth, minotaurs, phoenixes, and angels on the coattails, and on the back is the Minotaur, she has a nature greatsword in her right hand, and with her are the four girls.

Lincoln: (GASPS) Marie Minotaur, Avatar of The Minotaur.

Marie Minotaur: That's right, and I got the girls away from Admiral Antaboga.

Wyatt Whale: Thank goodness you all arrived, Team Loud Phoenix Storm, and we heard of what you did to my former friend, Gavinda. I knew her conniving and ruthlessness would get her in big trouble.

Me: And it cost her her life. Now, we got to find Admiral Antaboga.

Suddenly, we saw our target, Admiral Antaboga.

Admiral Antaboga: YOU! The murderers of Gavinda Teach! How dare you show your faces back here again!

Lincoln: That ruthless monster got what she deserved, and so will

you.

Skippy the Bush Kangaroo went after Admiral Antaboga, and he fired extremely powerful blasts of red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels at

Admiral Antaboga and they exploded with incredible power as they hit him. Then, he punched him hard with his gauntlets and kicked him with his graves and he got hit hard.

Then, Skippy balanced himself on his tail and delivered a hard kick to Admiral Antaboga's stomach and he fell to the ground in pain.

Lincoln: This is where it all ends for you, Admiral Antaboga! You're going to pay for everything you've done! (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Admiral Antaboga, and he proceeded to brutally smash him right into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON HIS MISERABLE HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN ALSO SLASHED ADMIRAL ANTABOGA WITH HIS MASSIVE GREATSWORD AND FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz

Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you after you die.

We saw Admiral Antaboga was a mess: Lincoln left claw marks on his body and clothes.

Lincoln: You don't deserve mercy whatsoever for your crimes, Admiral Antaboga. You helped Gavinda in her ruthless ambitions and you showed no remorse for your sins, and because of it, you've doomed your soul to eternal damnation and no atonement for your sins in the past can save you from the fate that now befalls you: eternal damnation in The Black Abyss.

LINCOLN SHOT HIM AN EXTREMELY DEATHLY GLARE AND THAT MADE ADMIRAL ANTABOGA SO SCARED, HE SCREAMED IN FRIGHT!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, LINCOLN SHOT HIM DOWN WITH THE FACT HE BROKE THE COMMANDMENT OF THOU SHALT NOT KILL AND TELLING HIM OF HIS FATE ALONG WITH A DEATHLY GLARE AT HIM TOO!

Eli: He's done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKER, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, YOU ASSHOLE!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN

THE BLACK ABYSS, YOU MISERABLE FUCK!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to those thugs.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to those bastards.

Luna: And what Lincoln said was true, now they're really doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from their judgement.

Admiral Antaboga lay on the ground defeated by us. But, before Lincoln could end him, Admiral Antaboga got hit by a bullet that came out of nowhere and he got killed, and Lincoln fired three energy blasts that hit three figures hiding in the distance, and we heard three familiar voices: the voices belonged to Sinclair T. Sharp, Michael Malloy, and Michelle Malloy who fled before we could get them. We powered down and went back to The TLPS Flying City Fortress.

Lincoln: I can't believe it, so the ones who killed him were none other than Sinclair T. Sharp, Michael Malloy, and Michelle Malloy, those bastards have fled before we could catch them.

Luna: Those racist piles of crud! Now, they are really going to get it!

Me: That's for sure.

Lincoln had the spirit of Admiral Antaboga sent to The Black Abyss.

Lincoln: We were going to kill Admiral Antaboga ourselves, but those pieces of crap took that away from us. When we get after them, we're gonna make them pay, and we'll get them to confess all of their crimes, and to add further insult to injury we'll broadcast EVERYTHING they say on TV around the world and we'll reveal their motives for murdering Tony and Amanda Sharp and taking Sam and more including the murder of Cody's parents, and when those are made public, this'll make sure all the souls of their dead victims can finally rest in peace when we kill those piles of shit.

Nico: That's perfect!

Me: The ultimate final nail in their coffins that spells their eternal damnation in The Black Abyss, this is the perfect way for us to finally be rid of them forever, this is gonna be good.

Lincoln: You got that right. (To Marie Minotaur) And it's so good to see you again, Marie.

Marie Minotaur: You too, Lincoln, it's been seven years since we last met.

Suddenly, Marie Minotaur had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Marie Minotaur was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Marie Minotaur: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Marie Minotaur and hugged her, and Marie Minotaur is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and nine other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marie Minotaur: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Marie Minotaur, Avatar of The Minotaur, she's Lincoln's Guardian Angel and she's known as The Minotaur Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Marie is a powerful master of the powers of earth, and she's also known for her mastery of the powers of The Minotaur and she was also born with really incredible superhuman strength, and she's so strong, she's able to shatter mountains with one punch and any punch from her will shatter someone's skeleton into dust. She was born to a family of Minotaurs during a time of darkness, and over time, as she grew, she gained all of the incredible strengths and powers of The

Minotaur, along with immortality and she also mastered the powers of The Minotaurs, and she'd fought to protect the Minotaurs from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of earth, and he also gained all of the incredible strengths and powers of The Minotaurs, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Minotaurs and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Marie kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Minotaur and be pulverized into dust!

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: And no one dared to mess with her, she'll smash them into the dirt, and now that you're here, Marie.

Lincoln with his massive muscular arms still wrapped around Marie Minotaur's waist leaned his head down to the right side of Marie Minotaur's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Marie Minotaur: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Marie Minotaur with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Marie Minotaur: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marie Minotaur.

Marie Minotaur had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Marie Minotaur's waist, and he leaned down to her face and kissed her on the lips, and with Marie Minotaur's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Marie Minotaur had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Marie Minotaur: (In Heaven) My God. Oh, Lincoln, the four girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The four girls are Simulator Zia from The Mysterious Cities of Gold and Nara Burns, Maggie Weston, and Rita Torres from Exo-Squad.

Lincoln: Oh whoa, it's Simulator Zia from The Mysterious Cities of Gold and Nara Burns, Maggie Weston, and Rita Torres from Exo-Squad.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Nara Burns: Yes, we're okay, thanks to you.

Then, when Cola Ginsky and the other three girls saw who it was that saved them from Admiral Antaboga, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and ten-pack abs, sturdy tan muzzle, long wild white hair Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and I can't believe those three shitheads took Admiral Antaboga before we could kill him ourselves.

Lincoln: They're gonna pay later on today, this I swear.

Nico: That's for sure.

Me: There's no way in Hell we're ever forgiving those piles of crap. We're gonna make sure they never rise from the dead ever again.

Sam S. Loud: Same here. After everything they've done to me and everyone they've crossed in their path, they deserve to die.

Lincoln: I alerted the rest of The M.O.E. of the situation this morning, and all of them are going to be joining us to get rid of those piles of sewage.

Caleb Maxwell: I'd like nothing more than to blow their brains out of their skulls!

Me: We'll make sure of that when the time comes, Caleb.

Nico: He's right. We'll get them to confess their crimes and the motives and broadcast them all over the world, and once that happens, that's the final nail in their coffin.

Lincoln: We've hated them for a very long time, and soon, this is where we're going to put a permanent end to those stains on humanity. They don't deserve to live, they deserve to die.

After Lincoln and all of us destroyed Admiral Antaboga and sent him to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marie Minotaur saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Marie Minotaur: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Marie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Marie Minotaur: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Marie Minotaur: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Roxy Drake got out a videotape.

Roxy Drake: Okay, guys, now this tape I got right here is from eight years ago, and it was a week after that whole incident with Michael Easton, and Caleb and the Captain were busy discussing about the whole situation of trying to find Drake and Marcus after they ran out and went into hiding two years ago. But, their discussion took too long, and when night fell, the nightmare began once again, and the Captain was almost close to discovering Caleb's secret, and the second part following it is an investigation into the incident.

Roxy Drake put the tape in and it played on the big screen, and it was set in New York eight years ago, and the sun was about to start setting, and Caleb Maxwell was talking with Captain Whitten at NYU concerning the situation of finding Drake and Marcus Maxwell, his former brother and dad who went into hiding two years ago after Caleb forced those two out.

Past Captain Whitten: We've been looking for two years trying to find Drake and your dad, Caleb, but nothing's come up.

Past Caleb Maxwell: (Sighs) I can't say that I'm surprised, Drake and Dad have been good with covering their tracks around me and Mom. I was hoping they'd slip up, but looks like I was wrong.

The two of them continued their conversation, but Caleb didn't realize that by continuing on with their conversation, the sun was starting to set, and once it went down completely, he'd have to run from Cage Blunt and Travis Tackett.

Suddenly, the sun had finally gone down and night fell on the city.

Past Captain Whitten: Yikes, it looks like our conversation took too long, the sun's gone down.

Past Caleb Maxwell: Wait, what?

Caleb saw it for himself, night has fallen on New York.

Past Caleb Maxwell: We took too long with our conversation. We need to leave now, Captain.

Suddenly, Caleb Maxwell and Captain Whitten heard a strange noise coming from the science lab.

Past Caleb Maxwell: What was that?

Past Captain Whitten: Caleb, are you okay?

Past Caleb Maxwell: No..., there's something inside the lab.

Caleb Maxwell and Captain Whitten went to the science lab and went inside. Then, they hear the sounds coming from the cabinet, and they turn to the cabinet, and they saw a huge beast obscured by darkness and shadows making identification impossible, and when it saw them, it let out a low growl.

Past Caleb Maxwell: Stop right there!

Then, the beast let out a roar and charged at them, but they dodged it, but they saw what the beast did: it left massive claw marks on the wall where they were at.

Past Caleb Maxwell: What the?!

Past Captain Whitten: What kind of man could do that?

Past Caleb Maxwell: Whatever you are, you're not getting out this way!

Caleb Maxwell ran at the beast and tried to punch it, but it ducked out of the way and he tried to kick it, but it dodged it, and then, it got up onto the ceiling and growled at them.

Past Captain Whitten and Caleb Maxwell: Give it up, you're trapped.

The beast crawled to the window and it crashed through it, landed on the ground and ran off as Caleb Maxwell and Captain Whitten saw it. Then, they ran out of the science lab and out of the campus. But, then, they saw a white-furred cat with brown hair and brown tail and he was wearing only boxer shorts, but he has a worn look in his eyes, and they ran past him, it was Caleb's friend, Conrad Devins.

Past Conrad Devins: (Weary) What's the rush, Caleb?

Past Caleb Maxwell: Conrad, there was something in the science lab, and whatever it was, it was big, mean, and vicious! You need to head back to your dorm room and fast!

Caleb Maxwell ran off along with Captain Whitten.

Past Conrad Devins: Really? (Winces in Pain)

Nico: Oh no.

Me: I know those signs from anywhere.

Roxy Drake: Yep, which leads to the next day, and he was about to get help from someone he hadn't seen in seventeen years.

Then, the scene transitions to the next morning after that incident, and Caleb Maxwell was back in the science lab in NYU, and he's with his friend, Conrad Devins, but he didn't look too well.

Past Caleb Maxwell: It looks like whatever it was that was here last night broke into the cabinet by ripping the door off with its bare hands. (Sees pieces of silver) And look at this, it looks like the perp scattered the pieces of silver all over the place, why would it do that?

Past Conrad Devins: Let's just get out of here, we're not gonna find anything.

Past Caleb Maxwell: Is there something wrong? Usually, you already have something formed by looking at the evidence.

Past Conrad Devins: Well, maybe...it's. Well, who knows what it is.

Suddenly, Caleb Maxwell felt something was off and he put the backside of his hand on Conrad's forehead.

Past Caleb Maxwell: Oh man, Conrad, you're burning up.

Past Conrad Devins: I might've caught something, I'm going back to my dorm to rest.

But, then, Caleb Maxwell saw some marks on Conrad's right shoulder that healed almost in a split second, and that caught his attention and it didn't leave him.

Past Caleb Maxwell: It's pretty obvious that it wasn't a vampire that broke in, but whatever this thing was, it was bigger than the bodybuilders and veteran cops and this thing's really vicious, mean, and insanely strong.

Suddenly, Caleb Maxwell felt a sharp pain in his right arm and blood seeped from his vampire cross mark on his right arm and the blood drops fell to the floor.

Past Caleb Maxwell: No..., not now...!

?: (British Accent) Caleb Maxwell.

Suddenly, Caleb Maxwell turned around, but when he did, he was shocked to see who it was: it was Timothy Maddock, the vampire hunter-turned vampire and a familiar face whom he hadn't seen in seventeen years when he was three, along with a blond female vampire wolf, it was Chastity.

Past Caleb Maxwell: Mr. Maddock?

Past Timothy Maddock: (British Accent) It's been seventeen years since we last met, Caleb. Sorry for the sudden arrival, but I'd heard about what happened last night, so my partner and I came here to take care of this problem. Is there a place where we can discuss the situation?

Past Caleb Maxwell: Yes, come with me.

They followed Caleb to the back of the university.

Past Timothy Maddock: (British Accent) Are you sure about this, Caleb.

Past Caleb Maxwell: Yes, and don't worry, we can discuss everything here. Now, do you know what we're dealing with here?

Past Timothy Maddock: (British Accent) Yes, we do. Now, I know you've already gotten used to seeing vampires and you'd gotten your mark, but the creature that was sighted here in New York and at your college last night, that was a werewolf.

Past Caleb Maxwell: A werewolf? I know about vampires, but werewolves, that seems like a bit of a stretch though, there haven't been any reports of werewolves here for centuries.

Past Chastity: Afraid you can't hide the truth, that creature you saw last night was a werewolf, and we think your friend got bit by one.

Past Caleb Maxwell: Conrad? But, he... (Realizes something) Oh God, now I remember. A few nights ago, we were camping out at Central Park, but then, Conrad got up for something, and then, I heard a loud howl and I got up and ran to Conrad, but I saw a huge beast that pinned him to the ground and it bit him on the right trapezius as he let out a loud scream. I got out my gun and fired at it and it got off of Conrad and ran off. I grabbed Conrad and got him to the hospital and he had to get stitches.

Past Timothy Maddock: (British Accent) I see.

Past Caleb Maxwell: But, then, I suddenly started noticing weird changes in his behavior, he got easily pissed off if anyone got him angry, he ate huge quantities of meat, and he was pretty rude to the girls especially his girlfriend, Caitlin Mathers. I didn't suspect anything at the time.

Past Timothy Maddock: (British Accent) I'm afraid that what you've seen were the tell-tale signs of a werewolf.

Past Caleb Maxwell: And last night was a full moon, then that means, he transformed into a werewolf two nights ago. If I don't find a cure for him, he'll be stuck as a werewolf forever.

Meanwhile, in another part of the campus, a female white-furred cat with long brown hair and brown tail was walking back to her dorm room, it was Caitlin Mathers, Conrad Devins' girlfriend.

Past Caitlin Mathers: Ugh, that was one long class today. I can't wait to head back to my dorm and rest.

Suddenly, she heard growling in her room as she grabbed the door handle.

Past Caitlin Mathers: Conrad, you better not be messing around in there, if you are, you are so...(GASPS)

Then, she let out a bloodcurdling scream that echoed throughout the campus.

Past Caleb Maxwell: (GASPS) That sounded like Caitlin. Come on!

They immediately ran back inside and they headed for Caitlin Mathers' dorm room, and they saw the door was slightly open.

Past Caleb Maxwell: What the?

Then, Caleb Maxwell grabbed the door handle and pushed the door completely open and they went inside, and the room was an absolute mess. Suddenly, Caleb Maxwell let out a gasp as he saw Caitlin Mathers, she was really shaking like a leaf and she was deathly pale from fright.

Past Caleb Maxwell: Caitlin! Oh man, she's alive.

Caleb Maxwell went up to Caitlin Mathers.

Past Caleb Maxwell: Caitlin, what happened?

Past Caitlin Mathers: It's Conrad...! What...what on Earth happened to him?! He looked like a...werewolf!

Caleb Maxwell saw the claw marks all over Caitlin's room and they were really deep.

Past Caleb Maxwell: I should've seen the signs. Conrad got pissed off when some idiot got him really angry the other day, he ate huge quantities of meat, and he was pretty rude to the girls especially to you, his own girlfriend, and those pieces of silver scattered in the lab, if I remember right, werewolves are allergic to silver, and what was he doing in the hallways after school at night? It's the last place anyone would find him.

Past Timothy Maddock: (British Accent) There's no doubt in our minds that your friend has been turned into a werewolf, and if the werewolf that bit him isn't killed by then, he'll be stuck as one forever.

Suddenly, they heard growling and a figure was crawling on the ceiling, then he turned his head, and when Caleb saw that it was Conrad Devins, but he was slowly giving in to the curse of the werewolf as his eyes turned yellow with slit pupils and he had sharp teeth in his mouth and sharp claws.

Past Caleb Maxwell: (GASPS) Conrad, no!

Conrad Devins landed on the ground and tried to attack them, but Timothy Maddock pushed him away, and he, Chastity, and Caleb Maxwell along with Caitlin Mathers fled and Caleb Maxwell locked the door to keep him from getting out. Then, he took a look at Caitlin Mathers who's alright, and they called an ambulance who arrived on time and they were going to bring her to the hospital and Caleb came back after talking to paramedics.

Past Timothy Maddock: (British Accent) Is your friend okay?

Past Caleb Maxwell: She's gonna be fine, but now, we got to save Conrad. If we kill the werewolf who bit Conrad tonight, we can still save him before the final stroke of midnight. But, I need to go prepared as well.

They headed back to his home, and Caleb Maxwell went to his room and he got out a large suitcase underneath his bed, and it opened up revealing two large solid pitch black pistols with the barrels measuring at 75'0" with a black ring above the black guards of the handles and silver studs on the guards and keychains with a black wolf head pendant.

Me: Wait, what the?

Caleb Maxwell: Those were the first twin pistols I actually had, they were custom built and created by a gunsmith my Uncle Christiano introduced me to, and the firepower on those things were beastly.

Nico: Damn.

Lincoln: They're a lot like the guns you use now.

Caleb Maxwell: Something like that.

Past Chastity: What the hell? Who on Earth would build those two beasts of pistols for a kid like him?!

Past Timothy Maddock: (British Accent) Apparently, the gunsmith that Christiano Maxwell knew from the past.

Past Caleb Maxwell: Let's go.

They headed out, and night was fast approaching.

Past Caleb Maxwell: The werewolf's bound to show up tonight along with Conrad. If we play things right, we'll be able to end the werewolf and free Conrad of the curse for good. But, it won't be easy, it will put up a fight.

Past Chastity: Well, so will we.

Past Caleb Maxwell: And I didn't say this seventeen years ago, but Mr. Maddock, I knew you were a vampire the whole time, but the only one other than me who knew about it from decades ago was Mom when she was eighteen.

Suddenly, Timothy Maddock's blue eyes changed to red and his fangs grew longer.

Past Timothy Maddock: (British Accent) We'll talk about this after we save your friend.

Then, as the sun set, night fell on the city and the full moon rose. Suddenly, they saw a huge werewolf come out, but this one had full brown fur covering its body and its eyes were full of savage bloodlust: it was the werewolf Timothy Maddock was after, but then, they saw another werewolf come out, but Caleb saw the traces of white fur mixed in with brown fur, it was Conrad Devins.

Past Caleb Maxwell: Conrad's here, and he's fully transformed.

Past Chastity: Heh, and it looks like they're going to fight for dominance.

Past Caleb Maxwell: Come on, we need to end this right now, we don't have long before the final stroke of midnight.

Caleb Maxwell took aim with one of the twin pistols, and he saw the werewolf who bit his friend was now in his sight, and he pulled the trigger!

BANG!

HE HIT THE WEREWOLF IN ITS SHOULDER AND IT ROARED IN PAIN!

Past Timothy Maddock: (British Accent) Heh, not bad, Caleb.

Then, they went after the werewolf, and Timothy Maddock slashed at it with his sword and Chastity also attacked it with some daggers, Caleb Maxwell also helped out as well by firing at the werewolf as well while also avoiding shooting Conrad Devins.

Past Caleb Maxwell: We need to weaken the werewolf, so that way, I can get a clean shot at it. Shooting the head or the heart will be more than enough to kill it for good.

But, then, the werewolf pushed Timothy Maddock and Chastity away, and that of course pissed Timothy off as his eyes turned a solid red and he charged at the werewolf with such incredible fury.

Past Caleb Maxwell: Oh shit! What do I do?

Then, an overwhelming panic somehow got to Caleb Maxwell and his mind went blank and he charged in and kicked the werewolf away and it roared at him, and Werewolf Conrad Devins ran at Caleb Maxwell to kill him, but Caleb Maxwell dodged his attack.

Past Caleb Maxwell: At this rate, it'll be too late!

Suddenly, Caleb Maxwell ran at the beast who charged at him with a loud roar and as Caleb Maxwell raised his guns at it...!

Past Caleb Maxwell: Go to Hell, you monster!

Then...!

BANG! SQUELCH!

CALEB MAXWELL SHOT THE WEREWOLF ON THE CHEST AND HEAD AND THE WOUNDS HE INFLICTED ON IT WERE SO DEEP, BLOOD SPLASHED OUT LIKE A WATERFALL AND CALEB MAXWELL WOUND UP GETTING COVERED IN ITS BLOOD AND THE BEAST FELL TO THE FLOOR AND DIED!

Nicole: Damn.

Lincoln: That was really brutal!

Suddenly, Werewolf Conrad Devins fell to the floor in pain and he began changing back to his normal form: the curse was broken. Caleb Maxwell suddenly snapped back to reality, but as soon as he did, he saw that he got covered in werewolf blood and he lowered his twin guns.

But, then, Timothy Maddock returned back to normal as his solid red eyes changed back to the white sclera and red iris, but he saw that Caleb did it: he ended the beast and got his friend back to normal and he holstered his sword as he picked it up.

Past Timothy Maddock: (British Accent) He...he did it.

Past Chastity: The council in New York's gonna want to hear about this.

Suddenly, Timothy Maddock went up to Caleb Maxwell who was looking at the body of the werewolf and put his left hand on his right shoulder.

Past Timothy Maddock: (British Accent) Are you alright, Caleb?

Past Caleb Maxwell: No. Although I'm glad Conrad's been freed, I...I just killed someone, I know there's no sin in killing a beast, but..., there is a sin in killing a man. Look at the body and you'll see what I mean.

Timothy Maddock saw the body, but when he saw the tattoo on his right arm, he was shocked.

Past Timothy Maddock: (British Accent) My God, that was your uncle, Darren Maxwell, who went missing back in 1959.

Past Caleb Maxwell: So, the beast who turned Conrad into a werewolf...was my uncle. How did this happen?!

Past Chastity: Your uncle went missing back in 1959, that part's true, but the council looked into it and they found out that a rogue vampire was the one who put a curse on Darren, who was one of the best among The Watchers. He turned him into one to cause havoc within your own family.

Past Timothy Maddock: (British Accent) Needless to say, the rogue vampire was killed, but the consequences of that were we didn't remove the curse on time, and he was consumed by the curse. Your mother heard about his disappearance, and she wanted to find him, but by then, she'd already gotten married to your father, and years had passed without any word of him at all.

Past Caleb Maxwell: I remember now. Mom always cried every night about that, and I didn't know about it, but I just comforted her without knowing the reason. I...!

Then, Timothy Maddock put both hands on his shoulders.

Past Timothy Maddock: (British Accent) You were there to comfort your mother, that was more than enough of a reason, don't think this makes you a bad son, you're not.

Caleb Maxwell took his words in and he knew what he was saying was true: he was always loyal to family and friends despite the betrayals by his brother and former friends, and that always remained with him despite that it also took a toll on his health, and he looked down as tears fell from his eyes.

Past Caleb Maxwell: Thank you.

Suddenly, Timothy Maddock looked into Caleb's eyes: they were devoid of light and life, and the innocence he once had when he was three was gone, but he had to keep that a secret, but the one who knew of it was Marlene Maxwell. They got Conrad Devins back home and they went back to Caleb's home and were met by Marlene Maxwell.

Past Marlene Maxwell: Caleb, what happened? (Sees Timothy Maddock) Timothy. What brings you here?

Past Timothy Maddock: (British Accent) Can we speak in the kitchen, Marlene?

They sat on the chairs in the kitchen.

Past Timothy Maddock: (British Accent) Marlene, I saw your son's eyes, they weren't full of light and life and the innocence he once had, it was gone. What happened?

Marlene Maxwell told him of what happened ever since his last visit, and when she told him of Drake's violence and abuse and how it badly hurt Caleb physically and mentally and that it shortened his lifespan and that by 21, he would die.

Past Timothy Maddock: (British Accent) So, the darkness of your former husband's relatives passed down to Drake, and because of it, Caleb suffered the brunt of it. My God.

Past Marlene Maxwell: I know Caleb did the right thing exposing their secret and convincing me to get a divorce from Marcus and disowning Drake, but the consequences were severe as it put Caleb in danger along with us. Caleb is doomed to lose his life before he turns 21, and it also means Allie and I are also in danger, because he was always defending us from Marcus' scumbag relatives. I told him not to put himself in danger, but he didn't care.

Past Timothy Maddock: (British Accent) You know how stubborn your son is, he's just like you when you were around sixteen.

Past Marlene Maxwell: I know. But, sometimes I wish Caleb realized that he can always come to me, Allie, his family, and others for help, he's not alone and he never will be. And at least, my brother can finally rest in peace.

Unknown to her and Timothy, Caleb heard every word and he knew she was right.

Past Caleb Maxwell: I'm so sorry, Mom, I not only put myself in so much danger, but I also put you, Allie, and the others in danger because I didn't come to anyone for help, and my life as I knew it is going to end soon. If God would allow it, I'd like nothing more than to be together with all of you even if it's just for one last time.

Caleb Maxwell had tears in his eyes as the video ended, but we got gutted by the ending.

Lincoln: Oh man.

Nico: Damn, I knew you were a tragic soul, but this, this just made it even more tragic than ever.

Me: We had no idea of how tragic you really are.

Timothy Maddock: (British Accent) After Marlene told me everything, I was indeed gutted by what I heard, I couldn't believe the three-year-old child I met who was so full of light had turned into a tragic individual who hid his despair through putting a fractured version of his old persona from the past.

Alex Maddock: (British Accent) I still was shocked that you'd once met Caleb when he was three years old. But, what happened to him thanks to that bloody wanker of a brother, that was a line Drake should've never crossed: he destroyed the bond between brothers, the sacred bonds of family, and gave into the Seven Deadly Sins he was introduced to when he became a member of The Syndicate.

Rachel: We were disgusted with Drake, and I hoped that Alex's vampire friend would one day kill him!

Cage Blunt: Sadly, we weren't going to let Victor do so, if anyone was going to kill him, it was going to be Caleb.

Victor Bristow: (German Accent) That wasn't going to be an easy task though, all of us hated Drake for what he did to Caleb, it wasn't just you, Travis, James, Timothy, and the vampires in New York.

Denver: I thought it was only the vampires in New York who wanted to kill Drake for what he did to Caleb.

James Blunt: I thought so too, but the news of Caleb's death at the hands of Drake Maxwell hit the many vampire councils all over the United States, so all of them wanted Drake dead.

Eli: Was a bounty placed on Drake's head that time?

Timothy Maddock: (British Accent) Sadly, no. We should've done so.

Luna: That's bogus.

Lincoln: Big time, but still, they all sought to kill Drake, but when Caleb came back to get his revenge on Drake and the Syndicate, they chose to back away, right?

Marcus Mackenzie: That's right. When Caleb came back, we backed away and continued to watch from the shadows which was a safe thing we decided on.

We got a shower, and then, Lincoln, Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw are heading to Honolulu Beach in Honolulu, Hawaii.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the

speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Ripclaw: Wow, so this is Honolulu Beach, it sure is beautiful.

Lincoln: It sure is, Ripclaw, and it's perfect for our first date, shall we?

Lincoln, Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Ripclaw: (Swooning) My goodness, so manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw and hugged them in their abnormally massive and powerful muscular arms, and Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Honolulu, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw are in your harem, Linky.

Universe 666 Tyreen Calypso, Universe 666 Valeena, Universe 666 Yana, and Ripclaw showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Ripclaw: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Silverstream, Bebe and Shining Armor's final mission.

Me: Yep the Loud's are all famous and yes their mom and dad thought it was cute to start their names with the letter L. (Whispers to Hunter) They have never been believers of Condoms.

He snickered.

We went into the castle.

Corona: Spiderman told us all about the infamous battle with Team Dark Phoenix Storm in 2021. Was it that brutal?

Me: It sure was. And we found out some amazing secrets about the Louds.

Lucille: Aye. It was an amazing battle.

Nico: We found out that the Louds are the direct descendants of the McLoud Family from Loch Loud.

Me: 400 years ago in 1621 the McLoud's were royal family there.

I showed a picture on my phone of the McLouds.

Me: This was a picture of them back in 1621.

Corona: Wow! The resemblance is absolutely uncanny!

Me: That was my first reaction too.

Nico: Yep.

We told them all about what happened back then and it was intense.

Corona: WHOA! And Poromon ate Mr. Mind!? That is funny!

Me: It sure was.

Nico: Poromon is a bird Digimon and him eating Mr. Mind was both funny and awesome.

They laughed!

Eli: Yeah.

Shadow: That is cool!

Me: It sure is.

Hunter Steele: Shining Armor, what was your life like in Equestria?

Shining Armor: Well I'm the captain of the Royal Guard for the palace of Canterlot. I command the soldiers and guards under the command of the Princess.

Me: It's true.

Twilight Sparkle: And I'm so proud of my brother too.

Cadance: But his wedding with me was a treacherous one.

Me: One of Twilight Sparkle and friends major enemies Chrysalis, the Queen of the Changelings impersonated Cadance and made it a Wedding from Hell Essentially.

Corona: Huh?

Me: A wedding that usually ends in a nightmare.

Twilight Sparkle: It's true.

Me: Yeah it was all a trap. To allow the Changelings to invade so they can take over.

Eli: It was a harrowing battle.

Lola: Yeah.

Corona: Oh man! That is awful.

Nico: It was.

Corona: That is horrible!

Me: It was.

Cadance: But Chrysalis pales in comparison to King Sombra.

Hunter Steele: Who was he?

Me: He was the blackhearted ruler of the Crystal Empire. He wanted to rule the entirety of the Crystal Empire with an iron fist. Er Iron Hoof rather. Princess Celestia and Luna overthrew him and banished him to the Arctic.

Nico: Yep.

Me: I killed Sombra eons ago and it was crazy.

Cadance: J.D. is a true hero of my kingdom. We call him J.D. the Valorous Heart of Fire.

Me: It's true.

Nico: Wow! What a Knightly Title.

Eli: Yep.

Me: That was awesome.

Bebe: It sure is.

Flurry Heart: Oh my sisters Lily Crystal and Cloud Star couldn't make it because they are at school.

Corona: That's okay.

Me: They'll be back in time for the main mission to start.

Hunter Steele: That's okay. But I'm glad you guys took him down.

Me: Anti-Monitor might have brought back King Sombra. So later we're going to face him.

Corona: I know you all can do it.

Eli: Yep.

Rarity: That is gonna be amazing darlings.

Nico: Yep. So, Any of your enemies active right now?

Hunter Steele: Actually yes. Buguese is active.

Me: What can you tell us about him?

Hunter Steele: He's Mantid's right hand man.

He went over his history.

Mantid's right hand man, he is a masked humanoid Invectid with many plans to defeat the Spider Riders. He is the leader of the Big Four. He despises the Oracle, as he is bitter about her taking the sun away from the Invectids, and is eager to hurt her for what he thinks are her wrongs. Buguese claims to care little for his comrades, but he has shown respect for Stags, and concern for both Aqune, whom he is mentor to, and Beerain. Personally, he hates Hunter Steele for the many defeats at his hands. He wields a long crimson bladed sword for a weapon. Buguese has remained a loyal and faithful servant of Mantid, but over time, he lost faith and did not trust Mantid anymore. He plans to destroy the Spider Riders and take control over the Invectid Nation from Mantid. Lord Mantid gave him a machine called Dark Opal and told him to destroy the Spider Riders with it. However while battling them it absorbed the power from Hunter's Oracle keys, keeping Buguese from betraying Lord Mantid. He removes Aqune's mask, which was endowed with some of the Oracle's power by Lord Mantid and commented that over the years she had become someone precious to him. Buguese takes the remaining power of the Oracle keys that Mantid put into Aqune's mask and uses it to revive Dark Opal and goes to fight Lord Mantid himself. Dark Opal crashes into Castle Mantid, resulting in an explosion. For some reason, Oracle Mantid saved his life because he was going to use him as a tool for revenge. He is nearly killed by Mantid when one of his attacks nearly sends him off a cliff. He was saved by Beerain and Stags.

When he was done we were shocked!

Me: Whoa!

Eli: So we're facing a monster loyal to him to the end.

Me: Well we'll make him see things differently.

Hunter Steele: Yeah. Oh I found this J.D.

He gave me a piece of paper and it had a note on it.

Me: (Reading) "Evil will fall on the great man from the roof. They will accuse an innocent of the deed." That sounds like a prediction from Nostradamus.

Nico: What does this one mean?

Me: I've heard this one before. This was the prediction Nostradamus made that foretold the Assassination of President John Kennedy on November 22nd, 1963.

Nico: That shook the entire planet to the core.

Eli: Yeah.

Nico: Who wrote this?

Corona: I don't know. A huge white lion creature with sun powers gave it to us.

Me: That was a Solgaleo.

Nico: It might be one of Dark Gale's gene-slammers.

Me: We'll find out.

Eli: Yep.

Hunter Steele: Lets get a move on. He's in the Forest of Bewilderment.

Nico: Lets go then!

Spiderman: CALLING ALL SPIDER RIDERS!

Spider Riders: ARACHNA POWER!

They transformed!

KAMEN RIDER!

Tsukasa: HENSHIN!

He transformed!

Me: YEAH!

Eli: Oh yeah!

Me: Yep!

Nico: Lets go!

Me: First this. Here's your legend items.

I gave them their legend items.

Hunter Steele: COOL!

Corona: Wonder what they do.

Me: You'll see.

We were off.

We were flying.

Nico: He's here somewhere.

Me: There!

We saw him!

I fired a wave of energy and it hit him and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down.

We landed and he saw us.

Me: Buguese, I presume?

Spiderman: Long time no punch bug face.

Buguese: Spiderman. Do you always have to be some kind of half wit?!

Spiderman: Sometimes being a halfwit can be a good thing

Me: Especially when it comes to kicking your butt!

Buguese: We'll see. And I've heard so much about you J.D. Knudson. You are quite a formidable force.

Me: So I've been told. Mantid is gonna die.

Eli: It's time to kick some butt!

Hunter got out his Rider Card

Hunter Steele: Lets see what this can do.

KAMEN RIDE! CARNAGE!

He fired waves of energy and blasted him with the powers of Carnage from Amazing Spiderman 2.

Nico: YEAH!

Me: Your archenemy is Carnage from Amazing Spiderman 2.

Nico: Nice!

Andy got out his Rider Card.

Andy: Ain't I a stinker?

KAMEN RIDE! TTG SQUIRREL!

He fired a Dynamite Stick and it lodgeed into Buguese's arm and he screamed and then...

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Nice!

Me: (Imitating Mask) (Italian Accent) THAT'S A SPICY MEAT-A-BALL!

Rodney got out his Rider Card.

Rodney: These squirrels are as nuts as me!

KAMEN RIDE! SQUIRREL!

He fired waves of nuts and blasted him with the powers of Squirrel from Adventure Time.

Me: Oh yeah!

Nico: Take that!

Charlie Brown got out his Rider Card

Charlie Brown: This pumpkin has a bite!

KAMEN RIDE! GREAT PUMPKIN!

He fired waves of pumpkins and bashed Buguese all over the place.

Me: YEAH!

Eli: Want some pumpkin pie with that?

Nico: YEAH!

Twilight and Friends used their Rider Cards.

KAMEN RIDE! KAOS!

KAMEN RIDE! EL OSO!

KAMEN RIDE! TCHANG ZU!

KAMEN RIDE! VREEDLE BROTHERS!

KAMEN RIDE! CARMEN DILLO!

KAMEN RIDE! INSTIGATOR!

KAMEN RIDE! DUFF KILLIGAN!

KAMEN RIDE! DR. STARLINE!

They fired waves of energy and elements and blasted him all over the place.

Lewa got out his Rider Card.

Lewa: This ghost loves you to death.

KAMEN RIDE! KITTY!

He fired waves of energy and blasted him.

Me: OH YEAH!

Buguese: I HATE ALL OF YOU!

Our auras flared up intensely!

Me: Thanks for the power boost!

Corona: WHOA! Is that what happens when someone hates us?

Me: Yep.

Rodney kicked him in the leg!

SMASH!

Me: NICE!

But then a blast of fire hit Buguese.

Me: WHOA!

We saw a Solgaleo!

Me: WHOA! Solgaleo!

Starlight Glimmer: Just like we thought!

Nico: Who's this one?

Starlight Glimmer: Lets see.

She used telepathy and gasped!

Starlight Glimmer: (GASP) That's Hikari Lightflame! She's the descendant of Stygian.

Me: And also she's the Apprentice of Nostradamus himself!

THEY GASPED!

Nico: That's impossible! Nostradamus lived over 500 years ago.

Me: She's immortal.

Nico: Incredible!

Me: Yep. Lets go Starlight!

Me and Starlight went over.

Starlight Glimmer: Hikari calm down! Lets talk about this.

All she did was use Sunsteel Strike.

She fired a blast of fire at us and we absorbed it.

Me: WHOA! Powerful!

I fired waves of fire and energy and blasted her.

Starlight Glimmer fired skulls and bashed her.

Me: Yeah!

I snapped my fingers and she reverted back and was a girl with yellow hair, blue eyes, had fire angel wings, Solgaleo on her forehead and had a yellow version of Stygian's cutie mark on her.

Me and Starlight grabbed her and wrapped her in a blanket.

Me: Whoa! That was close.

Starlight Glimmer: It sure was.

She woke up.

Hikari Lightflame: (Groans) (British Accent) What hit me?

Me: Are you okay?

Hikari Lightflame: I think so.

Starlight Glimmer: You were turned into a Solgaleo by Dark Gale.

Hikari Lightflame: (GASP) I remember!

FLASHBACK!

She was in a yellow suit and injected.

Hikari Lightflame: From the Flames of the Phoenix will Bring divine retribution to the Wind of Darkness!

She busted out and turned into Solgaleo and busted out.

FLASHBACK ENDS

Hikari Lightflame: I said to them From the Flames of the Phoenix will Bring divine retribution to the Wind of Darkness. That was awful.

Me: That prediction you said was us destroying them. The Phoenix meaning us will kill Dark Gale. We are destroying them right now. We already destroyed 6 of their bases.

Hikari Lightflame: Just like I foretold.

Nico: We read your note.

Me: Yeah.

Rarity: Lets get you some new clothes darling.

Me: We're in the middle of a battle now.

Rarity gave her amazing Yellow Clothes and a staff of light.

Hikari Lightflame: I look amazing.

Me: You sure do.

We went back into the fray.

Then a figure swooped in a bashed Buguese down.

We saw that it was a girl with black hair and red eyes and black clothes and angel wings with Buglizard on a tiara.

Me: (GASP) Brianna Buglizard!

Brianna Buglizard: (GRUNTS) Thought you could use a hand.

Me: We appreciate it.

Nico: Buglizard's embodiment!

Me: Yep. And she is immune to all of the most horrible smells on Earth.

Nico: WOW!

Me: Watch.

LONG NASTY HORRIBLE FART!

I farted and she didn't smell it.

Brianna Buglizard: I can't even smell anything. I don't have a sense of smell.

Me: See?

Nico: WOW!

Brianna lost control and tried to bash Puppetmon

But he dodged her.

Puppetmon: Oh that does it! (Echoing) PUPPET PUMMEL!

He smashed her on her head with his hammer!

I fired the Antidote ray and injected her.

Me: JEEZ! That's gonna leave a nasty lump on her head!

Nico: Yep.

Roxy got out her Rider Card.

Roxy: Now this.

KAMEN RIDE! ZEXION!

She fired waves of energy and blasted her all over.

Lincoln and his siblings fired waves of elements and blasted her down.

Hikari fired waves of fire and blasted her. The Antidote took effect and she was cured.

Brianna Buglizard: (Groans) What? What happen... OWWWWWW! MY HEAD! I feel like I got hit with a hammer!

Puppetmon whistled innocently.

Roxy: I think me using a Rider Card was fitting

Nico: I agree.

Me: Lets finish him!

We fired waves of energy and blasted Buguese and smashed him and knocked him out.

Hikari Lightflame: That did it!

Me: One last thing.

I fired an energy ball.

Nico: What was that for?

Me: Wait for it...

Lord Mantid screamed in fright from the distance.

Nico: WHOA!

Me: Threatening message I sent. Signed it anonymously.

Nico: Nice!

Hikari Lightflame: Good.

Nico: Your role in Sonya's team?

Hikari Lightflame: I am the sun master and pyromancer. I am also a prophet like my master.

Me: Nostradamus was an amazing prophet. He predicted lots of amazing events to come over the centuries.

Nico: Yeah. He predicted the 1666 Great Fire of London, The Assassination of President Kennedy, the French Revolution and Napoleon's Rise to Power and even the Death of King Henry II in 1559.

Hikari Lightflame: That's right.

Me: Yeah and he was accurate about many of those events.

Hikari Lightflame: Yeah. And outside the team I'm an author. I write my own books.

Me: Wow!

Lana: Here Brianna.

Lana gave her some ice.

Brianna Buglizard: Thanks Lana. Ouch.

Hunter: Silverstream, ever since I met you, Bebe, and Shining Armor, I've seen you 3 as siblings

Silverstream: Oh Hunter!

They hugged him.

Shining Armor: Oh come on Twily.

She hugged them.

Me: Guess that means Lincoln is gonna be an in-law.

Nico: Yep.

We later went back home.

We later came back.

May: Hey guys. How did it go?

Me: Really awesome.

We told them everything.

Camie: WOW! That is awesome.

Lola: Yeah it was awesome!

Me: Yep.

Nico: Lincoln, you, Octavia Melody, and Stacy are next for Ambassador missions

Lincoln: AWESOME!

Me: Yep

Qin: This is gonna be fun.

Xenia: It sure will be.

At the gym, we were having an awesome Dodgeball game!

Girl Jordan Screamed and then...

WHAM!

She got smashed in her face with a dodgeball!

I jumped and ran up the walls and dodged numerous balls.

I jumped and did a flip and landed onto another wall and ran along it.

Nico: WOW! Awesome moves!

Camie: YEAH!

Vypra: Get them guys!

Dark Spicer: Here's your warning: Your asses are about to be kicked!

Me: Bring it on!

I jumped down as they lost all their balls.

Me: Now they are in for it!

Tara Haven III: Everyone ready?

J.D. 2: GRAB YOUR BALLS AND FIRE AT WILL!

Me: YEAH!

Clyde: Boy this is gonna be fun!

Me: Clyde, whose cream puffs do you hate the most? Maneet?

Clyde: "Maneet's cream puffs..." [his eyes glow red, his muscles bulge, and his fists clench.] "ARE DRY!"

[He begins throwing dodgeballs in rage]

Girl Jordan fired more balls!

WE BLASTED THEM LEFT AND RIGHT!

Krupt: BOMBARD...

WHAM!

HE GOT SMASHED IN HIS CROTCH!

Sam Sharp Loud: I got this!

She threw one and bashed and smashed them.

Slugslinger: I'll throw next!

He fired numerous balls and blasted them

We bashed them until only Vypra was left.

Me: Looks like Vypra is left.

Nico: Uh oh!

We had our balls ready!

GUNS CLICK!

Rusty Spokes: Oh this is gonna rock!

Liam: Yee haw! Lets show some fun!

Vypra: (GULPS) MOMMY.

Nico: Oh boy.

Qin: This is gonna hurt.

Camie: Big time.

Xenia: Yep.

Me: FIRE!

We threw our balls and they all converged and hit Vypra and then...

MASSIVE AND INCREDIBLE FIERY EXPLOSION!

She was blasted down and all of the M.O.E. Were down and groaning in pain and agony!

Nico: WHOA!

Scrappy Doo: (BLOWS WHISTLE) GAME OVER! TEAM LOUD PHOENIX STORM WINS!

G1 Brainstorm: Yeah! We win!

Me: YEAH!

Nico: That was awesome!

Lincoln: YEAH!

Nico: WOW!

Scrappy Doo: WOW! J.D. you really know how to splat opponents in dodgeball!

Me: Thanks Scrappy. But we all did it .

Camie: You sure did!

Vypra: Good game guys!

Me: That was fun! Hope we didn't hit you all too hard.

Vypra: Nah we're okay.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next Ridonculous Race challenge starts along with the final confrontation with Sinclair T. Sharp, Michael Malloy, and Michelle Malloy, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yep.

Later I was having lunch with John Hammond and his grandkids Lex and Tim Murphy. I was having delicious Chilean Sea Bass.

John Hammond : You know the first attraction I ever built when I came down south from Scotland? It was a Flea Circus, Petticoat Lane. Really quite wonderful. We had a wee trapeze, and a merry-go... carousel and a seesaw. They all moved, motorized of course, but people would say they could see the fleas. "Oh, I see the fleas, mummy! Can't you see the fleas?" Clown fleas and high wire fleas and fleas on parade... But with this place, I wanted to show them something that wasn't an illusion. Something that was real, something that they could see and touch. An aim not devoid of merit.

Me: (Laughs) That is really cool John. A real Flea Circus.

Lex: Yeah grandpa was really amazing in building his parks.

Me: I believe it Lex. Your grandpa is amazing in building them. Jurassic Park especially. He built it all because of perfectly preserved 100,000,000 year old dinosaur blood found in a mosquito preserved in amber.

Tim Murphy: He sure did.

Me: Yeah. I'm sorry you all had to go through what you went through if Jurassic Park was sabotaged. But thank goodness in real life we stopped that all from happening.

John Hammond: And I will always be grateful for that.

Me: Yeah.

Lex: I'm glad Paleozoic World is doing great as well.

Me: Same here. (Eating) Mmm.

John Hammond: It's good huh?

Me: It sure is. Lex, Tim, I'm sorry you had to go through so much trauma with all that in Jurassic Park when it was sabotaged like that. But rest assured that will never happen as long as we have anything to say about it.

Lex: I'm glad. Thank you.

Me: You're welcome.

John Hammond: I know there's gonna be companies out there to try and sell the dinosaurs on the Black Market.

Me: I know. I am gonna have the satellites search over the globe to find them and make sure they don't do that.

Lex: You are very resourceful.

Me: I know. I get that a lot.

Tim: At least you saved all the dinosaurs from doom when the island exploded.

Me: Yeah thank goodness for that. Isla Nublar may be gone, but Paleozoic World is now in its place. (Eating)

John Hammond: Indeed it is.

Me: John I did manage to figure out what Nedry was going to do to the park.

I pulled out my laptop and showed the code for the virus he was gonna do.

Me: He was gonna shut down the entire power supply to the park and sabotage the entire safety mainframe and the entire park altogether. Then he was steal dinosaur embryos from your labs and give them to one of your rival competitors.

John Hammond: So it was an inside job.

Me: Exactly. We have your rival competitors under survailance and should they try anything we're gonna bust them. They already have thousands of lawsuits being drawn for them so we're going to hit them hard for every penny they got.

Lex: Wow.

Me: I know.

I ate the rest of my meal.

Me: Ahh. That was delicious.

John Hammond: It sure was.

Lobo: Selling the dinos is only gonna make a mess!

Me: Big time. The chaos would be catastrophic. But all we can do now is wait. So Hold on to your butts as Dr. Arnold would say.

Nico: Good call.

Me: It's gonna take some time for them to slip up but when that time comes, we got them.

Nico: Yep.

John Hammond: Glad you had the time to talk to me J.D and thank you so much for everything.

Me: My pleasure John.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his

Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemies, Sinclair T. Sharp, Michael Malloy, and Michelle Malloy, they're in The Sinnoh Region, and those assholes are causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemies, Sinclair T. Sharp, Michael Malloy, and Michelle Malloy, they're in The Sinnoh Region, and those assholes are causing havoc.

EVERYONE GASPED!

Sam S. Loud: I knew those bastards were here!

Luna: Now, they're causing havoc there. That's the last straw!

May: We need to get there at once and stop them!

Qin: That's exactly what we're going to do to them. Plus, Lincoln's going to record their confessions once we get them to blab out why they killed Sam's parents and took Sam and abused her and Simon along with what those two assholes did in their rampage across the US.

Nico: This should be good. Lincoln, where are they at?

Lincoln: They're at the Sinnoh Region.

Me: Which is our next stop.

Nico: This is gonna be intense and messy. Alright, team, let's get going!

Lincoln: This is the last time we ever have to deal with those piles of crud. Sinclair T. Sharp, Michael Malloy, and Michelle Malloy, your time is finally up! This is where we end your pathetic lives here and now!

Me: Scans show they are over in Eterna City.

Gardenia: That's my home city.

Me: Then that's where we're heading.

The previous group came.

Roxy Rocket: Can me, Vortex, Aqueduct, Swordsman, Madame Masque, Gator Ghoul, Iceage, Ice Demon, Thundermon and Grundy go with you guys?

Nico: Yes you all can.

Roxy Rocket: That was a good game guys.

Me: It sure was. Always have fun with those.

Laney: Yep.

Wingspan: Boss, which Gene Slammer do you think you'll meet next?

Nico: Ceresmon next.

Qin: Cool!

Lola: Yeah.

Sam S.L.: When we get there I have to tell you all what happened to me because of those monsters.

Me: Oh boy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and nine sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Natalie Nightmare Moon, Midnight Princess of Dark Magic Eternal Night, and she's coming after us at The Sinnoh Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the seventh of The Midnight Princesses, Natalie Nightmare Moon, Midnight Princess of Dark Magic Eternal Night.

Lunaria Luna: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by the Darkness of The Equestrian Moon.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to The Sinnoh Region!

Lincoln: This is the last time we ever have to deal with those piles of crud. Sinclair T. Sharp, Michael Malloy, and Michelle Malloy, your time is finally up! This is where we end your pathetic lives here and now, and once we got done with them, you're next, Natalie Nightmare Moon.

Lunaria Luna: The suffering you've caused all those years ago can never be forgiven, Natalie, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The TLPS Flying City Fortress ready and we headed out to The Sinnoh Region to meet up with Don and hunt down and put a permanent end to Sinclair T. Sharp, Michael Malloy, and Michelle Malloy, and once we got done with them, Lunaria Luna and Lincoln are going to take out Natalie Nightmare Moon, Midnight Princess of Dark Magic Eternal Night.

We were off to Eterna City.

We arrived.

Me: Ah, we're here in The Sinnoh Region in Eterna City.

Nico: This is our next stop on The Ridonculous Race.

Gardenia: It's good to be back home. I missed this place.

Qin: It sure is a nice place.

Then, we saw Don arrive.

Don: That's right, guys. We found another of Dark Gale's bases as well.

Lincoln: Along with Sinclair T. Sharp, Michael Malloy, and Michelle Malloy, and we'll make sure they finally stay dead once and for all, and they'll never ever come back!

Me: Yeah!

Aqueduct: We should call the Springfield Bullies for this.

Me: Good idea.

We did so.

Jimbo: We're ready guys!

Me: Yeah!

Alucard: Look, a Lopunny.

Camie: Ooh I'll catch that one.

Me: Go for it.

She used her Quirk and blasted it with lightning and smashed it. Then she threw a Pokeball and caught it and then the red light came on and it clicked off and she caught it!

Camie: All right!

Me: Way to go Camie!

Ace: Now, can you explain the history about those two?

Disk Wars Silver Samurai: You guys might want to sit down for this.

We sat down.

I got lots of boxes of tissues ready.

Me: Okay what we're going to tell you is REALLY REALLY DARK.

Nico: Yeah.

Sam went over what happened to her during and before the events of chapter 215 and it was REALLY HORRIFIC!

When it was done everyone that hadn't heard about was shocked, horrified and crying hard!

Rarity: (BAWLING HARD)

Pinkie Pie: (WAILING HARD!)

Twilight Sparkle: Oh man! That is horrible!

Camie: WHAT A BUNCH OF MONSTERS!

Ace Ukiyo (shocked): My God...

Neon was crying, Michinaga was pissed off, and Keiwa turned green.

Gator Ghoul: Here's a bucket.

Keiwa: Thank you. (throws up)

LOUD VOMITING!

Me: Yuck.

Nico: That is sick!

Lola: Yeah!

Luna: Yeah no kidding dudes.

Me: That's why we hate those monsters with a vengeance.

Xenia: Yep.

Commando Man: They're pure evil!

Me: Times 100. They make Charles Manson look like a joke.

Camie: Yikes.

Qin: Yeah!

Lola: Yep.

Fluttershy was crying too.

Rainbow Dash too.

Me: Yeah. The Aparoids brought back Sam's parents. We found Simon before that.

Ice Demon: They raped Sam and abused her. That shows the kind of people they are!

Me: Yeah.

Lola: And they were dangerous Serial Killers.

Qin: Yep.

Grundy: Grundy think bad parents are sick!

Nico: Yeah!

Qin: No kidding!

Laney: Yep they sure were sick.

Varie: We're going to kill them.

Nico: We sure are!

Qin: YEAH!

Me: And they also work with Sam's evil uncle Sinclair! That racist will pay big time!

Eli: YEAH!

Camie: They are done for!

Nico: To clarify, he hates gay people.

Me: All three of them do.

Qin: Yep.

Gardenia: It's payback time.

Me: You got that right. Oh Gardenia what is Eterna City known for?

Gardenia: It's where Ash and friends helped me in stopping Team Rocket from getting the Adamant Orb for Team Galactic.

Commander Mars: It's true

Me: Wow!

Gardenia: Yeah it was the orb of Dialga and one of the pieces they need for their plans. But we stopped Team Rocket and got it back.

Me: Good. Now that Team Galactic is dead their plans will never be fulfilled.

Nico: Good.

Horsea: Good thing we killed Cyrus a few days ago

Me: Thank goodness.

But then Lincoln had a premonition!

Lincoln: WHOA! This is a REALLY Hot one! I saw the next Akuma we're going to face. We're going to face Sam's Akuma, Pele Kilauea. The Hypothetical Akuma of Sam Sharp Loud and she is a living volcano and is a girl made entirely out of pure lava. She has a heat temperature of 20,000˚Fahrenheit and is too hot to handle. She was made becauce of her fake Parents, Michael and Michelle killing her real parents and hurting Sam and she vowed to get revenge on them and burn them.

WE GASPED!

Me: WHOA! 20,000˚ Fahrenheit!? That's insane!

Tara: That's twice the heat of my Akuma!

Qin: WOW!

Nico: What does she look like?

Lincoln showed a sketch of her and she looked like a lava girl coming from the top of a huge erupting volcano!

Me: WHOA! That is volcanically hot!

Sam S.L.: And my Akuma looks so much like Pele!

Grundy: Grundy thinks that cool.

Ice Demon: WOW! And that is based on where Sam got her powers.

Fellbat: That's actually fitting

Me: I agree.

Lola: Yep.

Qin: That is awesome.

Camie: Yep.

Varie: Wow!

But then there was a HUGE EARTHQUAKE!

Me: WHOA!

Lola: LOOK!

We saw a HUGE VOLCANO RISING OUT OF THE RIVER!

Then...

MASSIVE AND POWERFUL EXPLOSION!

IT ERUPTED!

Me: WHOA!

Thundermon: Where is she?

Nico: THERE!

We saw a Lava Girl appear out of the top of the volcano.

Me: WHOA!

Camie: WOW! That is intensely hot!

She saw us!

Pele Kilauea: So there you are. Nice of you to show up.

Sam S.L.: WOW! I look awesome as a volcano!

Pele Kilauea: I sure do.

Chaor: Sam is that you?!

Pele Kilauea: Yes it's still me. I still love Luna.

Luna: Aw thanks dudette.

Me: It's awesome you look like this. Pele the Goddess of Volcanoes is where you got your powers from.

Pele Kilauea: Very coincidental.

Chaor: Hey, as much as I love the heat, I'm gonna have to ask you to calm down

Me: You obviously want to kill your so-called uncle and fake parents. Looks like we both want the same thing.

Pele Kilauea: We sure do.

Sam S.L.: Yeah!

Camie: Yep.

Pele Kilauea: Lets dance then.

I fired waves of water and they hit her and she screamed as she was hardening!

Moana: It's like battling Te Ka!

Tara: You're twice the heat level of my Akuma, Lady Tungurahua!

Pele Kilauea: What was she at?

Tara: She was at 10,000˚ Fahrenheit.

Me: And you are at 20,000˚ Fahrenheit.

Pele Kilauea: WOW! Double the heat on that.

Me: Scorching. Twice the heat of the Sun.

Iceage: Chill out!

He fired beams of ice and froze her.

I fired waves of water and ice and froze her.

She melted the ice.

Me: WOW! She is too hot to handle!

Jimbo threw water balloons at her

But they vaporized in an instant.

Me: Well that was a waste.

I fired waves of water and drenched her and huge clouds of steam came off her.

Camie: WOW!

Nico: Like a sauna.

Pele Kilauea: My turn!

She threw globs of lava and we dodged them.

Me: WHOA! Hot!

Kearney: Fine. No water balloons. How about this then?!

He fired waves of water and ice and drenched her.

Nico and me fired water blasts and froze her and she was hard as a rock and knocked out.

Me: There.

Qin: Frozen.

Lola: Yeah.

Madame Masque: This was so some of us aren't defenseless

Nico: Nice.

Qin: Cool.

Me: Yep. Now we got to go after those motherfuckers.

Nico: They will soon draw their last breaths.

?: Not before we destroy all of you!

We then saw our next target: Natalie Nightmare Moon, Midnight Princess of Dark Magic Eternal Night.

Lunaria Luna: If it isn't Natalie Nightmare Moon, Midnight Princess of Dark Magic Eternal Night.

Natalie Midnight Moon: You! YOU! How dare you humiliate us like this!

Lincoln: You deserved it, she and all of you were extremely evil to the core, Natalie. You all sought to destroy the world, and we weren't going to let that happen.

Natalie Nightmare Moon: (ENRAGED DEMONIC SCREAM) I HOPE SINCLAIR T. SHARP, MICHAEL MALLOY, AND MICHELLE MALLOY DESTROYS ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: Natalie stop this!

Natalie Nightmare Moon: Mina!? You're alive!

Mina Midnight Sparkle: Yes I am.

She flew up to her.

Mina Midnight Sparkle: Don't do this Natalie. You aren't this kind of person. Morgana is using you. She will kill you.

Natalie Nightmare Moon: I'm so sorry Mina. (CLUTCHES HEAD) NO!

SHE SCREAMED!

Natalie Nightmare Moon disappeared in a tornado of midnight blue darkness, moonlight, and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Natalie!

Lunaria Luna: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and tale down Sinclair T. Sharp, Michael Malloy, and Michelle Malloy before they do something else.

Nico: Right.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with the others.

Lincoln: You got it.

Lunaria Luna: And from what we saw, Natalie's also going to summon her army of demons as well: The Dark Magic Eternal Night Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's hunt down and tear Sinclair T. Sharp, Michael Malloy, and Michelle

Malloy apart along with Natalie's army of Dark Magic Eternal Night Demons and trash those Dark Gale grunts and scientists.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down those racist fuckers!

Lincoln: Let's get them. (Sensed Lana Gotchard, Lori Gaim, Danica Qing Drive, Tara Matatabi Ghost, and Sayuki Takahara Saber) Oh man! I just sensed the other Embodiments, Avatars, and Queen Goddesses of the other Kamen Rider teams on my side!

Aria Yamamoto Zero-One: (GASPS) Lana Gotchard, Haruna Hibiki, Kira Kabuto, Dina Den, Diana Decade, Qin Maki Ooo, Shanna Fourze, Lori Gaim, Danica Qing Drive, Tara Matatabi Ghost, and Sayuki Takahara Saber, the Embodiments, Avatars, and Queen Goddesses of the Gotchard, Gaim, Drive, Ghost, and Saber Kamen Riders!

Kenzie Kenzaki: Oh man!

Hermione Wizard: So, they're here in Sinnoh.

Laura Shinji Ryuki, Akira Agito, Fiona Faiz, Kate Kuuga, Aurora Geats, and Talora Kiva: We got to get to them and fast, we're not letting those piles of dogshit hurt them! WE'LL TEAR THEM APART!

Nico: They are at the Eterna City Gym. Lets go! Entrance time!

WE GOT A MOVE ON, THE FINAL CONFRONTATION AGAINST OUR HATED OLD ENEMIES, SINCLAIR T. SHARP, MICHAEL

MALLOY, AND MICHELLE MALLOY WAS FINALLY ON, AND WE'RE GOING TO MAKE ABSOLUTELY SURE THOSE PILES OF DOGSHIT NEVER RISE FROM THE DEAD EVER AGAIN!

At the gym, Sinclair, Michael and Michelle were REALLY FURIOUS! They were fighting Lana Gotchard, Lori Gaim, Danica Qing Drive, Tara Matatabi Ghost, and Sayuki Takahara Saber, the Embodiments, Avatars, and Queen Goddesses of the Gotchard, Gaim, Drive, Ghost, and Saber Kamen Riders, and just as Lincoln said, they're fighting against Sinclair T. Sharp, Michael Malloy, and Michelle Malloy.

Then the spirits of Pokemon came and swirled around them and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and we came out.

Sam S.L.: YOU WILL PAY FOR EVERYTHING YOU DID TO ME!

Lincoln: Hey! Get the Hell away from my Guardian Angels, you piles of crud!

Lincoln fired blasts of elements and energy from his massive white angel wings and nine sets of larger white angel wings underneath his massive white angel wings which hit Sinclair T. Sharp, Michael Malloy, and Michelle Malloy and that pissed them off as we landed.

Lana Gotchard, Lori Gaim, Danica Qing Drive, Tara Matatabi Ghost, and Sayuki Takahara Saber: Thanks for the assist, Lincoln.

Lincoln: You're welcome, girls.

Me: You three assholes got some nerve coming back from The Black Gates and thanks to Anti-Monitor no less!

Nico: I would've thought Morgana was the one who brought you three back, but I was wrong. But, it's not going to change anything, you three are going to die once and for all, and this time, you're never coming back!

Sinclair T. Sharp: FUCK YOU, MONKEY BUTT!

Michael and Michelle Malloy: AND ONCE WE GET RID OF YOU, YOU TWO LESBIAN BITCHES ARE NEXT!

Suddenly, we saw a massive army of demons arise and they bore the mark of Natalie Nightmare Moon along with Dark Gale grunts and scientists coming out.

Lincoln: So, Natalie's sent her army of Dark Magic Eternal Night demons and the Dark Gale Grunts and scientists have also come out, huh?

Lincoln fired magic draining blasts that hit Natalie Nightmare Moon's Dark Magic Eternal Night Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Then, he fired energy draining blasts that hit the Dark Gale grunts and scientists and drained them of their energy and knocked them down and out.

Then, Lincoln tied the knocked out Dark Gale grunts and scientists up and he sent them all to prison, and that left Sinclair T. Sharp, Michael Malloy, and Michelle Malloy alone and they were mega pissed off!

Lincoln: Alright, now before we finally get rid of you three once and for all, it's time for you to confess your crimes: why did you kill Sam's parents, Tony and Amanda Sharp, along with taking Sam and Simon hostage along with what you two pieces of shit had done in going on your rampage and killing so many people all over the US including Cody's parents.

Sinclair T. Sharp: SCREW YOU!

THEN, CALEB MAXWELL SHOT HIS LEFT KNEE OUT ALONG WITH MICHAEL AND MICHELLE MALLOY'S LEFT KNEES OUT!

Caleb Maxwell: Do it or the next shot I fire will be right through your skulls!

Tyler Maxwell: You better do what Lincoln said, or my brother will fulfill that threat he made, and he's serious!

Sinclair T. Sharp: FINE! THE REASON WAS BECAUSE I HATED HER ALONG WITH MY BROTHER AND HIS WIFE, AND WHEN I FOUND OUT SAM WAS A LESBIAN, I WANTED TO KILL HER! I DESPISE THE ENTIRE LGTBQ COMMUNITY AND EVERYTHING THAT IT STANDS FOR! EQUALITY AND FAIRNESS, FUCK THAT AND FUCK THEM ALL! I WANTED TO CAUSE SAM NOTHING BUT PAIN AND SUFFERING FOR MY OWN TWISTED AMUSEMENT AND DESTROY ALL OF HUMANITY, BUT I COULDN'T DO A SINGLE GODDAMN THING TO HER NOT AS LONG AS YOU TWO FUCKS WERE IN MY WAY! SO I HIRED THE TWO ASSHOLES WHO'D BE WILLING TO TAKE YOUR FUCKING LIVES, MICHAEL AND MICHELLE MALLOY, WHO I'D KEPT HIDDEN IN MY HOUSE AFTER THEIR RAMPAGE THROUGHOUT THE US! THEN, AS NIGHT FELL, THEY MURDERED YOU TWO LOSERS AND KIDNAPPED SAM AND SIMON AND HELD THEM HOSTAGE AND THEY DID EVERYTHING THEY COULD TO BREAK YOU, BITCH! I WANTED YOU TO SUFFER, THE PAIN, THE AGONY, THE SUFFERING, IT WAS SO FUCKING GLORIOUS TO SEE YOU BREAK! (LAUGHING MALEVOLENTLY)

WE COULDN'T BELIEVE OUR EARS: SINCLAIR T. SHARP WAS PURE FUCKING EVIL TO THE CORE!

Unknown to those three piles of dogshit, Lincoln had an audio recorder on, and once that was done, he was going to broadcast this to the entire world.

Me, Nico, Eli, Sam S. Loud, and Luna: YOU MOTHERFUCKING PILE OF DOGSHIT! YOU'RE PURE FUCKING EVIL TO THE CORE!

Cody (OC): And why did you murder my parents during your rampage across the US?

Michael Malloy: THEY GOT IN OUR FUCKING WAY! ANY WHO GET IN OUR WAY DIES! IT'S EAT OR BE EATEN! SCREW THEM ALL!

Michelle Malloy: WE SHOULD'VE ALSO KILLED YOU AS WELL! YOU'RE JUST AS WORTHLESS AS YOUR DEAD PARENTS!

CODY SNAPPED AND FIRED BLASTS OF DARK FIRE AT MICHAEL AND MICHELLE MALLOY WHICH HIT THEM IN THE STOMACH AND THEY GOT BURNED BAD!

Cody (OC): YOU MOTHERFUCKING SNAKES! I CAN'T BELIEVE YOU! MY PARENTS WERE THE NICEST PEOPLE I'VE EVER KNOWN, AND WHAT YOU DID, YOU DON'T DESERVE TO FUCKING LIVE AGAIN!

Lincoln: And thank you, you three shitheads. You just put the ultimate final nail in your coffins!

Lincoln took out the audio recorder he had with him, and he broadcasted their confessions to the entire world, and almost immediately, everyone all over the world was absolutely disgusted at what they heard.

Man: I can't believe...! So, that's the reason why Sam's parents were murdered and we also know the whole reason of the rampage of Michael and Michelle Malloy! THOSE FUCKERS, THEY DON'T DESERVE TO BREATHE THE SAME AIR AS US!

EVERYONE ALL OVER THE WORLD WAS TELLING US TO PUT A PERMANENT END TO THE LIVES OF SINCLAIR T. SHARP, MICHAEL MALLOY, AND MICHELLE MALLOY ONCE AND FOR ALL AND BANISH THOSE ASSHOLES TO THE BLACK ABYSS FOREVER!

Nico: (Smirks) Now, everyone across the world knows you three are nothing more than rotten sacks of shit.

Sam S. Loud, Tony Sharp, Amanda Sharp, Simon Sharp, Luna Loud, and Cody (OC): YOU ROTTEN SACKS OF SHIT BROUGHT ALL THAT UPON YOURSELVES! NOW, WE'RE REALLY GOING TO MAKE YOU PAY FOR EVERYTHING YOU'VE DONE!

WHEN THEY SAW THAT LINCOLN HAD RECORDED AND BROADCASTED THEIR ENTIRE CONFESSION TO THE ENTIRE

WORLD, THEY REALIZED THEY JUST SHOT THEMSELVES IN THE FOOT, BUT THEN, THEY GOT ANGRY AGAIN AND THEY DIRECTED THEIR ANGER AT SAM!

Sam S.L.: You fucked with the wrong girl!

Michelle: You mean how we fucked you? Don't pretend like you didn't enjoy it!

Arixam (to Luan): Do you have to record all of this? I'm already getting sick,

Me: Well everyone already heard it!

Swordsman (to Luan): Seriously, did you have to record that last part?

Luan: Just to get the world to see who they are.

Qin: Yep.

Lois Griffin: You're no better then my former husband!

Sinclair: Because your husband was a fucking loser!

POW!

I punched him in the face!

Me: You make me sick!

I kicked him in his crotch!

DING!

Maria punched Michelle in her face

POW!

Laney kicked Michael in his face.

KROW!

Vortex: The only thing we agree on is that Peter Griffin WAS a loser!

Me: Just like you three!

I blasted Sinclair in his face and burned him.

Sinclair T. Sharp, Michael Malloy, and Michelle Malloy: YOU MOTHERFUCKING BITCH! WE'LL KILL YOU AND YOUR LESBIAN WHORE AND YOUR UGLY CHILD! HOW DARE YOU TURN US INTO COMPLETE FOOLS IN FRONT OF THE WORLD!

UH OH!

Me, Nico, Lincoln, Eli, and Everyone: UH OH! NOW, YOU'VE GONE AND DONE IT!

Sam S. Loud: Calling me a motherfucking bitch?! Hah, look who's fucking talking! And, of course, a "Motherfucking Bitch" was the only kind of person you couldn't handle. I remember all of the times you've called me so many horrible and disgusting names and you lashed out at me and pulverized me whenever you wanted to attack me like the filthy animals that you are. You also did the same thing to Simon as well, but all you did was seal your fate when Simon ran away and I also ran as well. You killed Mom and Dad and took their identity and made me and Simon go through Hell because of that racist asshole, and that made me sick to my own stomach. You three are nothing more than hateful, spiteful, homicidal, and completely mentally unstable psychopaths and criminals who don't show any value towards friendship or comradery and wanted to destroy everything. It's obvious that you three were nothing more than inhuman monsters and menaces to the United States. Isn't that right, and they say that you wanted to rise to greatness. But, it turns out you three are lost souls and pathetic bastards whose only love was hatred, committing crimes, and causing death and destruction to all in your path and you know it. You three aren't even in the same league in the kind of power that I possess, not even close. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power, you three are nothing compared to me and you three are nothing but a bunch of pathetic ants compared to it. The way you did all the deeds in the name of your desires to spread hatred and kill anyone who gets in your way along with enjoying bringing misery to all in your path. It's downright fucking disgusting, and I thought Sebastian before we freed him from the darkness inside him was the worst. As one of the most powerful fighters and warriors and champions in the universe, all I see when I look at you are three fucked up miserable fuckweeds and heartless motherfucking psychotic abusive wretches, and on top of that, I fucking hate you above all others, you ruthless fuckkickers! What is it that you are hoping to accomplish? Abusing, hurting, and trying to kill me, committing crimes all over the planet just to satisfy your lust for hatred, chaos, death, and destruction, murdering innocent people, pursuing petty and worthless desires like revenge, and above all, being menaces to the United States. You racist motherfuckers don't give a flying fuck about anyone except your pathetic goddamned motherfucking selves and that is why I cut off all ties with you long ago after I ran away from home. You three are heartless monsters that murder, lie, steal, betray and are completely monstrous and bloodthirsty just like you and that's why I turned my backs on all of you. YOU ALL FUCKING DISGUST ME!

WE CHEERED WILDLY AT WHAT SAM S. LOUD SAID TO SINCLAIR T. SHARP, MICHAEL MALLOY, AND MICHELLE MALLOY!

Me and Nico: AW YEAH! TAKE THAT, ASSHOLES! (FLIPS BOTH MIDDLE FINGERS) AND FUCK YOU BOTH!

AND THAT MADE SINCLAIR T. SHARP, MICHAEL MALLOY, AND MICHELLE MALLOY SO FUCKING ANGRY BEYOND MEASURE, THEY LOST IT AND HAD A KURATA STYLE BREAKDOWN

Sinclair T. Sharp, Michael Malloy, and Michelle Malloy: (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU! DAMN YOU! DAMN YOU, TEAM LOUD PHOENIX STORM! IF YOU HADN'T GOTTEN IN MY WAY, WE WOULD'VE FINALLY DESTROYED THAT BITCH AND EVERY LAST PATHETIC HUMAN AND ALL LIFE ON EARTH AND BROUGHT ETERNAL DARKNESS AND DESPAIR TO THIS PLANET! BUT YOU, YOU JUST HAD TO SHOW UP AND THROW A WRENCH IN ALL OF OUR PLANS! YOU MAKE US SICK! IF YOU HADN'T GOTTEN IN THE WAY OF EVIL'S GLORIOUS REIGN, ALL OF HUMANITY WOULD FINALLY BE DESTROYED ALONG WITH ALL LIFE ON EARTH! I HATE

YOU! I DESPISE YOU! I WANT NOTHING MORE THAN TO DESTROY YOU ALL AND EVERYONE THAT YOU LOVE! THAT IS HOW MUCH I HATE YOU! HATE! HHHHHHHHHHHHHHHHHAAAAAAAAAAAAAAAAAAATTTTTTTTTTTTTT

SINCLAIR T. SHARP, MICHAEL MALLOY, AND MICHELLE MALLOY ABSOLUTELY FUCKING LOST IT AND SPAT OUT SO MUCH VENEMOUS AND ABHORRENTLY TOXIC INSANE UNHINGED HATRED AT ALL OF US, OUR RAINBOW, WHITE, GOLDEN, YELLOW AND BLUE ENERGY AURA WITH ELEMENTAL FORCES, ANIMALS, AND MYTHICAL BEASTS HAD FLARED UP EXTREMELY AS WE GAINED AN ASTRONOMICAL POWER BOOST OF ASTRONOMICAL PROPORTIONS!

SUDDENLY, SAM S. LOUD FELT SOMETHING WAS ABOUT TO HAPPEN AS HER ENERGY AND POWER BEGAN RISING ASTRONOMICALLY!

Sam S. Loud: (Smirks) And there it is, the final words of venomous and abhorrently toxic unhinged and insane hatred and toxic madness towards me and all of us as well. But, that ends here and now, Sinclair T. Sharp, Michael Malloy, and Michelle Malloy, this is where we bring your miserable lives to a bloody end once and for all!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF SAM S. LOUD WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE HULA GIRL, RAINBOW FIRE PHOENIX, AND RAINBOW FIRE ANGEL, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE HULA GIRL, RAINBOW FIRE PHOENIX, AND RAINBOW FIRE ANGEL WENT BACK TO EARTH AND SAM S. POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Sam S. Loud was surrounded by a massive vortex of rainbow, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, lava, fire, music notes, and lightning surrounding the vortex, there are hula girls dancing around the vortex and phoenixes and angels flying around the vortex, and in the vortex is a blond and teal phoenix with blood red eyes glaring at Sinclair T. Sharp, Michael Malloy, and Michelle Malloy: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF SINCLAIR T. SHARP, MICHAEL MALLOY, AND MICHELLE MALLOY TO NO END! NOW, THE BATTLE TO FINALLY END SINCLAIR T. SHARP, MICHAEL MALLOY, AND MICHELLE MALLOY WAS ON!

Lincoln, Crash Bandicoot, Sam S. Loud, Nico, and I and the rest of us went after Sinclair T. Sharp, Michael Malloy, and Michelle Malloy, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Sinclair T. Sharp, Michael Malloy, and Michelle Malloy and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at them as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Sam S. Loud also did the same by firing rainbow, white, golden yellow, and blue energy slashes from her massive greatsword and gold-plated claws, and Lincoln, Crash Bandicoot, Sam S. Loud, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Sinclair T. Sharp, Michael Malloy, and Michelle Malloy even angrier than ever.

Lori: (Sees the Monitor Orbs) There's the Monitor Orbs. Lincoln, if you would.

Lincoln fired ricocheting rainbow, white, golden yellow, and blue energy beams from his fingers and the planets orbiting his fingers like rings and ankles and they hit the Monitor Orbs embedded in the foreheads of Sinclair T. Sharp, Michael Malloy, and Michelle Malloy and they shattered and not only did we gain a massive power boost, but they clutched their heads as they screamed in agonizing pain.

Eli: That'll teach you, bastards!

Hikari Lightflame was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Emily Lunala Williams!

Emily Lunala Williams: NO! We control the power...

Hikari Lightflame: It doesn't control us!

They concentrated and reigned in the power and then transformed and blasted the three of them.

They reverted back.

Me: YEAH!

Nico: Take that!

POW!

Luna punched Michelle!

Luna: YOU ROTTEN BITCH! You have no right to call yourself a mom!

KRABLAM!

She kicked her in her face and knocked out some of her teeth!

SMASH!

Nico punched Michael in his nose and blood poured out of his nose!

Nico: You fucking disgust me!

KROW!

Luna kicked Sinclair.

Luna: And that was for hurting Sam!

Nico: YEAH!

Eli: YEAH!

Eli fired Force Lightning Blasts and electrocuted them.

Poromon pecked them

Zavok: (to Nico) We heard you fought Dorian Tyrell.

Nico: We sure did and it was funny!

Fireor: (to Wheeler) You should take care of that Cinderace

Wheeler: I will.

Saber Shadow came.

Me: Saber Shadow, up for another round?

Saber Shadow: I sure am. Awesome.

Me: Cool.

Saber Shadow: You're gonna be shocked at who the next one is.

Me: Really?

Saber Shadow: Yep. You're going to get a shock on who or rather what the next Hitotsuki is.

Out came the Gaim Kamen Riders Hitotsuki, GAIMKIKI!

Gaimkiki: Gaimkiki, Kamen Rider Gaim Hitotsuki.

Nico: WHOA!

Me: Awesome to meet you.

Taro: What is your human form?

She reverted back and it was a girl with pink hair, blue eyes and had white clothes and had a Plant sword and had pink angel wings and had the symbol of Gaim in the middle of her forehead.

Me: (GASP) Sakura Helheim!

Sakura Helheim: (Divine Echoing Voice) Good to see you again J.D.

Me: You too. Sakura is the True Goddess of the Helheim Forest. She is the Goddess of planet Femushinmu.

EVERYONE GASPED!

Qin: Yeah!

Taro: This is actually fitting.

Me: I agree.

Qin: We've seen the Helheim Forest and it is incredible.

Nico: It sure is beautiful.

Sakura Helheim: It sure is. But I was not happy that the Yggdrasil corporation were invading.

Me: You don't have to worry about that place anymore.

Fu: We blew that entire building to smithereens.

Sakura Helheim: I am glad about that. I watched your battle from afar with the rest of the Vengeful 6 and that was well done.

Me: I'm glad you saw that 2 years ago. It's amazing that the Yggdrasil Corporation was getting all its power from a planet at the very distant edge of the universe.

Shanan: Yeah we were shocked ourselves.

Sakura Knudson: I am surprised too.

Me: Yeah. On behalf of Team Loud Phoenix Storm you have our apologies for what everyone did to your world.

Sakura Knudson: All is forgiven. Just be sure to give the ones responsible the appropriate justice.

Me: Done.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Ace Bunny: They battled Lord Mantid's right hand man Buguese and he was really powerful and put up a fight. But J.D. showed not even Buguese could match him.

Bugs Bunny: Eh J.D. had him beat and sent him to the M.O.E.

Pyra: Yeah and then J.D. sent a threatening message to Mantid. It was attached to an arrow and it skewered him in his leg. It was a calling card in the shape of the sun with a Phoenix In it. And it said We're Coming For You. Prepare to Die.

Sam then threw them into the air and stabbed them through their black hearts and banished them to the Black Abyss!

We cheered as we holstered our weapons and we powered down, and Sam S. Loud's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large blonde and teal planets orbiting around her legs, twenty-five smaller blonde and teal planets orbiting around her waist, smaller planets orbiting around her fingers, and massive blonde angel wings and eleven sets of larger blonde angel wings underneath her massive blonde angel wings are permanent.

Sam S. Loud: Hah! Take that, assholes! Never show your faces here again!

Nico: Serves you piles of sewage right!

Me: Now, we're finally rid of Sinclair T. Sharp, Michael Malloy, and Michelle Malloy once and for all.

Lincoln: After our first encounter seven years ago, now it's finally over. Now, there's one last thing to do and one last loose end to tie up: Natalie Nightmare Moon, Midnight Princess of Dark Magic Eternal Night.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of dark magic blasts and the blasts were absorbed into us and made us even stronger than ever.

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here, Natalie Nightmare Moon, Midnight Princess of Dark Magic Eternal Night.

A tornado of midnight blue darkness, nature, and dark magic appeared, and as soon as the tornado vanished, in its place stood Natalie Nightmare Moon, Midnight Princess of Dark Magic Eternal Night.

Lunaria Luna: We've already taken care of and destroyed Sinclair T. Sharp, Michael Malloy, and Michelle Malloy and we not only knocked out the Dark Gale grunts and scientists there and sent them to prison, but we also got rid of your Dark Magic Eternal Night Demons that you sent after us, so you failed to get rid of us with your minions and using one of Elise Elexton's allies.

Natalie Nightmare Moon: (ENRAGED DEMONIC VOICE) Those idiots failed in their task, and now, I have to do everything myself! Damn them!

Lunaria Luna: Well, you better consider those your last and final words.

Suddenly, Lunaria Luna's midnight blue eyes turned neon midnight blue and she was surrounded by a black and midnight blue, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, magic, moonlight, darkness, Alicorns, phoenixes, and angels, she unholstered her sword, and as she approached Natalie Nightmare Moon, she left black and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, magic, moonlight, darkness, Alicorns, phoenixes, and angels with every step.

Lunaria Luna: From the very moment that we found out the seal was broken, we'd known you and the other Midnight Princesses would return once again to get revenge on us for banishing you all to The Netherworld seven years ago. But, that is never going to happen, Natalie Nightmare Moon, as The Daydream Equestrian Moon Princess of Darkness and member of The Daydream Princesses, I hereby sentence you to death for all of your crimes.

You wanted to destroy the Earth same with the rest of the other Midnight Princesses, that proves that you're just as dangerous as Queen Opaline, you walked the path of a monster crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Natalie Nightmare Moon, Midnight Princess of Dark Magic Eternal Night, may you suffer for all eternity with not a kindred soul to give you solace!

Lincoln, Lunaria Luna, Nico, and I went after Natalie Nightmare Moon, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, black and midnight blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Natalie Nightmare Moon, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws

and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lunaria Luna did the same by firing black and midnight blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Anna Medina, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Natalie Nightmare Moon even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Natalie Nightmare Moon, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Natalie Nightmare Moon, this is where your rampage of destruction ends here and now.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Natalie Nightmare Moon.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Natalie Nightmare Moon's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Natalie Nightmare Moon hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Natalie Nightmare Moon was now on her last legs and she was really really mangled.

Then, Lincoln fired an orange energy blast that hit Natalie Nightmare

Moon and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done, Natalie Nightmare Moon was knocked out and we fired an Evil Containment Wave and trapped her in a bottle.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Goodbye forever, monster of Hell.

We cheered wildly as we holstered our weapons and powered down and Lunaria Luna's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large black and midnight blue planets orbiting around her legs and twenty five smaller black and midnight blue planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized black and midnight blue planets orbiting around her wrists and ankles, eleven massive and long midnight blue wolf tails, and massive black angel wings and nine sets of large black angel wings underneath her massive black angel wings are permanent.

Lunaria Luna: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Natalie Nightmare Moon, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Lunaria.

Me and Nico: Our pleasure, Lunaria.

Suddenly, Lunaria Luna wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lunaria Luna's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Princess Luna flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Lunaria Luna sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Natalie Nightmare Moon.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a Bogeyman flying across the skies and it left a trail of darkness behind.

Selene Arcangela: (GASPS) The Bogeyman...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Brooke Bogeyman, Avatar of The Bogeyman.

WE GASPED!

Me: Wow!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Brooke Bogeyman, Avatar of The Bogeyman, is Lincoln's Guardian Angel and she's known as The Bogeyman Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Brooke is a powerful master of the powers of darkness and fear, and she's also known for the mastery of the powers of fear, darkness, and nightmares, and she has the power to make the fears of villains come to life. She was born to a family of Bogeymen during a time of darkness, and over time, as she grew, she gained all of the incredible strengths and powers of The Bogeyman, along with immortality and she also mastered the powers of The Bogeyman, and she'd fought to protect the Bogeymen from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, fear, and nightmares, and he also gained all of the incredible strengths and powers of The Bogeymen, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Bogeymen and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Brooke kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Bogeyman and be plunged into a nightmare from which they'll never wake up!

Me: Oh man!

Nico: Yikes!

Lincoln: You thought Lucy's power to make the fears of villains come to life was powerful, Brooke's powers over darkness, fear, and nightmares is incredibly powerful and it made her really feared by the worst of the worst.

Lucy: She's someone no one would ever want to mess with.

Stonedozer: That's it for those scumbags.

BlackWarGreymon: They'll never hurt Sam again!

Chillyfish: Or anyone else for that matter.

Me: Good fucking riddance to bad rubbish!

Whirlin: What now?

Marionette Shadow: Isn't it obvious? We celebrate!

Nico: Yep. Great job everyone!

Me: Yep. Number 7 done.

RIDONCULOUS RACE 2024 PART 8 - SINNOH 2

Sinnoh Region Part 2

In the early morning hours at 12:10 AM, Lincoln had a dream, and he saw eight figures hiding out and living in Kolkata. But, this was no ordinary five figures, they were Melodia, daughter of Lincoln's future wife, Sally McKnight / Thorn. Harmonica, daughter of Lincoln's future wife, Astelle Noir / Dusk. Cappella, daughter of Lincoln's future wife, Lenore Elaine / Luna. Swelter Loud, son of Lincoln's future wife, Red Raven. Joy Loud, daughter of Lincoln's future wife, Pink Raven. Grey Loud, daughter of Lincoln's future wife, Gray Raven. Jake Loud, son of Lincoln's future wife, Orange Raven. and Jillian Loud, daughter of Lincoln's future wife, Purple Raven. Lincoln woke up from the dream, but he wasn't the only one, Hex Girls, TTG Raven's Emoticlones, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Sally McKnight/Thorn: And it also means that we found out where our kids are at.

Me: They're at Kolkata.

Nico: A city of India? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Hex Girls, TTG Raven's Emoticlones, Black Alpha, Me, and Nico were heading to Kolkata. Then, Lincoln saw a young slender

13-year-old girl who has pale skin with light orange markings, dark yellow eyes, and black hair with red and white stripes and orange tips. She wears a red shirt with a dark red jacket, black skirt, black socks with red flame details, and red ankle boots. A young slender 13 years old girl who has pale skin with light purple markings, light green eyes, and short platinum blonde hair with light purple stripes. She wears a studded choker and two handcuffs, purple T-shirt with a skull on it, purple shorts, light purple socks, and black/purple sneakers. A young slender 13 years old girl who has peach skin with light yellow markings, yellow eyes, and pink braided hair with white stripes. She wears orange and yellow go-go dress, pink leggings, and white go-go boots. A 13 years old human-demon hybrid who has pale skin with blood red markings, four demonic dark red eyes, and black and white hair styled in a mohawk. He wears a red hooded cloak with a skull buckle, black shirt, red pants, and black boots. A 13 years old human-demon hybrid who has pale skin, pink eyes, and short black and white hair in a pixie cut. She wears a pink hooded cloak with a pink flower buckle, black shirt, pink skirt, black stockings, and pink sneakers. A 13 years old human-demon hybrid who has pale skin, gray eyes, and long black and white hair. She wears a gray hooded cloak with a teardrop buckle, black shirt, gray skirt, black leggings, and gray flats. A 13 years old human-demon hybrid who has pale skin, orange eyes, and black and white hair. He wears a orange hooded cloak with a hamburger buckle, black shirt, orange pants, and black sneakers. And a 13 years old human-demon hybrid who has pale skin, purple eyes with large eyelashes, and long and wavy black and white hair with two black horns a circlet. She wears a bright purple hooded cloak with a heart buckle, black dress, and purple ankle strap pumps. Lincoln saw who they were, they were Melodia, Harmonica, Cappella, Swelter Loud, Joy Loud, Grey Loud, Jake Loud, and Jillian Loud.

Lincoln: Excuse me, are you Melodia, Harmonica, Cappella, Swelter, Joy, Grey, Jake, and Jillian?

Melodia: Yes we are. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, The Hex Girls and TTG Raven's Emoticlones came out, and when Melodia, Harmorica, Cappella, Swelter Loud, Joy Loud, Grey Loud, Jake Loud, and Jillian Loud saw them, they were stunned.

Melodia: Mother?

Sally McKnight / Thorn: I'm here, sweetie.

Melodia, Harmonica, Cappella, Swelter Loud, Joy Loud, Grey Loud, Jake Loud, and Jillian Loud ran up to The Hex Girls and TTG Raven's Emoticlones, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Thorn, Dusk, Luna, Red, Pink, Gray, Orange, Purple, your mothers are one of my many future wives.

Melodia, Harmonica, Cappella, Swelter Loud, Joy Loud, Grey Loud, Jake Loud, and Jillian Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Melodia, Harmonica, Cappella, Swelter Loud (Despite his hotheaded nature), Joy Loud, Grey Loud, Jake Loud, and Jillian Loud with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Melodia, Harmonica, Cappella, Swelter Loud, Joy Loud, Grey Loud, Jake Loud, and Jillian Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting The Hex Girls and TTG Raven's Emoticlones with their kids, and Melodia, Harmonica, Cappella, Swelter Loud, Joy Loud, Grey Loud, Jake Loud, and Jillian Loud now has a loving, strong, brave, and caring father in their life. We went back to sleep.

In the early morning hours at 3:11 AM, I was having an amazing dream. I was in the ruins of Canterlot and in the Canterlot Library, I was in the Restricted Section and in the fireplace I saw it open up and went down a staircase and saw a door with Moondancer's cutie mark on it.

Me: Moondancer is here too. Wow.

I saw it open and in a room was Moondancer from Sunny's World and she was in a crystal coffin.

Me: There's Moondancer.

I woke up and gasped.

Me: Whoa.

Varie: Another dream?

Me: Yeah and I saw Moondancer.

I told my harem.

Celica: Wow so Moondancer is in the Restricted Section.

Me: Yep.

I went to get a drink of water.

Me: (Gulping) Ahh. (Smacks Lips)

I went back to sleep.

* * *

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a pretty dark dream: apparently, his dream led him to Michigan, and he was flying, he saw seven swords of Fire, Earth, Water and Ice, Wind, Lightning, Light, and Darkness appear, and then, they transformed into seven girls he knew all too well, and then, he saw an extremely powerful rainbow sword appear from nowhere and heavenly lights were shining down upon it and had The Elements of Harmony and The Unity Stones embedded in it as well. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh, no way! Lincoln, those figures you saw in your dream, they're The Elemental Masters.

Kali Timestream: My God, and the sword you saw, they've finally completed it: The Shining Rainbow Master Sword.

Lincoln: Yep, but there's one last thing that's needed to complete it: the blessing of The Spirit of Harmony and the power of The Elements of Harmony and The Unity Stones.

Selene Emperyous: I knew it. I remembered hearing about it from them a few years ago, so that's the final ingredient needed for The Shining Rainbow Master Sword to ascend even more into a more powerful weapon, and once that happens, it'll merge with your massive greatsword on your back.

Lincoln: That's right.

Paige: Everyone's going to be in for a huge surprise tomorrow.

Lincoln: You said it, Paige.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Michigan, and I was flying, I saw seven swords of Fire, Earth, Water and Ice, Wind, Lightning, Light, and Darkness appear, and then, they transformed into seven girls I knew all too well, and then, I saw an extremely powerful rainbow sword appear from nowhere and heavenly lights were shining down upon it and had The Elements of Harmony and The Unity Stones embedded in it as well.

WE GASPED!

Me: Whoa!

Nico: Incredible, and who are these girls?

Lincoln: They're The Elemental Masters.

Eli: No way.

Selene Emperyous: Oh, yes. The Elemental Masters are seven of the most powerful swordswomen in Royal Woods who have the elements of Fire, Earth, Water, Ice, Lightning, Light, and Darkness and they're also considered the most powerful among Lincoln's Guardian Angels from Michigan. These girls were assigned by God himself to craft a blade capable of destroying evil all the while purifying those with good within for only Lincoln to use, it is dubbed The Shining Rainbow Master Sword, it is a sword so powerful only those with the purest heart can wield it, and it also needs one last thing: the blessing of The Spirit of Harmony and the powers of The Elements of Harmony and The Unity Stones.

Twilight Sparkle: That's amazing.

Michelle Emperyous: In addition, they absolutely despise Chase Young's Dark Side and won't hesitate to destroy him and send him to The Black Abyss for causing Lincoln's life to go through Hell thanks to turning Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into those depraved evil ruthless fuckkicker monsters we despised. They also despise jerks especially the jerks at Lynn's Table, and even perverts, in fact, if even a single pervert try to look at them, they castrate them instantly. The only one who was an exception was of course Lincoln who knew that he's a true gentleman.

Nicole: And since they have the powers of Fire, Earth, Water, Ice, Lightning, Light, and Darkness, it's no surprise the perverts would run from them in fear.

Laney Emperyous: You said it. Plus, they and Lincoln even made powerful weapons fittingly dubbed The Weapon Shifters, the Weapon Shifters once given to their users, have the ability to change into weapons based on the users and can even shift into a different one instantly. Lincoln made The Elemental Masters bikinis based on their favorite colors and elements, and to show thanks, they kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry The Elemental Masters along with the rest of his harem, and they despise Chase Young's Dark Side with a blazing passion, and they also hate jerks and perverts with a blazing passion but mostly perverts and will not hesitate to castrate them instantly.

Maria: Weapon Shifters? Oh, now this I got to see, and when are they going to arrive.

Lincoln: They should be arriving...right now!

Suddenly, we saw seven swords of Fire, Earth, Water and Ice, Wind, Lightning, Light, and Darkness appear, and then, they transformed into the seven girls Lincoln knew all too well, they had blue eyes, red, blue, green, black, and yellow hair, white short sleeved blouses, blue, white, pink, and indigo clothes, colored angel wings, and they have powerful swords of Fire, Earth, Water and Ice, Wind, Lightning, Light, and Darkness.

Lincoln: (GASPS) Shana Kyouka, Gene-Slammer of Blue-Eyes Spirit Ultimate Dragon and Embodiment of Blue-Eyes White Dragon and Mistress of Light and wielder of The Blade of Eternal Light, Rana Blastheart, Gene-Slammer of Veidos the Dragon of Endless Darkness and Embodiment of the Ashened and Mistress of Darkness and wielder of The Blade of Eternal Darkness, May Harime, Gene-Slammer of Infernoid Flood and Embodiment of The Infernoid and Mistress of Fire and wielder of The Blade of Burning

Eternal Flames, Toadlily Sakai, Gene-Slammer of Lancea, Ancestral Dragon of the Ice Mountain and Embodiment of The Ice Barrier and Mistress of Water and Ice and wielder of The Blade of Eternal Freezing Water, Rana Kuchiki, Gene-Slammer of Thunder Dragon Titan and Embodiment of Thunder Dragon and Mistress of Lightning and wielder of The Blade of Thundering Lightning, Kitana Oak, Gene-Slammer of Ritual Beast Ulti-Reirautari and Embodiment of The Ritual Beasts and Mistress of Wind and wielder of The Blade of Blustering Winds, and Zelda Kusajishi, Gene-Slammer of Superheavy Samurai Steam Train King and Embodiment of The Superheavy Samurai and Mistress of Earth and wielder of The Blade of Quaking Earth.

Nicholette Torrington: The dream's prophecy has been fulfilled, The Elemental Masters have returned at long last!

Shana Kyouka: That we have, Nicholette.

Me: Whoa, so these girls are The Elemental Masters, incredible!

Nicole: And I'd recognize those swords from anywhere: The Blade of Eternal Light, The Blade of Eternal Darkness, The Blade of Burning Eternal Flames, The Blade of Eternal Freezing Water, The Blade of Thundering Lightning, The Blade of Blustering Winds, and The Blade of Quaking Earth, these seven blades have the powers of Fire, Earth, Ice and Water, Light, Lightning, and Darkness, and only they can wield them, amazing.

Rana Blastheart: Yep, these blades matched our powers perfectly. Oh, and we've just completed the very thing for you, Lincoln.

Shana Kyouka brought out something for Lincoln: it was The Shining Rainbow Master Sword, it's a very powerful large sword with a 9'5" massive, wide, double-edged rainbow blade, white angel wings for the crossguard, rainbow gem embedded in the hilt, long 7'5" gold handle, and rainbow gem for the pommel and it was incredibly powerful as we saw it radiate a beautiful rainbow light.

Nico: Whoa, so that's...!

Lincoln: The Shining Rainbow Master Sword, a powerful blade capable of destroying evil all the while purifying those with good within for only me to use, and it's a sword so powerful only those with the purest heart can wield it. Now, it also needs one last thing.

Suddenly, The Spirit of Harmony appeared.

Spirit of Harmony: Yes, it needs the blessing of The Spirit of Harmony and powers of The Elements of Harmony and The Unity Stones.

Suddenly, The Elements of Harmony and The Unity Stones glowed with intense light and they fired colored beams of light into The Shining Rainbow Master Sword and The Spirit of Harmony fired a powerful beam of light into it as well, and then, a kaleidoscope of rainbow energy, light, elemental forces, and magic surrounded it and it was getting even more powerful than ever, and then, as the colorful kaleidoscope faded, The Shining Rainbow Master Sword emerged as it received a massive and powerful upgrade and it was made more powerful than ever before: the 9'5" massive, wide, double-edged rainbow blade now had The Elements of Harmony of Twilight Sparkle and her friends and Sunny Starscout and her friends and The Unity Crystals embedded in it.

Princess Celestia: Amazing.

Lincoln: Incredible.

Lincoln grabbed his newly upgraded Shining Rainbow Master Sword in his left hand, and suddenly, Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Justice and his newly upgraded Shining Rainbow Master Sword and all of the greatswords and swords that he'd gotten began merging together and they're surrounded by a kaleidoscope of rainbow, white, golden yellow, and blue energy, aura energy, white and blue heavenly flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals, as Lincoln raised his massive greatsword into the air as heavenly light shined down and an angelic choir sang.

Me: UNREAL!

And when it emerged, it was transformed into Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Seraphim Phoenix God Archangel Justice, it's a brand-new massive greatsword with embedded large colored gems and the Elements of Harmony of Sunny Starscout and her friends, the symbols of the elemental forces surrounding the embedded Elemental Gems, and the symbol of The Loud House, a Thunderbird, Vampire Bat, Buffalo, Werewolf, Phoenix, Angel, Mythological Animals, Mythical Beasts, Animals, and symbols of the various branch teams etched on the 9'6" massive, wide, double-edged, hulking gold blade, large gold buffalo heads with rainbow gems for eyes for the crossguard and on top of the large gold buffalo heads is a ring of silver wolf heads with rainbow gems for eyes and inside their mouths, large white angel faces built into both sides of the greatsword's hilt with large rainbow gems embedded in the foreheads and surrounding them are The Elements of Harmony of Twilight Sparkle and her friends and The Infinity Stones and on top of The Element of The Magic of Friendship are The Unity Crystals, long 7'5" midnight black handle, large white Alicorn head and gold heart and below it are four large gold buffalo heads with rainbow gems for eyes and in their open mouths and large gold wolf head with large rainbow gem on the bottom of the buffalo heads for the pommel and below the gold wolf head are three gold sun keychain links and gold sun and moon for the keychain token.

Nico: Incredible.

Lincoln swung his brand-new massive greatsword a couple of times and we saw the 9'6" massive, wide, double-edged, hulking gold blade had rainbow light with white, golden yellow, and blue heavenly flames surrounding it.

Rainbow Dash: That...is...so...AWESOME!

Starlight Glimmer: Truly amazing.

Lincoln: And that's not all.

Suddenly, Lincoln's long wild white hair with rainbow highlights in his white hair and colored phoenix fire streaks in the back changed, and he now had long wild rainbow hair going down to the upper part of his neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks in the back.

Rainbow Dash: So awesome!

Me: Looks like you're now getting into the same trend as me and

Ken, Lincoln, awesome.

Lincoln: Thanks. Plus, my newly upgraded greatsword will not only destroy the evil and purify those with good within them, but it'll also track down evil by letting off a powerful glowing rainbow light that surrounds the massive double-edged blade, and here's another feature: those who have good within them, the massive blade will have white and blue heavenly flames surrounding the rainbow light surrounding the massive double-edged blade, but those who are truly evil and are definitely beyond redemption, the massive blade will have black hellish flames surrounding the rainbow light surrounding the massive double-edged blade.

Rarity: My word, that's amazing.

Twilight Sparkle: That truly is amazing.

Shana Kyouka: Now, Lincoln can find those who were infected with evil even more effectively and free them, and those beyond redemption and are pure evil will face their punishment.

Nico: That's so incredible. So, are you going to introduce us, Lincoln?

Lincoln: Of course, everyone, meet Shana Kyouka, Gene-Slammer of Blue-Eyes Spirit Ultimate Dragon and Embodiment of Blue-Eyes White Dragon and Mistress of Light and wielder of The Blade of Eternal Light, Rana Blastheart, Gene-Slammer of Veidos the Dragon of Endless Darkness and Embodiment of the Ashened and Mistress of Darkness and wielder of The Blade of Eternal Darkness, May Harime, Gene-Slammer of Infernoid Flood and Embodiment of The Infernoid and Mistress of Fire and wielder of The Blade of Burning Eternal Flames, Toadlily Sakai, Gene-Slammer of Lancea, Ancestral Dragon of the Ice Mountain and Embodiment of The Ice Barrier and Mistress of Water and Ice and wielder of The Blade of Eternal Freezing Water, Rana Kuchiki, Gene-Slammer of Thunder Dragon Titan and Embodiment of Thunder Dragon and Mistress of Lightning and wielder of The Blade of Thundering Lightning, Kitana Oak, Gene-Slammer of Ritual Beast Ulti-Reirautari and Embodiment of The Ritual Beasts and Mistress of Wind and wielder of The Blade of Blustering Winds, and Zelda Kusajishi, Gene-Slammer of

Superheavy Samurai Steam Train King and Embodiment of The Superheavy Samurai and Mistress of Earth and wielder of The Blade of Quaking Earth.

Maria: Wow. Wait, their last names are familiar. (GASPS) Are they...?

Lincoln: You guessed it, Shana Kyouka is the twin sister of Shiraishi Kyouka with pink hair and blue clothing and has the same bust as her sister, Rana Blastheart is Jinx's (League of Legends) twin sister with green hair and blue clothing, May Harime is Nui Harime's twin sister with red hair and blue clothing, but isn't psychotic like her, Toadlily Sakai is Tigerlily Sakai's twin sister with black hair and pink clothing, Rana Kuchiki is Rukia Kuchiki's twin sister with blue hair and and green clothing, Kitana Oak is Kipo Oak's twin sister with yellow hair and indigo clothing, and Zelda Kusajishi is Yachiru Kusajishi's twin sister with blue hair and white clothing.

MARIA'S JAW DROPPED TO THE FLOOR!

CLANG!

ELI CLOSED HER JAW!

Maria: Thanks. Oh man, they're related to some of the girls who are already in your harem: Rukia, Yachiru, Shiraishi Kyouka, Kipo Oak, and Jinx from League of Legends, and Tigerlily who happens to be Kalin Kessler's girlfriend.

Ryuko Matoi (TLPS): And I'm so glad you're not like that psycho, Nui, May.

Lincoln: Now, hold on, Ryuko. I sense that Nui isn't that much of a psycho, in fact, she has darkness inside her, and I need to remove it from her.

May Harime: I know you will, Lincoln.

Suddenly, Lincoln made six clones of himself, and while he pinned Shana Kyouka to the ground, his clones pinned the other six girls to the ground too, and they kissed the girls on the lips. Then, they leaned their heads down to their right trapezius, and they slowly bit them and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and they kissed the spot where they bit them.

Then, Lincoln helped them up, and then, seven Elemental Thunderbird Necklaces of Eternal Love appeared on their necks with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Shana Kyouka: Well, that's one way to say it's good to see you again. (Rubs Lincoln's massive pecs) I knew you were still the same gentleman, but to also find out you also have the animalistic side of you as well? (Seductive Voice) Damn.

Lincoln had an atomic red blush on his face and muzzle, and we snickered.

Me: And seductive side to him.

Shana Kyouka: Oh, we saw the fight against Dew's hypothetical Akuma, I didn't think you let the seductive beast in you out, Linky. I thought you always saved that for the bedroom.

Lincoln: (Red Blush grew deeper) Shana.

May Harime: Hey, you can't deny it, Linky. We've seen that side of you come out when night falls, so.

Lincoln: (Red Blush grew deeper) Oh, right. Anyways, let's finish breakfast and head out to take down the villain for Nico's rescue.

Nico: Right.

Lucy Heartfilia woke up to see Minior staring at her

Minior: Morning Lucy! Time for breakfast!

Lucy Heartfilia: (Groans)

She looked up and stared at the ceiling. Natsu and happy were looking at her.

Natsu then tickled her feet with Happy's tail.

Lucy then woke up and laughed hysterically.

Lucy Heartfilia: (LAUGHS) STOP IT! YOU'RE GONNA MAKE ME WET THE BED! (LAUGHS)

KRABLAM!

She slugged them both on the head!

Lucy Heartfilia: (GROWLS) Hands off while I'm in bed! Got it!?

They groaned in pain.

Lucy Heartfilia: Well time for breakfast anyway.

She went and got dressed. We were having pancakes and french toast.

We then finished our breakfast, and Lincoln holstered his brand-new massive greatsword on his back and we set out to take down the next villain on Nico's rescue.

Nico: It sure is always fun.

Varie: I agre.

Frost Man: Yep.

Nico: Frost Man, I want to thank you, Gigabolt Man O War, and your teams for coming.

Frost Man: I am honored Nico. This will be fun.

Camie: It sure will.

Lola: Yeah!

Chill: (Russian Accent) I'm ready to make some bad guys pay big time with the cold.

Nico: Chill, what do you like to do in your free time?

Chill: I haven't thought about it lately. But if I were to pick, it would be protecting endangered animals from poachers.

Me: Wow like an animal conservationist.

Chill: That's right.

Qin: Wow! That's cool.

Chill: It sure is.

Nico: That actually is a good job.

Chill: It sure is.

Me: Yep.

Qin: I agree.

Me: Wow! Yesterday was ultimate justice for Sam.

Lola: That is for sure!

Xenia: It sure is!

Nico: I HATE THOSE MONSTERS!

Ace: I didn't think they were that bad until yesterday

Me: Well they were THAT Horrible.

Nico: Yep.

Neon: Now they are forgotten memories.

Qin: Good riddance.

Me: Yeah good fucking riddance.

Lola: Good riddance!

Nico: I agree.

Lola: WOW! Sam's Akuma was a Volcano Goddess!

Qin: Which was fitting for her because it's where she got her powers.

Nico: She was very hot.

Me: 20,000˚ Fahrenheit. Wow!

Qin: No kidding!

Lola: Yeah.

Nico: That was fun though.

Maria: I just wished we didn't have to record some things during their breakdown

Me: I know Maria but the best way to get people that are bad incriminated is to have their own words broadcasted so everyone can hear.

Camie: That is a clever tactic.

Qin: It sure is.

Nico: I agree. That was sickening though. But they deserved it.

Ace: Where did you learn that by the way?

Me: Oh it was a trick I learned off the internet.

Nico: Luan likes to use that a lot.

Luan: He's not wrong on that.

Me: And it's really clever and crafty.

Lola: Yep.

Nico: It sure is.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Bikini Bottom, but here's the bad news: it appears Squidward 2 really beat the living crap out of Mr. Krabs and burned all his money and Mr. Krabs is crying like a baby!

WE GASPED!

Me: WHAT THE?! But, how?!

Nico: He's still chained at the restaurant, right?

Lincoln: He is. But, he did all that to humiliate Mr. Krabs to get revenge.

Eli: Why, that rotten sack of tartar sauce!

Lily: My words exactly, Eli. That's it, we're going to mangle Squidward 2 all over with humiliations and an angry lynch mob of the citizens of Bikini Bottom are going to tear him apart.

Lincoln: This should be good.

Maria: I just called them and told them of the situation, they're on the way.

Nico: Perfect.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the next torture ready for that rat with wings: I'm gonna dunk him in a vat of melted chocolate and candy and he's getting licked all over the place.

Lincoln had a vat of melted chocolate and jars of candy ready.

Me: Ooh! Nice one.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: Squidward 2 really crossed it this time!

Lori: Without a doubt. I hope he's ready to pay the price for this act of mutiny.

Lincoln: Oh, he's gonna pay, Lori.

Suddenly, the massive 9'6", wide, double-edged gold blade of Lincoln's newly upgraded brand-new greatsword emitted a rainbow light, but it had black hellish flames surrounding the rainbow light surrounding the massive 9'6" wide, double-edged, gold blade, and it was aimed right at Zachary Nightingale.

Valencia Nightingale: What the?! Whoa! Lincoln, your blade is...! Zachary, what's going on?!

Zachary Nightingale: (Nervously) Uh..., I have no idea what you're talking abou...!

Suddenly, Winter Icyin punched him hard in the face and gave him a black eye!

Lincoln: Whoa! Winter!

Winter Icyin: (British Accent) Sorry about that, Linky, but that needed to be done.

Selene Arcangela: Valencia, there's something you should know, it concerns the night your parents got murdered by Emile Blackmore years ago. We did some digging around and asked some of your old friends from Acme Acres, and we found something really bad: your brother's not the man you once looked up to.

Selene Arcangela made a viewing mirror and it played the events of the night of her parents' murder at the hands of Emile Blackmore, but then, we saw something pretty incriminating: it turns out that Emile Blackmore wasn't the one who murdered her parents, he was only a pawn to the mastermind behind it and it revealed the truth, Zachary Nightingale was the true mastermind behind it.

WE GASPED IN SHOCK AND OUR JAWS DROPPED!

CLANG!

ELI CLOSED OUR JAWS!

Valencia Nightingale: My God...! So, all this time...!

Zachary Nightingale: Valencia, please, you know I wouldn't do...!

Suddenly, Valencia Nightingale punched her brother hard in the mouth and knocked out some of his teeth.

Valencia Nightingale: Why, Zachary? Why did you do this? You lied to me, you're sick and I trusted you, my own brother, of all people!

Selene Arcangela: And it gets worse, Valencia. I asked Sebastian to do some digging around in your brother's room and we found his journal and it revealed why he murdered his parents: it turns out you were really talented from a young age and you were far more powerful than your older brother, and he hated you for that along with his parents, so he plotted to kill you and your parents, and then, once Lincoln found out of your death, he'd be broken and then, he'd kill him too. But, that plan went awry because Emile also murdered Zachary because of his hatred towards the both of you.

WE GASPED!

Lincoln: WHY, YOU TREACHEROUS FIEND! YOU COLD-BLOODED BLACK HEARTED BASTARD!

Sabrina Lorelai: And when he had found out you were already going to get married to Lincoln in the future, he decided to physically abuse Lincoln's kids by beating them with blunt weapons and he even blasted them and he treated them like slaves!

Lincoln's kids showed the bruises and marks that Zachary Nightingale inflicted on them, and they were absolutely horrific, and when Lincoln saw it, his entire body turned red with rage and steam blew out of his wolf ears and normal ears!

TRAIN STEAM WHISTLE!

Nico: Oh crap!

Lincoln: I can't believe you did that to my kids! It's not enough to betray your own sister and parents, but also, you hurt my kids and abused them as well! You piece of crap! You're despicable, Zachary!

Me: How could you! You committed the worst kind of betrayal there is! You murdered your own parents in your psychotic hatred of them and your sister and you wound up getting killed yourself.

Nico: That was karma for your crimes!

Lincoln: And you played the nice guy act towards me and your sister and I made the foolish mistake of bringing you back after we killed Emile Blackmore. But, that ends here and now!

Lincoln held out his left hand, and then, a white ball came out of Zachary Nightingale: it was all of the powers, skills, and abilities that he'd gained from joining us and after Lincoln brought him back from the dead, and it went into Lincoln and he gave it to Mathias Ravenclaw.

Zachary Nightingale: No! No! DAMN IT! If you hadn't gotten engaged to my sister, I would've finally gotten rid of her and you in the process! DAMN YOU!

Valencia Nightingale: Zachary, I don't want to hear another word out of your mouth! You lied to me, you betrayed me and murdered Mom and Dad, and you got murdered yourself not realizing the man you hired was our cousin who hated us both! I think you'd gotten a rightful dose of karma!

Selene Arcangela: I didn't want to do this, but this has gone on long enough and you've lived for far too long! Zachary Nightingale, as punishment for murdering your parents so many years ago along with betraying your own sister, and for abusing Lincoln's kids and trying to treat them like slaves, you are permanently kicked out of the team and you are hereby sentenced to death for all of your crimes!

Eman Reynolds: And we leaked your journal and your crimes to the entire world, and now, they all know of what kind of bastard you are.

We showed our phones to Zachary Nightingale, and just as expected, everyone was now damning him for what he'd done, and they made tons of explicit threats on him, and they were way too nasty to even repeat, and that made the traitor beyond furious!

Zachary Nightingale: (ENRAGED SCREAM) You bitch! KNOW

YOUR PLACE, SLAVES!

Zachary Nightingale fired a blast of magic at Lincoln's Guardian Angels, but Lincoln sucked up the blast of magic and it made him even stronger than ever, and he was really pissed off at Zachary for his act of betrayal.

Mathias Ravenclaw: Give it up, Zachary, you're finished.

Zachary Nightingale: (ENRAGED SCREAM) I hope The Midnight Princesses tear you all apart before I do!

Zachary Nightingale fled, but now, he was branded a traitor by us and the world: a traitor destined to die for his crimes!

Valencia Nightingale: The second we catch you, you're finished, you psychotic moron! I'm gonna tear your ass apart for what you did to Mom and Dad! You ruined my life!

Lincoln hugged Valencia Nightingale.

Lincoln: It's okay, Valencia. We'll teach your psychotic brother a lesson he's not going to forget, and it'll be one he carries with him to Hell forever.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings

stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Valencia Nightingale: Uh..., Lincoln...?

Suddenly, Lincoln let go of Valencia Nightingale, but she had an atomic red blush on her face upon feeling Lincoln flexing his muscles when he activated the curse again.

Lincoln: Whoops, sorry, Valencia. (Sensed for Squidward 2) AHA! There you are, you barnacle head! I just spotted Squidward 2, he's still at The Krusty Krab. (Sensed Zachary Nightingale) And what do we have here, looks like Zachary Nightingale's come back for more

Nico: We got the pranks ready, let's get him!

Selene Arcangela: And it's also high-time to punish Zachary Nightingale for his treachery.

We then took off into the air to head for The Krusty Krab and humiliate and beat down Squidward 2, and finally, punish Zachary Nightingale for his treachery and send him to The Black Abyss. But, there was a figure heading for The Krusty Krab as well, and he also had a desire to kill him too.

We arrived at The Krusty Krab, and we saw Squidward 2 still chained up and he was squawking and screeching like an animal, and we saw Mr. Krabs crying like a baby thanks to that stupid cephalopod beating him up and burning all his money.

Lincoln: This has gone on long enough.

Suddenly, the doors open as a massive flood of water came in and Squidward 2 was splashed hard in the face with water and many fish and marine animals came and they attacked him hard, and Lincoln appeared and fired blasts of water and energy from his massive white angel wings and nine sets of larger white angel wings underneath his massive white angel wings which hit Squidward 2 and that pissed him off as we landed.

Nico: GOOD MORNING KRUSTY CREW!

SpongeBob: Hey guys! Want some Krabby Patties after you're done beating up Squidward 2?

Me: You know it SpongeBob!

SpongeBob: Coming right up! It'll be ready by the time you're done!

Nico: Awesome!

Me: You really crossed it big time, you stupid ink-squirting moron.

Lily: YEAH! Time for us to smash your face in!

Nico: Don't worry, Mr. Krabs, we're gonna get your money back and we'll also be sure to add interest in as well.

Lincoln: With my Gessius Flores Vengeance Curse still on him, we'll hit him with everything we've got to get your money back.

Mr. Krabs: Thanks, lad.

Nico: Yep!

Scarlet heard a Pokemon Cry.

Scarlet: Look!

We saw a Klinklang.

Me: Klinklang!

It bashed and smashed Squidward 2!

Klinklang: Yeah you like that Squidward the Jerk!?

POW BLAM SMASH WHAM!

Me: She's really bashing and smashing him!

Scarlet: You hungry?

Klinklang: I could use a snack though.

We gave it apples.

Klinklang: Cool!

She ate them.

Scarlet: Would you like to come with us?

Klinklang: Sure!

Me: Cool!

Nico: Great!

Me: Awesome!

Lily: Guys look!

We saw a Deoxys come in!

Me: WHOA! Deoxys!

It fired an energy ball and we ducked and it hit Squidward 2 and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was burned all over and NUMEROUS red jewels came out of him.

Me: Wow! Powerful.

Nico: Where'd that come from?

J.D. 2: It must be one of Dark Gale's Pokemon.

Me: Lets see who it is.

Micro Chips: Perhaps I can identify who our mysterious assailant is.

He used telepathy and gasped!

Micro Chips: That's my sister! Helix Genetics. Lisa would be impressed with this one. She won Nobel Prize at age two for the discovery Dark Matter Fusion and Subatomic Quark Fusion and graduated from university at age 3.

Me: WHOA!

Nico: (Head Sparking and Zapping)

Eli: Uh oh.

Eli kicked Nico.

Nico: Ow! Thanks.

Eli: Anytime.

Me: Boy that is massively complex.

Lisa Loud: I am very astounded with all her accomplishments she did.

Me: Lets go then. Lily you hold Squidward 2, we'll face this one.

Lily: Right!

Me and Micro Chips went to face her.

Micro Chips: Helix it's me your brother Micro Chips.

All she did was charge at him.

We dodged her.

Me: Whoa! She is fast and powerful. I remember from Ash how

Rayquaza battled Deoxys.

I fired waves of energy and blasted her.

Micro Chips: We got to neutralize her by firing blasts of electrostatic discharge to immobilize her arms and disable her long enough to disrupt her electromagnetic powers to use your powers to revert her back.

Nico: (SHORTING OUT!) (HEAD EXPLODES!)

Squidward 2 laughed at Nico's humiliation!

Lily ripped off his nose!

CRUNCH!

Squidward 2: OOOOOOOOOOOOOOWWWWW!

Me: GEEZ!

Nico regrew his head.

Nico: OW! That really hurt.

Me: Lets do it!

Me and Micro Chips fired waves of lightning and blasted her down. We shorted her out.

Horsea: Now!

I snapped my fingers and she reverted back and was a girl with magenta hair and purple eyes and had purple angel wings and had Deoxys on her forehead and had a blue version of Micro Chips cutie mark on her arm and we wrapped her in a blanket and brought her to a table.

Me: There.

Nico: Lana can I have some ice before my head explodes again?

Lana: Sure Nico.

Lana gave him a block of ice for his head.

She woke up.

She opened her eyes.

Micro Chips: Helix?

Helix Genetics: Microchips? Is that you?

She looked around and her vision is totally blurry.

Micro Chips: Oh she is totally near sighted. She can't see anything beyond 0.1211 centimeters of her eyes.

Micro Chips gave her a spare pair of her glasses and put them on her.

Helix Genetics: Ah that's better. What? Where am I?

Me: You're in the Krusty Krab in Bikini Bottom.

Helix Genetics: Oh man.

Me: You were turned into a Deoxys by Dark Gale.

Helix Genetics: Oh man. I was turned into the DNA Pokemon by the process of molecular genetic transformation transmogrification.

Me: That's right. We call it gene-slamming.

Nico: To make it short.

Me: Yeah.

Nico: Yeah. OW! Man those words are super complex.

Me: Yeah but that is amazing she knows all that.

Lisa Loud: Indeed. I must say that I am most impressed with you knowing such amazing achievements in quantum physics.

Micro Chips: She is gifted in not just that Lisa. She is a master of computers, science, genetics, chemistry, quantum physics, molecular science, particle physics, particle science, and astrophysics and physics

Me: Wow! That is impressive.

Nico: I'll say. That is impressive.

Me: Yep.

Helix Genetics: Indeed. But I still remember that.

She was in a purple suit and was injected and turned into Deoxys and blasted the base and busted out.

FLASHBACK ENDS

Helix Genetics: That was a most awful and excruciating experience.

Me: Well we are in the process of eliminating Dark Gale. We already destroyed 7 of their bases.

Qin: Yeah and captured 7 of the Midnight Princesses.

Mina Midnight Sparkle: It's true.

Me: Yeah.

Nico: Your role in Sonya's team?

Helix Genetics: I am the scientist and genetics specialist and chemistry master. I make antidotes for poisons and everything that our enemies throw at us.

Me: Like how Professor Reed and Tony Stark do.

Helix Genetics: Exactly. I use super highly advanced cutting edge technology like they do.

Me: Wow! We do too.

Nico: Yep.

Helix Genetics: And outside the team I am a college professor that teaches quantum science, physics, astrobiology and genetics at the university.

Lisa Loud: I could definitely use an extra form of assistance at the university. Some of the stuff is a headscratcher.

[She scratches her head which causes her hair to fall off revealing her brain pulsating from her cranium which causes her siblings to gasp at the sight of it in horror.]

WE GASPED!

Nico: I think I am going to need serious therapy after that!

Ace: How did that happen?

Me: Nuclear experiments gone wrong. It's also how she got an extra toe on her right foot.

Horsea: It's true

Me: Yeah I was grossed out myself by it but it's not surprising to me because of what we know.

Nico: Yeah.

Lori: He's literally right.

I put Lisa's wig back on.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave Helix new clothes and she had magenta and orange clothes and had a DNA Helix Sword.

Helix Genetics: I look most amazing and brilliant.

Me: You sure do.

Nico: Yep.

Me: Yeah.

Nico: Now where were we?

Me: Kicking Squidward 2's ass!

We went at him and I punched him in his face.

I used my powers and a giant boot squished Squidward 2 flat.

KRASQUISH!

[A hammer slams onto Squidward 2.]

KRASMASH!

Me: Watch this one!

Squidward 2: No! [gets incinerated by fire underneath him]

A pair of magic arms gives Squidward 2 a wedgie. A bowling ball crushes Squidward 2's foot.

Squidward 2: Ow. [gets slapped in the face repeatedly by a robotic arm]

WHAP WHAP WHAP WHAP WHAP!

[Squidward 2 gets electrocuted by the electrical bolts. Then he gets crushed by a piano followed by a spiked-ball and a boat that resembles Titanic.]

SHIP HORN!

Nico: OOH! NICE!

Me: Now watch this one!

I fired a beam of energy at Squidward 2 and he appears with multiple eyes with hissing snakes.

Squidward 2: Holy fish paste! Get it off me! Get it off me! [takes eyes off him and pants in fear] Don't you know how to work those powers?!

Me: Oh I'm sorry. How about this? [changes Squidward 2 into a burning mess, then changes him to have an enormous nose, then to have no skin, then cut in half by scissors, then changed into more things off-screen while many of us look on in fright. Squidward 2 screams whenever I changed him]

Klinklang charged at him and blasted him all over.

Me: Now watch this.

I kicked him and he flew to the top of a diving board and then Squidward 2 falls off the diving board and lands into the tub of boiling hot lava. He screams and jumps out in pain, hits the sideways spring, and bounces into a steel wall. He falls onto the spiky conveyor belt's lever, which it turns on. Squidward 2 falls onto the conveyor belt and it takes him to the rolling wheel with sharp corals on it.

Squidward 2: No, no, no, no, no!

[Squidward 2 gets rolled on by the sharp corals, leaving his face bruised. Squidward 2 gets pummeled by boxing gloves until he becomes liquid. The liquefied Squidward 2 falls onto a shell seat. Four robotic arms grab him, stretch him and roll him up into a ball. Squidward 2 is placed into a cannon and it fires him far off into the distance until he hits the high school bell. Squidward 2 falls in front of the front doors just as the high school students march out and trample on top of him.]

Squidward 2: Ow...

HE WAS REALLY MANGLED UP!

Then numerous gold bars and diamonds exploded out of him.

Me: I'm just getting started.

I had him outfited with a flashlight, clown shoes, hoop skirt, sombrero on upside down, and tray full of cubed cheese and made him hoot like a chimpanzee and stomp around and wave the flashlight.

THEN NUMEROUS SEA BEARS CAME AND MAULED HIM FEROCIOUSLY!

SOUNDS OF FEROCIOUS FIGHTING!

Me: Now this. Hey Squidward want some Krabby Patties?

I had him eat LOTS OF KRABBY PATTIES!

[Squidward 2 eats a bunch of Krabby Patties in all sorts of ways, even a dozen at a time. Squidward dives in the Krabby Patties while laughing and decides to keep eating all of them, Pac-Man style]

SpongeBob: Squidward, you can't eat all those patties at one time! Squidward! [as soon as he ate dozens of Krabby Patties]

Squidward 2: What's gonna happen? Am I gonna blow up?

SpongeBob: No, worse! It'll go right to your thighs...

Squidward 2: [shocked] My thighs? [pan down showing Squidward's enlarged thighs, he looks at his thighs]

SpongeBob: ...and then you'll blow up!

UH OH!

We ducked and he exploded!

MASSIVE AND INCREDIBLY HUGE FIERY EXPLOSION!

He exploded inside the Krusty Krab and was blown to pieces.

The Krusty Krab was protected thankfully.

Qin: Here we go.

Me: Now watch this.

Qin: Take that!

?: YOU MISERABLE BASTARDS! KNOW YOUR PLACE!

We saw our second target: our former team member now traitor and ex-older brother of Valencia Nightingale, Zachary Nightingale, enter, and he was enraged.

Lincoln: So, you've finally shown up, Zachary Nightingale. Perfect, now we can not only humiliate and beat down Squidward 2, but now, we get to punish you and destroy you for what you did, traitor. (Sensed Sergio's thugs) Aha, got you!

Robin Hood fired waves of green energy with swings of his greatsword and they forced out Sergio's thugs.

Lincoln: (Smirks) Well, well, who do we have here?

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls and sent them to The Black Abyss, and when Sergio saw it through the one way window, he screeched in anger at us.

Nico: Yeah, screw you, Sergio!

Me: We'll deal with you later. Right now, we got to take out the trash.

Lincoln and his Guardian Angels piled on and they brutally attacked Zachary Nightingale as they all slashed at him with their greatswords and many other weapons and he screamed in pain, and it was getting mega ugly. Then, when they were all done, Zachary Nightingale's hair was messed up, his clothes had tears, and he was bleeding like a stuck pig.

That made Zachary Nightingale so enraged, he was about to blast us with his staff, but then, he got hit with a blast of darkness in the back and that caused him to drop his staff to the ground and then, it was destroyed.

Lincoln: Lucy, was that...?

Lucy Loud: It wasn't me.

Suddenly, Lincoln and Danny Phantom's Ghost Sense went off, and they saw who it was that did this: he was a 6'11" tall male with purple eyes, dark brown hair with dark purple highlights, very muscular, he had the Dark Moon embedded in his forehead, and he was dressed in a long black coat with dark purple inlay and dark purple collar, dark purple shirt with Boos on it, black pants, black knee-high boots, and he had a Poltergust G-00 created by Professor E. Gadd and it had a ring of Boos around the Strobulb and Dark-Light Device head, and it was covered in dark purple, and it had all of its many functions: Strobulb, Dark-Light Device, Flashlight, Super Suction, Suction Shot, Burst, and his purple Goo Doppelganger in the storage tank and purple Dual Scream communicator which had all of the features of The Dual Scream and Virtual Boo: view the map, use the E. Gadd hotline, find ghosts and enemies, and teleport to the lab of Professor E. Gadd, and at his side was a male German Shepherd with black sclera and purple eyes and black collar.

Zachary Nightingale: (GROWLS) Who the Hell do you think you are to get in my way?!

Suddenly, the figure fired a massive storm of black and purple energy, darkness, dark lightning, dark fire, spectral lightning, ghosts, and Boos and they hit Zachary Nightingale with incredible power and it killed him in less than a second, and then, as Zachary Nightingale's spirit appeared, he flashed him with the Strobulb, and he sucked him up with his Poltergust G-00 which trapped him inside a painting for all eternity which he gave to Valencia Nightingale.

Nico: Whoa, who is this guy?

Nicole: (GASPS) That's Adrian Morrigan, he's a ghost hunter and he's known as The Guardian of The Ghosts of Evershade Valley. Plus, here's the twist: he's the son of Boosette and King Boo, and he was born with the powers of darkness, dark lightning, dark fire, spectral lightning, and ghosts, and he also has all of the powers of the ghosts from the three Luigi's Mansion games, the Boos, King Boo, and Boosette, and he also has the pacifying and purifying powers of The Dark Moon, the magical object that hovers above the skies of Evershade Valley. But, he hated his father, King Boo, for everything he'd done, and he cut all ties with him and stated the only parent he has is Boosette, and he started working for Professor E. Gadd and he also partnered with Luigi in the past to stop his father's plans.

Nico: Unreal! This guy's a ghostly powerhouse of justice!

Nicole: And his main weapon is his Poltergust G-00 that Professor E. Gadd built for him, and it has all of the functions that our Poltergust G-00s have and he also has a Dual Scream communicator that has all of the functions of The Dual Scream and Virtual Boo: view the map, use the E. Gadd hotline, find ghosts and enemies, and teleport to the lab of Professor E. Gadd, and that spooky Gothic male German Shepherd with him is Damien. He was once a Polterpup, but Adrian used his powers and he gave him the body of a German Shepherd and he has tons of dark powers and dark magic, and he's always with him, and he and Luigi's Polterpup have sniffed out tons of ghosts and clues for them.

Me: I see, and from what I can tell, you're really powerful! You made that massive storm of black and purple energy, darkness, dark lightning, dark fire, spectral lightning, ghosts, and Boos and they hit and killed Zachary Nightingale killed him in less than a second!

Adrian Morrigan: I wasn't going to let him run loose any longer. So, it's best that he remains trapped in a painting forever. Now, I think you guys should deal with this miserable cephalopod.

Me, Nico, Lincoln, Eli, and all of us: Oh, right!

Then, the angry lynch mob of Bikini Bottom's citizens arrived at The Krusty Krab.

Lincoln: And the angry lynch mob's here. (Sensed Morgana Midnight Sparkle) Oh shit! Everyone, get down! Morgana's on the rampage!

We immediately ducked for cover and we saw Morgana Midnight Sparkle heading right for us, and she was on a violent rampage firing darkness and dark magic at us. Valencia Nightingale dodged a blast of darkness and dark magic Morgana Midnight Sparkle fired at her, but it hit the painting and it freed Zachary Nightingale from it.

Lincoln, Mina Midnight Sparkle, and The Daydream Princesses: Morgana, you vile insane she-demon bitch!

Lincoln blasted Morgana Midnight Sparkle with a blast of rainbow, white, golden yellow, and blue energy that burned her badly as she got hit, and she ran into a portal she opened up and fled, and Zachary Nightingale fled into a dimension that was familiar to Adrian Morrigan.

Adrian Morrigan: (Thinking) Nice try, you bastard. I know where you're heading, and you know there is no way you're going to run from us. (Out Loud) Let's take care of this miserable squid at once, and then, I've got something to discuss with you guys.

Lincoln, Robin Hood, Rayman, Wendy Marvel, Cana Alberona, Juvia Lockser, Flare Corona, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Squidward 2, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, red, azure blue, dark blue, brown and blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Wendy Marvel, Cana Alberona, Juvia Lockser, and Flare Corona did the same by firing colored, white, golden yellow, and blue energy slashes from their gold plated claws and massive greatswords, and Lincoln, Robin Hood, Wendy Marvel, Cana Alberona, Juvia Lockser, Flare Corona, Rayman, Crash Bandicoot, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and that made Squidward 2 even angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Squidward 2, and we found ourselves in Heaven.

Lincoln and his harem: HUMILIATION FINAL SMASH: PAINFUL LAUGHS!

Lincoln and his harem first shoved Squidward 2 into a remote car for a demolition derby which wrecked him all over. Then, they covered him with honey which attracted bees which stung him all over. Then, they covered him with honey, feathers, and a red glove on his head which made Squidward 2 look like a chicken which made Ed hug him, and lastly, they took turns slapping, head bonking, and eye poking Squidward 2.

Suddenly, the resulting barrage of techniques and attacks from Lincoln and his harem caused tons of gold, gems, jewels, and other currencies to explode out of Squidward 2, and Luigi and Adrian Morrigan vacuumed them up with their Poltergust G-00s and the gold, gems, jewels, and other currencies wound up in Mr. Krabs' vault, and Squidward 2 passed out.

Lynn: And he's out!

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, twenty-five large colored planets orbiting around the legs, twenty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and eleven sets of larger colored angel wings underneath the massive colored angel wings of Wendy Marvel, Cana Alberona, Juvia Lockser, and Flare Corona are permanent.

Me: Now, that was some awesome payback.

Lincoln: You got that right, maybe now, he'll think twice before he does that. But, now onto our big problem, thanks to Morgana's little rampage, Zachary Nightingale has been freed and resurrected not long after Adrian Morrigan killed him, sucked him up in his Poltergust G-00, and put him in a painting, but where did he flee to?

Adrian Morrigan: I know exactly where he fled to.

Adrian Morrigan made a one-way viewing window appear, and it showed a ghostly dimension of evil, and we also saw a girl with black hair with purple highlights, purple eyes, fangs, and black clothes and she was pure evil.

Me: Whoa, so that's where he fled to. And who's that?

Adrian Morrigan: That is my younger sister, Cordelia Morrigan, but unlike I who was born with the powers of darkness, dark lightning, dark fire, spectral lightning, and ghosts, and all of the powers of the ghosts from the three Luigi's Mansion games, the Boos, King Boo, and Boosette, and the pacifying and purifying powers of The Dark Moon, she was born only with the powers of darkness and the Boos, and she was pure evil and insane like my father. I defeated her not long after you guys took down King Boo last year, I stopped her at Evershade Valley as she tried to break The Dark Moon again like my father once did, and I banished her to that dimension where she'd never return, and I put a very powerful spell that forever made The Dark Moon indestructible and even more powerful than ever.

Nico: Whoa.

Adrian Morrigan: I wasn't able to forgive my sister since she was just like my father, so my mother and I both cut ties with her too.

Boosette: I tried to set her straight, but she went the way of her father.

Damien: And because of it, she became like her father in every way possible, but my master here put an end to her schemes. But, unfortunately, she'd only been given an opportunity to get stronger and was planning to break free and get revenge on her own brother.

Lily: That's not good, we need to stop her.

Lincoln: And we will, Lily. But, Zachary's not getting away with this, he's bound to make his move one more time later on today.

Selene Arcangela: Second he does, he's going to be brought to an end for good. But, your sister's a big threat just like your former dad who's now in The M.O.E., so what are you going to do?

Adrian Morrigan: I've shown her mercy when I banished her to that dimension last year, but it looks like my patience with her has reached its end. If she refuses to learn her lesson in that way, there is only one thing that'll fix her for good, I'm going to have her banished and thrown in a dungeon in The Dark World.

Lincoln: Leave that part to me and my Dark World Guardian Angels, we'll open up a portal and throw her in there ourselves.

Adrian Morrigan: No, we can't do that now. We need to wait for her to free herself because I want to show her how much stronger I've become by transforming like all of you, and then, after I defeat her, I'll strip her of her powers, and then, you guys can banish her to The Dark World Prisons for good.

Nicholette Torrington: Aw, that's a buzzkill.

Lincoln: No, it's perfect though. Because if Zachary's there, he'll warn her immediately and try to flee to our world, we can't have that.

Nico: You're right, it'll be like with King Boo last year. We'll wait for her to make her move, and then, we get after her.

Me: Right. So, Adrian, how would...?

Adrian Morrigan: I'm in.

Damien: Same with me.

Nico: Wow, that was quick.

Lincoln: With your expertise in ghosts, you're already a shoe-in to join The Goths of Darkness.

Brittney: And since your former father's in The M.O.E., you can also feel free to vent on him.

Boosette: I did the same thing to your father many years ago, and let's just say it was my way of divorcing him.

Adrian Morrigan: Well, it serves him right.

Nico: It felt good pummeling that jerk

Me: It sure did!

SpongeBob: ORDER UP!

Me: Oh time for some grub.

We got our grub and krabby patties.

Me: (Eating) Mmm! Always good.

Mr. Krabs: Thanks for helping me out lads.

Me: Anytime Mr. Krabs.

Nico: Oh, Frost Man, what do you like to do in your free time?

Frost Man: I work at a ski resort and make the snow for the slopes.

Me: Cool!

Qin: Yeah.

Xenia: that is fun.

Camie: I agree.

Lola: That was cool.

Nico: Nice job Klinklang.

Klinklang: Thanks Nico. It was fun.

Me: It sure was.

Poromon: Want a beer?

Klinklang: Sure!

Poromon: YAY!

Klinklang had the beer and drank it and belched.

Klinklang: (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the drunk party! (BELCH)

Klinklang got drunk!

Poliwag: Sing the ABC's!

Klinklang: (Drunk) (BELCHING AND SINGING) ABCDGAVDSDCCFNJVOOSNRKKFCOOZ!

We laughed hysterically!

Poromon: Oh, me and the others will be helping Ratchet later

Ratchet: Looking forward to it.

Me: Hospital Work?

Ratchet: Yep.

Poromon: Yep.

Qin: Cool!

Xenia: Awesome!

Me: Oh and me and Moondancer are gonna go to the Ruins of Canterlot to search under the Canterlot Library.

Nico: A dream that leads to another pony from Sunny's World?

Me: Yep.

Nico: Now for the Anothers

Me: Yep.

Qin: Who are they?

But then Misty and Carly's marks were glowing.

Carly Atlas: Our marks are reacting to something.

Misty Tredwell: Strong presence.

Horsea: Who are the Anothers?

Eli: (Concentrates) WHOA! We got Another Gigabolt Man-O-War, Lucy Heartfilia, Willy Weasel, EarthSpark Nova Storm, Snow Beast, Shimaka Monster and King Chronoma

Me: WHOA!

Lucy Heartfilia: Another me!? That is amazing!

Nico: So Frost Man, Chill, Freeze Blade, Slam Bam, Rip Tide and Lob Star

Chill: Lets make this fun! STAY COOL!

Freeze Blade: KEEPING IT COOL!

Slam Bam: ARMED AND DANGEROUS!

Rip Tide: GO FISH!

Lob Star: STAR BRIGHT! STAR FIGHT!

Me: WHOA!

Xenia: WOW! That many!? Wow!

Nico: There they are!

We saw Another Willy Weasel, EarthSpark Nova Storm, Snow Beast, Shimaka Monster and King Chronoma!

Me: WHOA!

Qin: This is gonna be good.

Xenia: Yep.

Another Willy: (In a girls voice) It sure will be.

They merged and split into 17 people an they were the gene-slammers of the Earthbound Immortals! We were introduced to Wiksu Blanca, Ukupacha Callao, Qhoa, Huacachina Kon, Cuauhcoatl, Itzpzpalotl, Rorccon, Ccgojuru, Llamaca Pacuilla, Ccoshobar, Ccomnosuma, Wiraqocha Rasca, Chacu Challhua, Ccapac Apu, Ccarayhua, Cusillu and Aslla Piscu Earthbound.

Me: WHOA! The Earthbound Immortals Gene-slammers!

Ccarayhua Earthbound: That's right. We are Nico's friends from Peru and we govern each of the Earthbound Immortals.

Qin: Yep and their powers are amazing.

Ccgojuru Earthbound: It sure is.

Lola: Wow!

Carly Atlas: It's an honor to meet the gene-slammer of Aslla Piscu.

Aslla Piscu Earthbound: Same here Carly.

Me: By the way girls are the Another Lucy and Gigabolt Man-O-War friendly or hostile?

Itzpzpalotl: Friendly and they are amazingly powerful. But the Another Lucy has a STRONG HATRED towards her dad.

Me: Don't we all.

Qin: Yeah.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and caught the wonder ride books and purified them!

Me: YEAH!

Nico: Now we wait.

Me: Yep.

Qin: Yeah.

Me: Even in death and in the Black Abyss, Swartz just continues to piss us off.

Qin: That is for sure.

Lola: Yeah.

Camie: Thought that would be the end of it after we destroyed him.

Me: I know.

Nico: But at least we don't have to see him ever again

Me: Yep.

Wiraqocha Rasca Earthbound: That is true.

Qin: Yep.

Me: That is amazing that you girls are named after the Earthbound Immortals themselves.

Qin: It sure is.

Varie: I agree.

Nico: By the way J.D. how was your lunch with John and Lex and Tim yesterday?

Me: It was good thanks. I was really astonished about what John told me how he did all that in his life.

Nico: Yeah I agree. Jurassic Park too.

Qin: I agree.

Poromon: That Park changed everyone's lives

Me: That is too true. Many people come to Gotham Royal York for Paleozoic World and Neo Phoenix Land and many of the attractions.

Qin: Yeah.

Ccoshobar: So awesome and I think it's cool too.

Me: Yep. Oh! Here they are.

We saw Another Gigabolt Man O-War and Lucy Heartfilia!

Nico: There they are.

Qin: Nice.

Another Gigabolt Man-O-War: (In a girls voice) Looks like the fun started.

Nico: Uru Earthbound.

She reverted back and was the Earthbound Immortal Uru gene-slammer.

Uru Earthbound: That's right Nico. Good to see you again. You too Qin and everyone.

Qin: Same here.

Nico: Yep.

Uru Earthbound: Sorry I missed out on the action. Wanted to let that jerk Squidward 2 have it with my lightning powers.

Gigabolt Man O-War: My lightning would have easily killed him and turn him into fried calamari.

Uru Earthbound: You're right on that.

Me: But with the curse Lincoln put on him that is a huge impossibility.

Lincoln: He's right. My magic is pretty strong.

Me: Yep.

Lucy Heartfilia: And who is my lookalike?

Nico: I was gonna say. Who is your friend?

Another Lucy: I believe she knows me. (COUGHS)

Lucy Heartfilia: (GASP) Oh man!

She reverted back and was a younger version of her but had tattered clothes and had blood dripping from her mouth.

Nico: (GASP) Oh man!

Me: OH MAN!

Lucy Heartfilia: (GASP) Lisa!

She ran and hugged her!

Me: What happened to her?

Lisa Heartfilia: (CRYING) Daddy hurt me and sold me to Swartz!

WE GASPED AND GROWLED!

Nico: That monster!

Varie: Let me look at her.

Varie did so.

Varie: She has bruising on her bones and muscles. She was really abused.

Me: My god!

Varie: Yeah Jude really did a number on her.

Me: Lisa we killed Swartz 2 years ago. But we're going to destroy him.

Layla Heartfilia: I promise you sweetheart.

Lisa Heartfilia: Thank you all and mommy! You're back! (Stomach growls)

Me: She must be really hungry.

Lily: I'll bring patties out for her.

Uru Earthbound: She went through hell.

Kaito: (Gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (Gets out Magiranger gear) Because we can grant it instead.

They got weapons from said teams.

Uru Earthbound: No he didn't. I trapped him in a nightmare for 2 days and we ran.

Lily gave Lisa Krabby Patties.

Lisa Heartfilia: Thank you.

Me: Lucy does Lisa have any magic powers like you do?

Lucy Heartfilia: She does. She's a Phoenix Fire Mage.

Me: Wow!

Camie: Cool!

Eclair: Just like me and I use the powers of the phoenix.

Camie: Wow.

Sougo: (Gets out Operation Overdrive Ridewatch) Your former father will get his just desserts

Geiz: (Gets out Mystic Force Ridewatch) Whether it's in Hell or in prison!

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor.

Me: We agreed that we're going to kill him and send him to the Black Abyss.

Qin: Yeah he's going to pay for his crimes.

Lisa Heartfilia: Thank you all so much.

Varie: I'll heal you up while the fight's going on.

Me: First lets separate you first.

Lincoln: Right.

We did so.

Varie got to healing her.

We got the fights underway.

Nico: (gets out Gigabolt Man O-War's Ridewatch) Shocking, isn't it?

May: (Gets out Earthspark Nova Storm's Ridewatch) Lets bring the heat!

Maria: (Gets out Shimaka Monster's Ridewatch) This mosquito bites!

Chill: (Gets out Willy Weasel's ridewatch) Stay Cool!

They used the powers of Gigabolt Man-O-War, Lucy Heartfilia, Willy

Weasel, EarthSpark Nova Storm, Snow Beast, Shimaka Monster and King Chronoma and blasted the Anothers.

Nico: YEAH!

Then Crystal Snail, Momo Phantom Gaiouto, Takanasu, the monster of bamboo sakes, Crow Kankurugin, Yadzruck and Dragon Phantom Drachianne came.

Me: WHOA!

Nico: Nice team Crystal Snail!

Crystal Snail: Thanks Nico.

Me: Awesome! So Wood Man and his team next.

Wood Man: Awesome! Can't wait!

Qin: Yep.

?: That is awesome!

Ceresmon came.

Me: Whoa! Ceresmon.

Nico: Awesome!

Ceresmon: It sure is.

Nico: Cianna Ceres!? Wow!

She reverted back and was a girl with green hair, green eyes, green dress and green angel wings and had the symbol of Ceres on her forehead and had Ceresmon on her skirt and shirt and had a nature sword in her hand.

Cianna Ceres: Awesome to see you Nico. I got this.

She fired waves of nature and blasted the Anothers and I caught the ridewatches and purified them.

Me: Yeah!

Cianna Ceres: Take that!

Nico: Nice job!

Cianna Ceres: Thanks!

Chill: Do you have a good memory of Nico?

Cianna Ceres: I sure do. When me and Nico took down a bunch of mango poachers in Africa. They were selling rare blood mangos on the black market.

Me: Whoa man! Those are some of the rarest fruits in the world.

Camie: Wow.

Me: Yeah.

Cianna Ceres: Yeah that was fun.

Nico: Yep.

They hugged.

Nico: I've missed you.

Cianna Ceres: Same here.

We paid for the food and later went back home.

Lincoln: Ah, we're here in Beverly Hills, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to face John Smith, the 800-year-old youth stealing wizard from the early 13th Century who's been restored to full strength and youth not with the 3 Jewels of Sumatra that were given to me by Theodore who we met yesterday, but through the dark magic of Morgana Midnight Sparkle, but when we defeat him, Morgana's gonna double cross him and undo her spell to restore him to his youth and full strength and he'll wind up turning back to dust, but I'm going to banish him to The Black Abyss before Morgana can trap him in Limbo just like what happened with Venn Vexos.

Nico: Just like what we found out yesterday.

Sam Simpson: Even without the 3 Jewels of Sumatra, he's still incredibly dangerous.

Clover: Hope he hasn't gone after anyone again.

Alex: I hope not as well.

Lincoln: We'll be ready for whatever trouble he's going to cause.

Suddenly, we saw a white mist appear out of nowhere, and we heard the sound of maniacal laughter.

Frost Man: What was that?!

Adrian Morrigan: There's no mistaking it, Boos are in the area.

Adrian Morrigan used the Dark Light Device on his Poltergust G-00 as it let out a stream of rainbow light, and it hit somewhere and it exposed a Boo as it was stunned. Then, he sucked up its tongue with The Poltergust G-00 and he slammed it on the ground enough times and he reeled it in and it was sucked inside the The Poltergust G-00.

Then, he used The Dark Light Device on his Poltergust G-00 and exposed more Boos in the area and stunned them. Then, he sucked up their tongues with the Poltergust G-00 and slammed them on the ground enough times and he reeled them in and they were sucked inside the Poltergust G-00 and the white mist disappeared.

Adrian Morrigan: This was Cordelia's doing, she tried to slow us down by sending some Boos after us. But, that wasn't going to work.

Lincoln: It sure wasn't. Now, let's get going.

We eventually got going immediately, and as we travelled, we saw some young teens and children who had their youth sucked out of them.

Lincoln: He's been here. Come on, we need to hurry.

Suddenly, we saw a a Bogeyman flying across the skies and it left a trail of darkness behind, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair with red streaks, red eyes, massive black angel wings, white short-sleeved blouse with a Bogeyman on it, her right arm, skirt, and on her forehead, sleeveless red crop top, white gloves, red skirt, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, bogeymen, phoenixes, and angels on the coattails, and on the back is the Bogeyman, she has a darkness greatsword in her right hand, and with her are the seven girls.

Lincoln: (GASPS) Brooke Bogeyman, Avatar of The Bogeyman.

Brooke Bogeyman: That's right, and I got the girls away from John Smith, it appears Morgana gave him the ability to steal the youth of powerless teens and children when she restored his youth and strength.

Lincoln: That insane she-demon's gone too far. Let's get him.

We then proceeded onwards to face John Smith and stop him.

We then saw our target: John Smith, the 800-year-old youth-stealing wizard and he was indeed back in full strength and his youth was restored.

John Smith: You!

Sam: We should've known you'd return, but to find out Morgana was the one who brought you back from the dead, you realize she's gonna destroy you.

John Smith: I don't care! I will have my revenge on you!

Lincoln fired a rainbow energy beam that hit John Smith, and it proceeded to free the youth of those he'd attacked and his victims had their youth restored.

Alex: Nice one.

Skippy the Bush Kangaroo went after John Smith, and he fired extremely powerful blasts of red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels at Admiral Antaboga and they exploded with incredible power as they hit him. Then, he punched him hard with his gauntlets and kicked him with his graves and he got hit hard.

Then, Skippy balanced himself on his tail and delivered a hard kick to John Smith's stomach and he fell to the ground in pain.

Lincoln: This is where it all ends for you, John Smith! You're going to pay for everything you've done! (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at John Smith, and he proceeded to brutally smash him right into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON HIS MISERABLE HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN ALSO SLASHED JOHN SMITH WITH HIS MASSIVE GREATSWORD AND FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you after you die.

We saw John Smith was a mess: Lincoln left claw marks on his body and clothes.

Lincoln: You don't deserve mercy whatsoever for your crimes, John Smith. You stole the youth of many teens and children for over 800 years to keep yourself eternally young, but what you did in attacking my future wife, Alex, you crossed a serious line, and because of it, you've doomed your soul to eternal damnation and no atonement for your sins in the past can save you from the fate that now befalls you: eternal damnation in The Black Abyss.

LINCOLN SHOT HIM AN EXTREMELY DEATHLY GLARE AND THAT MADE JOHN SMITH SO SCARED, HE SCREAMED IN FRIGHT!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, LINCOLN SHOT HIM DOWN WITH THE FACT HE HURT ONE OF HIS FUTURE WIVES AND TELLING HIM OF HIS FATE ALONG WITH A DEATHLY GLARE AT HIM TOO!

Eli: He's done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKER, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, YOU ASSHOLE!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN THE BLACK ABYSS, YOU MISERABLE FUCK!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to that monster.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to that bastard.

Luna: And what Lincoln said was true, now he's really doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

and transformed, and we went after John Smith and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit him.

John Smith lay on the ground defeated by us. But, then, Morgana Midnight Sparkle who was hiding in the shadows had undone the spell that restored John Smith's youth and strength, and he suddenly turned back to dust, but before she could trap him in Limbo, Lincoln banished him to The Black Abyss forever, and it pissed Morgana Midnight Sparkle off and she vanished back into darkness. We powered down and went back to The TLPS Flying City Fortress.

Lincoln: Nice try, Morgana. Your scheme has failed.

Nico: That it has, but that won't stop her.

Me: We just need to keep pissing her off even more, but I hope she hadn't found out about what we'd been doing.

Lincoln: The only one who knows about is Zachary Nightingale, and if he blabs about it to Morgana, he is going to ruin our plan. Which is why later on today, when he dares to show up, he's going to die once and for all. (To Brooke Bogeyman) And it's so good to see you again, Brooke.

Brooke Bogeyman: You too, Lincoln, it's been seven years since we last met.

Suddenly, Brooke Bogeyman had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Brooke Bogeyman was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Brooke Bogeyman: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Brooke Bogeyman and hugged her, and Brooke Bogeyman is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and nine other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marie Minotaur: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Brooke Bogeyman, Avatar of The Bogeyman, she's Lincoln's Guardian Angel and she's known as The Bogeyman Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Brooke is a powerful master of the powers of darkness and fear, and she's also known for the mastery of the powers of fear, darkness, and nightmares, and she has the power to make the fears of villains come to life. She was born to a family of Bogeymen during a time of darkness, and over time, as she grew, she gained all of the incredible strengths and powers of The Bogeyman, along with immortality and she also mastered the powers of The Bogeyman, and she'd fought to protect the Bogeymen from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, fear, and nightmares, and he also gained all of the incredible strengths and powers of The Bogeymen, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Bogeymen and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Brooke kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Bogeyman and be plunged into a nightmare from which they'll never wake up!

Selene Emperyous: And she's not like Boogey at all, in fact, here's a little something about her: when she was paying a visit to The Underworld, she saw Grim getting bullied by Boogey in The Underworld High School of The Dead and she charged head on at Boogey and she trashed him really hard into the ground and she made his worst fear come to life: that he's not scary at all and she made him into a total laughingstock in The Underworld, but if that wasn't enough, she reported Boogey to the principal who was so mad at Boogey for what he did to Grim, and she expelled him from school and Brooke Bogeyman banished Boogey to the worst place in The Underworld: The Forbidden Dark Realms, a nightmarish nether-region where unruly monsters like Boogey are banished to and the denizens of The Underworld feared this place because anyone who was banished to The Dark Realms would be hunted down by creatures and demons far worse than anyone could imagine.

WE GASPED!

Me: Whoa! And I thought Grim is not going to like her because of Boogey!

Eli: But, she proved us wrong after we got told of that little fact.

Qin: If we do face Boogey, we'll make sure you get a chance to pulverize him again before we kill him once and for all.

Brooke Bogeyman: Sounds fair, and is it true? Did the Elemental Masters return?

Shana Kyouka: That's right, and the long wild rainbow hair going down to the upper part of his neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks in the back, that was part of what happened when Lincoln had gotten The Shining Rainbow Master Sword after it'd gotten its final upgrade from The Spirit of Harmony and The Elements of Harmony and The Unity Crystals.

Brooke Bogeyman: Incredible!

Lincoln: Yep, and my newly upgraded Shining Rainbow Master Sword merged with my greatsword, and it gave it brand-new powers and abilities along with the ability to destroy evil along with purifying those with good within for only I to use, and only I with can wield it, and it also needed the blessing of The Spirit of Harmony and the powers of The Elements of Harmony and The Unity Stones to finally complete it.

Brooke Bogeyman: I remember that all too well. Now, you can not only destroy evil with this brand-new weapon and purify those with good within them, and only you can wield it.

Me: That's right.

Nico: And you have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: And no one dared to mess with her, she'll make their worst nightmares come to life and once that happens, the victims will be scarred for eternity, and if you thought Lucy's power to bring the fears of the guilty to life with her dark lightning was scary enough, with Brooke, one mistake by getting on her bad side, and you're in for a sleepless nightmare, and now that you're here, Brooke.

Lincoln with his massive muscular arms still wrapped around Brooke Bogeyman's waist leaned his head down to the right side of Brooke Bogeyman's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Brooke Bogeyman: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Brooke Bogeyman with red gems on the gold lightning bolts and red crystal links and jade beads from her

merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Brooke Bogeyman: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Brooke Bogeyman.

Brooke Bogeyman had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Brooke Bogeyman's waist, and he leaned down to her face and kissed her on the lips, and with Brooke Bogeyman's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Brooke Bogeyman had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Brooke Bogeyman: (In Heaven) My God. Oh, Lincoln, the seven girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The seven girls are Chieri Shizukuishi, Makiho Hayase, Makoto Kura, Michiru Sakura, Satsuki Takayama, Yuuko Takayanagi, and Yuuna Matsushima from Paizuri Cheerleader VS Sakunyuu Ouendan!

Lincoln: Oh whoa, it's Chieri Shizukuishi, Makiho Hayase, Makoto Kura, Michiru Sakura, Satsuki Takayama, Yuuko Takayanagi, and Yuuna Matsushima from Paizuri Cheerleader VS Sakunyuu Ouendan!

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Chieri Shizukuishi: Yes, we're okay, thanks to you.

Then, when Chieri Shizukuishi and the other six girls saw who it was that saved them from John Smith, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and ten-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with Chieri Shizukuishi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Makiho Hayase: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chieri Shizukuishi, Makiho Hayase, Makoto Kura, Michiru Sakura, Satsuki Takayama, Yuuko Takayanagi, and Yuuna Matsushimas with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and not only did you guys put an end to John Smith, but you also banished him to The Black Abyss after Morgana Midnight Sparkle pulled her double-cross on him.

Lincoln: And she's already starting to lose her mind even more: the combination of us taking down and capturing the other Midnight Princesses and foiling her schemes one by one is already starting to take effect on her.

WE HEARD HER LOUD DEMONIC SCREAM FROM FAR AWAY!

Nico: Yeesh! Did we piss her off big time!

Me: That's for sure. Soon, when the final battle comes, she'll be so completely insane and driven mad by what we've done, she's bound to go completely batshit insane.

Mina Midnight Sparkle: I can never forgive my sister for what she's done, she stole my role as leader of The Midnight Princesses and infected my friends with her evil and turned them into monsters, that demon deserves to die horribly.

Lincoln: So far, we're on a roll capturing your friends, and when the final battle comes against your sister, we'll free them for good.

Adrian Morrigan: What Morgana did freeing Zachary ever after I killed him, vacuumed his spirit up, and imprisoned it in a painting, that was crossing a serious line. She's going to pay for this, and the situation of what you did in exposing his dark secret made all the more reason for us to kill him.

Luna: That's for sure.

Luan: But, we don't know what he's planning, so we got to watch it.

Lola: I was still horrified finding out he was the one who plotted the murder of his own parents and ruined his own sister's life, he's worse than a dirt clod, he's an inhuman monster.

Lana: He's gonna be eating dirt when we get done with him.

Lynn: I'll break his arms and legs for this.

Lucy: He's going to get cursed for all eternity.

Laney: And beaten to a bloody pulp.

Lily: I'll drown him in a massive ocean after he gets his brains bashed out of his skull.

Leni: He doesn't deserve to live any longer.

Lori: No one makes a fool out of one of Lincoln's Guardian Angels, especially if it's his own sister, and gets away with it. Zachary Nightingale is a dead man!

Lynn Sr.: That's for sure, what a two-faced backstabbing snake!

Rita: He played the nice guy act and played us all for fools, he's gonna regret this!

Lance Loud: I'm gonna smash him into paste for what he did.

Shelby Loud: We all will, Dad.

Lincoln: And I'm gonna make him regret the day he was born, he's just like Dark Lori: claiming that since he's older, everyone should listen to him, and what he did so long ago, that crossed the line of no return, and I'm going to make sure he dies a horrible death for this.

Me: That's for sure, Lincoln.

After Lincoln and all of us destroyed John Smith and sent him to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Brooke Bogeyman saw Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Brooke Bogeyman: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Brooke, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Brooke Bogeyman: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Brooke Bogeyman: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nico: We've not only got the current problem of Morgana Midnight

Sparkle and the other Midnight Princesses along with Dark Gale, but now, we also got the additions of Cordelia Morrigan and the traitor, Zachary Nightingale, to worry about as well. We're gonna need even more help with those additional problems.

Me: True, Adrian Morrigan and his gothic former ghost and ghost hunting German Shepherd, Damien, have joined us, but if we're going against his sister and that traitor, we're gonna need additional help.

Lori: And I think that additional help's about to arrive any second. After we got inside, I went to my room, got on my phone, and I'd decided to call an old friend of mine.

Nico: You know someone, Lori?

Lori: Yep, and Lincoln's not the only one who knows a lot of people.

Luna: Wait, how come you hadn't told us, sis?

Lori: You know the reason why, Luna.

Luna: Oh, right, I didn't trust you, Lynn, Lola, Lisa, and Luan because of those ruthless monsters.

Me: Ooh! That was a burn.

Nico: But, that made sense in a way, Luna would think it was one of Flip's thugs or one of Lincoln's enemies you'd been talking to, and given each of your nasty histories of conspiring with them to kill Lincoln, it's no surprise.

Suddenly, the doorbell rang.

Lori: Yes, coming.

Lori put the weights down, drenched herself in water and soap, and came out clean, and she went to answer the door, and she opened it, she saw who it was as she hugged the figure.

Lori: Thanks for coming. Please, right this way.

Lori and the figure went inside the gym, and when Nicole saw who it was, her jaw dropped to the floor!

CLANG!

Eli closed her jaw.

Nicole: Thanks, Eli. Oh, no way!

We saw who the figure was that Lori brought in: it was none other than Red Savarin from Solatorobo: Red the Hunter.

Me: No way! Red Savarin!

Nicole: Oh man! So, you know Red Savarin, Lori!

Lori: Yep, Lincoln, you remember Red, right?

Lincoln: Of course. It's good to see you again, Red.

Red Savarin: You too, Lincoln. So, this is The World Tree Estate, nice place.

Nico: Thanks. So, how did you meet Lori and Lincoln?

Red Savarin: It was years ago, and I knew about Lori's Dark Side, so I used my stungun to keep that animal in check, and during the fight against Baion, along with my biological siblings, Nero and Blanck, Lori, Lincoln, and I defeated them, and Baion, in the last moments of his life, changed his point of view on the world and existence in it, recognizing that people and similar their creatures can change, learning both from each other and from their past mistakes and even asked me to use the Re-CODA chip to finish him off thus showing a certain amount of remorse for his previous actions and before all this, he calmly accepts his defeat.

Lori: It was really heartbreaking, but Baion accepted defeat along with death.

Lincoln: And when we'd found out that Baion was Red's biological father and Nero and Blanck were his biological siblings, that made it really heartbreaking. But, they accepted death like it was their destiny.

Me: Damn...

Nico: That...that really is a heartbreaker.

Red Savarin: It is. Anyways, Lori told me about the whole situation concerning this girl, Cordelia Morrigan, and your former teammate now turned traitor, Zachary Nightingale, so I decided to come here at once to Gotham Royal York.

Nicole: And all alone? Where's Chocolat Gelato, your adopted sister, your girlfriend, Elh Melizée, and your mother, Merveille Million?

Red Savarin: That's what I want to talk to you about. Apparently, Cordelia Morrigan attacked us and she trapped my sister, Elh, and my mother in paintings, and flew off cackling maniacally.

WE GASPED!

Nico: Like father like daughter, she's taken your family hostage.

Lincoln: That does it, now she's really going to get it.

Red Savarin: And if that's not enough, I also saw your former teammate, Zachary Nightingale, fly off to one of the regions, and he's plotting something really bad.

Lucy Heartfilia: If he's plotting something, we got to be ready for it.

Me: Without a doubt. Alright, then, you're in, Red.

Red Savarin: Alright.

Then, Red Savarin brought in his robot, but it was badly damaged by Cordelia Morrigan and Zachary Nightingale.

Lincoln: That's your mecha, Dahak! (GROWLS) Cordelia, Zachary! You two are gonna pay for this!

Lisa Loud: This is some advanced technology. Give me a few minutes to make repairs and add some upgrades to your mecha.

Red Savarin: Thanks. It's bad enough they kidnapped Chocolat, Elh, and my mother, but they also damaged Dahak, those two are done for.

Lincoln: Without a doubt. Oh, and I've got a little something I've been working on in the event that we were to meet with you, Red.

Lincoln put the weights down and he typed something on his left wrist computer and the center floor opened up, and then, a pedestal came up, and it revealed something for Red Savarin: it was a red version of the Gunblade, Revolver.

Red Savarin: You made a red version of the Gunblade, Revolver. That's impressive.

Lincoln: I had lots of time and with the many talents I'd learned and mastered, that's how I was also spending that time. Plus, this new Gunblade I made for you, it uses some powerful rounds that work just like with your stungun sword, and it has a strong recoil effect, so try to use it to your advantage.

Red Savarin: Alright, thanks, Lincoln.

Red Savarin picked up the new Gunblade, and the pedestal went back down and the center's floor doors closed back up.

Eli: So, now we know about the whole situation with Cordelia Morrigan and Zachary Nightingale, and we're ready for them.

Me: You got that right.

Nico: And we had no idea you and Lori helped Red Savarin in the past, Lincoln, and Red, did Lori ever try to...?

Red Savarin: At first, she wanted to kill Lincoln, but then, I found out about that Dark Side of hers, so like I said, I used my stungun and knocked her out, and Lincoln did something that neutralized those dark thoughts.

Me: You saw him use his powers of light to keep Dark Lori in check.

Lincoln: Yep, I used my powers over light to keep that control freak inside her in check, but that of course led to me telling Red and the others about my secret: that I'm the reincarnation of Amaterasu.

Red Savarin: But, it worked, we were able to take down my father and biological siblings without any trouble from Dark Lori, good riddance to that control freak.

Lori: Actually, that's a problem.

We explained the situation of Anti-Monitor breaching The Black Gates, and not only were 310 of our old enemies had returned, but that also meant Dark Lori was back.

Red Savarin: Oh no, that's not good.

Lori: It wasn't. Lincoln got rid of Dark Lynn and sent her butt to The Black Abyss, but with Dark Lori, Dark Lola, Dark Lisa, and Dark Luan still running loose, we are in a lot of trouble.

Me: And when Lincoln sees them again, he's gonna let loose his Mean Sister Rants.

I played the video of his Mean Sister Rant on Dark Lynn and the fight against that belching farting gorilla, and when it was finished, Red Savarin was laughing.

Red Savarin: (Laughing) Serves her right.

Nico: We cheered wildly at what Lincoln said to that belching farting gorilla, and it was awesome!

Me: Absolute payback for years of pain she inflicted on him, and she had it coming!

Lincoln: You got that right.

We got a shower, and then, Lincoln, Nui Harime, A, Pneuma, Princess Alicorn, Lefty Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica are heading to Aquatic Ruin Zone.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Nui Harime, A, Pneuma, Princess Alicorn, Lefty Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Nui Harime, A, Pneuma, Princess Alicorn, Lefty Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all. Plus, Lincoln did say he brought Nui Harime back from the dead, and he removed her dark counterpart and sent her straight to The Black Abyss after he'd slain her.

Pneuma: Wow, so this is Aquatic Ruin Zone, it sure is beautiful.

Lincoln, Nui Harime, A, Pneuma, Princess Alicorn, Lefty Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Nui Harime, A, Pneuma, Princess Alicorn, Lefty

Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Pneuma: (Swooning) My goodness, so manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Nui Harime, A, Pneuma, Princess Alicorn, Lefty Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica and hugged them in their abnormally massive and powerful muscular arms, and Nui Harime, A, Pneuma, Princess Alicorn, Lefty Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Nui Harime, A, Pneuma, Princess Alicorn, Lefty Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico

and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Aquatic Ruin Zone, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nui Harime, A, Pneuma, Princess Alicorn, Lefty Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Nui Harime, A, Pneuma, Princess Alicorn, Lefty Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica are in your harem, Linky.

Nui Harime, A, Pneuma, Princess Alicorn, Lefty Sonic, Universe 666 Princess Ivy, Universe 666 Princess Hilda, Universe 666 Princess Malucia, Universe 666 Princess Mandie, and Universe 666 Princess Veronica showed the marks Lincoln made on the right sides of their necks.

May Harime: I knew you brought Nui back from the dead and you removed her dark counterpart and destroyed her, that was awesome, Lincoln.

Jenna: You guys had no trouble at all.

Pneuma: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used

on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next Ridonculous Race challenge starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Me and Moondancer are off.

Nico: Okay.

Me and Moondancer were off to the ruins of Canterlot.

Poromon: Now we're heading to the hospital.

Juvia: We're going with you guys

Poromon: Okay.

Eli: Sweet!

They were off.

In the ruins of Canterlot from Sunny's world, me and Moondancer were walking around.

Moondancer: This is terrible that all this happened.

Me: I know. Opaline caused so much damage. But we're making great progress.

Moondancer: We sure are.

We went into the library and it was old and run down.

Me: According to my dream, it's in the restricted section.

We went there.

At the hospital, everyone was there and the kids were really sick.

Lucy Heartfilia: Look at all these sick kids

Lily: I know.

Nico: The poor things need cheering up.

Poromon:They sure do. We're going to talk to them about our adventures.

Nico: They will love that.

They told them all about many of our adventures.

* * *

Back in the Canterlot Ruins, in the library we were in the Restricted Section. It was still intact.

Me: Wow it's amazing that this part of the library is still intact.

Moondancer: Opaline didn't touch this part?

Me: Probably because it's full of knowledge on dark magic and evil artifacts.

Moondancer: Yeah.

Me: Now lets see.

I went over to the fireplace and I felt around the wall and then felt something and pressed a button and it opened and a doorway revealed itself!

Me: Whoa!

Moondancer: Never noticed that here.

Me: This is gonna be awesome.

I formed an energy ball to use as a flashlight and we went down the stairs.

* * *

Thunderblast: Hey there kids!

Kids: Hey everyone!

They were coughing.

Everyone was sick but they got to feeling better when they heard many of our adventures.

* * *

Down the stairs of the secret room, me and Moondancer were getting close.

My sword was reacting to something.

Me: We're getting close.

We then came to a door and it had Moondancer's cutie mark on it.

Me: This is it.

We opened it and it was an amazing library room!

Moondancer: Wow! Look at this.

Me: Incredible!

We went in and in a crystal coffin was Moondancer of Sunny's World!

Moondancer: There is me!

Me: Yep from Sunny's world.

Moondancer: Lets wake her up.

Me and Moondancer fired beams of magic and then in a massive flash of light and power, Canterlot was being restored and made better than ever! All the ponies there were resurrected! The shops and more were made better than ever before!

* * *

At the hospital, everyone sensed a massive surge in power and magic!

Nico: WHOA! That power is amazing!

Highbrow: And that would be one of our mini adventures in progress!

Kids: Wow!

Qin: What power!

Lola: Yeah!

In Canterlot Ruins, Moondancer woke up.

Moondancer (G5): (Groans) What happened?

Me: Welcome back to the world Moondancer.

Moondancer (G5): J.D. and my past self? What happened?

Me: Well 1,000 years have passed. You were asleep for that long.

We told her everything that happened.

Moondancer (G5): WHOA! So Opaline Arcana did all this?

Me: Yep. Malachite Arcana her sister is helping her redeem her.

Moondancer: Long story.

Moondancer (G5): Wow! I'm glad everything is being restored.

Me: Yeah it's slow but sure.

We showed Moondancer around and part of the Canterlot ruins was restored. The castle wasn't. Twilight Sparkle's restoration will do that.

St Patricia: We hope you kids get well soon

They nodded.

We later regrouped back at the estate.

Nico: That was awesome!

Poromon: It sure was!

Me: Yep.

Nico: Wow! Well done guys.

Moondancer: Thanks.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Jude Heartfilia, that asshole's back and he's in The Sinnoh Region and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Jude Heartfilia, that asshole's back and he's in The Sinnoh Region in Valor Lakefront and he's causing havoc.

EVERYONE GASPED!

Natsu: ARE YOU KIDDING ME?! Anti-Monitor!

Suddenly, Lincoln sensed it, and it wasn't Anti-Monitor nor Morgana Midnight Sparkle.

Lincoln: Actually, Natsu, it wasn't Anti-Monitor and it wasn't Morgana Midnight Sparkle, the ones who brought Jude Heartfilia back were none other than Zachary Nightingale and Cordelia Morrigan.

WE GASPED IN HORROR!

Valencia Nightingale: That motherfucking snake! He's the one who brought Jude Heartfilia back from the dead for another round! That's it, he's going to pay for this!

Lincoln: Without a doubt, and that chance is going to come, he's here with Jude Heartfilia and they're on the attack.

Lucy Heartfilia: So, we've got two heartless shameless bastards to get rid of: my ex-father and Valencia's ex-older brother turned traitor.

Nico: This should be good. Lincoln, where are they at?

Lincoln: They're at the Sinnoh Region in Valor Lakefront.

Me: Which is our next stop.

Nico: This is gonna be intense and messy. Alright, team, let's get going!

Lincoln: This is the last time we ever have to deal with those piles of crud. Jude Heartfilia, Zachary Nightingale, your time is finally up! This is where we end your pathetic lives here and now!

Me: Yeah!

The previous group came.

Whirlin: Can me, Toad, Black Spider, Count Nocturn, Zavok, Stonedozer, BlackWarGreymon, Fireor, Chillyfish, and Marionette Shadow go with you guys?

Nico: Yes you all can come with.

Qin: Yep.

Lola: We're going to Valor Lakefront next.

Ash: This is gonna be awesome.

Camie: It sure is.

Me: Cool!

Bubble Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Vulcanusmon next.

Qin: Ooh hot!

Xenia: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and nine sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Caitlyn Midnight Celestia, Midnight Princess of Dark Magic Dark Sun Tyranny, and she's coming after us at The Sinnoh Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the eighth of The Midnight Princesses, Caitlyn Midnight Celestia, Midnight Princess of Dark Magic Dark Sun Tyranny.

Solana Celestia: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by the Light of The Equestrian Sun.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to The Sinnoh Region and destroy Jude Heartfilia and Zachary Nightingale!

Lincoln: This is the last time we ever have to deal with those piles of crud, this is where we end your pathetic lives here and now, and once we got done with them, you're next, Caitlin Midnight Celestia.

Solana Celestia: The suffering you've caused all those years ago can never be forgiven, Caitlin, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The TLPS Flying City Fortress ready and we headed out to The Sinnoh Region to meet up with Don and hunt down and put a permanent end to Jude Heartfilia and Zachary Nightingale, and once we got done with them, Solana Celestia and Lincoln are going to take out Caitlyn Midnight Celestia, Midnight Princess of Dark Magic Dark Sun Tyranny.

We were off.

We arrived at Valor Lakefront

Me: Ah, we're here in The Sinnoh Region in Valor Lakefront.

Nico: This is our next stop on The Ridonculous Race.

Me: Stop 8. This is gonna be awesome.

Then, we saw Don arrive.

Don: That's right, guys. We found another of Dark Gale's bases as well.

Lincoln: Along with that bastard, Jude Heartfilia, and that backstabbing snake, Zachary Nightingale, and we'll make sure they finally stay dead once and for all, and they'll never ever come back!

Nico: Yeah!

Qin: That is for sure.

Toad: Lets call Spankulot.

Me: Good idea.

Count Spankulot came.

Spankulot: (Transylvanian Accent) I'm ready to spank bad people!

Qin: That's the spirit.

Camie: Yeah.

Rotwood: Wasn't there a restaurant you went to before here?

Ash: That's right. It was called the Seven Stars Restaurant and it was awesome.

May: Yeah that was a great place.

Lola: Cool!

Brock: We reunited with May here and decided to have a good meal.

Camie: That is cool.

Me: We'll have to check it out. Always up for a good meal before a good fight.

?: Not before we destroy all of you!

We then saw our next target: Caitlyn Midnight Celestia, Midnight Princess of Dark Magic Dark Sun Tyranny.

Solana Celestia: If it isn't Caitlyn Midnight Celestia, Midnight Princess of Dark Magic Dark Sun Tyranny.

Caitlin Midnight Celestia: You! YOU! How dare you humiliate us like this!

Lincoln: You deserved it, she and all of you were extremely evil to the core, Catilin. You all sought to destroy the world, and we weren't going to let that happen.

Caitlin Midnight Celestia: (ENRAGED DEMONIC SCREAM) I HOPE THAT USELESS JUDE HEARTFILIA AND THE TRAITOR, ZACHARY NIGHTINGALE, DESTROYS ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: Stop this Caitlin!

Caitlin Midnight Celestia: Mina!? You're alive!

Mina Midnight Sparkle: I'm more than alive. But this is not you Caitlin. You are a good person Caitlin. You loved everyone and Morgana is using you. You will die at her hands. Don't do this.

Caitlin Midnight Celestia: Mina, I... (SCREAMS AND CLUTCHES HER HEAD)

Caitlin Midnight Celestia disappeared in a tornado of golden yellow darkness, sunlight, and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Caitlin!

Solana Celestia: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and tale down Jude Heartfilia and Zachary Nightingale before they do something else.

Nico: Right.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with the others.

Lincoln: You got it.

Solana Celestia: And from what we saw, Caitlin's also going to summon her army of demons as well: The Dark Magic Dark Sun Tyranny Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's hunt down and tear Jude Heartfilia and Zachary Nightingale apart along with Caitlin's army of Dark Magic Dark Sun Tyranny Demons and trash those Dark Gale grunts and scientists.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down those two fuckers!

Our stomachs growled.

Me: First some grub.

May: But, first, I should take you guys to The Seven Stars Restaurant here in The Sinnoh Region, it has some of the best food there.

Nico: Okay, sure. We're gonna need to fuel up in order to kill that heartless greedy asshole and that motherfucking snake and tear them to shreds.

We headed for The Seven Stars Restaurant to get something to eat, and then, we can go hunt down and kill that heartless greedy bastard, Jude Heartfilia, along with that motherfucking treacherous vile snake, Zachary Nightingale.

We were walking and we saw a Garchomp.

Count Nocturne: Is that a Garchomp?

Me: It sure is.

Lola: Cool!

Demona: I think I'll catch this one.

Me: Go for it.

She fired a blast of darkness and knocked it down and then threw a Pokeball and caught it. The red light lit up and then it clicked and then she caught it!

Me: YEAH!

Demona: That did it!

Me: Way to go Demona.

Nico: Yeah!

Fuse Man: Hey, Meowth. Didn't you, Jessie, and James commit Grand Theft Food here?

Meowth: Yeah we sure did and that's why May got really mad at us.

Jessie: Yeah we really got our butts handed to us big time.

James: Not our brightest move.

Me: I don't blame her one bit.

May: Yeah.

Me: She must've gone completely apeshit on you guys.

Camie: Oh boy.

Nico: (GULPS)

Me: Yeah.

Lola: Hey where's Zipp, Pipp and Misty?

Me: Oh they went on a family camping trip with Alphabittle and Queen Haven and won't be back till tomorrow.

Nico: Wow! I hope they have fun.

Me: They will.

We arrived.

Me: Wow nice place.

* * *

As we were in The Seven Stars Restaurant, suddenly, we saw the owner come out and he was in a panic.

Nico: Sir, what's wrong?

Owner: It's awful, a bunch of kids came into the restaurant, and they...! They stole all of the food from the restaurant.

WE GASPED IN HORROR, AND WHEN MAY HEARD IT, SHE WAS ABSOLUTELY PISSED!

Stonedozer: Well, I see some people doing the same thing!

May: Who...did...this?!

Owner: It was a group of kids with swollen cheeks.

Me: (GASPS) The Rump City Bootyheads! Those buttcheek-faced brats!

Eli: THOSE JERKS JUST WON'T LEARN!

Owner: And that's not all, I saw a young man there and he gave them the order to do so to spite all of you!

Everyone: (GROWLS) Zachary Nightingale, you motherfucking snake! You're gonna pay for this!

SUDDENLY, MAY EXPLODED IN RAGE AND FEROCIOUS FURY! SHE HAD INTENSE GLOWING RED EYES OVERFLOWING WITH EXTREME HATE AND HAD AN AURA OF INTENSE FIRE AROUND HER!

May: THOSE BUTT-CHEEK FACED BULLIES! THEY'RE FINISHED BIG TIME, I'M GONNA TEAR THEM APART ALONG WITH ZACHARY NIGHTINGALE! NOBODY STEALS MY FOOD AND GETS AWAY WITH IT!

Nico screamed and jumped into my arms in fright!

Me: OOF! (Groaning) You're giving me a hernia Nico!

Nico: May scares me when she gets mad!

MAY DASHED OUT OF THE RESTAURANT IN A FIT OF RAGE!

Nico: We got to go after her! I know she's gonna tear those bullies apart, but I know Zachary had this set up as a trap to have her trapped in a painting as well! Let's go!

Me: Right! Uh Nico can you get out of my arms? I'm getting a cramp.

Nico: Oh sorry.

He got out of my arms.

WE FOLLOWED OUT OF THE RESTAURANT TO HELP MAY BEAT DOWN THE RUMP CITY BOOTYHEADS AND SAVE HER FROM FALLING INTO ZACHARY NIGHTINGALE'S TRAP!

We got there just in time and we saw May give The Rump City Bootyheads the nastiest, ugliest, bloodiest, and most graphic beating no one could have ever imagine!

Me: HOLY FUCKSHIT!

MAY SMASHED THEM IN THEIR CHEEKS, TORE THEIR HAIR OFF AND SHOVED THEM INTO THEIR BELLY BUTTONS, THEN SHE PROCEEDED TO TEAR THEIR REMAINING HAIR OFF!

BELLOWING SCREAMS OF PAIN!

Nico: JUMPING BANANA SPLITS!

THEN, MAY'S NAILS GREW INTO CLAWS AND SHE PROCEEDED TO SCRATCH THEM ALL OVER THE PLACE WITH HER SHARP CLAWS DRAWING TONS OF BLOOD, THEN, MAY UNHOLSTERED HER MASSIVE GREATSWORD, AND THEN!

SLASH! SLASH!

MAY SLASHED THEIR BUTT CHEEKS AND SWOLLEN CHEEKS AND CROTCHES CLEAN OFF AND THEY LET OUT ANOTHER BELLOWING SCREAM OF PAIN! SHE ALSO ATTACKED THEM WITH REALLY FEROCIOUS PUNCHES AND KICKS AND BLASTED THEM WITH ENERGY AND ICE BLASTS!

Chunk: OH GEEZ! I THINK I'M GONNA HURL!

Slab: (HOLD'S CHUNK'S MOUTH) HOLD IT IN PAL!

Me: OH! OH GOD, THAT'S WAY TOO GRAPHIC!

Nico: OH THE INHUMANITY!

THIS CAUSED EVERYONE TO RUN TO GARBAGE CANS AND WE THREW UP LIKE CRAZY!

We ran to comfort everyone barfing in the trash cans. But, just when we were about to be proven that it was about to get worse, we saw May do the worst thing anyone could ever do to those jerks: SHE GOT OUT A PACK OF GRENADES AND STUFFED THEM INTO THEIR PANTS, AND THEN...!

KABOOOOOOOOOOOOOOOOOOOOOMMMMM!

THE GRENADES EXPLODED AND THEY WERE COVERED IN SOOT AND THEIR LOWER BODY'S SKELETONS WERE EXPOSED!

May: IF YOU EVER DO SOMETHING LIKE THAT AGAIN, I'LL RIP YOUR LUNGS RIGHT OUT OF YOUR CHEST AND FEED THEM TO THE EAGLES ALONG WITH YOUR HEAD! NOW, LIE DOWN AND DIE, YOU PIECES OF SHIT!

SHE BEAT THE LIVING FUCKING SHIT OUT OF THEM AND RIPPED THEM APART!

Octopunch: Boss, your wife is hardcore!

Nico: SHE SURE IS! THAT'S MY GIRL!

Videl Chan: THAT'S MY MOM!

Me: YEAH!

Manaphy: GO MAMA!

Qin: YEAH!

Nico: That'll teach them!

Lincoln: Now, get out of here and don't you dare come back!

The Rump City Bootyheads were tied up.

Me: NICE!

We had them arrested.

Nico: You guys are in a lot of trouble!

Me: YEAH!

Kid: OH GET FUCKED YOU FREAK!

He then gave me the stink eye!

Me: (GASP) (GROWLS) OH YOU DID NOT JUST GIVE ME THE STINKEYE!

KRAPOW!

I Punched them hard in their faces and gave them bigger swollen buttfaces!

Nico: Nice one!

Me: Giving the Stinkeye is VERY IMMATURE!

Fireor: Take them away!

We had them taken to the estate prison. They were put next to the Digimon Emperor.

Me: They won't cause trouble in the estate prison.

Lincoln: (Sensed Zachary Nightingale) Oh shit! May, look out, Zachary Nightingale's here!

Suddenly, we saw Zachary Nightingale come out!

Zachary Nightingale: Say goodbye to your wife, filthy monkey! She's going into a painting for all eternity!

Suddenly, Zachary Nightingale got out a magical painting and he sent it right at her to trap her inside it, and Nico used one of his eleven massive and long dark blue wolf tails and wrapped it around her waist and he pulled her right back to us as the painting came right down and Zachary Nightingale was cackling insanely!

But, then, as he brought the painting to him, he saw it was empty and then, HE FUCKING FLIPPED OUT!

Zachary Nightingale: (ENRAGED SCREAM) UGH! THAT'S IT, I'M SICK TO DEATH OF ALL OF YOU! YOU'RE GONNA REGRET THIS!

Nico blasted him in the chest with an energy blast and sent that snake flying away!

Nico: Now, he tried to trap my wife into a painting for all eternity as well?! That's it! He's dead worse than dead!

May then hugged Nico by wrapping her arms around his neck.

May: It's okay, Nico. You got me out of there on time, he set this whole thing up to trap me inside a painting while I was in a fit of rage. Well, that's the last straw.

Adrian Morrigan: I've got a better punishment for him: I'm sending him straight into the paranormal dimension for all eternity after we destroy him and Jude Heartfilia who's going to be sent to The Black Abyss.

Lincoln: Right.

We then returned all the food to The Seven Stars Restaurant, and we then proceeded to order some dishes, we then had a great meal.

Me: (Eating) Mmm! Boy this is delicious!

I was having a Chilean Sweet Pepper Glaze Roast Chicken.

Nico was having salmon sauteed in gruyere cheese.

Nico: (Eating) Mmm! Boy this is luxurious.

May: (Eating) It sure is.

May was having Coq au Vin.

Mary Knudson: Mmm! (Eating) Boy this is just as amazing as the food I make for some of the most famous and rich people.

Mary was eating French Roasted Paté a la flambe.

Nico: Boy this is so good.

Me: Yeah.

Count Nocturne: It's good to have you with us, Spankulot

Count Spankulot: It's always good to be here.

But then we got a surprise as 13 girls came in and they were dressed in beautiful Harem Girl outfits.

Me: Oh wow look at them.

They were girls for each of the 12 signs of the zodiac and 3 of them each had wind, fire, earth and water dresses and the last one had stars. They were dancing beautifully.

Me: Wow those girls know how to dance.

Jasmine: It's like they are from Agrabah.

Camie: That sure feels like it.

Lincoln: Actually guys those girls are Lucy Heartfilia's Akuma. They are called the Star Harem of Darkness. The Hypothetical Akuma of Lucy Heartfilia and the Celestial Spirits. They are 13 Harem Girls and represent the stars and the 12 Signs of the Zodiac. They represent the Zodiac as well as the 4 Elemental Forces. They are as follows:

Lucy Heartfilia - Lady Starsky

Aries - Lady Fire Ram

Taurus - Lady Earth Bull

Gemini - Lady Wind Twins

Cancer - Lady Water Crab

Leo - Lady Fire Lion

Virgo - Lady Earth Maiden

Libra - Lady Wind Scale

Scorpio - Lady Water Scorpion

Sagittarius - Lady Fire Archer

Capricorn - Lady Earth Mergoat

Aquarius - Lady Air Waterbearer

Pisces - Lady Water fish

These girls are the masters of the stars and love dancing and putting on shows. They were made because of the abuse Lucy endured because of Jude Hearfilia and how he killed her friends there. Now it's personal! She is going to kill Jude.

WE GASPED!

Me: WOW! The Harem of the Zodiac. They sure dance gracefully.

Lola: Like they are one with the Elements and the Stars.

Overkill: No premonition this time?

Lincoln: No they just came in and showed themselves.

Me: Yeah.

Lady Starsky: Hey guys. Like the show?

Me: We love it.

Laney: May some of us dance too?

Lady Fire Lion: Sure guys.

Laney and some of us danced as well.

Me: You sure are graceful like this.

Lady Starsky: Thank you. It's awesome.

Me: It sure is.

We danced beautifully with them.

Laney: I think it's so beautiful that you are like this Lucy. I love dancing myself.

Lady Starsky: You sure do and that is awesome.

Lucy Heartfilia: WOW! This is like when I dressed up as a bellydancer. It was awesome.

Camie: That is cool!

Nico: That is awesome.

Marionette Shadow: (to Lady Starsky) Lucy? Is that you?

Lady Starsky: It is still me Marionette Shadow.

Lisa Heartfilia: I think you all look great this way.

Me: I agree there. Reminds me of when I had a bunch of Bellydancer Girls dance for me when I was in Saudi Arabia.

Sakura Knudson: I remember that. Bro danced really well with them back then.

Nico: Really?

Sakura Knudson: Yeah it was a long time ago but he had a lot of fun back then.

Nico: Cool!

We danced a lot and it was beautiful.

Homer: (LAUGHS) This is like when I danced with Princess Kashmir and that was fun for me. (Season 1 Episode 10)

Nico: That's cool.

Future Maria: So the others must be the Akumatized forms of your spirits.

Lady Starsky: That's right.

Me: I think that is so cool.

Aquarius: I look awesome as a bellydancer. Even though wind isn't my element it's still amazing.

Virgo: I think it's awesome for me being like this too.

Aries: I agree there as well.

Me: I agree too.

We spun and danced all over.

Chillyfish: Can you please calm down?

Nico: I think they just want to have a little fun.

Lady Starsky: Yeah we're saving our energy and power for when we kill Jude.

Me: Very conservative.

But then a roar was heard and then in came NECROZMA!

Me: WHOA! Necrozma!

Nico: Where did that come from!?

Spankulot: It seems we have a 3 for all battle then!

Me: We sure are!

Nico: Wait! Anyone know this one?

Ink Rose: Lets see.

She used telepathy and gasped!

Ink Rose: That's my sister Bleed Rose!

Me: Whoa!

Nico: I got to use ridewatches anyway.

Me: Lets go!

Ink Rose: Bleed Rose! It's me Ink!

Poromon: Sorry about this Lucy.

Poromon pecked Lady Starsky.

POINK POINK POINK!

Lady Starsky: OUCH.

Me: Lets make this fun.

Lady Starsky: Okay then.

We fired waves of energy and blasted the girls.

Me: Yeah!

All Necrozma did was charge at us and we dodged them.

Eli and Ink Rose fired lightning and darkness and blasted her.

Me: Here we go.

I snapped my fingers and she reverted back and was a girl with black hair and purple eyes and had black angel wings and had Necrozma in the middle of her forehead and had a red version of Ink Rose's cutie mark on her arm. Nico and Ink Rose wrapped her in a blanket.

Nico: There.

Lady Starsky: This is fun though.

Me: It sure is. Sorry about this girls. Nothing personal.

Count Spankulot charged at her

And blasted them with hand blasts.

WHAP WHAP WHAP WHAP WHAP!

Me: OUCH!

Lady Starsky: Our turn.

They fired Zodiac Blasts and we redirected their blasts back and knocked them down.

Me: Nice!

Qin: YEAH!

Lady Starsky: That was fun.

Me: Loved the dancing.

June: You know your former Dad's dead either way, right?

Lady Starsky: I know.

Lucy Heartfilia: I know too.

Bleed Rose woke up.

Ink Rose: Bleed?

Bleed Rose: Ink? Ink!

She hugged her.

Bleed Rose: I'm glad you're okay.

Me: You were turned into a Necrozma by Dark Gale.

Bleed gasped.

Bleed Rose: I remember!

She was in a black outfit and injected and in a swirl of darkness she turned into NECROZMA! She busted out.

FLASHBACK ENDS

Bleed Rose: That was awful.

Nico: I know.

Me: But you're safe.

BlackWarGreymon: Your role in Sonya's team?

Nico: I usually ask that but yeah.

Bleed Rose: Oh I'm the darkness master of the group. I use darkness to banish our enemies to the Netherworld.

Nico: Wow.

Me: Yeah.

Bleed Rose: And outside the team I make fashions. I taught Ink how to make clothes.

Me: Wow!

Rarity: Speaking of which lets get you some new clothes darling.

The Fashion Brigade gve her new black clothes and a darkness sword.

Bleed Rose: I look great.

Camie: Awesome.

Me: Yeah. Shall we get a move on and take down Lucy and Lisa's so-called dad?

Mystique: After we pay for the bill.

Me: Oh right. Check please.

Eli: I can't wait. I got some friends who are really hungry.

Nico: What friends?

Eli: You'll see. I sense he is by the lake here.

Me: Okay then.

After that, we paid for our food.

Me: Now, that was so good. (BELCHES) Pardon me.

May: I told you the food here is amazing. Now, let's go find Jude Heartfilia and destroy him along with that snake, Zachary Nightingale.

Nico: Yep. He's by the lake. Entrance time.

We then proceeded to go after Jude Heartfilia and we're going to finally destroy him and send him to The Black Abyss forever. But, as for that treacherous snake, Zachary Nightingale, he's in for a much more severe punishment after we destroy him.

Jude was pissed. But then the spirits of the Zodiac came and swirled around him and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and a phoenix cry was heard and we came out and landed.

Me: Jude Heartfilia! Long time no punch!

Lucy Heartfilia: Hello "Dad!"

Zavok: (to Luan) As soon as mature things are said, the recorder turns off.

Luan: I know.

Lincoln fired blasts of elements and energy from his massive white angel wings and nine sets of larger white angel wings underneath his massive white angel wings which hit Jude Heartfilia and forced Zachary Nightingale out of the shadows and that pissed them off as we landed.

Zachary Nightingale: Let's try this again! You're all going into a painting for all eternity!

Zachary Nightingale sent another painting, this time, aimed right at all of us, but Lincoln fired a very massive blade of light with one swing of his massive greatsword and it slashed the painting into many pieces, and that's the final blow needed! Suddenly, Zachary Nightingale's confidence had finally been shattered and he became completely unhinged and psychotic and lost all of his redeeming qualities and become the very definition of a completely unhinged, psychotic, and insane monster from Hell!

Zachary Nightingale: (ENRAGED DEMONIC SHRIEK) THAT'S IT!

SUDDENLY, ZACHARY NIGHTINGALE CREATED A VERY MASSIVE PAINTING TO NOT ONLY TRAP US, BUT HIMSELF AND THE ENTIRE WORLD INSIDE IT! HE'S COMPLETELY LOST HIS MIND!

Lincoln: Now, you've really done it, Zachary!

Lincoln made a bomb using his powers and he tossed it into Zachary Nightingale's mouth which then exploded and he came crashing down to the ground, and that caused the giant painting to disappear forever. Then, Lincoln proceeded to brutally beat down Zachary Nightingale with brutal punches and kicks and he even slashed him with his massive greatsword and gold-plated dragon claws leaving very painful scars on the now completely unhinged and psychotic lunatic.

Finally, Lincoln ran at Zachary Nightingale, and...!

SLASH!

Lincoln slashed him in the chest with his massive greatsword, and then, we saw the effects of his new massive greatsword take hold all thanks to The Shining Rainbow Master Sword and all of its powers and new upgrades merging with his massive greatsword: Zachary Nightingale began convulsing in pain as multiple streams of powerful rainbow light began exploding out of his body, and he screamed in agonizing pain as he exploded in a vortex of rainbow light and he finally died and he was banished to The Black Abyss forever.

Nico: So, that was the power of The Shining Rainbow Master Sword.

Valencia Nightingale: Shana and the others made the ultimate blade capable of destroying evil and purifying those who have evil inside them.

Adrian Morrigan used The Dark-Light Device and freed Chocolat Gelato, Elh Melizée, and Merveille Million from the paintings, and once that was done, the paintings were destroyed forever.

Red Savarin: Chocolat, Elh, Mother. Thank goodness you guys are alright.

Chocolat Gelato: We're okay, Red.

Nico: Now, where were we?

We then turn our attention to Jude Heartfilia who was now absolutely getting angry.

Me: You've got some nerve coming back from The Black Gates and thanks to that bastard, Zachary Nightingale!

Nico: I would've thought you'd stay gone, but I was wrong. You refuse to give up yet again, that's it, this time we mean it, we've had it up to hear with you, Jude. You're going to die once and for all, and this time, you're never coming back!

Jude Heartfilia: FUCK YOU, VERMIN! AND ONCE I GET RID OF

YOU, YOU TWO BITCHES ARE NEXT!

Suddenly, we saw a massive army of demons arise and they bore the mark of Caitlin Midnight Celestia along with Dark Gale grunts and scientists coming out.

Lincoln: So, Caitlin's sent her army of Dark Magic Dark Sun Tyranny demons and the Dark Gale Grunts and scientists have also come out, huh?

Eli: Allow me Lincoln.

Eli whistled and then out came A VELOCIRAPTOR PACK! Then THEY RIPPED ALL THE GRUNTS AND SCIENTISTS TO SHREDS AND ATE THEM ALL DOWN TO THEIR BONES!

Me: WHOA! SAVAGE!

Qin: Nice!

Nico: Learned well from Jurassic Park and Paleozoic World.

Nicole: He sure did

Lincoln fired magic draining blasts that hit Caitlin Midnight Celestia's Dark Magic Dark Sun Tyranny Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Then, he fired energy draining blasts that hit some of the surviving the Dark Gale grunts and scientists and drained them of their energy and knocked them down and out.

Then, Lincoln tied the knocked out Dark Gale grunts and scientists up and he sent them all to prison, and that left Jude Heartfilia alone and he was mega pissed off!

Jude Heartfilia: YOU! YOU!

Jude Heartfilia got out a gun and was about to fire at Lincoln, but then, Red Savarin fired a blast of fire and wind that hit and burned the bastard and left a scar on his arm.

Maria: You goddamn scumbag bastard!

Maria fired waves of water that hit Jude Heartfilia hard and he was drenched, and we also fired waves of magic and elements that hit Jude Heartfilia and he got hit hard.

Me: Take that!

Nico: You are disgusting Jude!

Me: YEAH! You are a monster!

POW!

I punched him down.

Princess Rose: You are no father!

POW! KROW BIFF!

I punched and kicked him!

Lucy Heartfilia: You tried to kill all my friends! You tried to make me marry someone I hate! You killed my mother!

Nico: YEAH!

Arixam: And you killed me! Like a coward!

Black Spider: Now you're gonna die!

Me: And it's gonna be slow and excruciatingly painful!

Jude Heartfilia: YOU! I HATE ALL OF YOU!

OUR RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURAS FLARED UP EXTREMELY AS WE GAINED A MASSIVE POWER BOOST FROM JUDE'S HATRED!

Layla Heartfilia: And we've got a few words to say to the likes of you, Jude!

Lucy Heartfilia: Same here, and you've had this coming for a very long time, you piece of shit!

Lincoln: OH NO! THEY'RE GONNA USE A SEBASTIAN STYLE RANT ON HIM! HIT THE DIRT!

Suddenly, the skies turned dark and Layla Heartfilia and Lucy Heartfilia had a really really angry glare in her eyes and they both glared at Jude Heartfilia with fury and hatred, and they had a fiery red aura around them and it looked like it came straight out of Hell itself. Then, the show began!

Lucy Heartfilia: I CAN'T BELIEVE YOU, YOU GODDAMN PARASITIC ASSHOLE! NOT ONLY DID YOU MAKE ME, MOM, AND BRANDISH SUFFER ALL THE KINDS OF HELL THANKS TO THE ABUSE YOU'VE SUBJECTED US TO, AND YOU TRIED TO MAKE US YOUR OBEDIENT SLAVES AND PUPPETS! FYI, YOU DICKHEAD, WE'RE NOT YOUR PUPPETS, WE'RE HUMAN BEINGS WHO DESERVES RESPECT!

Jude Heartfilia: You three are not human beings, bitch, you three are nothing more than property and slaves, and I can do whatever we want to you!

Layla Heartfilia: YOU SHUT YOUR GODDAMN MOUTH, YOU MISERABLE OLD MAN! YOU CAUSED ME, BRANDISH, AND LUCY NOTHING BUT PAIN, ESPECIALLY THAT ONE TIME WHEN YOU PUT A SEARING HOT PAN TO LUCY AND BRANDISH'S BACKS AND YOU EVEN BURNED YOUR CIGARETTES ON HER ARMS AND BODY AND YOU HAD NO FUCKING REMORSE FOR THAT, YOU HAD A CRUEL SMILE ON YOUR UGLY CONTORTED FACE AND CRUELTY IN YOUR EYES! YOU NEVER LOVED YOUR KIDS AT ALL, YOU'RE JUST AN UGLY BLACKHEARTED VAIN MONSTROUS OLD BUZZARD!

WHOA! CRUEL!

Lucy Heartfilia: YOU'RE STILL JUST AS BAD AS BEFORE, YOU MISERABLE OLD MAN! YOU WHIPPED ME WITH YOUR BELT IN ORDER TO MAKE ME YOUR SLAVE WHO ONLY OBEYS YOUR COMMANDS, AND I GOT SICK OF THAT, I WANTED NOTHING MORE THAN TO TAKE THAT BELT OF YOURS, WRAP IT AROUND YOUR NECK, AND STRANGLE YOU WITH IT! BUT, UNLIKE YOU, YOU INHUMAN MONSTER, I HAVE A LOT MORE

HUMANITY THAN THE LIKES OF YOU!

Brandish: WHOO! ALRIGHT, YOU TELL HIM, SIS! (FLIPS THE FINGER AT HER SO-CALLED FATHER) AND SUCK ON THAT, ASSHOLE!

WE CHEERED! AND THAT WAS PISSING JUDE HEARTFILIA OFF BADLY!

Lincoln: It's not over yet, here comes the big finish!

Layla and Lucy Heartfilia: I CAN'T BELIEVE WE EVER CONSIDERED YOU FAMILY! I WANT NOTHING TO DO WITH YOU, AFTER EVERYTHING THAT YOU'VE DONE, YOU CAN ROT IN HELL FOR ALL ETERNITY! YOUR RELATIVES ARE A PACK OF POLAR BEARS WHO SMELL LIKE ROTTEN CHEESE AND YOU WILL AND ALWAYS WILL BE NOTHING MORE THAN A ROTTEN SACK OF SHIT WHO LOOKS DOWN ON THE PEOPLE AND REFUSE TO SHARE THEIR WEALTH TO THE PEOPLE AND ALWAYS ACT SO GODDAMN ARROGANT AND CONDESCENDING AND I HOPE YOU SUFFER FOR ALL ETERNITY IN HELL!

Then, Lucy and Layla Heartfilia fired a blast of magic and light at Jude Heartfilia and he got hit hard and burned badly!

Nico: (LAUGHING HYSTERICALLY) OKAY, THAT WAS SO AWESOME AND REALLY HILARIOUS!

Me: (LAUGHING HYSTERICALLY) YOU GOT THAT RIGHT! HAH! SUCK ON THAT, YOU ASSHOLE!

Qin: YEAH!

I punched him in his face and kicked him square in the crotch!

LOUD NASTY SICKENING CRUNCH!

I DESTROYED HIS SEX DRIVE COMPLETELY!

WE WINCED FROM THAT! OUCH!

Then Lisa bit him on the nose!

CRUNCH!

Lola: OUCH!

Jude Heartfilia: YOU MOTHERFUCKING BITCHES! I'LL KILL YOU!

UH OH!

Me, Nico, Lincoln, Eli, and Everyone: UH OH! NOW, YOU'VE GONE AND DONE IT!

Layla Heartfilia: Calling me a motherfucking bitch?! Hah, look who's fucking talking! And, of course, a "Motherfucking Bitch" was the only kind of person you couldn't handle. I remember all of the times you called me, Lucy, and Brandish so many horrible and disgusting names when we wouldn't obey any of your commands like a slave and instead, lashed out at you and pulverized you whenever you tried to also attack us like the filthy animal that you are.

Lucy Heartfilia: You also did the same thing to her trying to turn me into your obedient slave, but all you did was seal your fate. You tried to poison me, your own daughter, with your own hatred and turn me into a miniature version of yourself, and that made me sick to my own stomach. You tried to turn me into something I'm not, but into you: an absolutely homicidal and completely mentally unstable psychopath and criminal who don't show any value towards friendship or comradery and wanted everything handed to you on a silver platter just like you did.

Layla Heartfilia: You cheated in everything and you were also going against the world in your little game of power and control. Isn't that right, and they say that you're leading the family to greatness. But, it turns out you have and always will be a lost soul and pathetic bastard whose only love was power, money, control, and committing crimes and you know it. You're not even in the same league in the kind of power that we possess, not even close. We can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to our kind of power, you're nothing compared to us and you're nothing but a pathetic ant compared to it. The way you did all the deeds in the name of your greed and desire for power and control and kill anyone who gets in your way and look down on everyone. it's downright fucking disgusting.

Layla and Lucy Heartfilia: As two of the most powerful fighters and warriors and champions in the universe, all we see when we look at you is a absolute fucked up miserable fuckweed and heartless motherfucking psychotic abusive wretch, and on top of that, we fucking hate you above all others, you ruthless fuckkicker!

Layla Heartfilia: What is it that you are hoping to accomplish? Abusing and hurting Lucy, trying to mold her into you, committing crimes all over just to satisfy your lust for money, power, and control, murdering innocent people, looking down on others, pursuing petty and worthless desires like revenge, and above all betraying everyone.

Lucy and Layla Heartfilia: You absolutely don't give a flying fuck about anyone except your pathetic goddamned motherfucking self and that is why we cut off all ties with you long ago. You're just an absolutely heartless monster that murder, lie, steal, betray and are completely powerhungry and that's why we will never ever forgive you. YOU FUCKING DISGUST US!

WE CHEERED WILDLY AT WHAT LUCY HEARTFILIA AND LAYLA HEARTFILIA SAID TO THAT SO-CALLED STUPID FATHER AND ABSOLUTE ASSHOLE!

Me and Nico: AW YEAH! TAKE THAT, ASSHOLE! (FLIPS BOTH MIDDLE FINGERS) AND FUCK YOU!

THOSE TWO RANTS MAKE JUDE HEARTFILIA GO OFF THE DEEP END, AND HE BECAME COMPLETELY UNHINGED AND PSYCHOTIC, AND NOW, HE'S BECOME A DEAD MAN WALKING!

Red Savarin: And you've gone too far with allying with that rotten monster, Elise Elexton, after Zachary Nightingale brought you back from the dead, and now, it's time for you to pay the price.

Me: And that is your life!

Minior charged at him and blasted him all over.

Me: Just trying to keep up a theme for all this!

Golem: GOLEM READY FOR THIS!

Stonedozer and Golem: SMASHING ROCK AND SMASH BLAST!

They fired waves of rock and energy and blasted and smashed him.

Nico: That's right. But, it's still going to be pretty good to see Jude get his ass kicked once again before we finally destroy him.

Lincoln, Crash Bandicoot, Red Savarin, Lucy Heartfilia, Layla Heartfilia, Brandish, Natsu, Nico, and I and the rest of us went after Jude Heartfilia, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Jude Heartfilia and they exploded with incredible power as they hit him.

Lori: (Sees the Monitor Orb) There's a Monitor Orb. Lincoln, if you would.

Lincoln fired ricocheting rainbow, white, golden yellow, and blue energy beams from his fingers and the planets orbiting his fingers like rings and ankles and they hit the Monitor Orb embedded in the forehead of Jude Heartfilia and it shattered and not only did we gain a massive power boost, but he clutched his head as he screamed in agonizing pain.

Bleed Rose was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Helix Genetics.

Bleed Rose: No! We control the power.

Helix Genetics: It doesn't control us.

They concentrated and reigned in the power and they turned into Deoxys and Necrozma and blasted Jude all over.

They reverted back.

Me: OH YEAH!

I punched Jude in his face!

Horsea squirted ink and blinded him.

Then Kerbero Gangan, Gameface, Electropede, Snake, Top, Multiplex, Scorpion, Doctor Octopus, Taskmaster and Red X came.

Nico: Kerbero Gangan, Gameface, Electropede, Snake, Top, Multiplex, Scorpion, Doctor Octopus, Taskmaster and Red X.

You wanted to destroy the Earth same with the rest of the other Midnight Princesses, that proves that you're just as dangerous as Queen Opaline, you walked the path of a monster crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Caitlin Midnight Celestia, Midnight Princess of Dark Magic Dark Sun Tyranny, may you suffer for all eternity with not a kindred soul to give you solace!

Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's right, your crimes have finally come back to haunt you, and now, it's time for you to die!

Lincoln, Solana Celestia, Nico, and I went after Caitlin Midnight Celestia, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, white and gold, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Caitlin Midnight Celestia, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lunaria Luna did the same by firing black and midnight blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Anna Medina, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Caitlin Midnight Celestia even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Caitlin Midnight Celestia, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Caitlin Midnight Celestia, this is where your rampage of destruction ends here and now.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Caitlin Midnight Celestia.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) For far too long, you've caused far too much pain and suffering to too many innocent souls and so many have suffered thanks to you.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Natalie Nightmare Moon's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your life end here and now!

Lincoln attacked her with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Caitlin Midnight Celestia hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Caitlin Midnight

Celestia was now on her last legs and she was really really mangled.

Then, Lincoln fired an orange energy blast that hit Caitlin Midnight Celestia and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even

more stronger.

Then, when Lincoln was done, Caitlyn Midnight Celestia was knocked out and we fired an Evil Containment Wave and trapped her in a bottle.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Goodbye forever, monster of Hell.

We cheered wildly as we holstered our weapons and powered down and Solana Celestia's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large white and gold planets orbiting around her legs and twenty five smaller white and gold planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized white and gold planets orbiting around her wrists and ankles, eleven massive and long aurora-colored wolf tails, and massive white angel wings and nine sets of large white angel wings underneath her massive white angel wings are permanent.

Solana Celestia: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Caitlin Midnight Celestia, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Solana.

Me and Nico: Our pleasure, Solana.

Suddenly, Solana Celestia wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Solana Celestia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Princess Celestia flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Solana Celestia sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Caitlin Midnight Celestia.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Leading Lady appeared as the spotlight shined on it.

Lincoln: The time has arrived. Guys, we're going to be in for an awesome performance, we're going to be meeting the Gene-Slammers and Avatars of The Abyss Actor Duel Monsters.

Selene Arcangela: And there's one group we know all too well who fit this category: The Actors of Darkness, a group of the most renowned gothic actors in Michigan who've put on the most amazing plays in the theaters of Michigan and all over the world and have gotten praise and applause from the audiences all over, and the reviews of their plays have been talked about on the news and in the tabloids and they always end up with five stars.

Nico: Way too awesome!

Me: That's incredible! So, who's the first we're going to be meeting tomorrow?

Lincoln: From what we just saw on the stage, I think it's clear about who we're meeting tomorrow, Adriana Balthazar, Gene-Slammer and Avatar of Abyss Actor - Leading Lady.

Nicholette Torrington: I knew it was her, and you guys are going to love meeting her, Adriana Balthazar, Gene-Slammer and Avatar of Abyss Actor - Leading Lady, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the leader of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Adriana Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Adriana Balthazar really hates Lola with a blazing passion, and she also knew how to bring down Lola's act when she tried to put on the tragic girl when she'd done something bad and is trying to pin it on Lincoln or any of the other Loud Siblings.

Nico: Whoa, so she brought down Lola who according to you guys is a pro and she always covers her tracks.

Lincoln: Yep, and it was so awesome. She put an end to Lola's act with such skill and precision, and in just a few simple steps, it was curtains for Lola's : Well that's it for him!

Nico: Did I mention that we're preparing some Digimon partners?

Top: We didn't know that.

Multiplex: Can't wait to meet them.

Qin: Yeah!

Scorpion: Me neither.

RIDONCULOUS RACE 2024 PART 9 - UNOVA 1

Unova Region Part 1

In the early morning hours at 1:23 AM I was asleep in my bed with my harem and I was having a really amazing dream. I was in the Canterlot Ballroom and I was walking through the ballroom amidst the dancing and party there.

Me: Been a while since we were here.

Then I saw under the stage where the musicians play a door open up and it lead to a staircase and I went down and it lead to a door with Octavia Melody's Cutie Mark on it and it opened and in a room was Octavia Melody from Sunny's world!

Me: So under the Canterlot Ballroom is Octavia Melody from Sunny's world.

I woke up and gasped.

I got up.

Varie: Another dream?

Me: Yeah. I know where Octavia Melody of Sunny's world is.

I told everyone.

Celica: Wow under the ballroom.

Xenia: Amazing.

Me: Yeah.

I went to get a drink of water.

Me: (GULPING) Ahh. (Smacks lips)

I went back to sleep.

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dark dream: apparently, his dream took him to The Last Resort, the hotel resort for humans and ghosts, and as he was flying, he saw a portal from the paranormal dimension open up, and he saw a figure come out of the portal: it was Cordelia Morrigan, the younger sister and archenemy of Adrian Morrigan, and she's freed Hellen Gravely and the other ghosts from Luigi's Mansion 3, and she's taken over The Last Resort to get revenge on her brother. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh crap, that's not good. Adrian's going to go ballistic when he finds out about this in the morning.

Lincoln: That's for sure. I have no doubt he's gonna do something absolutely dangerous to hurt her.

Selene Emperyous: After what she'd done, I don't blame him if he gets that pissed off tomorrow.

Nicholette Torrington: Same here, and yesterday, we not only got rid of Jude Heartfilia, but we finally got rid of Zachary Nightingale for good. Sorry we had to reveal the truth about your brother, Valencia.

Valencia Nightingale: It's okay, Nicholette. But, now at last, Mom and Dad can rest in peace, and my life has been restored, and I don't have to see my treacherous older brother again.

Lincoln: That's true.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to The Last Resort, the hotel resort for humans and ghosts, and as I was flying, I saw a portal from the paranormal dimension open up, and I saw a figure come out of the portal: it was Cordelia Morrigan, the younger sister and archenemy of Adrian Morrigan, and she's freed Hellen Gravely and the other ghosts from Luigi's Mansion 3, and she's taken over The Last Resort to get revenge on her brother.

WE GASPED!

Adrian Morrigan: So, now she's finally made her move, and for her to free Hellen Gravely and the other powerful ghosts from Luigi's Mansion 3, now she's gone too far. I know, I'm going to put a permanent stop to all of her shenanigans with this.

Adrian Morrigan fired a massive storm of black and purple energy, darkness, dark lightning, dark fire, spectral lightning, ghosts, and Boos which headed for The Last Resort, and they hit Hellen Gravely and the other powerful ghosts from Luigi's Mansion 3 and they were sent flying to our location where Adrian Morrigan sucked them all up in his Poltergust G-00.

Damien: That should do it, Master. Now, we should get them to Professor E. Gadd.

Adrian Morrigan: Understood.

Adrian Morrigan teleported to Professor E. Gadd's laboratory.

Professor E. Gadd: I just saw what happened last night, looks like your sister's escaped along with freeing Hellen Gravely and those other ghosts that Luigi encountered at The Last Resort.

Adrian Morrigan: Well, I just stopped her plan dead in its tracks, and

I got them inside The Poltergust G-00.

Adrian Morrigan then went to a machine and he put The Poltergust G-00 vacuum head in and it sent Hellen Gravely and the Last Resort ghosts into The Vault where they were put into containment cells.

Damien: Now, Cordelia has lost her chance to build up her army. But, this isn't going to stop her.

Adrian Morrigan: No, but this is a start. Now, Cordelia will lose her mind just like King Boo had done in the past. I'd since cut my ties with him and Cordelia, they're no longer my father and sister, my only parent is Boosette, my mother.

Adrian Morrigan teleported back to The World Tree Estate.

Lincoln: Is it done?

Adrian Morrigan: Yes, Hellen Gravely and the Last Resort ghosts are now in The Vault. Now, Cordelia is the only one left, but she won't give up that easily, this is mainly a start, soon she'll lose her mind like King Boo and turn into an unhinged and psychotic lunatic, and it'll make it a lot more better after we take her down and I send her to The Black Abyss forever. I know I wanted to throw in the Dark World Prison, but she's a danger to everyone: human and ghost, and this will be the fate that befalls her.

Me: That's for sure.

Nico: And after what she and Zachary had done in bringing Jude Heartfilia back yesterday, and that psychotic bastard trying to trap us all in a painting that could lead to the world being destroyed, she's going to suffer the same fate as Zachary Nightingale.

Lincoln: She's gonna regret trying to destroy us. Anyways, let's finish breakfast and head out to take down the villain for Nico's rescue.

Nico: woke up to see Tepig staring at her

Tepig: Morning Taylor. Time for breakfast. It's meat overload day.

Taylor: Oh boy! Awesome.

She went and got dressed and went to the table.

We were having steaks, sausages, ham, bacon and more.

Me: Morning Taylor!

Taylor: Morning guys.

She got to eating and was piling on the protein.

We then finished our breakfast, and we set out to take down the next villain on Nico's rescue.

Me: Good to be in Canterlot.

Twilight Sparkle: It sure is guys.

Camie: Yeah.

Me: There's a huge ball going on today though.

Nico: Wonder what it is?

Me: I think it's the Grand Ball of Friendship. Big event. Twilight has been organizing the whole thing.

Nico: Cool! As long as she doesn't overdo it like she did before the War with Necrafa.

Me: Yeah.

Camie: What happened?

Me: She was awake for three whole days without sleep and she really wore herself out.

Camie: Oh man.

Nico: Yeah she learned a huge lesson.

Twilight Sparkle: I sure did.

Nico: Wood Man, I want to thank you, Crystal Snail, and your teams for coming

Wood Man: No problem Nico. It's gonna be so fun.

Tuff Luck: (Irish Accent) Always up for some fun lads.

Nico: Tuff Luck, what do you like to do in your free time?

Tuff Luck: I haven't really thought about it lad. But if I were to pick it would be teach everyone about the joys of life in Skylands.

Me: That's cool and fun.

Ambush: It sure is.

Camie: Yeah.

Me: Nature is awesome.

Lucky: I think you're lucky either way!

Me: Yeah!

Tuff Luck: Thank you lads.

Me: You're welcome.

Eli: Yeah. Wow! WHEW! We got ultimate justice for Lucy an her family.

Maria: And Arixam too!

Nico: Spankulot spanked him good!

Me: He sure did! But I didn't want his hands to get sore.

Nico: Good idea. But Eli those velociraptors you had really ripped the grurnts to shreds.

Eli: Learned a lot from Jurassic Park and Paleozoic World.

Me: You sure did bro.

Qin: Yeah.

Laney: I loved dancing with Lucy's Akuma. That was fun.

Eddy: I really wanted Spankulot to spank him to death

Me: I know Eddy but I don't think Spankulot would like it if he did. His hands would be broken and bleeding.

Eddy: Oh yeah.

May: What did you guys think of the restaurant?

Me: That was really delicious. Man that was really luxurious and awesome. Everything you said about it was true.

Camie: One of the most delicious meals I've had in a long time.

Eli: One of the best.

May: Glad you liked it

Me: Yeah. It was awesome.

Nico: Darn shame Pipp, Zipp and Misty couldn't join us.

Me: Well they will be back later today.

Sunny Starscout: I ordered some food for them and I'm saving it for them.

Me: They will like that Sunny.

Laney: Yeah. And Man May really tore the Rump City Bootyhead apart!

Manaphy: Way to go Mama!

Me: Yeah! Wow! Yesterday was fun. Glad we got justice for Lucy, Layla and Brandish.

Qin: I am too.

Nico: We're here.

We arrived at the Grand Ballroom.

Me: Wow just as awesome as I remember.

We saw all the pones having a good party.

Me: Wow everyone and everypony is here.

Twilight Sparkle: Yeah it sure is amazing.

Me: Yep.

We walked around.

Me: Now lets see.

We saw the music stage and on it was Octavia Melody and a few musicians.

Me: Ah there's the lady of honor.

We went over.

Me: Octavia?

Octavia Melody: (British Accent) Ahh J.D., everyone welcome.

Me: Sorry to interrupt your performance but we need your help on this part of the rescue.

Nico: It involves you.

Octavia Melody: I see. I'll be right back.

They understood.

Me: Now lets see here.

I felt around the floor and saw something.

Me: What's this?

I pressed a tile and then a rumble was heard and we saw the floor open up and it was a hidden staircase under the ballroom floor!

Me: There's the staircase!

Nico: Whoa!

Qin: A hidden staircase.

Octavia Melody: My word! I didn't know this was here.

Me: No one did.

Maria: Lets go in.

Me: Stay close.

I formed an energy ball to use as a flashlight.

Me: I had a dream about this and it lead to your counterpart from Sunny's World, Octavia.

Octavia Melody: The me from Sunny's World? My goodness!

Me: I know.

My sword was reacting to something.

Me: My sword is glowing. We're getting close.

We then got to the door and on it was Octavia Melody's cutie mark!

Me: This is it.

Octavia Melody: My goodness.

We pushed it open and music playing was heard. We heard Music from Saint-Saens - The Carnival of The Animals playing.

Me: I know that song. The Carnival of Animals.

Xenia: What a classic.

Nico: We must be close.

Laney: That is amazingly well played.

Octavia Melody: I do have good music taste.

Me: You sure do.

Nico: Look!

We saw the crystal coffin and in it was Octavia Melody from Sunny's world!

Me: There she is!

Octavia Melody: That's me!

Me: It's you in 1,000 years. You were asleep for a millennium.

Nico: Let's wake her up.

Me: Here we go.

Plankton: Let me try first. [He clashes cymbals, blows a trumpet and beats on drums, but she wouldn't wake up] Hmm, what else is loud and obnoxious? [He holds a loud ringing cell phone up to her ear]

Me: Nice try though Plankton. But this is a magical coffin. Let us do our stuff.

Octavia Melody: Here we go.

I pointed the blade of my sword at her and Octavia had magic ready and we fired and it glowed intense white and the ballroom glowed powerfully and it was made better than ever before. Then when the light faded, Octavia woke!

Octavia Melody (G5): (Groans) (British Accent) What happened?

Me: Welcome back Octavia.

Octavia Melody (G5): J.D.? Everyone, Everypony? What happened?

Me: You were asleep for a thousand years. We have a lot to tell you.

We told her everything that happened.

Octavia Melody (G5): My goodness! So Opaline did all this?

Me: Long story.

Camie: Yeah.

Nico: By the way, your mission is today.

Octavia Melody: I'm looking forward to it.

Lincoln: Me too.

Me: Yep. We are too.

Octavia Melody (G5): I have a lot of catching up to do.

Me: Yep.

Part 1 of the rescues was done.

Later we were in Starlight Ridge for part 2 of the rescues. We had our coats on because of was cold.

Nico: Now for the next part.

Me: Starlight Glimmer.

Starlight Glimmer: Yep. Finding myself from Sunny's world.

Me: According to Galaxia Starscout's notes she is under Violet Frost's house.

Camie: Wow.

Lola: This will be awesome.

We went over to Violet Frost's house.

Violet Frost let us in.

Violet Frost: You all made it.

Me: Glad we could come Violet.

Violet Frost: You're all here for a rescue?

Me: Yep. To find Starlight Glimmer from here.

Qin: Yep.

Violet Frost: Wow.

Me: Lets see.

I looked at Galaxia's notes.

Me: Hmm. Okay lets see.

I looked.

Me: Okay lets see.

I went a bookcase and saw something.

Me: Wait look.

I moved some books and found Starlight Glimmer's cutie mark on the wall.

Me: Looks like it's one of those.

I used my sword and opened it and the wall opened and it lead to a hidden staircase!

Me: Wow!

Nico: This must be it.

Me: Yep.

We went down the staircase and I formed an energy ball to use as a flashlight.

Live Action Optimus: Drift, you never told us you had a human partner

Drift: It's a long story but it was awesome.

Camie: It sure is. I think that is so cool.

My sword was reacting to something.

Me: We're getting close.

Starlight Glimmer: Wow.

We saw a huge door and it had Starlight Glimmer's Cutie Mark on it.

Me: This is it.

Starlight Glimmer: Wow.

Qin: Amazing.

We opened the door and went in and it was a room of the Aurora.

Me: Ooh wow.

Nico: Amazing!

Me: Look!

We saw in a crystal coffin in the middle of the room, STARLIGHT GLIMMER from Sunny's World!

Me: There she is!

Nico: Wow!

Live Action Ironhide fired his cannons at the coffin.

BOOM!

But the coffin was indestructible and impervious to his power.

Me: Wow! Those magical coffins are impervious to weapons.

Camie: Yeah.

Me: The only thing that can wake her is magic.

Comet (G5): Let me do it.

He went over and touched the coffin and then it glowed and then a massive surge of magic blasted out of the area and it was intense! Twilight's School and the Changeling Hive was made better than ever!

Me: WHOA! What power!

Then we saw it open and Starlight woke up.

Starlight Glimmer (G5): (Groans) What happened?

Me: Welcome back Starlight.

Starlight Glimmer (G5): J.D., everyone and everypony? You're all here!

Me: Yep. You were asleep for 1,000 years.

Live Action Optimus Prime: You still remember me sister?

Starlight Glimmer (G5): Yes I still do. I'm glad to be back.

Me: We have a lot to tell you.

We told her everything.

Starlight Glimmer (G5): Oh man! I have a lot to catch up on.

Live Action Crosshairs: It's good to have you back.

Starlight Glimmer (G5): Same here.

Me: Part 2 is done.

Qin: Yep.

We then set out for Italy for part 3.

We arrived in Italy. We were in Venice.

Horsea: Good old Italy.

Camie: It sure is awesome.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Italy, but here's who we're going to face: the hypothetical Akuma of Universe 666 Cinder Fall.

Nico: WHOA! An Akuma for one of the Universe 666 counterparts? That's a first.

Me: Whoa, really? Who is she, Lincoln?

Lincoln: Her name is Lady Ravioli, the Hypothetical Akuma of Universe 666 Cinder Fall and she is known as the bringer of sauce, pasta, and cheeses. She has powers over all things ravioli and is one sexy seductress of pasta. She was made because of her prime universe counterpart killing so many people and vowed to bring an end to her.

Me: Ooh! Pasta kind. Nice.

Lincoln got out his sketchpad, and we saw her: she was a smoking hot babe in a bikini and a bowl of ravioli covering her legs.

Me: Whoa! She looks delicious.

But, that of course forced out our notorious perverted sage!

Lincoln: WHAT THE HELL?! Master Jiraiya!

UH OH!

LINCOLN SPED UP TO JIRAIYA AND PUNCHED HIM SO HARD, HE SENT HIM FLYING OUT OF ITALY AND CRASHING INTO THE

BATHHOUSES AT THE HIDDEN LEAF VILLAGE, AND WHEN TSUNADE FOUND OUT!

Tsunade: (OFF-SCREEN) JIRAIYA!

WE THEN HEARD THE SOUNDS OF NASTY PUMMELING AND CLOBBERING!

Sabrina Lorelai: Oh man! I knew you'd send him flying into the bathhouses!

Nico: Nice shot.

Nicole: And Lady Tsunade caught him right on time! Nice one, Lincoln.

Lincoln: He may be one of The Legendary Sannin and a great ally of ours, but when it comes to his perverted nature, even I can't stand that especially when it comes to the Hypothetical Akuma of one of J.D.'s future wives.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us, and just as we'd found out, the Demon Blood Influenced version of Caleb Maxwell has been spotted.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the next torture ready for that rat with wings: I'm gonna dunk him in a vat of melted chocolate and candy and he's getting licked all over the place.

Lincoln had a vat of melted chocolate and jars of candy ready.

Me: Ooh! Nice one.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: Honestly, Sergio's going way too far with this.

Lori: I literally thought he'd learn his lesson, but I knew this won't be the last time he does something like this.

Lincoln: Well, he's gonna regret this after we take care of our Akuma problem.

Me: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms,

and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're

even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Lady Ravioli) Aha! Gotcha! I just Lady Ravioli, she's 20 yards away. (Sensed Sergio's hired thugs) And I just spotted Sergio's hired thugs.

Nico: Let's get going.

Raven heard a Pokemon cry

Raven: Look here guys.

We saw a Corvisquire.

Me: Cool a Corvisquire. Perfect for you Rachel.

Raven: I agree.

Corvisquire: (British Medieval Accent) Thou are perfect for me.

Me: Ooh the British Medieval Accent is accentuating.

Raven: I agree. Are you hungry?

Corvisquire: I most sure am.

She gave her apples and food.

Me: Just like Woz with his amazing rejoice speeches.

Woz: Indeed.

Qin: Those are awesome.

Raven: Wanna come with me?

Corvisquire: I would be honored Princess Raven.

Raven: I like the sound of that.

Me: A princess of Darkness. Awesome.

Brittney: I agree.

Camie: Cool.

Nico: Now for the Akuma.

Me: Uh after we deal with that!

We saw ZYGARDE!

Me: Zygarde!

Qin: WHOA!

Nico: What's that doing here?!

Me: I think I know!

J.D. 2: It's one of Dark Gale's gene-slammers!

Octavia Melody: I think I know this one.

She used telepathy and gasped

Octavia Melody: That's my sister Victoria Soprano!

Me: Oh man! We got to help her!

Me and Octavia went to face her.

Octavia Melody: Sister stop this please!

All she did was charge at her.

We dodged it.

Me: WHOA! Then we do this.

We fired waves of energy and blasted her all over the place.

Me: Now this!

I snapped my fingers and she reverted back and was a girl with purple hair and purple eyes and had pink angel wings and had Zygarde in the middle of her forehead and had a pink version of Octavia's cutie mark on her arm.

We wrapped her in a blanket and brought her over to a bench.

Me: There.

Qin: Wow.

She woke up.

Victoria Soprano: (Groans) (British Accent) What happened?

Octavia Melody: Victoria? Are you alright?

Victoria Soprano: Octavia? Octavia! You're here.

They hugged.

Octavia Melody: It's good you're okay.

Victoria Soprano: Me too.

Me: You were turned into a Zygarde by Dark Gale.

Victoria Soprano: My goodness! I remember.

FLASHBACK!

She was in a green suit and was injected and in a blast of light she turned into Zygarde! She then flew out of the base.

FLASHBACK ENDS

Victoria Soprano: That was awful.

Me: Well we're in the process of killing Dark Gale now. We've already destroyed 8 of their bases.

Xenia: It's true.

Victoria Soprano: I'm glad you all are.

Nico: Your role in Sonya's Team?

Victoria Soprano: I am the music master of the team and use music magic to subdue our enemies.

Me: Ooh and they do say that Music Soothes the Savage Beast.

Victoria Soprano: That's right. Outside the team I entertain at high class parties with the violin.

Octavia Melody: I taught her how to play the violin. I use the cello whereas she uses the violin.

Nico: Wow.

Horsea: Cool!

Me: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new purple and blue clothes and an amazing sword.

Victoria Soprano: Oh I look amazing.

Me: You sure do.

Qin: Yep.

Nico: Now onto the next part of business.

Me: Yep.

We then took off into the air to take down Lady Ravioli and get rid of Sergio's hired thugs.

We were flying in the air, and we spotted our target, Lady Ravioli, the hypothetical Akuma of Universe 666 Cinder Fall.

Lincoln: There's Lady Ravioli.

Me: Let me take her down the same way you took down Stormbikini, Lincoln.

I flew fast and hard, and Lady Ravioli kept firing blasts of sauce at me, but that was a really huge mistake as I absorbed the sauce blasts and it made me even stronger and more supercharged than ever, and then, I flew even faster and grabbed and pinned Lady Ravioli to the ground with my arms.

Nico: Nice work, J.D.

Lincoln: He's got her.

Me: Hah, got you.

Lady Ravioli: (Seductive Voice) (Smirks) Oh really?

Suddenly, Lady Ravioli wrapped her legs around my waist and her arms around my neck as her breasts and stomach pressed against my pecs and twelve-pack abs. But, I knew what was coming as I wrapped my massive arms around her waist, and then, I kissed her deeply on the lips which made her hair fly up into the air! I had her outsmarted at her own game of seduction and had her pinned to the ground as we continued to kiss deeply and passionately.

Then, with my massive muscular arms still wrapped around her waist, I leaned my head down to the right side of Lady Ravioli's trapezius, and I slowly bit her and then fed on her blood, and my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as I gained an extremely astronomically huge and massive power boost and I also gained the very same powers as her, and my abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and my massive rainbow angel wings and eleven sets of larger rainbow angel wings with orange and aurora tips on the large rainbow feathers underneath my massive rainbow angel wings spread out and my large gold halo and four orbiting large gold rings on each corner of the halo behind my head glowed.

Then, I slowly unlatched my fangs from her right trapezius and the marks sealed up and I kissed the spot where I bit her.

Lady Ravioli: (Swooning) (In Heaven) What...a...hunky and manly stud!

Suddenly, an Elemental Phoenix Necklace of Eternal Love appeared on the neck of Lady Ravioli with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Phoenix Choker of Eternal Love on her neck and rainbow Phoenix wedding ring on her left pinkie.

That of course led to Lady Ravioli making out with me even more passionately, but that of course, led to a massive deluge of pasta sauce to flood the streets.

Sarah Succubi: Oh man, just like Lincoln, J.D. outsmarted her in the ways of seduction.

May: And just like Lincoln, he out-seduced her and marked her.

Nico: Damn.

Lincoln: If we run into a hypothetical Akuma of one of your future wives, Nico, you're bound to do the same thing as well.

Qin: I can see that happening if he runs into another hypothetical Akuma of May and his future wives in his harem, and who knows if they wind up taking it to the bedroom.

Nico: (Embarrassed Blush) Qin.

Sakura Knudson: My brother's always been attracting tons of smoking hot ladies, babes, and chicks for as long as we can remember, and now that he's grown into a man, now they're wanting to really get together with him. But, we always makes sure to scan to see if they're truly good, those who aren't and are just evil, well, they wind up getting sent to the reform school or get sent to Hell.

Sumner: He'd since attended sex education classes and he knows what to do.

Patti: That's true. Uh oh, and from what we just saw, that display of passion just unleashed a flood of pasta sauce onto the streets of Italy.

Lady Ravioli: Oops, sorry.

Lincoln: I got this.

Lincoln dove into the flooded streets, and he began absorbing all of the excessive pasta sauce into his body, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

When Lincoln was done, the streets were dry, but his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals was literally still flaring up extremely and it was even more stronger and more intense than ever.

Lincoln: WHOA! It feels like I've eaten tons of pasta dishes and drank tons of pasta sauce, and I feel even more stronger than ever! This feels incredible!

Suddenly, Lincoln fired massive waves of pasta sauce that forced out Sergio's hired thugs, and Lincoln made a one-way viewing window for Sergio to see. Then, he grabbed one of the thugs by the neck with his left hand and hoisted him up to make him look him in the eyes.

Lincoln: (Smirks) Well, well, who do we have here?

Then, he tossed the bastard into his friends and they got knocked down, but as soon as they got back up, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls and sent them to The Black Abyss, and when Sergio saw it through the one way window, he screeched in anger at us.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window snapped his fingers and he made the vat of melted chocolate appear, and using his telekinesis, he picked up Sergio and dunked him in the melted chocolate, and he got him out and he was covered in chocolate.

Then, Lincoln made the jars of candy appear, and they dumped the contents on Sergio, and if that's not enough, he also got a bunch of kids who licked that stupid parrot all over.

Sergio: (SQUAWKS) Gross!

Finally, Lincoln snapped his fingers and dumped cat nip on Sergio, and that got The Great Lakes City Alley Cats after him and they mauled him, and they left leaving Sergio as a mess.

WE WERE ON OUR BUTTS LAUGHING HYSTERICALLY!

Me and Nico: (LAUGHING HYSTERICALLY) OH MAN! THAT WAS TOO HILARIOUS! YOU'RE GONNA MAKE US BUST A GUT, LINCOLN!

Maria, May, Qin, Nico's harem, and Lincoln's harem: (LAUGHING HYSTERICALLY) SERVES YOU RIGHT, YOU REPULSIVE RAT

WITH WINGS!

Then, the one-way viewing mirror closed before Sergio could hurl insults at us.

Me: Serves that bird right.

?: I got to admit, that was really hilarious, Lincoln.

Suddenly, we saw a girl appear, she was tall at 7'0" in height, she has the body of a goddess with large breasts, long crimson red hair, massive black angel wings, she has the symbol of The Phantoms on her forehead, right arm, and skirt, red eyes, sleeveless red top, black short-sleeved blouse, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, magic, elemental forces, dark magic, and darkness on the coattails, and on the back is the symbol of The Phantoms, and she has a massive fire greatsword in hand.

Lincoln: (GASPS) Acantha Nightshade, Queen of The Phantoms.

Phoebe Phantom: Oh man, she's here!

Selene Arcangela: I knew you'd get a case of shell shock, Phoebe, and before you ask, Lincoln does know her, and so do we. This is Acantha Nightshade, Queen of The Phantoms, she's Lincoln's Guardian Angel from Michigan, and she's a deadly powerful master of good and magic. She's a master of all things in elemental, beast and mythological magic as well as Dark Magic, and she's also the Queen of The Phantoms from Kamen Rider Wizard, and she like Phoebe Phantom, has all their power and has all the powers they possess, and she also has the power to bring despair but only uses it on criminals, and when that happens, their despair is eventually harvested and fed to Acantha Nightshade and she grows stronger due to that, but she also brings hope to the innocent, and that not only makes her stronger, but that also gives the innocent the strength to pursue their dreams and make them come true, and she was absolutely disgusted with the way The Phantoms were causing trouble to the people especially with that serial killer, Sora Takigawa A.K.A. Gremlin Phantom, always causing chaos and murdering innocent people to slake his thirst for blood. She moved to Michigan, and she trained Lincoln with mastering the powers of elemental, beast, and mythological magic as well as Dark Magic, and she also taught him how to use magic, and she also taught him how to bring despair to criminals and hope to the innocent, and they both make him stronger than ever, and he also gained all of the incredible strengths and powers of The Phantoms, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Phantoms and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Acantha hates Sou Fueki A.K.A. Kamen Rider Wiseman and she hates how he plays with peoples' minds to turn them into Phantoms and even destroys their dreams, and she vowed to kill him no matter what, and she also despises Sora Takigawa A.K.A. Gremlin and she vowed to make that sadistic psychotic monster serial killer and Phantom pay for his crimes in blood.

WE GASPED!

Me: Whoa!

Phoebe Phantom: She's even more powerful than me, and she's asked The Phantoms to stand down many times, but they always defy her, just like when Siren defied me, so she destroys them as well, and the despair they've absorbed is absorbed into her and it made her even stronger than ever, and none of you knew this, but Lincoln also had that power same with J.D. and long before you all got that power when Heidi sealed The Great Leviathan and Dartz. But, it's not just despair Acantha and Lincoln can bring to their enemies and absorb, they also bring hope to the people and give them the strength to pursue their dreams, and that excess hope they send out is absorbed as well into them, and it made them even more powerful than ever.

Nico: No way, that's really incredible!

Me: I had no idea about that, that's quite a revelation. Just how many sides of you that we've yet to uncover, Lincoln?

Lincoln: Far more than you think.

Suddenly, Lincoln pinned Acantha Nightshade to the ground, and he kissed her on the lips. Then, he leaned his head down to her right trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and he kissed the spot where he bit her.

Then, Lincoln helped her up, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her necks and rainbow Thunderbird wedding ring on her left pinkie.

Acantha Nightshade: Well, that's one way to say it's good to see you again. (Rubs Lincoln's massive pecs) I knew you were still the same gentleman, but to also find out you also have that animalistic seductive side of you out in full force as well? (Seductive Voice) Damn.

Lincoln had an atomic red blush on his face and muzzle, and we snickered.

Acantha Nightshade: Plus, I knew Sou is in The M.O.E., but I'm still going to show him no mercy by trashing him.

Nico: That's alright with us, but as for Sora Takigawa, he's gonna get it big time!

Acantha Nightshade: In fact, he's the one responsible for the resurgence of The Phantoms ever since you guys took care of Sou Fueki.

WE GASPED IN HORROR: WE FOUND OUT THE RESURGENCE OF THE PHANTOMS WAS THE FAULT OF SORA TAKIGAWA A.K.A. GREMLIN PHANTOM!

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Penny Pizza, Nico, and I and all of us went after Lady Ravioli, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, orange and yellow, red, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Lady Ravioli and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Penny Pizza, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Lady Ravioli, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Lady Ravioli.

Then, Lincoln, Nico, and I charged and smashed our rainbow energy infused left fists into Lady Ravioli's stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit Lady Ravioli hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Lady Ravioli was on her last legs and she was really really mangled.

Then, before she could fall to the ground, I caught her in my arms bridal style, and I kissed her once again on the lips.

Lynn: And she's out!

We cheered as we holstered our weapons and we powered down, and Penny Pizza's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large orange and yellow planets orbiting around her legs, twenty-five smaller orange and yellow planets orbiting around her waist, medium sized orange and yellow planets orbiting around her wrists and ankles, smaller planets orbiting around her fingers, and massive orange angel wings and eleven sets of larger orange angel wings underneath her massive orange angel wings are permanent.

Nico: That ought to do it. Plus, you really saved Italy when you sucked in all of the pasta sauce into your body, Lincoln.

Lincoln: Thanks, and I didn't expect you to charge in and pin Lady Ravioli to the ground like that and engage in a full make out session, J.D.

Qin: And this time, Lincoln absorbed the massive deluge of pasta sauce into his body.

Lincoln: (BELCHES LOUDLY)

Rita: Yeesh, hadn't heard that ever since you ate a massive bowl of your Dad's Lynn-guini last night for dinner.

Lynn Sr.: You almost blew out a couple of windows with that belch.

Lori: Well, can we literally blame him? You know we all love your food, Dad, and you forgot about his incredibly massive appetite that rivals the Saiyans.

Lance Loud: I had no idea about that, but dang.

Nico: Remind me to get into an eating contest with you, Lincoln. So, what did you want to talk to us about?

Lady Ravioli: It's something that's going to anger you guys especially you, Taylor.

Taylor: What is it?

Nico: Oh, Wood Man. What do you like to do in your free time?

Wood Man: Oh I'm a Furniture Carptenter. I turn trees I grow into furniture and make it artistic.

Me: Cool!

Qin: Awesome job to have.

Camie: Yep

Lady Ravioli: Oh guys I have something you need to hear.

Me: What is it?

Lady Ravioli: Remember your battle with Pablo and Anderson in Louisiana last year when Xehanort made his final return from the dead?

Me: Yeah why?

Taylor: Yeah, we gave those two The Black Abyss after they injected themselves with that muscle growth serum and Lincoln gave them The Min's Egyptian Virility Drain Curse, and then, he sprouted tentacles with suctions from his chest and latched themselves onto the massive pecs, necks, arms, and legs of Pablo and Anderson and he sucked them dry of their newly gained massive muscle mass, virility, testosterone, and massive physical strength.

Suddenly, all of The Masters of Evil arrived.

Lord Drakkon: Unfortunately, the Pablo and Anderson we killed last year during the battle with Xehanort were actually clones those two buttfaces created.

WE GASPED IN SHOCK!

Me: WHAT THE FUCK?!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Nicole: THOSE BUTTFACES ARE STILL OUT THERE!?

Lola: THOSE JERKS!

Nico: (Puts his skeleton back) I hate it when that happens. I can't believe it, those two buttface dumbasses cheated death!

Lincoln: I don't believe those two! I knew they were scum, but to also cheat death, disgusting!

Lady Ravioli: And they've allied with Elise Elexton as well.

Lady Ravioli handed us the updated sheet with all of Dark Gale's members on it, and wouldn't you believe it, Pablo and Anderson's names were on there as well.

Eli: Those motherfucking piles of garbage! First, they cheated death by creating those clones, and now, they've allied with Elise Elexton?!

Lincoln: That's the last straw! Now, those two are absolutely dead when we go after them!

Me: DARN FUCKING TOOTIN!

Taylor: This is the absolute last time we ever have to deal with those two buttfaces!

Stella Zhau: That's for sure.

Clyde: Those two are going to pay for cheating death by making those clones of themselves and for allying with Dark Gale.

Liam: Those two snakes in the grass are gonna get it!

Rusty: They're done for when we catch them!

Zach: Without a doubt, they're gonna pay!

Me: I've had enough of those peabrained douchebags to last a fucking eternity!

Nico: Man, you guys are seriously riled up now!

Luna: After what those two dirt-chewing morons have done to our little bro and his friends, they've had this coming for a very long time.

Lincoln: And I know they're gonna do the same thing the clones did: use a new and improved version of those green muscle growth potions and turn into hulking musclebound behemoths, which is fitting for them: they're stupid and they use brute force to get their way. Well, they're gonna get hit with the Min's Egyptian Virility Drain

Curse, and I'm going to suck them dry of their newly gained massive muscle mass, virility, testosterone, and massive physical strength before we kill them and send them to The Black Abyss for good.

Lana: That's a good idea, and they'll also have Dark Gale grunts and scientists with them, so be ready to suck out their energy and knock them out again.

Lincoln: You bet I will, Lana. (Sensed Anothers) And right on time, I just spotted the Anothers.

Me: Alright.

Nico: Let's take care of them before we head back.

Me: Right.

Maria: I wonder how Misty and the rest are doing.

Me: Well they will be back later today. Probably after the next Ambassador mission is done.

Nico: Yep.

Lola: Yeah.

Me: Now for the Anothers.

Nco: Okay. Who do we have?

Eli: (Concentrates) Whoa! We got Another Crystal Snail, Taylor, Momo Phantom Gaiouto, Takanasu, the monster of bamboo sakes, Crow Kankurugin, Yadzruck and Dragon Phantom Drachianne

WE GASPED!

Taylor: WHOA! Another me!? Wow!

Lola: This will be good!

Eli: And it's easier. The Anothers are just two people. They are embodiments and the Another Taylor is someone Taylor knows.

Me: That does make it easy.

Nico: Yep. Who is up?

Me:Wood Man, Tuff Luck, Ambush, Zook, Tussle Sprout and Chompy.

Wood Man: All right!

Tuff Luck: Lets make this fun! DEAL WITH IT!

Ambush: WEED EM AND REAP!

Zook: (Jamaican Accent) LOCKED AND LOADED! HAHAHAHA!

Tussle Sprout: This Sprout is ready to fight!

Chompy: (GROWLS)

Me: OH YEAH!

Nico: There they are!

We saw Another Momo Phantom Gaiouto, Takanasu, the monster of bamboo sakes, Crow Kankurugin, Yadzruck and Dragon Phantom Drachianne!

Nico: WHOA!

Qin: This is gonna be good.

Me: Yep.

Another Gaiuoto: (In a girls voice) It sure will be!

Me: (GASP) That voice!

She reverted back and was the Embodiment of Lemon!

Me: (GASP) Lisa Lemon!

Lisa Lemon: Awesome to see you J.D.

Nico: You know her?

Me: I sure do. She's The Embodiment of the Lemon Dopant and she is a master of lemons and also makes many flavors of lemonade. She is also a master of Lemons for sex.

THEN SOME OF US GOT ROCKET NOSEBLEEDS!

CRASH!

Nico: OH MAN!

Nicole: Just don't do any of that in public or I'm going to kill you!

Maria: Also, we don't want the details.

Deadpool: As much as I'd like that, this isn't an M Rated story.

Jamesdean5842: Yeah I'm keeping it at rated T.

Lisa Lemon: Sorry.

Me: No worries. By the way are the Another Crystal Snail and Taylor friendly or hostile?

Lisa Lemon: Friendly and you will like the Another Crystal Snail

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books

Me: OH YEAH!

Maria: Time for backup! (TURNS DIAL) JELLYFISH VOLT 6!

She summoned Gigabolt Man-O-War, Willy Weasel, EarthSpark Nova Storm, Snow Beast, Shimaka Monster and King Chronoma!

Me: YEAH!

Deadpool (to the viewers): I'm being serious. If you really want M rated content, go to Deviantart.

Jamesdean5842: We get the idea Wade.

Nico: Yeah. Now we wait.

Camie: Yep.

Nico: We WILL accept other kinds of lemons though. Like lemonade.

Me: Yeah.

Lisa Lemon: Want some lemonade?

Me: Sure I could use some. All that pasta made me thirsty.

We all agreed.

We got lemonade.

Me: Oh boy. (GULPING) Ahh. Refreshing.

Horsea: I bet Misty's having lots of fun!

Me: I have that feeling too.

Nico: (Gulping) Ahh. Needed that. Thank you.

Lisa Lemon: You're welcome.

Then Another Crystal Snail and Taylor Came.

Me: WHOA! There they are.

Then the Arabian Dance of The Nutcracker Suite was heard.

Me: I love that song. Wait! Felicia Fantasia?

Another Crystal Snail: (In a girls voice) That's right.

She reverted back and it was the Embodiment of Fantasia.

Felicia Fantasia: That's right J.D. Awesome to see you.

Me: Same here. Felicia is The embodiment of the Fantasia Dopant and a master of all the powers and worlds of Fantasia. She has all the powers of the classical musicals of Fantasia and Fantasia 2000:

Nico: Oh wow! Those are awesome songs!

Laney: All my favorites.

Lola: Yeah!

Felicia Fantasia: Yeah and as the Embodiment of Fantasia, I can do anything with music and more. It's fun and awesome.

Crystal Snail: That is so cool! Also you like crystals and snails like me right?

Felicia Fantasia: I sure do and it's fun. Crystals are so beautiful.

Me: They sure are.

Nico: Who's your friend?

Another Taylor: Someone that HATES our father!

Taylor: (GASP) That voice!

She reverted back and it was a younger version of Taylor but she had tattered clothes and smelled HORRIBLE!

Taylor: (GASP) TINA!

She ran over and hugged her.

Taylor: Sis thank goodness.

Tina: Yeah I'm okay.

SEAL BARK!

Taylor: (SNIFFS) OH GOOD GOD! Tina how long has it been since you had a bath?

Tina: Not since dad sent me out onto the streets! 5 years ago.

Me: EW! We're getting you in the tub and getting you new clothes when we get back.

Kaito: (gets out Geats gear) Did Swartz promise you anything?

Zocks: (Gets out King Ohger gear) Because we can grant it instead

They got weapons from Geats and King Ohgers.

Felicia Fantasia: No he didn't because I used my music and he fell asleep.

Nico: Classical music can do that to some people.

Camie: Yep.

Sougo (gets out Geats Ridewatch): You don't have to worry about your father.

Rider Time! (Drum beat mixed with MagnumBoost transformation music) Dual On! Geats! Ready... Fight!

Geiz (Gets out King Ohger Ridewatch): He's already dead.

Sougo got GeatsArmor while Geiz got KuwagataOhgerArmor

Me: Yeah we banished him to the Black Abyss earlier.

Qin: Yeah.

Camie: Good riddance.

Tina: I'm glad.

Xenia: Me too.

Lincoln: Lets separate you girls.

We did so.

Me: Lets dance.

Nico: (gets out Crystal Snail's Ridewatch) This is going at a snail's pace!

May: (Gets out Takanasu's ridewatch) This Bamboo will hurt!

Maria: (Gets out Yadzruck's ridewatch) Lets dance!

Tuff Luck: (Gets out Gaiouto's ridewatch) DEAL WITH IT!

They used the powers of Crystal Snail, Momo Phantom Gaiouto, Takanasu, the monster of bamboo sakes, Crow Kankurugin, Yadzruck and Dragon Phantom Drachianne and blasted them.

Then Newtron, The Trickster, Universe 666 Live Action Lockdown, Marve-Shupopolous-Gou, Ba-Boom the Boisterous and Beppi the Clown came.

Nico: COOL! Nice team Newtron!

Newtron: Thanks Nico!

Nicole: COOL! Newtron and Marve-Shupopolous-Gou from Sonic. Awesome choices.

Nico: Yep.

Sting Chameleon: My team next and Newtron is perfect for me since we are chameleons.

Horsea: I know!

Me: Cool!

Nico: Yep.

?: That is awesome!

Vulcanusmon came!

Me: WHOA! Vulcanusmon!

Xenia: COOL!

Vulcanusmon: (In a girls voice) It sure is awesome.

Nico: Vivian Vulcanus! Wow!

She reverted back and was a girl with orange hair, orange eyes, had orange clothes and red angel wings and had the symbol of Vulcanus in the middle of her forehead and had Vulcanusmon on her skirt and shirt and had a fire sword.

Vivian Vulcanus: Awesome to see you Nico. I got this.

She fired waves of fire and blasted the Anothers and I caught the ridewatches and purified them.

Me: OH YEAH!

Nico: Nice job!

Vivian Vulcanus: Thanks. That was fun.

Me: It sure was. So that makes you the daughter of Vulkanus the God of Fire.

Vivian Vulcanus: That's right.

Nico: Wow!

Me: Yep.

Tuff Luck: Do you have a good memory of Nico lass?

Vivian Vulcanus: I sure do. When me and Nco found this sword here.

Nicole: (GASP) That's the Sword of Vulcanus. It was said to have been made with the power of Vulcanus himself.

Camie: Wow!

Vivian Vulcanus: Yep that's right.

Me: Cool!

Nico: Yep.

They hugged.

Nico: I've missed you.

Vivian Vulcanus: Same here.

Taylor: Now lets get you in the tub Tina.

Me: Yeah you need it.

Lady Ravioli: I agree.

We went back home.

Lincoln: Whoa, we're here in the world of the 2022 French cartoon, Imago, and I know what we're going to do here, not only am I going to rescue the four girls here and Ets is going to rescue the one girl here, but we're going to help Zayn and his friends take down Agoji, Damballa and Ghoula the Poacher and banish them to The Black Abyss.

Nico: This is going to be one interesting rescue, and those three are done for.

Ets: No doubt about it.

Suddenly, we saw a white mist appear out of nowhere, and we heard the sound of maniacal laughter.

Frost Man: What was that?!

Adrian Morrigan: There's no mistaking it, Boos are in the area.

Adrian Morrigan used the Dark Light Device on his Poltergust G-00 as it let out a stream of rainbow light, and it hit somewhere and it exposed a Boo as it was stunned. Then, he sucked up its tongue with The Poltergust G-00 and he slammed it on the ground enough times and he reeled it in and it was sucked inside the The Poltergust G-00.

Then, he used The Dark Light Device on his Poltergust G-00 and exposed more Boos in the area and stunned them. Then, he sucked up their tongues with the Poltergust G-00 and slammed them on the ground enough times and he reeled them in and they were sucked inside the Poltergust G-00 and the white mist disappeared.

Adrian Morrigan: This was Cordelia's doing, she tried to slow us down by sending some Boos after us. But, that wasn't going to work.

Lincoln: It sure wasn't.

But, then, we saw that The Dark Light Device had exposed something else: to our horror, it was none other than an army of Boos sent by Cordelia Morrigan.

Adrian Morrigan: That out-of-control lunatic of a sister, now she's gone and done it.

Suddenly, Adrian Morrigan's purple eyes started glowing and they became a mixture of purple and pink and the sclera of his eyes turned black as a purple energy aura surrounded him and he started levitating off the ground.

Lincoln: Whoa, what's happening?

Damien: The God of The Dark Moon has taken hold of him. As you already know, The Dark Moon is the celestial body that hovers over The Evershade Valley and it also extends to The Last Resort and keeps the ghosts in an eternal state of peace, but what no one of the living world knew was that a powerful god lived within The Dark Moon, and when my master was born underneath The Dark Moon, The God of The Dark Moon chose to inhabit his body seeing that my master was born with the powers of darkness, dark fire, dark lightning, spectral lightning, dark magic, and all of the ghosts from Luigi's adventures in the past, the Boos, King Boo, Boosette, and all the pacifying powers of The Dark Moon itself.

Brittney: I remembered hearing that legend, and when The God of The Dark Moon takes hold, this means huge trouble for the Boos under King Boo and his sister.

God of The Dark Moon: (Through Adrian Morrigan's body) Servants of Cordelia Morrigan, I will not allow you to cause havoc here in the living world any further. Return to the paranormal dimension or you shall face my wrath.

The Boos under Cordelia Morrigan had decided to attack him, big mistake. Adrian Morrigan under the possession of The God of The Dark Moon fired a massive barrage of black and purple-pink energy, darkness, dark lightning, dark fire, spectral lightning, ghosts, and Boos and they hit the Boos and sent them to The Vault in Professor E. Gadd's lab where they're put in a container to prevent them from returning back to Cordelia Morrigan.

Wood Man: That'll teach those Boos. Now, we got to find Zayn and his friends and kill Agoji, Damballa and, Ghoula the Poacher and banish them to The Black Abyss.

Lincoln: Before Cordelia sends more ghosts after us.

We then proceeded onwards to find Zayn and his friends and kill Agoji, Damballa and, Ghoula the Poacher and banish them to The Black Abyss.

We were flying in the air, and then, we saw Zayn and his friends, and they're fighting our targets: Agoji, Damballa, and Ghoula the Poacher.

Lincoln: There's Zayn and the others.

God of The Dark Moon: (Through Adrian Morrigan's body) Let me get their attention.

Adrian Morrigan fired a massive barrage of black and purple-pink energy, darkness, dark fire, dark lightning, spectral lightning, ghosts, and Boos at Agoji, Damballa, and Ghoula the Poacher.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Leading Lady, she has a darkness greatsword in her right hand, and with her are the four girls Lincoln is to rescue and the one girl Ets is to rescue.

Lincoln: (GASPS) Adriana Balthazar, Gene-Slammer and Avatar of Abyss Actor - Leading Lady.

Adriana Balthazar: That's right, and I got the girls away from those three, and Adrian's sister was here not too long ago.

Me: I know.

J.D. 2: We ran into her army of Boos before The God of The Dark Moon took control of Adrian's body and sent them to Professor E.

Gadd.

Agoji: Curses!

Zayn: It's over, Agoji, now that Team Loud Phoenix Storm's here, your time's up.

Skippy the Bush Kangaroo and Red Savarin went after Agoji, Damballa, and Ghoula the Poacher, and they fired extremely powerful blasts of red, red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels at Admiral Antaboga and they exploded with incredible power as they hit them. Then, Skippy the Bush Kangaroo punched them hard with his gauntlets and kicked them with his graves and they got hit hard, and Red Savarin slashed at them with his massive greatsword and shot them with bullets and stun blasts.

Then, Skippy balanced himself on his tail and delivered a hard kick to those three in the stomach and they fell to the ground in pain.

Lincoln: This is where it all ends for you, Agoji, Damballa, and Ghoula the Poacher! You're going to pay for everything you've done! (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Agoji, Damballa, and Ghoula the Poacher, and he proceeded to brutally smash him right into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THEM! HE WAS REALLY GOING APESHIT ON THEIR MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN ALSO SLASHED THEM WITH HIS MASSIVE GREATSWORD AND FIRED A BLAST OF HEAVENLY LIGHT THAT HIT THEM!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you three!

James Blunt: That's only a fraction of what's going to be awaiting you after you three die.

We saw Agoji, Damballa, and Ghoula the Poacher were a mess: Lincoln left claw marks on their bodies and clothes.

Lincoln: You don't deserve mercy whatsoever for your crimes, Agoji, Damballa, and Ghoula the Poacher. You three caused Zayn and his friends so much trouble all for your schemes, and because of it, you've doomed your souls to eternal damnation and no atonement for all your sins in the past can save you from the fate that now befalls you: eternal damnation in The Black Abyss.

LINCOLN SHOT THEM AN EXTREMELY DEATHLY GLARE AND THAT MADE AGOJI, DAMBALLA, AND GHOULA THE POACHER SO SCARED, THEY SCREAMED IN FRIGHT!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, LINCOLN SHOT HIM DOWN WITH THE FACT HE HURT ONE OF HIS FUTURE WIVES AND TELLING HIM OF HIS FATE ALONG WITH A DEATHLY GLARE AT HIM TOO!

Eli: He's done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, YOU ASSHOLES!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN THE BLACK ABYSS, YOU MISERABLE FUCKS!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to those bastards.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to the bastards.

Luna: And what Lincoln said was true, now they're really doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

Agoji, Damballa, and Ghoula the Poacher lay on the ground defeated by us, and then, Lincoln fired blasts of purple energy that hit Agoji, Damballa, and Ghoula the Poacher, and he sucked out their life forces, powers, abilities, skills, strengths, and energy and he gained a massive power boost, and when he was done, Agoji, Damballa, and Ghoula the Poacher were left as mummified corpses and Lincoln drained their souls of energy and banished them to The Black Abyss. We cheered as we holstered our weapons and powered down and went back to The TLPS Flying City Fortress, and we also now have Zayn and his friends as new members of the team.

Lincoln: And that does it for Agoji, Damballa, and Ghoula the Poacher.

Zayn: You said it.

Me: At least, those three are gone for good.

Nico: That's for sure, but Cordelia slipped back into the paranormal dimension and gave us the slip.

God of The Dark Moon: (Through Adrian Morrigan's body) Though that may be true, but she's bound to come back once again tomorrow, only this time, she's not going to flee again.

Lincoln: You're right, this time, she's going to come after us in full force, but we'll be ready for her. (To Adriana Balthazar) And it's so good to see you again, Adriana.

Adriana Balthazar: You too, Lincoln, it's been seven years since we last met.

Suddenly, Adriana Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Adriana Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Adriana Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Adriana Balthazar and hugged her, and Adriana Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and nine other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adriana Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Adriana Balthazar, Gene-Slammer and Avatar of Abyss Actor - Leading Lady, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the leader of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Adriana Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Adriana Balthazar really hates Lola with a blazing passion, and she also knew how to bring down Lola's act when she tried to put on the tragic girl when she'd done something bad and is trying to pin it on Lincoln or any of the other Loud Siblings.

Nico: Lincoln told us all about you and your sisters, and I remembered seeing one of your plays in New Jersey, that was so awesome, and I can't believe you were able to bring down Lola's act when she tried to put on her act.

Adriana Balthazar: I've seen how Lola puts on her little act and she covers her tracks well since she's a pro. But, I'm an experienced actor with many years of experience on stage, I can easily see right through someone's act, so it was easy for me to see through Lola's act and bring the curtain down on her.

Nico: Still, I would've thought it to be impossible.

Me: I thought the same thing, but Lincoln's Guardian Angels always see right through the acts of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and Adriana is indeed an expert and experienced actor who's able to read someone's act and bring the person down.

Lincoln: She really pulled one over on Lola and made her act fall into pieces.

Luna: We were so impressed by what she did to pull one over on Lola.

Lori: It's about time someone pulled one over on Lola for everything she's done: putting on the nice girl act to get out of trouble and get any of us in trouble.

Lincoln: Lola got a tasted of her own medicine when she tried to mess with Adriana, and she wound up getting her act ruined and got grounded for a week, and now that you're here, Adriana.

Lincoln with his massive muscular arms still wrapped around Adriana Balthazar's waist leaned his head down to the right side of Adriana Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Adriana Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adriana Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Adriana Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adriana Balthazar.

Adriana Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adriana Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Adriana Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Adriana Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adriana Balthazar: (In Heaven) My God.

Then, Ets saw the one girl he was to rescue, and when he did, he recognized her immediately, she was Emmy from Emmy the Robot.

Ets: Oh wow, it's Emmy from Emmy the Robot.

When Emmy saw Ets, she ran up to him and kissed him.

Nicole: Looks like Ets got his reward.

Adriana Balthazar: For saving her from those three cretins. Oh, Lincoln, the four girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The four girls are Nao Iihara, Touko Koromogae, and Natsuko Makuhari from Boin and Lei.

Lincoln: Oh whoa, it's Nao Iihara, Touko Koromogae, and Natsuko Makuhari from Boin and Lei.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Nao Iihara: Yes, we're okay, thanks to you.

Then, when Nao Iihara and the other three girls saw who it was that saved them from Agoji, Damballa, and Ghoula the Poacher, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and ten-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the Nao Iihara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Touko Koromogae: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nao Iihara, Touko Koromogae, Natsuko Makuhari, and Lei with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and not only did you guys meet Zayn and his friends, but you also brought an end to Agoji, Damballa, and Ghoula the Poacher for good.

Lincoln: Without a doubt. But, we also had trouble courtesy of Cordelia Morrigan.

Nico: That insane monster tried sending the Boos after us, but Adrian Morrigan sent them straight to The Vault of Professor E. Gadd's lab when The God of The Dark Moon took over his body.

Me: Those ghouls didn't stand a chance, but this doesn't mean we're in the clear yet. She's still on the loose, and as long as she's still alive, no one is safe.

Eli: Same with Pablo and Anderson running loose.

God of The Dark Moon: (Through Adrian Morrigan's body) Yes, that's true. But, those two are going to die here and now later on today, and Cordelia Morrigan will no doubt try again to attack us with some Boos she'll send after us. But, we'll be ready.

Suddenly, The God of The Dark Moon gave Adrian Morrigan back control of his body.

Adrian Morrigan: I hoped you guys didn't have to see that side of me when The God of The Dark Moon takes over.

Eli: Actually, this was a good thing, The God of The Dark Moon is a good person who's the protector of the ghosts of Evershade Valley and despises King Boo and his minions.

Nicole: Along with your sister who's just as sociopathic and insane as her father.

Lincoln: But, while The M.O.E. is keeping an eye on him, we know what's going to happen to her first thing tomorrow.

Adrian Morrigan: The Black Abyss. She deserves to be sent there for eternity, she's way too much of a dangerous threat to both humans and ghosts.

Brittney: We'll also help out as well, we've got a spell that we've been working on for someone like her who's a dangerous threat to the living and the dead, and it'll help with sending her to The Black Abyss forever.

Lincoln: Perfect.

* * *

After Lincoln and all of us destroyed Agoji, Damballa, and Ghoula the Poacher and sent them to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adriana Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Adriana Balthazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adriana, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Adriana Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Adriana Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Mad Cat Max got out another video.

Mad Cat Max: Okay, guys, this video here is another memory from eight years ago, but this one's a total scare fest: Caleb was coming home from college, but he soon caught Carla, Panther, Sally, and Crowe, and he followed them to one of the gang's hideouts, and there he saw Claw Dane Drake once more and he'd been gathering members for his gang like me and J.J. who'd join long after Caleb had returned from the dead and Chett and Sarah as well. But, what happened next would lead to Claw Dane Drake putting a bounty on Drake Maxwell and the four senior members of The Syndicate who followed to kill Caleb who had a psychotic breakdown upon seeing his younger brother again along with getting a run in with our fellow vampires and he almost killed Drake and the four senior members of The Syndicate.

Mad Cat Max put the tape in and it played on the big screen, and we saw it: New York eight years ago and the sun was just about to set, and Caleb Maxwell was walking home from college.

Past Caleb Maxwell: Phew, what a day. I can't wait to head back home and have dinner.

Suddenly, Caleb Maxwell saw the sun was about to set.

Past Caleb Maxwell: Damn, I need to hurry home and fast before the sun sets and I have to run again from Cage and Travis.

Caleb Maxwell began to run as fast as he could to get home before sunset. But, then something had caught his attention: it was Carla Claw, Panther, and Sally Gamble of The Big Claw Gang, and he saw them heading for a warehouse in the east of Manhattan.

Past Caleb Maxwell: Was that...the members of The Big Claw Gang? I know I should head home, but I can't just ignore what I saw, this I got to see.

Caleb Maxwell ran for the warehouse, but what he hadn't realized was that Cage Blunt and Travis Tackett were out and were following him, but so was someone else heading that way too: a familiar face he hadn't seen in two years.

Caleb Maxwell got inside the warehouse and stayed hidden in the shadows, and he peeked his head out just for a bit, and there he saw Carla Claw, Panther, and Sally Gamble of The Big Claw Gang, but then, he saw the leader himself: Claw Dane Drake, and they're training new recruits.

Past Carla Claw: I got to say, Sally, your recruitment is working out perfectly.

Past Sally Gamble: (British Accent) Thanks. With the training Nekome and Ichiro are giving them, they will soon be ready to join out in the streets with you and Panther.

Past Panther: Especially the little man, Chett, who I picked up.

Past Caleb Maxwell: So, that's what they're doing: recruiting members they find on the streets, and Sally Gamble's the one recruiting them. I remember seeing her in Chinatown once, but I didn't stay for long. (Looks at his mark) Not with them on the prowl.

Suddenly, Caleb Maxwell heard the sound of a car approaching, and one of the guards saw it too.

Guard: Sir, we got trouble, a car pulled up. It's Drake Maxwell.

When Caleb Maxwell heard that name, a chill ran down his spine: he hadn't heard anything about the whereabouts of his brother or his dad for two years after that day he discovered their secret. Then, the doors opened, and Caleb saw his brother once again for the first time in two years: he was now dressed in a fancy white business suit.

Past Caleb Maxwell: Drake...! Oh shit, it is him! (Sees the four senior members) And those four, I should've known, those are the senior members of The Syndicate. This means Dad's also alive and well after two years. I've got to get out of here, Drake may look like a businessman, but he's still the same violent asshole he was two years ago. The violent attacks he inflicted on me shortened my life on a dangerous level, and thanks to him, I'll die by the time I turn 21, this is all his fault, my life is about to end before it even begins, and I hate him for that, so much so it makes me want to forget my dream of being a cop and just kill him for ruining my life. (GROWLS)

Past Claw Dane Drake: What do you want, Drake? I told you, I want nothing to do with you. I may be the leader of a burglar gang, but I don't want anything to do with you or Marcus Maxwell.

Past Drake Maxwell: Oh, I'm not here for that.

Suddenly, Drake Maxwell and the four senior members of The Syndicate drew their guns: they were out to kill.

Past Panther: You son of a...!

Past Carla Claw: You're out to kill us, I should've known.

Past Caleb Maxwell: He's out for blood again just like before. What do I do now, everywhere I go, the vampires will follow me same with Drake, and if I try to run, they'll catch me. No matter what I do, no matter where I go..., it's hopeless. Am I really...going to die?

Past Sally Gamble: (British Accent) Go to Hell, you little wanker!

Sally Gamble, Claw Dane Drake, Panther, and Carla Claw then shot the four senior members of The Syndicate, but Drake Maxwell managed to dodge them, but he also fired at them as they dodged the bullets, and Caleb avoided the bullets by moving.

Past Caleb Maxwell: That was too close, now I really got to get out of here!

Suddenly, Caleb Maxwell's mark on his right arm reacted as he winced in pain and blood came out of his right arm and drops of blood fell to the ground.

Past Caleb Maxwell: N-no! Not now...! Shit!

Suddenly, Caleb Maxwell looked at a nearby window and he saw Cage Blunt and Travis Tackett, and they were out to feed on him again. Seeing Drake Maxwell once again along with getting chased by the two vampires cats, along with the memory of his breakdown when his four former friends had betrayed him and tried to kill him led to him having a major mental breakdown, but this one is a lot different: he was about to lose his mind and give into a psychotic desire to kill his own brother as he heard Drake's arrogant laughter as he clutched his head in agonizing pain.

Past Caleb Maxwell: N-no! Please, stop!

Suddenly, Caleb Maxwell let out a scream so loud, it shook the Heavens and even the bowels of Hell itself, and it was heard by all in the room, and he knew he just shot himself in the foot, but there was no going back.

Past Claw Dane Drake: Alright, whoever you are, you should come out now.

Past Caleb Maxwell: D-damn it.

Suddenly, Caleb Maxwell came out of the shadows and into the light.

Past Sally Gamble: (British Accent) Hmm. (Recognizes him) Aren't you Drake's older brother, Caleb Maxwell.

Past Carla Claw: Caleb Maxwell, as in the teen who's got dreams of being a cop in the NYPD and who'd been constantly hurt violently by that psycho.

Past Panther: (Smirks) Heh, you got some balls coming here, that's for sure. But, you realize you just stepped into a world of trouble with us.

Past Drake Maxwell: You! You're still alive, brother. (Smirks) Well, you won't be for long, time to die! (Laughing Arrogantly)

Past Caleb Maxwell: SHUT THE HELL UP, BASTARD! That rotten arrogant laugh of yours, it still makes me sick even after I drove you and Dad out of the house two years ago after I found out your secret! And what you did just now along with sending your goons to kill me in the past, you really haven't changed at all and you're still as fucked up as ever!

Past Drake Maxwell: What the fuck did you just say?!

Past Caleb Maxwell: Piss off, you shithead fuck!

Drake Maxwell shot Caleb Maxwell in the stomach as he screamed loudly in pain.

Past Caleb Maxwell: Y-you bastard!

Suddenly, Caleb Maxwell dug his left hand into his stomach and he removed the bullet, and the twin guns that Christiano Maxwell's friend made for him suddenly appeared in his hands.

Past Caleb Maxwell: (RAISES HIS GUNS AT DRAKE MAXWELL) YOU BLOODY BASTARD!

BANG!

CALEB MAXWELL SHOT DRAKE MAXWELL IN THE STOMACH, AND HE DID THE SAME TO THE FOUR SENIOR MEMBERS OF THE SYNDICATE AND THEY FELL TO THE FLOOR IN AGONIZING PAIN!

Past Caleb Maxwell: That's it...! That is it! I've had it up to hear with you, Drake! I'm sick and tired of seeing your goddamn face! Every time I hear that arrogant laugh of yours, I still have memories of every last horrifying attack you inflicted on me, I despise you to my core and what you've done to me, Allie, and Mom was horrifying! You're The Devil in human skin, because of your complete violent attacks on me back in the past, it shortened my life to a very dangerous degree, and the doctor told Mom that I would die by the time I turned 21. You ruined my life before it could truly begin, and now, now, I want nothing more...than to kill you!

That got the attention of Claw Dane Drake, Panther, Carla Claw, and Sally Gamble: they knew Caleb was harmless and gentle, but to see this darker side of him born from what his brother inflicted on him, that ultimately sent chills down their spines.

Past Carla Claw: What the...? Is this guy serious?

Past Panther: You can see it in his eyes: he's serious alright, he's out for blood, his own brother's blood.

Past Drake Maxwell: What the Hell?! When did you becoming possessed?! S-shit, we need to go now!

Past Caleb Maxwell: You're not going anywhere, Drake, this is where you meet your end!

But, before Caleb Maxwell could kill Drake Maxwell and the four senior members of The Syndicate, he'd felt his adrenaline suddenly start to fade, and he was feeling the effect of getting shot in the stomach, and it led to Drake Maxwell and the four senior members of The Syndicate getting a surge of adrenaline as they ran to their car, but they also saw Caleb Maxwell pursuing them despite his fading adrenaline.

Past Caleb Maxwell: Where are you going, brother?! We've still got a lot of catching up to do, and I'm also going to enjoy splattering your brains all over the walls!

Drake Maxwell and the four senior members of The Syndicate got into their car and drove away, and they left an angry Caleb Maxwell who let out a loud angry scream that shook the entire city of New York, the Heavens, and the bowels of Hell itself.

Past Caleb Maxwell: Go ahead and run, you piece of shit! But, know this, I am done playing nice and playing by the rules, the second I see your face here again, I will personally shoot you dead and leave your body in an alley!

Finally, as the twin guns vanished and went back into the suitcase he has back home, the adrenaline left Caleb Maxwell's body and he almost passed out only to be caught by Panther.

Past Sally Gamble: (British Accent) Just what on Earth did we witness?

Past Carla Claw: What we just saw was Hell being unleashed. So, everything we heard was all true: Caleb was beaten up that badly by his own younger brother who enjoyed going on his rampages, the sheer heartlessness and twisted depravity of Drake's violence had indeed taken a toll on his health, and he'll die by the time he turns 21.

Past Panther: No, if anything, Caleb's going to die even before he reaches that age. Look at him, he's been mangled up and beaten to the point where we can see the visible scars and bruises left on him.

Past Caleb Maxwell: (Weakly) P-please,...just...let me die.

They heard the sadness and weakness in his voice. Then, Claw Dane Drake got Caleb's wallet out and he got out his driver's license.

Past Claw Dane Drake: Panther, Carla, get changed into civilian clothes and get Caleb to a hospital, I don't know how much longer he's gonna last.

Panther, Carla Claw, and Crowe got into the car and drove Caleb Maxwell to the hospital.

Past Sally Gamble: (British Accent) Sir, what are you going to do?

Past Claw Dane Drake: I'm gonna pay Marlene Maxwell a visit and tell her what happened tonight.

Meanwhile, at the hospital, Carla Claw and Panther were in their regular clothes and they managed to get Caleb Maxwell to the hospital in due time, and the doctors managed to save his life and stabilize him, and he had bandages wrapped around his stomach, but they saw he had dark circles in his eyes and tear streaks on his face: he was broken physically and psychologically.

Past Carla Claw: How can someone do this to a kid like him? It's unbelievable, and even worse, the guilty person is his own younger brother.

Past Panther: Even if he survives another day, there's no doubt one day, he's gonna die. He's been broken physically and psychologically, he's been messed up by his brother, it's sick.

Back at the Maxwell residence, Marlene Maxwell was worried about Caleb since he hadn't shown up. Then, the doorbell rang, and Marlene Maxwell went to the door and opened it, and to her shock, she was confronted by Claw Dane Drake.

Past Marlene Maxwell: Dane Drake. I don't know what you're doing here, but you should leave now.

Past Claw Dane Drake: I actually have something to tell you, it's about Caleb.

Hearing that, she let him in and they sat at the dining table.

Past Marlene Maxwell: What happened to Caleb?

Claw Dane Drake explained everything from start to finish and included the part of Drake Maxwell and the four senior members of The Syndicate, and when he was done, Marlene Maxwell was horrified.

Past Marlene Maxwell: My God. Oh God, is Caleb...?

Past Claw Dane Drake: I got a message from my associates: they got your son to the hospital and the doctors saved his life and stabilized him, but they said he had dark circles in his eyes and tear streaks on his face.

Past Marlene Maxwell: I was hoping no one would see it, but you deserve to know the truth: because of Drake's constant violent attacks, Caleb was broken physically and psychologically, and we've had to get him to the hospital many times in the past, and like I heard from the doctor, the violent attacks were so severe, Caleb's lifespan was shortened to a dangerous degree, and he would die by the time he reaches 21.

Unknown to her, Claw Dane Drake had his phone on and the other members of the gang were listening including Carla Claw and Panther.

Past Carla Claw: So, that's why he always puts on a brave face, he's trying to hide the pain away from others.

Past Panther: Even if he does a great job in masking his pain, that mask is gonna one day slip off and someone's going to see the real Caleb Maxwell: a young man once full of bright dreams and energy now a victim of his own brother's violence.

The video ended.

Me: Oh man.

Nico: Damn.

Lincoln: Okay, now that was really dark, and what you all said...!

Mad Cat Max: It was true. Like Panther said, even if Caleb lived another day, he's going to die one day.

Panther: And he was that broken physically and psychologically. Looking back now, I shouldn't have gotten into that fight with him the day before The Hallowshade Bloodbath now that the truth's been revealed about the real Caleb Maxwell.

Carla Claw: We should've tried something else, something that would've gotten on his good side and got him to remove the mask he put on to hide who he really is, that way, we would've gotten to know him much better, but it was too late when Caleb lost his life eight years ago.

Caleb Maxwell: Yes, and it would lead to the mask shattering forever and my real face was revealed: that of someone broken physically and psychologically by Drake's violence and madness.

Ariel: Same here.

Jenna: You guys had no trouble at all.

Rarity the Unicorn: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lincoln, Stacy and Octavia's first mission.

Mallow: You guys are gonna love meeting the Ultraman Geed Team.

Riku Asakura: Oh he sure is cute.

Riku Asakura: I think I do.

Me: How has everyone been at Nebula House?

Eli: WHOA! See?

Riku Asakura: Ahh they are idiotic.

Me: Yeah but they make us laugh.

Nico: Yep.

Riku Asakura: Yeah.

Lincoln: I take it we're going to help you guys destroy Ultraman Belial?

Riku Asakura: That's right. I take it Tara told you all about him.

Me: And me too. And he is a NASTY, NASTY, NASTY, NASTY, NASTY monster! He is pure evil times a thousand and makes Xehanort and Thanos look like a joke!

I went over his history

Ultraman Belial is one of the main antagonist of Ultraman franchise, appearing as the main antagonist of Mega Monster Battle: Ultra Galaxy Legends The Movie, Ultraman Zero: The Revenge of Belial, Ultra Zero Fight, and Ultraman Geed. He is also the sworn enemy of Ultraman Zero and the father of Ultraman Geed, who was created with Belial's genetic components.

He was originally one of the most powerful and renowned warriors in the Land of Light but was consumed by his greed and prideful nature and sought to increase his power by trying to steal the Plasma Spark, the source of power for the Land of Light, but the spark's energy was too much for him to handle and he was banished to a lonely planet for his crimes against the Ultras, where he encountered the spirit of Alien Rayblood. Rayblood bestowed upon him Reionics powers, corrupting Belial into the dark Ultra he is now. With the Giga Battlenizer in hand, he began plotting to conquer the Land of Light and get his revenge on the Ultras.

He was voiced by Hiroyuki Miyasako in Monster Battle: Ultra Galaxy Legends The Movie and Ultraman Zero: The Revenge of Belial. In Ultra Zero Fight, he is voiced by Masaya Takatsuka, and in Ultraman Geed, he is voiced by Yūki Ono. His suit actor was Hirokazu Iwakami in the first movie and Hiroshi Suenaga as of Kaiser Belial. Belial was voiced by Jack Merluzzi in the English dub of Ultra Galaxy Fight: The Absolute Conspiracy, Beau Rue Marie in the English dub of Monster Battle: Ultra Galaxy Legends The Movie, and Kyle Rea in the dub of Ultraman Zero: The Revenge of Belial.

As Mirai Hibino, Ultraman Mebius revealed to Rei, Belial was once a highly powerful, respected Ultra warrior and comrade of Ultraman Ken (Father of Ultra). Together they fought against Alien Empera and his army of monsters when they tried to take over the Land of Light, Belial was impressed by Empera's power and later vexed to find Ken was promoted to the position of Supreme Commander of Space Garrison. This injury to Belial's pride leads to him attempting to take the Land of Light's artificial sun, the Plasma Spark core, from its tower. But Belial was unable to hold the Spark and thus it burned his hand upon conduct, inflicting great pain on him as he was driven off his world in exile on a lonely, deserted planet for his crime.

However, Belial was visited by the spirit of Alien Rayblood, who forcefully merged with the Ultraman and warped him into his current darkened state of being. Armed with the Giga Battlenizer, Belial led an army of 100 monsters to take over the Land of Light and defeated Ken, his wife Marie (Mother of Ultra) and Zoffy. As Belial was too consumed in his hatred, he was easily defeated by Ultraman King who took the Giga Battlenizer and sealed Belial in the core of the Space Prison which became the Planet Ultra's moon. King then threw the Battlenizer into the Valley of Flames, which was guarded by an EX Zetton.

After Belial was sealed, the Land of Light remained in peace for the next 20 millennia until a Zarab retrieved the Battlenizer and freed Belial on the intent to forge an alliance and conquer the universe together. But Belial kills his liberator once regaining his weapon and proceeds to fight his way through the Land of Light to reach the Plasma Spark tower, where he defeated Father of Ultra by targeting the scar he got from Empera. After taking Ultraman Taro and Mother of Ultra, Belial steals the Plasma Spark as its absence turns Planet Ultra into a dark, frozen wasteland with only Ultraman, Ultra Seven, and Mebius unfrozen while Leo, Astra, Dyna, King and Zero are off world at the time.

Belial then traveled to the Monster Graveyard, resurrecting his army while sending alien assassins to kill the surviving Ultramen and their ally Rei when they reach Planet Ultra to recharge their powers. When encountering Rei when the Ultramen confront him, Belial took an interest in the human upon learning of his Reionics nature. Belial would proceed to use his power to stir the Rayblood within Rei during the battle, using him and his monsters to fight the Ultramen for his army. But the ZAP SPACY arrive and snap Rei out of his berserker rage, with Seven taking a mortal blow when Belial attempted to destroy the humans.

Seven sent his Eye Slugger to his son, Ultraman Zero, summoning him as he completed his training. Bent on avenging his father, Zero quickly finished off the remnants of Belial's army before disarming Belial and tossing him into the Graveyard's lava pit. However, Belial uses his Rayblood powers to beckon the spirits of his monster army to conglomerate around him in the form of the gigantic Beryudora.

Beryudora initially overpowered the Ultras, until Rei uses the Giga Battlenizer to destabilize the fusion, causing Belial to lose control. This allowed everyone to finish off Beryudora while Zero lands the finishing blow on Belial. Assuming Belial is dead, unaware that he survived, Zero and his friends retrieved the Plasma Spark and restore their world.

After losing his Giga Battlenizer and army of monsters, Belial established the Belial Galactic Empire and began a campaign of universal conquest as Galactic Emperor Kaiser Belial alongside his two generals Darkgone and Iaron and armies of Darklops and Legionoids. Belial's forces traveled to an alternate universe to conquer the peaceful world of Esmeralda to use its large supply of natural emeralds for their agenda. Belial's next move was to destroy the Land of Light, only to face Zero once more. During the battle, Belial absorbed the titanic quantity of emeralds his forces harvested to transform into the titanic Arch Belial. Belial attempted to crush Zero with his hand, but Glen Fire appeared with an army of ships from planets that Belial's forces had ravaged and rescued Zero from Belial's grasp, while bringing with him.

Belial then attempted to destroy Esmeralda with his Arch Deathcium Beam, draining Zero when he and the others created a shield to protect the planet. But Ultraman Noa appeared and empowered Zero into Ultimate Zero. With his new power, Ultimate Zero was able to greatly overpower Belial, finishing him off with a "Final Ultimate Zero" attack that impaled him through his chest. With his color timer destroyed, Belial was sent rest in the Monster Graveyard.

While in the Monster Graveyard, Belial fused into the Armored Darkness to gain its power and resurrect himself while forming the Darkness Five to destroy the Ultimate Force Zero team that was formed during his fight on Esmeralda. After Zero defeated Armored Mefilas, Belial revealed his true identity as Zero manages to destroy his enemy's corporeal body with the Ultimate Aegis. But Belial's spirit endured and used his Reionics powers to possess Zero's body and transformed him into Zero Darkness before flying back to the main universe while killing off Zero's allies. But when Zero Darkness attempted to crush a Pigmon that Zero befriended, Zero's will manifests and drives Belial out of his body while transforming into

Shining Zero. Zero proceeds to revive his allies, reviving Belial and his Darkness Five despite them being confined to the Monster Graveyard. Despite this, Belial declared he would surpass Zero in power, and defeat him and take over the universe.

With the help of the bizarre monster Beacon, Belial and the Darkness Five invade and hijack the 100th episode of the series, and Belial decides to show to the audience the monsters that form Beryudora. However, Belial became upset because he could only introduce thirteen out of the hundred monsters of the fusion because of time constraints, and begins to rampage. In episode 103, Belial uses Beacon again to hijack the episode and tells everyone his biography, alongside with the other Darkness Five.

Ultraman Ginga S Movie Showdown! The 10 Ultra Warriors!

Although Belial himself doesn't appear physically, Etelgar created an Eteldummy version of him alongside Dark Mephisto, Five King, Sran Seijin, Alien Empera and Dark Lugiel. He fights his classic nemesis, Ultraman Zero, but is defeated after Zero assumes his Shining Mode and uses the Wide Shot and Dual Zero Sluggers on him.

An Ultra Fusion Card of Belial appears in Ultraman Orb, being owned by Mefilas Seijin Don Nostra who planned to use it as an "ultimate last resort". The card was taken by Jugglus Juggler after he murdered Nostra. Alongside with the cards of the previous six King Demon Beasts, Belial was used to break Zoffy's seal from Maga-Orochi's resting place, releasing the monstrosity. The Ultra Fusion Cards were later retrieved by Princess Tamayura, who gives them to Gai Kurenai as a countermeasure on Maga-Orochi. Gai attempted to use the new cards, but Belial kept rejecting him until the King Demon Beast broke the princess' barrier, seemingly killing her in the process. Because of Gai's anger at the Princess' demise, Belial finally accepted him and allowed Orb to achieve his Thunder Breaster form, which he used to single-handedly defeat Maga-Orochi. This form defeated the alien mecha Galactron as well.

The dark power emanating from Belial's card was finally controlled by Gai when Orb was fighting Zeppandon in his Thunder Breaster form and eventually swapped into his Orb Origin form. With the power controlled, Orb fought against Juggler and Magata no Orochi.

In the final episode, Belial appeared after Gai used his eight Ultra Fusion Cards in conjunction with his supreme Orb Calibur for his Ultimate Supreme Calibur attack. Belial fired his Deathcium Beam alongside the other Ultras, helping them defeat Magata no Orochi once and for all.

Prior to the events of the series, Belial regained his Giga Battlenizer and resumed his war on the Ultramen as Ultraman Hikari developed the Ultra Capsules as a means to fight him. The battle soon reached its climax on Earth where Belial detonates a Super-Dimensional Eradication Bomb rather then accept defeat, being consumed in the blast which caused the Impact Crisis that destroyed the universe. But the universe was restored with none on Earth fully aware of the doomsday event, though traces of Belial's existence are seen through his son Riku Asakura and the Belial Fusion Beasts he fights as Ultraman Geed.

Belial later returned twice to claim his son and further his plans. On his first attempt, he was seemingly successful, absorbing Geed as Chimeraberos, and flying to the moon in the process. However, thanks to her Little Star, and Ultraman King, Laiha Toba managed to free Geed from Belial's dark words. Afterwards, Geed shot both him and his father back down to Earth where he gained a new form thanks to Laiha's Little Star and defeated his father.

The second time he came back, he took on the form of a human woman named Arie Ishikari, and had this form until his servant, an Alien Sturm named Kei Fukuide, got his hands on the Alien Empera and Dark Lugiel Capsules. After that, he gulped down Kei's Sturm Organ, dropped his disguise, and flew into space where he used the two capsules to transform into Belial Atrocious. However, moments after he flew back to Earth to wreak havoc, both Zero and Geed fought him with assistance from the Father of Ultra himself. However, Zero sustained severe injuries in the fight. And when Zegan showed up to cast a wormhole above the city with Geed, Belial killed him. Fortunately, thanks to one of Ultraman King's miracles, Geed was able to use all five of his forms at the same time to reduce Belial back to his normal state. After that, the two flew into the wormhole and fought each other. Belial tried to finish his own son with his Deathcium Ray attack, but Geed's Wrecking Burst ray overpowered him, killing Belial in the process.

After Belial's death, the Villain Guild salvaged his genes, which were bought by Alien Chibull Mabuse to create Skull Gomora. Afterwards, Mabuse offers a sample to Zarab, Sran, and Godola to create Imit-Ultraman Belial.

As revealed by Riku, Belial's past battles and defeats throughout his quest for vengeance resulted his body cells scattered across the Multiverse in the form of harmful substance dubbed as Devil Splinters, the same substance Cerebro intended to spread chaos and destruction with.

Later, a weapon based on the likeness of the evil Ultra called the Beliarok came to existence when Ultraman Geed was trapped within Greeza in an attempt to find the needle to sew the space-time rift created by the Void Monster's very existence. After accessing Delta Rise Claw through Zero Beyond, Geed Primitive, and Belial Atrocious's medals, Ultraman Z retrieved the Beliarok which is revealed to be the a newly-created needle to destroy Greeza.

When I was done everyone was shocked!

Eli: WOW!

Me: I know. Even Previous and successor Ultraman Teams battled him on Several Occasions.

Nico: Geez!

Lincoln: WOW! So we are getting rid of him forever.

Me: Yep. And we're banishing him to the Black Abyss.

Riku Asakura: That's great!

Pegas: Sorry the Black Gates were compromised.

Me: Well this'll give us a chance to be rid of our most dangerous enemies forever.

Nico: Yep. You should be happy to know that Mallow already completed her big mission recently

Riku Asakura: I know. Mallow told us everything and we're so happy for her.

Me: We've seen the last of Team Galactic.

Nico: Yep.

Pegas: Good riddance.

Laiha: I know.

Me: Oh we got these too.

I pulled out my bag and in it was Ultraman Geed Seeds for the M.O.E.

Me: These are Ultra Seeds for each of our archenemies.

Riku Asakura: Oh wow!

Me: I know.

Nico: Any of your other enemies active right now?

Riku Asakura: Well yes.

The alarm sounded and we saw TYRANT ATTACKING BY MOUNT FUJI!

Tyrant was one of the many Monster Capsules that was in the possession of the Alien Storm, Kei Fukuide. Learning of a recently appeared Little Star that was in the possession of Leito's daughter, Mayu, Kei unleashed Tyrant to find the girl and kill her so as to acquire said Little Star. Appearing directly above REM's Obsevatory, Tyrant was confronted by Riku, Laiha, and Leito, knowing that the monster was looking for Mayu. Riku immediately transformed into Ultraman Geed, and the ultra did battle with Tyrant to fend off the Monster. Meanwhile as the two battled one another, Laiha and Leito learned that another monster has appeared in Mitsuse Foothills:

Skull Gomora. Leito transformed into Ultraman Zero to assist Geed and both ultras briefly tangled with Tyrant. However, believing that Kei might be with Skull Gomora, Geed left to confront the Fusion Beast while Zero was left to deal with Tyrant himself. Fortunately, the seasoned ultra managed to deal with Tyrant with no trouble after turning into his Zero Beyond form, and after slicing up the Monster with a pair of duel wielding Zero Twin Swords, Tyrant was immediately destroyed by the Wide Beyond Shot

Me: (GASP!) Whoa that's Tyrant! I remember him.

Nico: Several versions of him too.

Laiha: Been a long time.

Nico: Yep.

Me: Wait! I see something on his head.

Nico: Can you zoom in?

Moa Aizaki: Let me see.

Moa zoomed in and too our shock it was an EVIL VERSION OF TOMURA SHIGARAKI!

Me: (GASP) Tomura!

Nico: What's he Doing here!?

Me: That must be an evil version of him!

Himiko: Looks like we made a good call in coming along.

Me: Yeah you sure did!

Stacy: Let's get them!

Riku Asakura: I agree. Also Stacy you're a Sawshark Gene-slammer right?

LIGHTNING STRUCK ALL OVER THE PLACE AS WE WERE FIGHTING AND THE FIRES OF HELL RAGED ON AROUND US AS WE WERE FIGHTING! The fight was so extremely ferocious that it was unbelievable that the entirety of the universe felt it. Massive Fiery Explosions and thunderous shockwaves from our punches destroyed much of the landscape and engulfed it in a massive raging inferno. Lightning intensified in the skies above to an extremely ferocious level and the fires of the Netherworld and Hell raged on at an extremely vicious level to an amazing degree. The fight was so vicious, ferocious, brutal and savage that it was shaking the entire Universe to an incredible level at an intense level. I was gonna make sure that Tomura suffers for an infinite number of lifetimes for his crimes against the Earth and to countless others. Fiery embers and lava bombs rained down onto the battle and exploded with incredible power. I then punched Tomura in the face and sent him crashing into the ground and he got up and then we charged toward each other and I punched him in the stomach and we clasped hands. Our auras flared up to such an extreme intensity and our power was so strong and powerful that it was making the entire area of the universe shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning and fire tornadoes intensified even more. Massive fiery explosions blasted off everywhere from the fight and I punched Tomura in the face again and fired a blast of fire and burned a chunk of his face off.

I punched Tomura in the face!

Me: YOU CAN'T WIN TOMURA!

TOMURA: THIS IS MY WORLD! MY DESTINY! ALL QUIRKS ARE ALL MINE!

KRABLAM!

I punched him hard in his face!

Octavia Melody got out her Ridewatch For Roman Torchwick.

Octavia Melody: Now things are about to get heated!

She activated it and fired waves of energy and blasted Tyrant.

I kicked him into the air and fired 4 more energy blasts at him from the smoke as he was flying and he stopped 2 of the blasts with his feet and the other two with his hands and he was struggling to hold them back. I fired another blast and he saw it coming and I flew up to him as the blasts hit and exploded. In the cloud of smoke I punched him and then we clasped hands and we flared up our auras. Our hands were locked together and our auras mixed and lightning clashed and formed in them. The storm clouds above us intensified and lightning struck at an incredible level at 400 bolts every half a second and the ground was shaking violently at an incredible level. Suddenly from out of no where an energy blast hit

Tomura in the back and exploded and I head butt him and kicked him in the stomach and sent him crashing into the ground! He exploded out with incredibly massive fury!

She fired a stream of dark mist and blasted Tyrant.

Godzilla fired more Atomic Ray blasts and blasted Tyrant all over.

Riku then turned into Ultraman GEED!

Nico: YEAH!

I punched Tomura in his face and kicked him into a rock.

Me: You are pathetic!

I formed a ball of energy and an image of the Witches Head Nebula in the constellation of Eridanus formed and then...

Lightning struck him all over.

He was electrocuted!

Himiko Toga: You will pay for your crimes!

Tomura: NO! YOU ARE NOT SUPPOSED TO WIN! I AM! WHY CAN'T EVIL WIN FOR ONCE!?

Me: Because all you think about is nothing but destruction and death! You don't care about anyone but yourself Tomura! And that is why you ALWAYS WILL BE A MOTHERFUCKING AND PATHETIC LOSER! JUST LIKE YOUR FATHER!

Sirius: And just like All For One! HE DIED JUST LIKE YOU WILL!

She then flared up her power and launched at him!

Eri: I'VE HAD IT WITH YOUR CRIMES! I'M COMING AT YOU WITH ALL I GOT!

Tomura: I'LL SQUISH YOU!

Eri: IT'S TIME FOR YOUR TERROR TO END FOREVER!

She then flew at him and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

SHE PLOWED ALL THE WAY THROUGH HIS CHEST AND OUT HIS BACK WITH DEVASTATING FORCE AND BLASTED A HUGE HOLE ALL THE WAY THROUGH HIM!

Nico: HOLY FUCKING SHIT!

Eli: UNBELIEVABLE!

Riku: WHOA! SHE DID IT!

Me: Way to go Eri! Now to finish him forever.

I then fired a wave of energy and obliterated Tomura forever and banished him to the black abyss!

Nico: YEAH! One down!

Me: Just like what Master Goku did to King Piccolo!

Nico: It's the quiet ones that pack the most power.

Laiha: That was intense!

Eli: No kidding!

Stacy: I don't think that's all of our targets here

Nico: Nope.

But then numerous slash blades hit Tyrant and he roared in pain as his arms were cut off!

Me: WHOA! What the!

Lincoln: Look!

We saw a Kartana!

Me: WHOA! Kartana!

Nico: What's that doing here?

Me: I think I know. That's one of Dark Gale's gene-slammers.

I used Telepathy and gasped!

Me: OH MAN! That's Lionheart Starburst Katou!

Nico: Wait she has the same...

Me: Yeah She's Jeri's older sister and Sunburst's twin sister!

THEY GASPED!

Nico: We better call them in.

Lincoln: On it!

Lincoln did so and then Jeri and Sunburst came!

Jeri Katou: We're here guys!

Me: Awesome!

Sunburst: So this Kartana is my sister Lionheart?

Me: Yeah.

Riku: Mallow told me how you guys were dealing with Dark Gale. Keep it up.

Me: Thanks! Lets go!

Me, Jeri and Sunburst went to face her.

Jeri: Lionheart! It's me Jeri you're little Lioncub!

Nico: Aww that's cute.

Sunburst: And Sunburst! Remember?

All she did was charge at Jeri.

We dodged her.

Me: Looks like we got to do it the hard way.

I fired waves of lightning and blasted her.

Jeri: (ECHOING) FIST OF THE BEAST KING!

She fired a blast of energy and it formed into a lion head and roared.

Sunburst fired a blast of energy and the blasts hit her and knocked her down.

I snapped my fingers and she reverted back and was a girl with brown hair and brown eyes and had Kartana in the middle of her forehead and had fire angel wings and had Equestria's symbol on her arm as well as a Lionguard Symbol with an orange tree on it.

Me and Jeri wrapped her in a blanket.

Me: There.

She woke up.

Lionheart Starburst Katou: What happened? I feel like I got hit by a truck.

Jeri: Lionheart?

Lionheart saw her.

Lionheart Starburst Katou: (GASP) Jeri? Sunburst? It is you two!

She hugged them!

Sunburst: Thank goodness you're all right.

Lionheart Starburst Katou: Me too.

Jeri: Same here.

Me: You were turned into a Kartana by Dark Gale.

Lionheart Starburst Katou: (GASP) I remember!

She was in an orange suit and was injected and then with incredible speed she busted out and slashed and dismembered many members of Dark Gale and killed them. She busted out fo the base.

FLASHBACK ENDS

Lionheart Starburst Katou: It was awful.

Me: Well we are destroying Dark Gale right now. We already destroyed 8 of their bases. Also we're in the middle of a battle.

Lionheart Starburst Katou: I can see that.

I snapped my fingers and she got new yellow clothes and had a Lion

Fang Sword.

Lionheart Starburst Katou: Wow I look great!

Jeri: You sure do sis. I got so much to tell you.

Lionheart Starburst Katou: I'll have to hear it later.

Nico: Right now, we have this to take care of!

But then...

THUNDERCLAPS!

Numerous bolts of purple lightning hit Tyrant!

Me: WHOA! Electrifying!

Then out came a girl with purple hair, red eyes, black clothes and angel wings and had Frankenstrike on a tiara.

Me: (GASP) Veronica Frankenstrike!

Nico: WHOA! Frankenstrike's Embodiment!

Veronica Frankenstrike: (GRUNT) Awesome to see you J.D.!

Me: Same here!

Veronica lost control and charges a bolt of lightning before shooting it forward at Dr. Viktor.

He absorbed it and deflected it back.

I fired the Antidote Ray and injected her.

Me: There!

Dr. Viktor fired waves of lightning and electrocuted her.

Will Vandom: Time for some lightning fun!

She used her Ridewatch and fired waves of lightning and electrocuted her.

Nico charged at her.

Mallow used her Ridewatch for Evilseed and entangled her in vines.

Lionheart Starburst Katou: Like old times?

Jeri: Lets do it!

Sunburst: I'm ready!

Lionheart Starburst, Jeri and Sunburst: BLADE OF THE LION SUN BLAST!

They fired waves of energy and fire and blasted her down and the antidote took effect and she was cured. She had her blue eyes back.

Veronica Frankenstrike: (GROANS) What hit me?

Me: Ugly story.

Riku: Lets finish him.

We fired waves of energy and blasted Tyrant and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Me: Tyrant you have failed this world.

I caught Tyrant's seed and purified it.

Me: Not this time Belial.

Lionheart Starburst Katou: That was cool!

Nico: Your role in Sonya's team?

Lionheart Starburst Katou: I am the fire magic master of the team.

Me: Cool!

Lionheart Starburst Katou: Yep. And outside the team I tried to be there for Jeri because of her dark past and all that. But I had so many missions that I couldn't.

Me: Wow. You have the Equestria Emblem on your arm.

Lionheart Starburst Katou: Oh I'm the leader of the Dawnbolts of The Sun. We are a group of elite warriors under the command of Princess Celestia. We defend Equestria from the most dangerous enemies. It's me and the elder sisters of Indigo Zap, Lemon Zest, Sunny Flare, Sugarcoat, Sour Sweet and Frosty Orange. We are stronger than a thousand Tirek's.

Me: Wow that is cool!

Nico: It sure is.

We later arrived back home.

May: Hey guys! How did it go?

Me: REALLY Epic.

We told them everything.

May: WHOA! An evil Tomura?

Camie: Yep.

Xenia: That is amazing!

Me: Yep.

Nico: Next time, Cheese, Rice, Wes, and Joe should come

Me: Awesome!

Lola: Cool!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next Ridonculous Race challenge starts along with our final showdown with Pablo and Anderson, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Later Zipp, Pipp and Misty came back.

Maggie: Hey, guys!

Me: Welcome home. How was the camping?

Zipp Storm: We had a great time!

Misty Brightdawn: We sure did. We have some pictures and videos.

We saw some pictures of their time in camping, but one of them is when the royal family trying to lift Alphabittle from from a cliff, the next was Haven sniffing some flowers, but got caught in a flower trap next, the next photo is Zipp flying away from some bees, and Pipp is taking a selfie with herself, but the ground started moving to reveal a piece of land she's on was on top of a giant caterpillar.

Me: Wow.

Misty Brightdawn: Look at this. I couldn't even do a campfire right.

She played a video of their campfire time.

Pipp: (Singing) "Pegasi fly ever so hi-i-igh~."

Pipp was playing a banjo while Misty was recording the moment with her camera before she brought out some marshmallows on sticks as she passed to each one of them.

Me: Looks like you guys had a great time.

Misty Brightdawn: "Wait for it."

The two sisters watched as Misty and Alphabittle hugged closely while they all placed their marshmallows by the campfire, but then the sticks started fizzing from the tips like fireworks, which shocked the group.

Me: Uh oh.

Alphabittle: "Um, Misty, where'd you say you got these sticks?"

Misty Brightdawn: "That sparkly tree over there." (Points to a sparkling tree with orange leaves on as it gave a sparkling glow) "Why?"

Me: That can't be good.

Alphabittle then gave a nervous smile as he got a panic expression.

Alphabittle: "Um, that's a cracklewood tree. Everypony, run!"

The mares all dropped their sticks and ran off with screams right before the sticks made fireworks as Zipp went into the the trees, Pipp hid in the tents, Queen Haven, Cloudpuff, and Misty ran towards Alphabittle in the bushes as they all watches the fireworks from the sticks go off while Pipp, Zipp, and Misty have buckets in their heads as she sighed sadly as the video stopped.

Me: WHOA! I didn't know a tree like that even existed. I've heard of roman candles but never like that.

Nico: Yeah that is crazy.

Pipp Petals: But it was amazing.

Misty Brightdawn: Now look at this.

We saw a video with with the family looking around in the woods with Misty taking the lead while recording on her camera while using her binoculars.

Me: Ah you're near the river.

Then a frog came out from the river with a croak as Misty smiled widely with sparkles in her eyes as she waved to the others to her as they rushed up and saw more frogs coming out with different colors as a rainbow formed over them as they gave a croak.

Me: That is cool! 7 frogs. One for each color of the rainbow.

Qin: Wow. Prism Frogs.

Lana: Look how cute they are.

Xenia: They sure are.

Cloudpuff went to them and sniffed them in curiosity before they gave another croak, which made Cloudpuff flinch and ran behind Queen Haven, as she gave a giggle from her dog while Alphabittle took a good look at the rainbow frogs.

Alphabittle: "I've always wanted to see these, but I never did because—"

Pipp got a selfie and Then they heard a growl.

Alphabittle: "Oh, no."

Nico: Uh oh.

Then coming out of the river was a giant rainbow frog with horns, rainbow streak in the middle, and purple outlines with a nose ring as it gave a snort while the mini frogs hopped behind it as the group gave nervous expressions.

Me: WHOA! That is one big frog!

Twilight Sparkle: That's a Goliath Rainbow Bullfrog.

Me: They must be very territorial.

Nico: Like Grizzly Bears protecting their cubs.

Alphabittle: "Everypony—"

Zipp Storm: "Yeah, yeah, we know. RUN!

They all screamed as they ran off with the giant frog chasing them as they ran as fast as they could before they all jump into a mud puddle as the frogs hopped past them as Misty resurfaced with a look as a frog landed on her as it gave a croak.

The others, san Misty, all laughed

Me: WHOA! That was close.

Taylor: Okay so it wasn't perfect.

Pipp Petals: But we had fun rafting too.

Another video from just a few minutes ago as it showed them on a river while on rafts as Misty's group bumped into a crock, causing them to yelp and bump into each other as they went up to the edge of the waterfall as their eyes widened.

Me: Uh oh. You all were about to go over a huge waterfall?

Misty Brightdawn: Yep.

Nico: I hope there weren't sharp rocks at the bottom.

Misty Brightdawn: Watch.

Me: Bring it on.

Misty: "Oh, no! Is that a...?"

All: "WATERFALL!"

They all screamed as they went over the waterfall as Misty saw her camera and quickly levitated it in her magic before they all hit the water.

Misty resurfaced from the water with a blank expression as she swam to the surface while the others resurfaced as well as they coughed some water off with Haven on a log which Cloudpuff was pushing as they all, except for Misty, laughed as they swam out of the water.

Me: WHOA!

Energon Scorponok: That must've been cool

Me: Thank goodness no one got hurt.

Nico: Yeah.

Misty Brightdawn: That is true. But it was fun. We had a lot of fun.

Me: So what if things didn't go the way you planned, you all had fun and that's all that counts.

Zipp Storm: Yeah we sure did.

Pipp Petals: Yeah we sure did and it was totes fun.

Fortress Maximus: We're glad you had fun

Me: Yeah.

Misty Brightdawn: You're right. We did have fun.

Zipp Storm: So what did we miss?

Me: Well it was fun.

We told them what they missed over the last 3 days and it was fun.

Pipp Petals: Oh my glitter! Thank goodness you guys had fun too.

Me: Yeah it was fun.

Shade Man: We also know our next target.

Me: Yeah.

Zipp Storm: That is crazy that we have to deal with Pablo and Anderson again.

Me: I know.

Horsea: Did you bring us any marshmallows?

Zipp Storm: Here you go.

She gave them some.

Me: Those must be just like the astronauts eat.

SpongeBob: My favorite.

Patrick: [has round fishbowl over his head like the helmet of an astronaut suit; imitates static noise] Patrick to SpongeBob. Patrick to SpongeBob. Do you read me? Over.

SpongeBob: [also has "helmet." Imitates static noise] SpongeBob to Patrick. I read you. Over.

Patrick: [static] Patrick to SpongeBob. I like going. [static] Over.

SpongeBob: [static] SpongeBob to Patrick. [static] Me too. [Patrick and SpongeBob start to repeatedly exchange static noises. Squidward is annoyed.] SpongeBob to Patrick, help yourself. Over. [holds out Marsh King bag]

Patrick: Yummy! [takes marshmallow and crams it into his mouth, smashing his "helmet"] Patrick to SpongeBob! The deliciousness has landed!

Me: (Static) Houston to SpongeBob and Patrick, (STATIC) Glad you loved it.

Squidward: Well, you two astronauts can eat marshmallows. I'm gonna have a can of Swedish Barnacle Balls, [holds up, closely showing its full label]

Me: Ooh yummy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and

Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemies, Pablo and Anderson, they're alive and well and they're in the Unova Region and are causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemies, Pablo and Anderson, they're alive and well and they're in the Unova Region and are causing havoc.

EVERYONE GASPED!

Taylor: Just like what we heard this morning. I still can't believe it, I thought we were rid of them last year in Devil's Bayou when Xehanort returned one last time.

Me: Same here, but those two had some fucking nerve to make those clones to take the fall. Well, they just shot themselves right in the ass! No one cheats death and gets away with it especially those buttheads!

Nico: That's for sure, especially when they allied with Elise Elexton, now they're gonna get their asses kicked harder than ever. Lincoln, where are they at?

Lincoln: They're at the Unova Region.

Me: Which is our next stop.

Nico: This is gonna be intense and messy. Alright, team, let's get going!

Lincoln: This is the last time we ever have to deal with those piles of crud. Pablo, Anderson, your time is finally up! This is where we end your pathetic lives here and now!

The previous group came.

Kerbero Gangan: Can me, Gameface, Electropede, Snake, Top, Multiplex, Scorpion, Doctor Octopus, Taskmaster and Red X go with you guys?

Snake: And welcome back Misty, Zipp and Pipp. Did you dudettes have fun?

Zipp Storm: We sure did.

Me: Yep.

Snake: Cool.

Nico: And yes you all can come with us.

Razorclaw: Boss, which gene-slammer do you think you'll meet next?

Nico: Apollomon next.

Me: Ooh the sun next.

Qin: Nice!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and nine sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and

Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Laura Midnight Lulamoon, Midnight Princess of Dark Midnight Magic Insanity, and she's coming after us at The Sinnoh Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the ninth of The Midnight Princesses, Laura Midnight Lulamoon, Midnight Princess of Dark Midnight Magic Insanity.

Rayna Cosmos: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by The Daydream Magic of Justice.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to The Unova Region and destroy Pablo and Anderson forever!

Lincoln: This is the last time we ever have to deal with those piles of crud, this is where we end your pathetic lives here and now, and once we got done with them, you're next, Laura Midnight Lulamoon.

Rayna Cosmos: The suffering you've caused all those years ago can never be forgiven, Laura, and now, I will see to it that you die here and now!

Me: They are in Castelia City.

Ash: Cool!

Lincoln put up a powerful rainbow energy field around The TLPS Flying City Fortress ready and we headed out to The Unova Region to meet up with Don and hunt down and put a permanent end to Pablo and Anderson, and once we got done with them, Rayna Cosmos and Lincoln are going to take out Laura Midnight Lulamoon, Midnight Princess of Dark Midnight Magic Insanity.

We were off to Castelia City.

* * *

We arrived.

Me: Ah, we're here in The Unova Region in Castelia City.

Nico: This is our next stop on The Ridonculous Race.

Then, we saw Don arrive.

Don: That's right, guys. We found another of Dark Gale's bases as well.

Lincoln: Along with Pablo and Anderson who were actually alive and well and the ones we killed in Devil's Bayou were clones those buttfaces created. But, this time, we're gonna make sure that they finally stay dead once and for all, and they'll never ever come back!

Qin: Yeah.

Electropede: Let's call Manta Bayarsh for this.

Me: Good idea.

We called him.

Manta Bayarsh: I'm ready.

Camie: Cool.

Commander Mars: Good old Castelia City.

Ash: We met Burgh here and we also helped in preventing the citizens from hurting a huge group of Venipede here.

Me: Wow!

Qin: That is cool.

Me: Yeah. There must've been a lot of them.

Top: Is that a Genesect?

Me: It sure is! Wow!

Laney: Cool!

June Carrington: Wow! A 300,000,000 year old Pokemon. So cool.

Nicole Chan: I'll catch him.

Nicole fired waves of energy and blasted it.

Nicole Chan: Now this.

She threw a ball and caught it and the red light came on. Then it clicked off and she caught it!

Me: Nice!

Nicole Chan: OH Yeah!

Me: Nice job Nicole.

Nicole Chan: Yeah!

Ransack: Didn't the mayor of this town cause problems for you, Ash?

Ash: Yes he did.

Me: He sure was an idiot.

Ash: Yep.

Kitten: I like how Whirlipede looks like a ball.

Me: I know.

Qin: That is cool.

Lola: It sure is

Taskmaster: It looks more like a wheel

Me: Yep.

Qin: Yeah.

Xenia: I agree.

Lola: Yep

Horsea: Like Wheel Kirby

Kirby: Yeah like me as a wheel.

Me: Yep.

Then we heard omnous singing.

Me: Wait hear that?

Lincoln: Oh man! That's the Next Akuma and it's Taylor's Akuma. Her name is Shadowwater Siren. The Hypothetical Akuma of Taylor and she is a deadly mermaid of water and darkness. She is also a mermaid with a powerful singing voice. She was made because of the abuse she endured by Pablo and Anderson and her evil father and vowed to kill them.

WE GASPED!

Me: WHOA!

He showed us a sketch of her and she looked like a mermaid with black angel wings and had a Dragonfish tail!

Me: WHOA!

Miranda: Like certain mermaids we know

Me: Yeah very much like them.

Eli: She's in the park in the lake.

Me: Lets go.

Nico: Right.

We went to face her.

We got to the park and we saw her. She was singing ominously.

Me: WHOA!

We went over to her.

Shadowwater Siren: You all came.

Me: You look really scary like this Taylor.

Shadowwater Siren: Yeah I sure do.

Red X: Taylor? Is that you?

Shadowwater Siren: Yes it's me.

Me: Looks like we both want the same thing, to kill Pablo and Anderson. But your father is gone forever.

Lola: Yeah that's for sure.

Qin: Yep.

Manta Bayarsh: You need to calm down!

Shadowwater Siren: Not gonna happen.

Me: Then you leave us no choice.

I fired a wave of lightning and electrocuted her.

Manta Bayarsh charged at her and smashed her down.

Shadowwater Siren: My turn!

She fired dark water and we dodged it and I fired lightning and electrocuted her and knocked her out.

Me: There we go.

Hard Man: You look good as a mermaid

Taylor: I sure do.

Me: Yep.

Nico: Now we need to go after those menacing douchebags.

?: Not before we destroy all of you!

We then saw our next target: Laura Midnight Lulamoon, Midnight Princess of Dark Midnight Magic Insanity.

Rayna Cosmos: If it isn't Laura Midnight Lulamoon, Midnight Princess of Dark Midnight Magic Insanity.

Laura Midnight Lulamoon: You! YOU! How dare you humiliate us like this!

Lincoln: You deserved it, she and all of you were extremely evil to the core, Laura. You all sought to destroy the world, and we weren't going to let that happen.

Laura Midnight Lulamoon: (ENRAGED DEMONIC SCREAM) I HOPE PABLO AND ANDERSON DESTROYS ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: Laura stop it!

Laura Midnight Lulamoon: Mina! You're back!

Mina flew up to her.

Mina Midnight Sparkle: I sure am. But you need to stop this. Morgana is using you Laura. Don't follow her anymore.

Laura Midnight Lulamoon: (Crying) I'm sorry Mina. (CLUTCHES HEAD AND SCREAMS)

Laura Midnight Lulamoon disappeared in a tornado of sapphire blue darkness and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Laura!

Rayna Cosmos: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and tale down Pablo and Anderson before those buttfaces do something else.

Nico: Right.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with the others.

Lincoln: You got it.

Solana Celestia: And from what we saw, Laura's also going to summon her army of demons as well: The Dark Magic Insanity Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's go hunt down and tear Pablo and Anderson along with Laura's army of Dark Magic Insanity Demons and trash those Dark Gale grunts and scientists.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Doctor Octopus: It's becoming a habit like Nico's skeleton

Me: I know.

Eli: I sense them at the gym.

Laney: Lets get them.

Nico: Entrance time.

Nico: Alright, let's get going and hunt down those two fuckers!

Rusty Spokes, Zach, Liam, Stella Zhau, and Clyde: Let's tear them apart!

WE TOOK TO THE AIR TO PROCEED TOWARDS THE FINAL SHOWDOWN AGAINST MICHIGAN'S TWO HEARTLESS ASSHOLE BUTTFACE BULLIES, PABLO AND ANDERSON, AND THIS TIME, WE'RE GONNA MAKE SURE THAT THEY STAY DEAD AND GONE, THIS TIME FOREVER, IN THE BLACK ABYSS!

We were flying, and there we saw our targets: Pablo and Anderson, Michigan's two heartless asshole buttface bullies and they were trashing the place in a fit of wrath and fury.

Lincoln: What a bunch of filthy animals. Time to put them down!

Lincoln fired powerful blasts of elements and energy from his massive white angel wings and nine sets of larger white angel wings underneath his massive white angel wings which hit Pablo and Anderson and that pissed them off.

Then the spirits of the Pokemon came and swirled around them and then converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then a phoenix cry was heard and we landed.

Me: Well well well if it isn't Michigan's 2 heartless asshole buttface douchebag bullies. You haven't changed very much Anderson. Nice to know I still left my mark on you. The eye I punched out is still gone.

Cree Lincoln: Now, you're wearing an eyepatch.

Nico: It's an improvement if you ask me.

Anderson: SHUT YOUR FUCKING TRAP FATASS!

NICO GROWLED!

Me: UH OH!

Nico: YOU JUST MADE A BIG FUCKING MISTAKE!

Nico jumped and pulverized Anderson!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Nico punched his face and knocked out many of his teeth!

Multiplex: Time to clone an army!

He made 3,000 clones!

Me: You played us for fools for the last fucking time, you fucking buttface morons!

Nico: When Xehanort was running loose along with the other jerks, you assholes made those clones of yourselves and sent them to Devil's Bayou to get killed by us while you fled to the Unova Region, that's cheating death, and no one cheats death!

Lincoln: You braindead stupid clods crossed a severe line playing us for fools with those clones you sent to Devil's Bayou, now we're going to make sure that this time, you two morons will stay dead and gone forever!

Pablo: FUCK YOU, ASSHOLE!

Anderson: YOU'RE DEAD, YOU FUCKS! YOU HEAR ME! DEAD!

GET THEM!

Suddenly, we saw a massive army of demons arise and they bore the mark of Laura Midnight Lulamoon along with Dark Gale grunts and scientists coming out.

Lincoln: So, Laura's sent her army of Dark Magic Insanity demons and the Dark Gale Grunts and scientists have also come out, huh?

Lincoln fired magic draining blasts that hit Laura Midnight Lulamoon's Dark Magic Insanity Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Then, he fired energy draining blasts that hit the Dark Gale grunts and scientists and drained them of their energy and knocked them down and out.

Then, Lincoln tied the knocked out Dark Gale grunts and scientists up and he sent them all to prison, and that left Pablo and Anderson alone and they were mega pissed off!

Pablo: YOU! YOU!

Anderson: YOU FUCKING ASSHOLES!

Pablo and Anderson charged at Lincoln to beat him up, but he grabbed Pablo by the arm and he judo tossed him right into Anderson and the two scumbags were sent crashing into a wall, they got back up, but that pissed them off even more.

Maria: Let's give you fuckers a bath, we can smell your B.O. from a mile away.

Maria fired waves of water that hit Pablo and Anderson and they got drenched and we saw stink lines coming off them, and we also fired waves of magic and elements that hit Pablo and Anderson and they got hit hard.

Pablo and Anderson: YOU! YOU! WE HATE ALL OF YOU!

OUR RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURAS FLARED UP EXTREMELY AS WE GAINED A MASSIVE POWER BOOST FROM PABLO AND ANDERSON'S HATRED!

Taylor: And I've got a few words to say to you two shitheads, and you've had this coming for a very long time! (CRACKS KNUCKLES)

Lincoln: OH NO! SHE'S GONNA USE A SEBASTIAN STYLE RANT ON THEM! HIT THE DIRT!

Suddenly, the skies turned dark and Taylor had a really really angry glare in her eyes and she glared at Pablo and Anderson with fury and hatred, and she had a fiery red aura around her and it looked like it came straight out of Hell itself. LET THE SHOW BEGIN!

Taylor: I CAN'T BELIEVE YOU, YOU GODDAMN PARASITIC ASSHOLES! NOT ONLY DID YOU TURN ME INTO AN ABSOLUTE MONSTER BITCH, BUT YOU ALSO TOOK ADVANTAGE OF THE FACT THAT I WAS BEING ABUSED ON A DAILY BASIS BY MY SO-CALLED FATHER AND YOU BOTH ENJOYED SEEING ME SUFFER AT THAT ASSHOLE'S HAND! FYI, YOU DICKHEADS, I'M NOT YOUR GODDAMN PUPPET, I'M A HUMAN BEING!

Pablo: Shut the fuck up, bitch! You're not a human being, you're scum like me and Anderson, you're our plaything and our puppet! You're nothing more than property and our slave, we can do whatever we want to you!

Taylor: YOU SHUT YOUR GODDAMN MOUTH, YOU FUCKING PARASITE! YOU AND DICKHEAD 2 BOTH CAUSED ME NOTHING BUT PAIN, ALONG WITH LINCOLN, MY FUTURE HUSBAND, ALONG WITH HIS FRIENDS AND YOU BOTH HAD NO FUCKING REMORSE FOR THAT, YOU HAD CRUEL TWISTED SHIT-EATING GRINS ON YOUR UGLY CONTORTED FACES AND CRUELTY IN YOUR EYES! YOU NEVER HAD ANY COMPASSION AT ALL, YOU'RE JUST A PAIR OF UGLY BLACKHEARTED VAIN MONSTROUS PETTY BASTARDS AND ASSHOLES!

WHOA! CRUEL!

Taylor: (To Anderson) AND YOU'RE STILL JUST AS BAD AS BEFORE, SHITHEAD 2! I REMEMBERED ALL OF THE TIMES YOU BEAT LINCOLN UP SO BAD HE HAD TO BE TAKEN TO THE HOSPITAL AND WE ALL GOT SENT TO JAIL FOR THAT! I

WANTED NOTHING MORE THAN TO STRANGLE YOU AND SHITHEAD 1 BEFORE WE GOT SENT TO JAIL, BUT UNLIKE YOU TWO, I HAVE A LOT MORE HUMANITY!

Lincoln: WHOO! ALRIGHT, YOU TELL HIM, TAYLOR! (FLIPS BOTH MIDDLE FINGERS AT PABLO AND ANDERSON) AND EAT SHIT, DICKHEADS!

WE CHEERED! AND THAT WAS PISSING PABLO AND ANDERSON OFF MEGA BADLY!

Me: Hold on, it's not over yet, here comes the big finish!

Taylor: I CAN'T BELIEVE I EVER HUNG OUT WITH YOU TWO SHIT-EATING DICKHEADS! I WANT NOTHING TO DO WITH YOU BOTH, AFTER EVERYTHING THAT YOU'VE DONE, YOU CAN ROT IN HELL FOR ALL ETERNITY! YOUR DADS ARE A PAIR OF SKUNKS WHO SMELL LIKE OLD GYM SOCKS AND YOU ALWAYS WILL BE NOTHING MORE THAN ROTTEN SACKS OF SHIT WHO ENJOY BEATING KIDS UP AND MAKING EVERYONE AROUND YOU SUFFER AND I HOPE YOU SUFFER FOR ALL ETERNITY IN HELL!

Then, Taylor fired a blast of fire and darkness at Pablo and Anderson and they got hit hard and burned badly!

Me: How do you like that Franz Putridfuck and Nurse Shitforbrains!

WE LAUGHED HYSTERICALLY AT THAT REMARK

Snaptrap: Have some of this!

He fired laser blasts and blasted the two.

Tepig fired fireballs at them and burned them.

Camie: YEAH!

Me: Also let me show you what you fear the most! NIGHTMARE STYLE NINJA ART: MASSACRE OF THE 100 ACRE WOOD!

POINK! HOING! SNAP!

Gameface: Game over for you!

Nico: Yeah!

Eli: More grunts coming. (WHISTLES)

Out came Eli's Velociraptor pack and they butchered and mauled all of them and killed them.

Then, he punched them hard with his gauntlets and kicked them with his graves and they got hit hard.

Lincoln: Let's get them, boys!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, and Rayman went after Pablo and Anderson, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, red, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit them, and they slashed and punched at them with their massive greatswords and gauntlets and greaves leaving bleeding scars on them.

Taylor: Alright, now, it's high-time for me to get some payback for everything you've done to me.

Suddenly, Taylor's eyes turned neon orange, and she was surrounded by a red and orange, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, fire, flames, darkness, blue fire, blood, scorpions, serpents, phoenixes, and angels, she unholstered her massive Taylor's

Cosmic Eternal Harmony Raging Fire Almighty Malinalxochitl True Immortal Blood Scorpion Serpent Phoenix God Angel of Cosmic Eternal Harmony Raging Fire Almighty Malinalxochitl True Immortal Blood Scorpion Serpent Phoenix God Angel Justice from her back, and as she approached Pablo and Anderson, she left red and orange, white, golden yellow, and blue energy, stars, fire, flames, darkness, blue fire, blood, scorpions, serpents, phoenixes, and angels with every step.

Taylor: You have no fucking idea how much I've been wanting to make you two assholes pay, I was abused so much by my asshole ex-dad after Mom's death at his own hands and I let myself be brainwashed by you stupid insects and because of it, I became a bully and you made me hurt Lincoln and his friends for far too long, you two are nothing more than parasites who enjoy causing pain and suffering to others for your selfish amusement and you revel in chaos and mayhem. This has gone on long enough, it's time for you two parasites to die once and for all, and this time, I'll make sure you never ever come back.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF TAYLOR WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE SCORPION, RAINBOW FIRE SERPENT, AND RAINBOW FIRE ANGEL, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE SCORPION, RAINBOW FIRE SERPENT, AND RAINBOW FIRE ANGEL WENT BACK TO EARTH AND TAYLOR GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Taylor was surrounded by a massive vortex of red and orange, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, fire, flames, darkness blue fire, and blood surrounding the vortex, there are scorpions, serpents, phoenixes, and angels flying around the vortex, and in the vortex is a brown phoenix with blood red eyes glaring at Pablo and Anderson: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, THE POWERFUL LANDS OF EQUESTRIA, AND ALL THE WORLDS AND PLANETS IN THE UNIVERSES BEYOND GLOWED AND THEIR ENERGY FLOWED INTO TAYLOR! THEN, AS SOON AS THE VORTEX FADED, TAYLOR EMERGED FOREVER CHANGED AND PAYBACK WAS FINALLY COMING FOR PABLO AND ANDERSON!

We were amazed by Taylor's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was gushing out blood. But, when Pablo and Anderson saw it, they went ballistic and charged at Taylor to kill her, but Taylor fired a massive barrage of red and orange, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, darkness, blue fire, blood, scorpions, serpents, phoenixes, and angels which hit Pablo and Anderson and they crashed into a wall, they got back out, but they were pissed off.

Pablo: WE'RE NOT DONE YET, BITCH!

Anderson: WE WON'T STOP UNTIL WE KILL YOU ALL FOR HUMILIATING US, YOU LOSERS!

Suddenly, Pablo and Anderson got out two red potions and they drank it. Then, they convulsed and their bodies suddenly grew to 9'11" in height and they turned into hulking musclebound monsters as they ripped their shirts off and were left only in tattered pants and they beat their chests and roared like animals!

Hah, look who's fucking talking! And, of course, a "Motherfucking Bitch" was the only kind of person that you couldn't handle. I remember all of the times you called me so many horrible and disgusting names when I started having doubts and I wouldn't obey any of your commands like a slave and you tried to also attack me like the filthy animals that you are. You turned me into your slave, but all you did was seal your fate. You poisoned me with your own hatred and turned me into you, and looking back now, it made me sick to my stomach. You turned me into something that I realize I'm not: an absolutely homicidal and completely mentally unstable psychopath and criminal who don't show any value towards friendship or comradery and wanted to kill anyone who got in your way. You cheated in everything and you were also going against the world in your little game of power and control. Isn't that right, and it's true, you both get off on beating people up. But, it turns out you have and always will be two lost souls and pathetic bastards whose only love was control and committing crimes and you know it. You two are not even in the same league in the kind of power that we possess, not even close. We can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to our kind of power, you're nothing compared to us and you're nothing but pathetic ants compared to it. The way you did all the deeds in the name of your wrath and desire for power and control and kill anyone who gets in your way, it's downright fucking disgusting. As one of the most powerful fighters and warriors and champions in the universe, all we see when we look at you two are absolute fucked up miserable fuckweeds and heartless motherfucking psychotic bastards, and on top of that, we fucking hate you above all others, you ruthless fuckkickers! What is it that you are hoping to accomplish? Abusing and hurting Lincoln and his friends, forcing me to join in, committing crimes all over just to satisfy your lust for destruction, murdering innocent people, hurting any who get in your way, pursuing petty and worthless desires like revenge, and above all betraying everyone. You absolutely don't give a flying fuck about anyone except your pathetic goddamned motherfucking selves and that is why I cut off all ties with you long ago. You're just absolutely heartless monsters that murder, lie, steal, betray and are completely powerhungry and that's why I will never ever forgive you. YOU FUCKING DISGUST ME!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED

BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF PABLO AND ANDERSON TO NO END! NOW, THE BATTLE TO FINALLY END PABLO AND ANDERSON WAS ON!

Lincoln, Crash Bandicoot, Red Savarin, Taylor, Nico, and I and the rest of us went after Pablo and Anderson, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Pablo and Anderson and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at them as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Red Savarin and Taylor also did the same by firing colored, white, golden yellow, and blue energy slashes from her massive greatsword and gold-plated claws, and Lincoln, Crash Bandicoot, Red Savarin, Taylor, Nico, and I and the rest of us attacked them super hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Pablo and Anderson even angrier than ever.

Lincoln fired red energy blasts that hit the two bullies and we saw he gave them The Min's Egyptian Virility Drain Curse. Then, Lincoln sprouted tentacles with suction tips from his chest and they latched themselves onto the massive pecs, necks, arms, and legs of Pablo and Anderson. Then, the tentacles began sucking them completely dry of their newly gained massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in total pain as they began shrinking in muscle mass and height.

Then, all of the newly gained massive muscle mass, virility, and massive physical strength of Pablo and Anderson began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done, the tentacles then detached themselves from the pecs, arms, legs, and necks of the two morons and they went back into Lincoln, and Pablo and Anderson were now thin as a rake and sucked bone dry of their newly gained muscle mass, virility, massive physical strength, and testosterone, and the glowing barbells on their chests stopped glowing.

Eli: That'll teach you, bastard!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We got them on the ropes, now, let's finish this!

Me: Nice.

Raven: I will.

?: Awesome.

A figure came and it was HALBERGOI from episode 2 of Zyuohgers!

As Ginis regards the Earth as worthy for the 100th Blood Game, Naria points out that the Zyumans have caused them trouble. Arrogant as ever, Azald says it's just for the fun of the game only for Ginis to promise him and Quval a reward should they successfully perform a Blood Game. As such, Halbergoi is selected by Azald as the first Player to go to Earth in light of the death of Jagged. His Blood Game is to destroy building by summoning spears to rain down on them and ideally level the planet. As Yamato presents an apple to someone less fortunate than himself, Halbergoi arrives in Tokyo and makes spears rain down on the city. Shortly after, he jumps down to street level and enjoys watching the carnage as he mocks them for thier patheticness only for Yamato to run in and get clotheslined by the Yarisugi Spear and then slapped down. However, when Halbergoi insults him for even trying, Yamato starts wrestling the Player only to be quickly kicked down though at this point the Zyuohgers use the Zyuoh Changers to henshin and do thier roll call. Even so, Halberjoi is unafraid and fires off an energy slash at them but they block it harmlessly with thier Zyuoh Busters Sword Mode and take on Halbergoi with Yamato punching him back just to throw off Sela and Amu as Tusk tries to punch him. Falling back a bit, he forces all of the Zyuohgers down with a spear swing before summoning Moebas to aid him in the battle. However, the Zyuohgers quickly assumed thier Instinct Awakened forms which easily annihilate the Moebas. Enraged, Halbergoi energizes and elongates his staff but the Zyuohgers duck all of the attacks before the male Zyuohgers hold it down and they blow him away with thier

Zyuoh Buster Blaster Mode. Together, they quickly take him down again with point blank shots to the chest before changing to Sword Mode and leaping into the air to obliterate him with the Zyuoh Slash.

However, Ginis demands that Naria enlarge Halbergoi and gives her a Continue Medal to do so. She teleports down and enlarges Halbergoi by placing the Continue Medal on his corpse, enlarging the Player who thanks her as he bursts clean through a rooftop. As such, the Zyuohgers summon thier Zyuoh Cubes and call upon Cube Eagle, Cube Lion, Cube Shark, Cube Elephant and Cube Tiger. Halbergoi summons his spear storm cloud to make it rain on the Zyuoh Cubes but they are completely unfazed when they turn into thier cuboid forms and Cube Tiger's claws. Lighting itself on fire, Cube Eagle dismisses the cloud as Cube Shark and Cube Lion maul Halbergoi to prevent him from using the spear attack again. With the Player helpless, Cube Eagle, Elephant and Tiger form ZyuohKing 1*5*4. Halbergoi finally breaks free but his feet are sweeped out by the Elephant Kick before he can summon spears and then knocked clean away by the Tiger Kick. Zyuoh King then delivers a beatdown with its legs to Halbergoi before finishing him off with the Zyuoh Megaton Kick, the Player only having time to vaguely quote Hudson from Aliens as he falls on his back and explodes.

Yamato: Halbergoi!

Halbergoi: Been a while rangers.

Manta Bayrash: I'm gonna kill you two while you both are body swapped. Humiliating, huh?

Then he bashed them and then..

SQUELCH!

He ripped their chests open.

Lincoln and his harem: Now, for the grand finale! We've had it up to hear with you for the last time, Pablo and Anderson, now pay for the consequences for all of your crimes that you committed and go straight to The Black Abyss! UNOVA POKEMON FINAL SMASH: KYUREM'S FURY!

Lincoln and his harem fired a super cold Ki blast based on Kyurem that instantly froze Pablo and Anderson as it hit them.

Lincoln and Taylor: And here's one more for good measure!

Then, Lincoln and Taylor punched the frozen jerks only once which made the jerks instantly shatter into many tiny pieces and they were finally sent to The Black Abyss, this time for good.

GOOD FUCKING RIDDANCE FOREVER, YOU ASSHOLE BUTTFACE HEARTLESS BULLIES FROM HELL!

We cheered as we holstered our weapons and we powered down, and Taylor's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large red and orange planets orbiting around her legs and twenty five smaller red and orange planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized red and orange planets orbiting around her wrists and ankles, eleven massive and long brown wolf tails, and massive brown angel wings and eleven sets of large brown angel wings underneath her massive brown angel wings are permanent.

Taylor: GOOD RIDDANCE FOREVER, FUCKERS! AND THIS TIME, WE MEAN IT, DON'T YOU DARE COME BACK!

Nico: Serves you right, you disgusting piles of garbage!

Me: Now, we're finally rid of Pablo and Anderson once and for all.

Lincoln: It's finally over, after all the trouble those two buttfaces have caused us in the past, now it's finally done, good riddance. Now, there's one last thing to do and one last loose end to tie up: Laura Midnight Lulamoon, Midnight Princess of Dark Midnight Magic Insanity.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of dark magic blasts and the blasts were absorbed into us and made us even stronger than ever.

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here, Laura Midnight Lulamoon, Midnight Princess of Dark Midnight Magic Insanity.

A tornado of sapphire blue darkness and dark magic appeared, and as soon as the tornado vanished, in its place stood Laura Midnight Lulamoon, Midnight Princess of Dark Midnight Magic Insanity.

Rayna Cosmos: We've already taken care of and destroyed Pablo and Anderson for good and we not only knocked out the Dark Gale grunts and scientists there and sent them to prison, but we also got rid of your Dark Midnight Magic Insanity Demons that you sent after us, so you failed to get rid of us with your minions and using one of Elise Elexton's allies.

Laura Midnight Lulamoon: (ENRAGED DEMONIC VOICE) Those idiots failed in their task, and now, I have to do everything myself! Damn them!

Rayna Cosmos: Well, you better consider those your last and final words.

Suddenly, Rayna Cosmos' purple eyes turned neon purple and she was surrounded by a sapphire blue, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, magic, Alicorns, phoenixes, and angels, she unholstered her sword, and as she approached Laura Midnight Lulamoon, she left sapphire blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, magic, Alicorns, phoenixes, and angels with every step.

Rayna Cosmos: From the very moment that we found out the seal was broken, we'd known you and the other Midnight Princesses would return once again to get revenge on us for banishing you all to The Netherworld seven years ago. But, that is never going to happen, Laura Midnight Lulamoon, as The Daydream Humility Princess of Magic and member of The Daydream Princesses, I hereby sentence you to death for all of your crimes.

You wanted to destroy the Earth same with the rest of the other Midnight Princesses, that proves that you're just as dangerous as Queen Opaline, you walked the path of a monster crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Laura Midnight Lulamoon, Midnight Princess of Dark Midnight Magic Insanity, may you suffer for all eternity with not a kindred soul to give you solace!

Lincoln, Rayna Cosmos, Nico, and I went after Laura Midnight Lulamoon, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, sapphire blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Laura Midnight Lulamoon, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Rayna Cosmos did the same by firing black and midnight blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Rayna Cosmos, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Laura Midnight Lulamoon even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Laura Midnight Lulamoon, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Laura Midnight Lulamoon.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Laura Midnight Lulamoon's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Laura Midnight Lulamoon hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Laura Midnight Lulamoon was now on her last legs and she was really really mangled.

Then, Lincoln fired an orange energy blast that hit Laura Midnight Lulamoon and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

We cheered wildly as we holstered our weapons and powered down and Rayna Cosmos' new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large sapphire blue planets orbiting around her legs and twenty five smaller sapphire blue planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized sapphire blue planets orbiting around her wrists and ankles, eleven massive and long white wolf tails, and massive sapphire blue angel wings and nine sets of large sapphire blue angel wings underneath her massive sapphire blue angel wings are permanent.

Rayna Cosmos: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Laura Midnight Lulamoon, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Rayna.

Me and Nico: Our pleasure, Rayna.

Suddenly, Rayna Cosmos wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rayna Cosmos' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Lulamoon flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Solana Celestia sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Laura Midnight Lulamoon.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Comic Relief appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Renata Balthazar, Gene-Slammer and Avatar of Abyss Actor - Comic Relief.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Renata Balthazar, Gene-Slammer and Avatar of Abyss Actor - Comic Relief, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Renata Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Renata Balthazar really hates Luan with a blazing passion, and she also knew how to bring down Luan's act when she tried to play her monstrous pranks on Lincoln and the others, and all it took was one planned out performance from Renata, and Luan was done for.

Nico: Wait, she ended Luan's April Fools' Rampage long ago?!

Lincoln: Yep, that's right, here's how Renata planned out her performance that ended Luan's April Fools' Day rampage that day eight years ago.

Lincoln's large gold halo with four orbiting gold rings behind his head and the gold version of The Trinity Mirror behind his halo fired beams of light that formed into a one-way viewing mirror, and it shows what happened eight years ago on April 1st.

Suddenly, we heard the screams of the Louds in the house, and we knew what that was: Luan was on the rampage.

Nico: Uh oh, I'd recognize those screams from anywhere.

Lincoln got the rest of his siblings and parents in his room.

Past Lori: I literally can't take this anymore. Luan is absolutely a prank-crazy monster!

Past Lincoln: I know, and this has to end here and now! I'm going to get some help.

Lincoln flew out of The Loud House and he went to The Balthazar Sisters' home, and he knocked on the door. Then, the door opened as Renata Balthazar answered.

Past Renata Balthazar: Lincoln, what brings you here?

Past Lincoln: We got a Code: April Fools!

The Balthazar Sisters gasped.

Past Adriana Balthazar: Code: April Fools?! Oh crud, Luan's on the pranking rampage again!

Past Renata Balthazar: Allow me to come with you, Lincoln. It's time for me to put on a grand performance that'll close the curtain on Luan's act.

Past Adriana Balthazar: Let us come with you too, Renata. It's high-time that pathetic clown got her just desserts.

Lincoln and The Balthazar Sisters headed to their room, and there, Lincoln and Renata Balthazar began planning the performance that'll spell Luan's doom.

Past Renata Balthazar: We cannot allow that so-called crazy clown to get away with this any longer. It's time I bring the curtain down on her act. Lincoln, where is she hiding?

Past Lincoln: (Sensed her) Got her! She's hiding at the auditorium of Royal Woods High School.

Past Renata Balthazar: Then, let's go. Time for the curtain to fall on Luan's act.

The Balthazar Sisters and Lincoln went to Royal Woods High School, and Lincoln peeked into the door, and there they saw Luan in her chair and seeing the mayhem occurring at The Loud House and she was laughing malevolently.

Past Lincoln: (Whispers) There she is.

Past Renata Balthazar: (Whispers) It's time for the curtain to rise on our performance.

Meanwhile, Luan was still laughing maniacally upon seeing the chaos in The Loud House. But, when she saw that Lincoln was missing, it angered her!

Past Luan: WHAT! W-where's Lincoln?! He...! (ENRAGED SCREAM) THAT LITTLE! HE ESCAPED! NO ONE ESCAPES FROM ME ESPECIALLY ON APRIL FOOLS' DAY!

?: And because of his escape from your insane rampage, you've forever sealed your fate, you pathetic excuse for a clown.

Suddenly, blasts of darkness came out of nowhere as they burst open the doors and flooded the auditorium, and there, fiends and imps appeared sitting in the seats, and a magnificent stage setting appeared around Luan: it was a gothic landscape, and as the stage lights dimmed, IT'S SHOWTIME!

?: (Female Voice) Once, there was a clown who sought joy in the havoc she'd caused upon her family every year on April 1st. Her jokes made others laugh, but they made her family groan and slap their faces with such annoyance, but when April 1st comes, she turns into a horrendous monster who causes havoc upon her own family by playing harmful pranks that could've killed them.

The screen plays the clips of Luan's pranks every April 1st and how the other Loud Siblings and parents wound up getting hurt badly by them.

?: (Male Voice) For years, she had gotten away with it for fear of retaliation the following April 1st plagued the family. But, not this April Fools' Day, no, as the only boy of the family having had enough of his clown of a sister decided that she had gone too far.

Suddenly, The remaining Balthazar Sisters appeared dressed in black clothes and wearing silver armor and they look like knights from medieval times and they unholstered their darkness greatswords and surrounded Luan.

?: (Male Voice) He'd gathered together those whose sworn duty it was to protect and love him and decided to get back at the clown and make her pay for her vile crimes!

Suddenly, Lincoln appeared dressed in the armor of a medieval knight that showed off his muscular physique and he unholstered his massive greatsword along with Renata Balthazar dressed in the same clothes as her sisters and she too unholstered her massive darkness greatsword and joined the others and cornered Luan.

Past Luan: WHAT THE?! NO! NO!

Past Lincoln and Past Renata Balthazar: And now, this is where you meet your end, clown!

Lincoln and The Balthazar Sisters swung their greatswords and fired a torrent of darkness and dark magic as it hits Luan real hard with incredible force and power and she wasn't able to fight back against it, and when the torrent of darkness and dark magic ceased, Luan fell to the ground defeated as she held a flower in her hands. The audience applauded as Lincoln and The Balthazar Sisters took a bow as the spotlight shined on them.

Past Adriana Balthazar: That was an awesome performance, everyone! Well done! Now, to tie this clown up.

Adriana Balthazar tied Luan up. When she woke up, she saw that she was tied up, and Lincoln was here along with The Balthazar Sisters.

Past Luan: You're not getting away with this, Lincoln! I'll make you and the others pay for what you did in humiliating me!

Then, Lincoln's other sisters and parents showed up, but they were fine.

Past Lori: I think not, clown!

Past Luan: What the?! Lori, Leni, Luna, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Mom, Dad?! But how?!

Past Rita: Adriana and her sisters along with your brother saved us using their powers of darkness and we also joined in their plan.

Past Lynn Sr.: The performance they put on was a one-act play that spelled your defeat, Luan. (To Lincoln and Renata Balthazar) Nice work with the narration, that was some powerful dialogue.

Past Lincoln: Thanks, Dad.

Past Luna: And the whole thing you just witness was real, you suffered a humiliating beatdown at the hands of The Balthazar Sisters and our little bro, clown.

Past Luan: No! No! No! This is not how it was supposed to go! My perfect April Fools' Day!

Past Lynn: You've gone way too far, Luan. When we get back home, we're gonna have a few words to speak with you! (CRACKS KNUCKLES)

Past Lincoln: And I'll save Mom and Dad the trouble by saying this. Luan Loud, you're grounded for two months! You're gonna be doing a whole lot of housework during that time, young lady! Now, get your butt into Vanzilla and wait for us there!

The Loud Sisters and parents flinched: LINCOLN USED THE DAD VOICE ON LUAN WHICH CAUSED THAT CLOWN TO BREAK LOOSE AND RUN FOR VANZILLA IN FRIGHT!

Past Lynn Sr.: Dang, if I knew you were gonna use the Dad Voice, we would've brought our earmuffs.

Past Adriana Balthazar: You can thank all of us for giving him the confidence and courage to stand up to the five mean Loud Sisters. Plus, we taped the performance and gave it to the other Guardian Angels, and they loved it.

Past Renata Balthazar: They sure did.

Past Lincoln: This'll teach Luan a lesson she'll never ever forget.

The flashback ended as the viewing window closed.

Me: (WHISTLES)

Nico: Dang, that was one awesome performance, and for the narration, that was some powerful dialogue.

Eli: You said it.

Carol: It was so awesome to see such an awesome performance, and Luan really got her butt handed to her like that.

Lincoln: After all the April Fools' pranks she's done to us, this was something we were wanting to do to her for years.

Me: Still, that was so awesome! You performed really awesome against her, Lincoln!

Nico: And using your experience in theater, you turned the tables on Luan and put her in her place.

Eli: But, I don't think it was going to stop her.

Lincoln: Unfortunately not, that caused Luan to try and seek revenge on me the following April 1st, but Adriana Balthazar and Renata Balthazar put a curse on Luan that kept her restrained until April 2nd, so we got off easy that April 1st.

Roman Goodwin: It was fun seeing the Digimon partners.

Abomination: It sure was.

Blizzard: I hope we see more.

Me: Oh you will.

Lincoln: Now we've seen the last of those heartless monsters.

Scorcher: What now?

Gizmo: We celebrate!

Nico: Yep. Great job everyone!

We went to a good restaurant.

Caleb Maxwell: And so, another day ends.

Cage Blunt: And we got rid of another of Dark Gale's members along with the next of The Midnight Princesses, we're already on a roll.

We then got ready for bed. But, Adrian Morrigan was still up along with his dog, Damien, the former Polterpup turned gothic German Shepherd with dark powers and ghost powers.

Adrian Morrigan: It'll soon be time, the final battle with Cordelia is almost at hand, Damien.

Damien: I know, Master. We all knew this was a long time coming, but this needs to end here and now.

Adrian Morrigan: We'll no doubt be facing her at The Last Resort, and that'll be where I spring my own surprise on her and free the ghosts that're already under her control, and then, we banish her to The Black Abyss using the spell The Goths of Darkness have made.

Adrian Morrigan and Damien continued looking out into the night sky, for they know tomorrow was the final showdown against Cordelia Morrigan.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to The Last Resort, the haunted luxury hotel situated in a region inhabited by extremely rare ghosts and setting for Luigi's Mansion 3, and we're heading there for a huge battle: Adrian Morrigan's younger sister, Cordelia Morrigan, who had finally broken free from her prison in the paranormal dimension thanks to Zachary Nightingale, has taken over the hotel in order to gather an army of ghosts to get revenge on Adrian Morrigan, but her older brother stopped that plan in its tracks by trapping Hellen Gravely and all the other ghosts working at the hotel in containers in the Vault of Professor E. Gadd, and now, she was all alone, but she wasn't going to be deterred from her revenge.

RIDONCULOUS RACE 2024 PART 10 - UNOVA 2

Unova Region Part 2

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dream: apparently, his dream took him to Michigan, and as he was flying, he saw a figure in a moped and she had hatred in her eyes towards us, and he recognized the figure immediately: it was Scoots' twin sister, Mopes, and she's just as bad as her twin sister, Scoots, and she's out for revenge on us. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh crap, I thought we wouldn't have to deal with her again! Mopes is just as much of a troublemaker as Scoots, those two have caused enormous trouble when they're together, and it always ends in an absolute fucking mess!

Claudia Cloudian: Not to mention she also needs to pay for all of her sister's sins along with her own!

Anna Anyanova: And we've got a whole mess of words to say to that old goat! She's just as bad as her sister!

Girl Jordan: I remember her all too well, she's just as much of a troublemaker as Scoots, she ran over my foot with her moped. That's it, she's got to go!

Lincoln: We'll deal with her on some future date, Girl Jordan, and we'll make her pay for her sins and the sins she also committed when she and her sister caused trouble.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Michigan, and as I was flying, I saw a figure in a moped and she had hatred in her eyes towards us, and I recognized the figure immediately: it was Scoots' twin sister, Mopes, and she's just as bad as her twin sister, Scoots, and she's out for revenge on us.

WE GASPED!

Nico: Wait, what?! That old goat has a twin sister?!

Anna Anyanova got out the picture of Mopes, and she does look like Scoots, but she's on a moped.

Lana: Yep, and she's also just as much of a troublemaker as her twin sister, and those two caused a lot of damage to Royal Woods in the past.

WE GASPED IN STUNNED SHOCK AND AWE!

Me: Wow! Now, I really hate to even ask just how strong Lincoln really is!

Nico: Same here!

Talora Kiva: I can answer that, but I got to warn you: you and Nico are gonna freak out and go crazy just like Daffy Duck: thanks to all of the training Lincoln's gone through thanks to you guys and us helping out as well over these seven years since Lincoln also got his lightning powers from Hinon in addition to being born with the powers of light, life, energy, life nourishment, and the powers of Amaterasu from Okami, as well as gaining the powers of all of us Guardian Angels as well from our training and him feeding on our blood, Lincoln's become as superhumanly strong and powerful as 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 J.D.s and Nicos combined times infinity!

WE WERE ABSOLUTELY STRUCK WITH STUNNED SHOCK! THEN, NICO AND I HAD A TWITCHING IN OUR RIGHT EYES, AND THEN...!

WE STARTED BOUNCING OFF THE WALLS AND WE WERE LAUGING CRAZILY AND GOING CRAZY LIKE DAFFY DUCK!

Then, Lincoln splashed us with water, and we shook ourselves dry.

Nico: Thanks for that, Lincoln. But, damn! I had no idea you were THAT SUPERHUMANLY STRONG AND POWERFUL!

Me: Same here. It's like you've gone beyond your limits, and you're in the same league of power as me and Nico!

J.D. 2: And me and all of us as well, along with Universe 666 J.D. and Royal Defenders J.D.! This is too incredible! And I know you girls got marked after we'd dealt with those racist piles of trash.

Lincoln had an atomic red blush on his face and muzzle, and we snickered.

Me: And don't forget the seductive side to him.

Lori Gaim: Oh, we saw it for ourselves back then, I didn't think you let the seductive beast in you out, Linky. I thought you always saved that for the bedroom.

Lincoln: (Red Blush grew deeper) Lori.

Qin Maki OOO: Hey, you can't deny it, Linky. We've seen that side of you come out when night falls, so.

Lincoln: (Red Blush grew deeper) Oh, right. Anyways, let's finish breakfast and head out to take down the villain for Nico's rescue.

Tortilla Burrito: Good. Glad you like it. Also we were watching your adventures in the Ridonculous Race.

Rocoto: Those are so fun. You are tearing those monsters apart.

Me: We are almost done and we're having a lot of fun.

Camie: We sure are.

Sweetie Belle: Yep.

Sweetie Belle ate 5 burritos.

Manaphy ate some

Manaphy: Delicious!

Me: It sure is.

We finished.

Nico: Awesome.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're not only here to meet with Brie Burrito's family, but here's who we're going to face: the hypothetical Akuma of Lazlo.

Me: Whoa, really? Who is he, Lincoln?

Lincoln: It's actually seven of them, they are The Seven Deadly Sandwiches, the hypothetical Akuma of Lazlo, and he had his personality split and turned into seven of the deadliest sandwiches in the world. From Left to Right, their names are Raw Sewage, Poison Dart Frog, Snakeskin Skunkberry, Destroying Angel Mushroom, Sassafras Sap, and Mongolian Death Worm, but the middle one is the deadliest one. That's Deadly Nightshade Berries, and just ONE BITE of them has enough poison in them to kill 1,000 people! Lazlo was made into these because of all the abuse Lumpus put him and his friends through and they vowed to poison Lumpus and kill him.

Lincoln got out his sketchpad, and we saw him: they were seven monstrous sandwiches loaded with enough poison in them to kill 1,000 people!

WE FREAKED OUT AND DID WILD TAKES GALORE!

Me: HOLY FUCKING SHIT ON A STICK! I WOULDN'T TOUCH THOSE WITH A 10-FOOT POLE!

Nico: YUCK! DISGUSTING!

Me: YUCK!

Varie: Those are disgusting!

Nicole: Oh man, I knew Lumpus was a jerk, but for him to do something that bad, it caused Lazlo's hypothetical Akuma to be created, now I'm really glad we gave that moron The Black Abyss last year.

Me: Same here, Nicole!

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the next torture ready for that rat with wings: I'm gonna dump a massive vat of the hottest hot peppers down his throat along with bottles of the hottest hot sauce mixed in as well.

Lincoln summoned a vat full to the brim of the hottest hot peppers mixed in with bottles of the hottest hot sauce.

Me: OOH! Spicy!

Nico: This is gonna be so hilarious.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: Honestly, Sergio's going way too far with this.

Lori: I literally thought he'd learn his lesson, but I knew this won't be the last time he does something like this.

Lincoln: Well, he's gonna regret this after we take care of our Akuma problem.

Lana: Yeah! But I'm going to eat those!

WE GASPED!

Me: Lana I know you like gross stuff but this takes the cake.

Camie: Yeah.

Me: Even though we're immune to poison these are really lethal sandwiches.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy,

but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and

sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for The Seven Deadly Sandwiches) AHA! Gotcha! I just spotted The Seven Deadly Sandwiches, he's 20 yards away. (Sensed Sergio's hired thugs) And I just spotted Sergio's hired thugs.

Nico: Let's get going.

We went outside.

Me: You all are in for a good show.

Avocado Burrito: Looking forward to it.

Anakin heard a Pokémon cry

Anakin: I sense something. But look.

We saw a Venipede!

Me: A Venipede! Wow.

Anakin: And the poor guy is hungry.

Venipede: Yeah.

We gave it food.

Venipede: Thank you.

She ate them.

Anakin: Wanna come with us?

Venipede: Sure.

Me: Cool.

Anakin: Great!

But then...

ZAAAAAAAAAAAAPPPPP!

Lightning hit May and electrocuted her!

May: Ow. HEY!

Nico: WHO DID THAT!?

Me: That did!

We saw a Tapu Koko!

Mallow: WHOA! Tapu Koko!

Me: Wow! One of the 4 Legendary Life Pokemon.

Nico: Where did that come from?

J.D. 2: One of Dark Gale's creations no doubt.

Eli: Yeah.

Indigo Zap: Lets see here.

She used telepathy and gasped

Indigo Zap: That's Violet Thunder!

Me: WHOA!

Indigo Zap: She's my sister! We got ot help her!

Me: Right!

Me and Indigo went to help her.

Indizo Zap: Violet it's me Indigo!

All she did was charge at her. But Indigo had amazing speed and she dodged her.

Me: She is fast.

Indigo Zap: But so are we!

Me and Indigo fired blasts of lightning and blasted her down.

Me: Yeah!

I snapped my fingers and she reverted back and was a girl with purple hair, amber eyes, had Tapu Koko in the middle of her forehead and had purple angel wings and had a purple version of Indigo's cutie mark and the emblem of Equestria on her arm.

We wrapped her in a blanket and brought her over.

Camie: Yeah!

Me: Awesome.

She woke up.

Violet Thunder: (Groans)

Indigo Zap: VIolet?

Violet Thunder: Indigo? (GASP) Indigo! You're here.

She hugged her.

Violet Thunder: Where am I?

Me: You're at the Burrito family restaurant in Mexico City. You were turned into a Tapu Koko by Dark Gale.

Violet Thunder: (GASP) I remember!

She was in a purple suit and was injected and in a burst of lightning she turned into TAPU KOKO! She busted out and blasted the members of Dark Gale and flew out.

FLASHBACK ENDS

Violet Thunder: It was awful.

Me: I know. But we're in the process of killing Dark Gale right now. We destroyed 9 of their bases.

Violet Thunder: Wow!

Indigo Zap: But at least you're back sis.

Violet Thunder: I am too. I heard about what happened at the Friendship Games and that was horrible.

Me: Yeah no kidding.

Nico: Oh speaking of which, did you find out what lead Cinch to do that?

Me: Yeah I sure did. Opaline went to the Human World and offered to make Crystal Prep the best ever just by having one of the students steal magic from Sunset Shimmer and friends.

WE GASPED!

Nico: Didn't see that coming!

Me: Too bad it backfired with the creation of Midnight Sparkle.

Twilight Sparkle: Yeah.

Indigo Zap: I agree there. Cinch had no idea what she was messing around with.

Sunset Shimmer: That is true.

Violet Thunder: I know.

Me: Do you have a role in Sonya's Team?

Violet Thunder: I sure do. I am the Lightning Master of the team. I use lightning and my super speed to combat our enemies.

Me: Nice.

Violet Thunder: And outside the team I am a soccer star. I play sports.

Indigo Zap: Just like me and that is cool.

Me: It sure is.

Nico: That's good to know

Qin: Yeah.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her amazing purple and blue clothes and a purple lightning sword.

Violet Thunder: Wow I look amazing.

Me: You sure do. Now to find the Akuma.

Nico: Yep.

But then we smelled something horrible!

SEAL BARK!

Me: (Sniffs) Oh good god! What is that horrible smell!? ED?

Ed: Wasn't me!

Me: I think it's THEM!

We spotted our target, The Seven Deadly Sandwiches, the hypothetical Akuma of Lazlo!

Me: OH GOOD GOD!

Qin: Those are disgusting!

Lincoln: There's The Seven Deadly Sandwiches, and the split personality has made him dangerously unstable, I need to fix that.

Lincoln fired waves of energy and elemental forces from his massive white angel wings and nine sets of large white angel wings underneath his massive white angel wings and they hit The Seven Deadly Sandwiches, and he screeched in rage as we landed.

Me: Lazlo, is that you?

The Seven Deadly Sandwiches tried to attack me, but I dodged quick and kicked them hard in the face.

Nico: Oh man! Lincoln, we need to take care of this.

Lincoln: Already on it.

Lincoln fired seven beams of light that hit The Seven Deadly Sandwiches and he gave Deadly Nightshade Berries, Raw Sewage, Poison Dart Frog, Snakeskin Skunkberry, Destroying Angel Mushroom, Sassafras Sap, and Mongolian Death Worm the personality of Lazlo.

Deadly Nightshade Berries: W-what happened?

Lincoln: You had your personality split into seven different bodies when you were created, and that really damaged you badly, so I used my powers to give you all the same personality. How do you guys feel?

Snakeskin Skunkberry: We feel much better now. But, we're still going to kill Lumpus from our world.

Nico: Lumpus is already dead here.

Me: The Prime universe one. But not the one from their world.

Lincoln: (Sensed Lumpus from The Seven Deadly Sandwiches' world) I think there's no need for us to go after him!

Lincoln fired a blast of water that forced out Lumpus from The Seven Deadly Sandwiches' world, and he was mad.

Lincoln: GET HIM, BOYS!

The Seven Deadly Sandwiches went at Lumpus and mauled him badly, and then, they forced him to take a bite out of each of them, and just as expected, the poison inside them was so powerful, in a split second, it killed Lumpus and Lincoln banished his soul to The Black Abyss.

Nico: Good riddance, you moronic asshole.

Me: See you never!

Lincoln: That'll teach him.

Qin: GEEZ!

Me: Wow! It only took one fraction of a second and it killed him instantly!

Qin: YUCK!

Lana: I'm still gonna eat some of you.

Nico: That is some lethal poison!

Qin: I'll say!

Raw Sewage: Yeah we know.

Venipede charged at them and fired waves of energy and blasted them.

Camie: YEAH!

Me: You know what my most hated food is?

Deadly Nightshade Berries: What is it?

Me: LIVER AND ONIONS! I HATE Liver and Onions!

Sakura Knudson: Me TOO! I HATE THAT DISH!

Me: YEAH!

I flicked the switches for Liver and Onions, Liver and Onions Planet and Itchy and Scratchy and got a Liver and Onions sword!

Me: THE REPULSIVE SWORD OF LIVER AND ONIONS!

Nico: YUCK!

Qin: GROSS!

I fired waves of liver and onions and blasted them.

Me: YUCK!

Ace: You really hate that meal don't you?

Me: You have no idea Ace. One time we went to a planet made entirely out of Liver and Onions. I HATED THAT WORLD!

Qin: Yeah that was gross!

Ace: I don't blame you guys.

Lola: Yeah it was unpleasant!

Nico: You know the funny thing guys? Lazlo told me he made a play about you guys.

Deadly Nightshade Berries: I know. Seven Deadly Sandwiches. Cool how we share the same name.

Nico: Funny and cool and awesome.

Qin: Yep.

Lola: I agree.

Edward: That was awesome and fun.

Raven got out her Gashat.

Raven: Lets bring the heat.

She activated it and fired blasts of fire and blasted them.

Kimiko got out her Gashat.

Kimiko: Lets bring the fire.

She activated it.

Peppy Hare: DO A BARREL ROLL!

Kimiko and Peppy: FIRESTORM OF SOLAR BLAST!

They fired waves of fire and blasted the sandwiches all over.

Qin: Oh yeah!

Irma got out her Gashat.

Irma: Lets cool you down.

She activated it.

Falco: Pretty Smooth Flying guys.

Me: Falco don't make us come over there.

Nico: (LAUGHS) Just like in the game.

Irma and Falco: WATER OF AQUAS BLAST!

They fired waves of water and wind and blasted the sandwiches.

Camie: YEAH!

Jeri got out her Gashat.

Jeri: Time for some Lion power.

She activated it.

Kat (Starfox): Beautiful! Takato could kiss you for that.

Jeri and Kat: ZONESS FURY BLAST!

They fired waves of energy and blasted the sandwiches.

Me: YEAH! Boy it's like living some of the fun times of Starfox.

Camie: Yeah!

Sabrina got out her Gashat.

Sabrina Mason: Always love some good games.

She activated it.

Slippy Toad: Enemy shield analyzed.

He pulled up a shield gauge.

Nico: Nice!

Sabrina and Slippy: TITANIA DESERT BLAST!

They fired waves of energy and blasted the sandwiches.

Bertrand got out his Gashat.

Bertrand: Lets make this fun!

He activated it.

James McCloud: Never give up, Trust your Instincts.

Bertrand and James: SPIDER FIRE BLAST STORM OF VENOM!

They fired waves of red fire and energy and blasted the sandwiches.

Me: I just thought of Raj's Akuma and he is a Kafizzle River Cheese

Wheel.

Raj: (India Accent) Ooh that is a perfect idea for my akuma.

Nico: My kind of cheese wheel!

Me: Nico you don't want to eat a Kafizzle River Cheese Wheel.

Raj: He's right. No one actually swims in the Kafizzle River, because the Sulfates from Kafizzle Springs are extremely acidic and so if you actually ate a piece of Kafizzle River cheese, you would disintegrate in exactly 13 minutes.

Me: Whoa that is potent! But yeah.

Nico: Even though we're immune to poison that is deadly cheese.

Me: Yeah.

Ripster got out his Gashat.

Ripster: Lets make this Jawsome!

He activated it.

Bill (Starfox): Husky Unit, Cover the Base!

Ripster and Bill: KATINA FURY BLAST!

They fired waves of energy and blasted the sandwiches all over.

Troy got out his Gashat.

Troy: Lets make this fun too.

He activated it.

Krystal: (British Accent) I can sense powerful thoughts from them.

Troy and Krystal: CERINIA PSYCHIC BURST!

They fired waves of energy and blasted the sandwiches all over.

Me: YEAH!

Raven: Lets see how you like this too.

Fox McCloud: Lets start this off with some video game fun.

Raven and Fox McCloud: STARFOX RAVEN BLAST!

They fired waves of energy and fire and ravens and blasted them.

Jason got out his Gashat

Jason: Lets bring the Tyranno power!

He activated it!

General Pepper: We are in Starfox's debt.

Jason and General Pepper: CORNERIA FURY BLAST STORM!

They fired waves of energy and blasted the sandwiches.

Me: Nico if we ever see Pigma again, we'll turn him into pork roast!

Nico: I have a feeling we will!

Ren got out his Gashat.

Ren: Time for some barfbrains to go!

He activated it.

Prince Tricky: Time for some Dinosaur Action!

Ren and Prince Tricky: FURY OF THE DINO BLAST!

They fired waves of fire and energy and blasted the sandwiches.

Violet Thunder: Like old times?

Indigo Zap: Lets unleash the lightning!

THUNDERCLAPS!

Violet Thunder and Indigo Zap: THUNDERCLAP BLAST STORM!

They fired waves of lightning and electrocuted the sandwiches.

Suddenly, Lincoln fired massive waves of superhot hot sauce that forced out Sergio's hired thugs and they were screaming because some of it wound up going in their mouths and they were belching out fire, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Nice one, Lincoln, that forced out Sergio's thugs.

Cage Blunt: Now, all that's left is to get rid of them.

Travis Tackett: And piss that stupid parrot off big time.

Then, Lincoln grabbed one of the thugs by the neck with his left hand and he hoisted him up to make him look him in the eyes.

Lincoln: (Smirks) Well, well, who do we have here?

Then, he tossed the bastard into his friends and they got knocked down, but as soon as they got back up, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: This ain't over, losers!

Even though it was a one-way viewing window, we saw him mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Nico: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Lincoln: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us and as he snapped his fingers, he made a huge funnel appear and it was inside Sergio's mouth.

Then, the vat full to the brim of the hottest hot peppers mixed in with bottles of the hottest hot sauce appeared, and using his telekinesis, Lincoln lifted the vat full of the hottest hot peppers mixed in with bottles of the hottest hot sauce and poured the contents into the funnel and they made their way down into Sergio's stomach. Then, the funnel vanished, and we saw the peppers and hot sauce take its effect on Sergio as he started turning neon red and finally...!

BELCHES! FARTS!

SERGIO BEGAN BELCHING AND FARTING MASSIVE FLAMES LIKE CRAZY AS THE FLAMES CAME OUT OF HIS MOUTH AND BUTT LIKE CRAZY! AND IF THAT WASN'T ENOUGH, FIRE ALSO SPEWED OUT OF SERGIO'S NOSTRILS AND HIS FEATHERS FELL OFF AGAIN! CRAZY!

When it was all done, Sergio had smoke coming out of his beak and nostrils and he was completely featherless and we were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS EVEN MORE HILARIOUS THAN THE TIME YOU STUFFED HIS BIG FAT BEAK WITH THE SPICIEST FOOD EVER AFTER WE TOOK DOWN THE

ANTI-MASCOTS, LINCOLN! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Maxwell, Cage Blunt, Travis Tackett, James Blunt, Penny Pizza, Nico, and I and all of us went after The Seven Deadly Sandwiches, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, orange and yellow, red, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at The Seven Deadly Sandwiches and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Brie Burrito, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit The Seven Deadly Sandwiches, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Seven Deadly Sandwiches, this is where we're ending your revenge spree here and now.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Lady Ravioli.

Me: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We always knew Lumpus was a pathetic piece of trash, but we made sure that he finally got his just desserts when we went after him last year and he paid the price for his crimes.

Then, Lincoln, Nico, and I charged and smashed our rainbow energy infused left fists into the stomachs of The Seven Deadly Sandwiches, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit The Seven Deadly Sandwiches hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The Seven Deadly Sandwiches was on their last legs and they were really really mangled.

Lana took a bite out of the Raw Sewage sandwich.

Lana: MMM! Delicious!

SOME OF US GOT SICK!

Lana took another bite

She ate the Skunkberry sandwich and then the Mongolian Death Worm sandwich!

THEN...

LOUD NASTY VOMITING!

Lana kept on taking bites.

It was DISGUSTING!

MAY PUKED ALL OVER NICO!

Nico: HEY!

Luna and Sam puked on each other!

Me: OH SICK!

Then, Lincoln sent them into a portal that led to The M.O.E.'s HQ.

Lynn: And they're out!

Horsea was contemplating on whether or not she should take a bite too

But the mascots decided not to.

Lana then ate all of them.

Lana: Ahh. (LOUD HUGE BELCH OF WAKKO POWER)

We cheered as we holstered our weapons and we powered down, and Brie Burrito's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large purple planets orbiting around her legs, twenty-five smaller purple planets orbiting around her waist, medium sized purple planets orbiting around her wrists and ankles, smaller planets orbiting around her fingers, and massive purple angel wings and eleven sets of larger purple angel wings underneath her massive purple angel wings are permanent.

Nico: And that about does it for The Seven Deadly Sandwiches.

Lincoln: Without a doubt, and their split personality case, this is similar to the Anothers. One person split into many Anothers, that wasn't very healthy. When I use my light powers to separate someone from their Another form, it always works. Plus, this is also the first time I used my light powers on a hypothetical Akuma of one of the team members with their personality split into several Akuma.

Me: That's for sure, but wow.

Nico: And it worked perfectly. Nice one, Lincoln.

Lincoln: Thanks.

Caleb Maxwell: Looks like we took care of The Seven Deadly Sandwiches with no problems, now we can take care of The Anothers.

Suddenly, Panther of The Big Claw gang arrived wearing only his street clothes.

Caleb Maxwell: What are you doing here, Panther?

Panther: I already know Blunt and his old man have already transformed, and Travis has yet to do so as well along with the other NYPD officers and Cronus Chase, and it also includes you and Allie too, Caleb. (Smirks) Luckily, I'm here to help with that.

We were confused. Then, Panther got out Sarah Succubi's special protein drink: fruit, water, veggies, and protein powder with muscle growth serums, virility and testosterone booster serums, bull growth hormones, and her special cocktail, Alpha Male Booster.

Caleb Maxwell: You've got to be kidding me! That's Sarah Succubi's special protein drink! There's no way you're crazy enough to drink it!

Panther could only smirk at Caleb Maxwell, and unfortunately, those memories came back to bite him in the ass!

Caleb Maxwell: Oh shit, you are crazy enough to do something like this!

Then, Panther drank it.

Panther: Not bad.

Lincoln: Oh no, now you're gonna start feeling the effects like I had, Panther. Brace yourself.

Suddenly, Panther felt his body become hotter as white hot heat coursed through his body, and then, he started growing exponentially to 9'11" and his muscles suddenly started growing even larger than ever as he let out a deep growl and he ripped his shirt off revealing he now has abnormally massive and powerful upper and lower body muscles and twelve pack abs and his new muscles bulged even more and veins formed on his body as power surged through them. Suddenly, Panther felt a sharp pain on his now wider and more muscular back, and then, massive black angel wings grew and sprouted out with a wingspan of 1,050'0", and his pants had grown accustomed to his new body.

Panther: (Deeper Voice) (Groans) Oh man, what the Hell hit me?

Lincoln made the mirror and Panther saw what'd happened to him.

Panther: Damn, that succubus angel of yours knows how to make a killer cocktail.

Roxy Drake: Oh great, now Carla's gonna find out about it.

Caleb Maxwell: You've got to be kidding me! That's it, I'm taking you down, Panther!

Caleb Maxwell went after Panther and he tried to hit him with his twin guns, but Panther dodged all of his strikes.

Panther: Damn, I'm even more faster than ever, you didn't even hit me in the slightest.

Caleb Maxwell: Oh yeah!

Then, Caleb Maxwell punched him in his twelve-pack abs!

CLANG!

CALEB MAXWELL FELT LIKE HE JUST PUNCHED THROUGH A NEUTRONIUM AND ADAMANTIUM WALL!

Caleb Maxwell: SHIT! THAT FUCKING HURTS! AGH!

Panther: (Smirks) Ooh! Bad news for you, you just hurt your own fist. But, that wasn't a bad punch, now here's mine.

Suddenly, Panther punched Caleb Maxwell hard in the stomach!

POW!

And just like before, Caleb Maxwell let out an unholy scream as he was sent flying back and he lands on the ground on his back.

Jack Howard: Caleb!

Casey Antonio: Oh man.

Panther: And I'm also even stronger than ever. Damn. Come on then, Caleb, get up! You're not going to take it lying down, are you?

Caleb Maxwell was writhing in agonizing pain. Suddenly, the memories of the day he'd gotten into a fight with Panther the day before The Hallowshade Bloodbath played through his mind and he felt all of it: the pain, the humiliation, the suffering, and the despair and depression. He slowly got back up, and he opened his eyes, but his blood red eyes became an even more malevolent shade of red.

Panther: Heh, alright, then, bring it on! I'm still ready for more!

Caleb Maxwell: Why, you cocky bastard!

Suddenly, we felt Caleb Maxwell's energy rise as his blood red eyes turned neon blood red and he was surrounded by a black and blood red, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, skulls, vampire bats, demons, phoenixes, and angels.

Caleb Maxwell: You've got some fucking nerve drinking that cocktail Sarah Succubi made, Panther, and you also had the gall to rile me up to the point where my more painful memories played through my mind once again! Fine, if you want a fight, I'm going to give you Hell!

Allie Maxwell: Nice going, Tommy, you pissed my brother off yet again! When are you going to learn that by pissing him off, it's going to mean Hell on Earth!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES!

Roxy Drake: I am so telling Carla on you, Panther, she's gonna kick your ass so hard, you won't be sitting down for a week.

Suddenly, Carla Claw appeared.

Carla Claw: Actually, I was the one who told him, sis.

Jack Howard: What the?

Carla Claw: We knew about Blunt and his old man transforming, but of course, you and the others have yet to transform, so we decided to take action to help you guys transform, and even if it meant Panther drinking that cocktail Sarah Succubi made, then so be it. Plus, I always wondered what Panther would look like after drinking it, and I got to say, I'm impressed by the results.

Panther: (Smirks) Glad you approve.

Tyler Maxwell: Well, thanks to your stunts, you pissed my brother off! WHO THE HELL DO YOU THINK YOU ARE TO DO THAT?!

Allie Maxwell: Oh boy, yep, you're definitely our brother. Caleb, Mom, and I always get mad whenever someone tries to piss us off, and we also have some pretty nasty tempers when we get mad. Way to go, Tommy, you pissed both of my older brothers off.

Panther: Hey, I told you not to call me that, Allie.

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, THE POWERFUL LANDS OF EQUESTRIA, AND THE PLANETS AND STARS OF THE UNIVERSE GLOWED AND ALL THEIR ENERGY FLOWED INTO CALEB MAXWELL! THEN, AS SOON AS THE VORTEX FADED, CALEB MAXWELL EMERGED FOREVER CHANGED!

Time to pay!

Caleb Maxwell went after Panther and he fired extremely powerful blasts of black and blood red, white, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, skulls, vampire bats, demons, phoenixes, and angels, along with bullets at Panther.

But, Panther's new body caused the bullets to become dented as they hit it, and he dodged the blasts Caleb Maxwell fired at him.

Panther: Is that all you got?

Caleb Maxwell roared in anger and he punched Panther in the face, and it did hurt him and he sent him flying into a wall, but he rebounded and took to the air, and then, he landed.

Panther: Finally, you did it. Heh, I knew pissing you off was the only way to get you that mad. Well, then, let's step it up a notch.

Suddenly, Panther formed a black and red energy ball in his hand and we saw a black and red energy aura flare up around him.

Caleb Maxwell ran at Panther, and he pinned him to the ground and proceeded with punching him in the face over and over again in a fit of rage, then, the brawler of The Big Claw Gang pulled a reverse move and pinned him to the ground and pinned his arms to the ground.

Panther: It's over, Caleb, it's time to stop.

Caleb Maxwell was still in a blood rage, so Panther did the one thing that could cool him down, he made a cut on his right arm letting blood out and he showed it to Caleb as the smell of blood got to him, and he proceeded to bite Panther on the right arm and feed on his blood to cool down. Caleb cooled down as his blood rage ended.

James Blunt: How did you know?

Panther: You did the same thing to Caleb when we first came to West Virginia and when Caleb saw us once again after eight years.

Caleb Maxwell powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty five black and red planets orbiting around his legs and twenty five black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and red planets orbiting around his wrists and thighs, eleven massive and long dark brown wolf tails, and massive dark brown angel wings and eleven sets of larger dark brown angel wings underneath his massive dark brown angel wings are permanent.

Caleb Maxwell: Don't ever do that again, Panther. What you did brought back the memories of the fight we got into the day before The Hallowshade Bloodbath.

Panther: Well, it worked, didn't it?

Allie Maxwell: Too well. You know how pissed off my brother gets when someone gets him mad.

Suddenly, Panther wrapped his left arm around Allie Maxwell's neck.

Allie Maxwell: Dude, get your arm off! I can't...!

Panther: Nah, I don't think so. Besides, you like it when I wrap my arm like this around your neck.

Allie Maxwell slipped out.

Caleb Maxwell: Nice work, sis.

Carla Claw: I know that was a little much, but it's the only way for your brother to transform, Allie.

Lincoln: Next time, maybe you should give us a little warning before you do something like that.

Lori: Lincoln's right, we saw the murderous side of Caleb come out, and it wasn't pretty.

Lola: It sure wasn't.

Nico: Proud of yourself, Lana?

Lana: I sure am.

Qin: Yeah.

Venipede: That was funny.

Me: It sure was.

Nico: Nice job Venipede!

Venipede: Thanks Nico.

Poromon: Want some beer?

Venipede: No thanks. I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Lola: Yeah.

Nico: Oh, Sting Chameleon, what do you like to do in your free time?

Sting Chameleon: Oh I work in the Zoo and feed the animals.

Camie: Cool!

Qin: Nice.

Lola: Yeah.

Poromon: We're gonna show you guys something later

Me: Okay.

Qin: Looking forward to it.

Lola: That is an act of war!

Qin: Big time!

Yulia Prince: Yeah!

Me: Sorry that happened to you.

Iris Prince: We'll be fine. Where is Swartz?

Me: He's dead and destroyed. We killed him 2 years ago.

Nico: Yeah. Also he was given the Black Abyss.

Qin: Yeah.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Kira Prince: And the Another Nora and Newtron are friendly just so you know.

Me: Thanks. I was about to ask that.

Nico: And now, we wait.

Camie: Yeah.

Nico: Swartz is gone for good though.

Me: I know.

Iris Prince: Thank goodness.

Wonder Woman: I'm sorry he took you sisters. But yes he is gone.

Nico: That's right. Also Ace, Diana's sisters helped me and the team on several occasions.

Me: Yeah. They helped us battle against Margie.

Ace Ukiyo: Oh wow! That is cool!

Lola: Yep. It's true.

Nico: She was that boy hater

Ace Ukiyo: Oh man yeah I remember hearing about that. That was nuts.

Lola: It was.

Me: I'll send a message to Hippolyta and tell her that Diana's sisters had this happen to her.

I did so with my telepathy and told her everything. When it was done she was shocked and horrified but thankful her daughters are safe.

Me: Hippolyta is thankful her daughters are safe. But she is glad Swartz is gone too.

Nico: Thank goodness.

Horsea: We killed Margie in the last days of last year

Ace Ukiyo: Good riddance.

Nico: Both of them are dead.

Laney: Yep.

Eleanor Prince: Good.

Me: Long story.

Eleanor Prince: I'm glad. Thank you. But this is perfect because I use stealth moves.

Me: Cool!

Nico: Who's your friend?

She reverted back and it was a black hair version of Nora!

Nora Valkyrie: (GASP) NORAH!

Norah Valkyrie: Nora!

They went and hugged.

Me: Wait they have the same name?

Nora Valkyrie: In a way we do. This is my twin sister Norah. Except she has an H at the end of her name.

Me: YEAH!

Qin: Take that!

Nico: Nice job!

Aria Apollo: Thanks! It was fun.

Camie: It sure was!

Star Strike: Do you have a good memory of Nico?

Aria Apollo: I sure do. When me and Nico battled a bunch of members of the Italian Mafia and we brought them to justice.

Nico: That was fun.

Qin: It sure was.

They hugged.

Nico: I've missed you.

Aria Apollo: Me too.

We later went back home

Gadd, and now, she was all alone, but she wasn't going to be deterred from her revenge.

This time, we're stopping her plans of world domination and Adrian Morrigan's going to transform to stop her and we're sending her to The Black Abyss thanks to a spell The Goths of Darkness have made for someone like her.

Lincoln: Whoa, we're here in The Last Resort, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're heading there for a huge battle: Adrian Morrigan's younger sister, Cordelia Morrigan, who's finally broken free from her prison in the paranormal dimension thanks to Zachary Nightingale, and she'd taken over the hotel in order to gather an army of ghosts to get revenge on Adrian Morrigan.

Adrian Morrigan: Yes, but I stopped that plan in its tracks by trapping Hellen Gravely and all the other ghosts working at the hotel in containers in the Vault of Professor E. Gadd, and now, she's all alone, but she wasn't going to be deterred from her revenge. This time, we're stopping her plans of world domination and I'm going to transform to stop her and we're sending her to The Black Abyss thanks to a spell The Goths of Darkness have made for someone like her.

Me: Wait, what is it?

Lucy Loud: It's a spell that'll destroy her body and soul and send her straight to The Black Abyss for eternity after Lincoln sucks out her powers and makes them his own.

Adrian Morrigan: Yes, and I also fed him some of my blood and he also gained the powers of all the ghosts from Luigi's three adventures when he went to stop King Boo, the powers of the Boos, King Boo, my mother, Boosette, and the powers of The Dark Moon, along with adding on to his powers of darkness, dark fire, dark lightning, dark magic, black magic, and Satanic Magic.

Nico: You realize you just made Lincoln even more of a powerhouse than ever, Adrian.

Adrian Morrigan: I already know, and I know he drank some of Booette's blood during his date with her yesterday, so that also made him even more powerful than ever as his power is far greater than King Boo's and my sister's. Now, we need to get going.

We headed inside The Last Resort.

Lily: The Last Resort, a haunted luxury hotel situated in a region inhabited by extremely rare ghosts, but its façade hid the fact that it was a trap created by King Boo, and now, it's inhabited by an insane she-witch named Cordelia Morrigan.

Lincoln: Time we cleaned up this place and send her packing!

We immediately got to work using our Poltergust G-00s and we sucked up the ghosts in every room we went into on every floor of the hotel, and we even took care of the Boos that took over the rooms on every floor of the hotel as well.

Sting Chameleon: That takes care of the ghosts we vacuumed up and sent to Professor E. Gadd's vault, now where's Cordelia?

Adrian Morrigan: She's on the rooftop of The Master Suite.

Suddenly, we got a call on our Dual Scream Communicators: it was Professor E. Gadd.

Professor E. Gadd: Ah, Team Loud Phoenix Storm, thank goodness you arrived to stop Cordelia, and I've sent Luigi to come to you.

Just then, Luigi armed with his Poltergust G-00 and his Polterpup arrived.

Professor E. Gadd: And as you said, Cordelia's on the rooftop of The Master Suite, but be careful, who knows what she's up to.

Adrian Morrigan: I know, Professor.

We closed our Dual Scream Communicators.

Adrian Morrigan: Let's get going and head to The Master Suite and to the rooftop to stop Cordelia Morrigan and send her to The Black Abyss.

We went to the elevator and we arrived in The Master Suite, and we ran to the entrance to the roof.

Adrian Morrigan: This is it. Now, to put an end to this.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she

has the body of a goddess and large breasts, long purple hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Comic Relief, she has a darkness greatsword in her right hand, and with her are the the eleven girls.

Lincoln: (GASPS) Renata Balthazar, Gene-Slammer and Avatar of Abyss Actor - Comic Relief.

Renata Balthazar: That's right, and I got the girls away from that psycho before she could trap them in paintings.

Adrian Morrigan: I knew she tried something like that.

Suddenly, Adrian Morrigan's purple eyes started glowing and they became a mixture of purple and pink and the sclera of his eyes turned black as a purple energy aura surrounded him and he started levitating off the ground. We thought it was The God of The Dark Moon, but it wasn't, it was Adrian's doing.

Adrian Morrigan: Let's make her pay for what she's done.

We opened the door, and floating in mid air was a girl with dark brown hair with purple highlights, purple and pink eyes, and she was dressed in a black gothic dress and dress shoes: it was Cordelia Morrigan, Adrian Morrigan's younger sister and the malicious, evil, insane, unhinged daughter of King Boo and Boosette.

Cordelia Morrigan: Team Loud Phoenix Storm, and my pathetic older brother. I should've known you'd show up here!

Then, Boosette appeared.

Boosette: Cordelia!

Cordelia Morrigan: Mother! (GROWLS) I'M ABSOLUTELY SICK TO DOUBLE DEATH OF ALL OF YOU! THIS IS IT, ALL OF YOU ARE GOING TO DIE AND I WILL RULE THE ENTIRE WORLD! (LAUGHING PSYCHOTICALLY)

Adrian Morrigan: I've had enough of you, Cordelia, this is where it all ends.

Suddenly, Adrian Morrigan's purple-pink eyes turned neon purple-pink and he was surrounded by a black and purple-pink, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and as he approached Cordelia Morrigan, he left black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels with every step.

Adrian Morrigan: No matter how many years had passed since I defeated you and banished you to the paranormal dimension, it's clear that you were never going to learn your lesson nor change because you are incapable of that. Well, then, I've had it up to hear with you. Cordelia Morrigan, this is where we sever our final ties to each other, and this is where your life ends here and now.

God of The Dark Moon: (Through Adrian Morrigan's Dark Moon mark on his forehead) As are all of the ghosts of Evershade Valley and The Last Resort. Cordelia Morrigan, this is where you meet your end here and now.

Adrian Morrigan went after Cordelia Morrigan, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit her. Then, he also attacked her by flashing the Strobulb in her face and blinded her, and the ring of Boos around the flashlight's head fired purple energy beams at Cordelia Morrigan which hit her hard.

Then, Cordelia Morrigan turned invisible, but Adrian Morrigan used the Dark Light Device and exposed her which stunned her. Then, Lincoln went at Cordelia Morrigan and he grabbed her and he sucked out all of her powers and made them his own and rendered her powerless.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Cordelia Morrigan, and he proceeded to brutally smash him right into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON CORDELIA MORRIGAN! HE WAS REALLY GOING APESHIT ON HER MISERABLE HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN ALSO SLASHED HER WITH HIS MASSIVE GREATSWORD AND FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HER AND SHE SCREAMED IN AGONIZING PAIN!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you after you die.

We saw Cordelia Morrigan was a mess: Lincoln left claw marks on her body and clothes.

Lincoln: You don't deserve mercy whatsoever for your crimes, Cordelia Morrigan. You caused so much trouble for the ghosts of Evershade Valley and The Last Resort along with your older brother with all your schemes, and because of it, you've doomed your soul to eternal damnation and no atonement for all your sins in the past can save you from the fate that now befalls you: eternal damnation in The Black Abyss.

LINCOLN SHOT THEM AN EXTREMELY DEATHLY GLARE AND THAT MADE CORDELIA MORRIGAN SO SCARED, SHE SCREAMED IN FRIGHT!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, LINCOLN SHOT HER DOWN WITH THE FACT SHE'D CAUSED HER BROTHER AND EVERSHADE VALLEY'S GHOSTS AND THE LAST RESORT'S GHOSTS SO MUCH TROUBLE AND TELLING HER OF HER FATE ALONG WITH A DEATHLY GLARE AT HER TOO!

Eli: He's done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW HER, LINCOLN! OY FUCKER, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELF A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, YOU BITCH!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN THE BLACK ABYSS, YOU MISERABLE DEMON!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to that demon.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to her.

Luna: And what Lincoln said was true, now she's really doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

Cordelia Morrigan lay on the ground defeated by us, and then, Adrian Morrigan and Luigi grabbed her with the vacuum heads and pulled back, and then, they proceeded to slam her hard onto the ground many times, and then, Adrian Morrigan fired a beam of purple-pink energy that eviscerated Cordelia Morrigan into ashes and he banished her soul to The Black Abyss forever. We cheered as we holstered our weapons and powered down, and Adrian Morrigan's new body, clothes, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, twenty-five large black and purple-pink planets orbiting around his legs, twenty-five smaller black and purple-pink planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and purple-pink planets orbiting around his wrists and ankles and massive dark brown angel wings and eleven sets of larger dark brown angel wings underneath his massive dark brown angel wings are permanent, and we went back to The TLPS Flying City Fortress, but not before Adrian Morrigan used his powers to repair and make changes to The Last Resort, and Professor E. Gadd was made the new manager and owner of the hotel.

Adrian Morrigan: Now, my sister's gone forever, and she's never coming back. And the newly rebuilt and renovated Last Resort's going to go well under Professor E. Gadd, he's always been wanting to study new and rare ghosts.

Damien: Yes, and now, he'll have that chance to do so.

Luigi: (Italian Accent) At last, it's over.

Lincoln: You got that right, now Cordelia Morrigan's gone for good. (To Renata Balthazar) And it's so good to see you again, Renata.

Renata Balthazar: You too, Lincoln, it's been seven years since we last met.

Suddenly, Renata Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Renata Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Renata Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around

Renata Balthazar and hugged her, and Renata Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and nine other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Renata Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Renata Balthazar, Gene-Slammer and Avatar of Abyss Actor - Comic Relief, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-

Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Renata Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Renata Balthazar really hates Luan with a blazing passion, and she also knew how to bring down Luan's act when she tried to play her monstrous pranks on Lincoln and the others, and all it took was one planned out performance from Renata, and Luan was done for.

Nico: Lincoln showed us what you did to Luan, and that was an awesome performance you two pulled.

Renata Balthazar: I've seen how Luan puts on her little act and causes havoc when April 1st comes. But, I'm an experienced actor with many years of experience on stage, I can easily see right through someone's act, so it was easy for me to bring the curtain down on her act and humiliate her big time.

Nico: Still, I would've thought it to be impossible.

Me: I thought the same thing, but Lincoln's Guardian Angels always see right through the acts of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and Adriana is indeed an expert and experienced actor who's able to read someone's act and bring the person down.

Lincoln: She really pulled one over on Luan and she and I both put an end to her April Fools rampage that day many years ago.

Luna: We were so impressed by what she did to pull one over on Luan.

Lori: It's about time someone pulled one over on Luan for everything she's done: all of those pranks she pulled on us every April 1st, hearing her insane malevolent laughter, and always worrying when she was about to strike, it was awful.

Lincoln: Luan got a tasted of her own medicine when she tried to mess with Renata, and she wound up getting her act ruined and got grounded for two months because of it, and now that you're here, Renata.

Lincoln with his massive muscular arms still wrapped around Renata Balthazar's waist leaned his head down to the right side of Renata Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Renata Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Renata Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Renata Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Renata Balthazar.

Renata Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Renata Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Renata Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Renata Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adriana Balthazar: (In Heaven) My God. Oh, Lincoln, the eleven girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eleven girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The eleven girls are Funae Numata, Hoshimi Umino, Jinko Iwasa, Kurumi Hanaeda, Mao Isomura, Sakura Nogami, Sora Umino, Suzuka Kurihara, Tae Tsuyuki, Tamae Anno, and Tsukiko Umino from Non Stop ~Watashi no Oppai Sawaranai de~

Lincoln: Oh whoa, it's Funae Numata, Hoshimi Umino, Jinko Iwasa, Kurumi Hanaeda, Mao Isomura, Sakura Nogami, Sora Umino, Suzuka Kurihara, Tae Tsuyuki, Tamae Anno, and Tsukiko Umino from Non Stop ~Watashi no Oppai Sawaranai de~

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Funae Numata: Yes, we're okay, thanks to you.

Then, when Funae Numata and the other ten girls saw who it was that saved them from Cordelia Morrigan, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and ten-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The

Funae Numata: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Funae Numata: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Funae Numata, Hoshimi Umino, Jinko Iwasa, Kurumi Hanaeda, Mao Isomura, Sakura Nogami, Sora Umino, Suzuka Kurihara, Tae Tsuyuki, Tamae Anno, and Tsukiko Umino with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and now, we're finally rid of Cordelia Morrigan forever.

Lincoln: That's right, and we also repaired and renovated The Last Resort, and Professor E. Gadd's now become the new manager and owner of The Last Resort.

Nico: And he now has a chance to see the rare ghosts coming to the hotel.

Me: And it's also now a place where both humans and ghosts can relax.

Eli: That's for sure, and with Cordelia gone, peace has been restored.

Adrian Morrigan: Yes, that's true, but I also got to keep an eye on my father, if he tries anything to get revenge, I am personally going to have him trapped back inside that painting for all eternity!

Nicole: Vypra's keeping an eye on King Boo to make sure of that.

Maria: That's right, she's keeping an eye on that lunatic to make sure he doesn't try anything.

William: But, if he does, then you can trap him in a painting again.

Adrian Morrigan: Alright.

After Lincoln and all of us destroyed Cordelia Morrigan and sent her to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Renata Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Adriana Balthazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Renata, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Renata Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Renata Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Lincoln got a message, and it's not good: it appears Scoots' sister, Mopes, is back in town and she's on the rampage.

Lincoln: Oh crud! Everyone, get into high gear, Scoots' sister, Mopes, is back in town and she's on the rampage!

Selene Emperyous: What?! So, that old goat's sister is finally on the move! Let's get her!

Lincoln's Guardian Angels: THAT'S IT, THAT OLD GOAT'S SISTER IS GOING TO GET IT NOW! LET'S RIP HER TO PIECES!

Me: UH OH, IT'S WAR!

Nico: They're gonna tear Mopes to pieces! Let's get some front row seats!

Lincoln and his Guardian Angels flew out, and we followed them, and we arrived in the western part of Gotham Royal York, and just as expected, Scoots' sister, Mopes, was on the rampage vandalizing and destroying property, destroying cars, and running people over with her moped.

Eli: What in the...?!

Nico: Shit, she's just as destructive and bad as Scoots! That old goat is gonna pay for this!

Lincoln: Alright, now where is that old goat hiding?!

Suddenly, we heard the sound of an electric moped heading right for us, and we saw who it was: it was Mopes, Scoots' sister and just as much of a troublemaker as her sister.

Mopes: You killed my sister, and now, you're gonna pay! (SCREAMS)

MOPES KICKED HER MOPED INTO HIGH GEAR AND CHARGED AT LINCOLN AND HIS GUARDIAN ANGELS, BUT THEY FIRED BLASTS OF ENERGY AND ELEMENTS AND THEY HIT MOPES' MOPED AND DESTROYED IT AND SENT MOPES FLYING OFF! SHE GOT BACK UP, BUT THAT MADE HER MADDER THAN EVER!

Selene Emperyous: Seriously, you're blaming us for your sister's death?! News flash, your sister brought this upon herself!

Anna Anyanova: That's right, Scoots has been nothing but trouble to all of Royal Woods for years and she's been a major pain in the ass towards everyone with her heckling and harassment!

Eman Reynolds: Not to mention that she killed Claudia Cloudian by skewering her with a sword made of glass and that broke Lincoln's heart and she just laughed at him like the cruel old witch that she is!

Nicholette Torrington: And you're just as bad as her, Mopes! You ran over the feet of many people on that moped of yours and you and Scoots both caused a shit ton of trouble in town for so many years, it wasn't even funny! And you also even heckled many of Lynn's teammates as well!

Lynn: I thought it was Scoots, but to find out that it was you who heckled my teammates?! You really are just as bad as your sister, you old goat! Lincoln and his Guardian Angels are going to rip you to pieces for this!

Lincoln: And that's exactly what I'm going to do to her, Lynn.

Time to die!

Lincoln's Guardian Angels: THIS IS THE END FOR YOU, MOPES! PREPARE TO JOIN YOUR SISTER IN DEATH!

LINCOLN'S GUARDIAN ANGELS UNHOLSTERED THEIR GREATSWORDS AND THEY AND LINCOLN WENT AT MOPES AND THEY BRUTALLY TRASHED HER HARD INTO THE GROUND!

Me: Damn!

Nico: Oh man, that's just brutal!

Eli: Too brutal! I knew Lincoln hated Scoots for all the trouble she's caused and it got that bad when we found out about the times she'd tried to kill him and also the death of Claudia Cloudian at Scoots' hands all those years ago, now it's pure hatred and rage that's guiding him to avenge all those who'd been hurt by Scoots and Mopes.

Lincoln fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, orange and yellow, red, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Mopes and they exploded with incredible power as they hit her.

Then, he attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow, white, golden yellow, and blue energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well, and they hurt like Hell.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Mopes, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Mopes.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Mopes, and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Mopes hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Mopes was on her last legs and she was really mangled.

Suddenly, beams of rainbow light exploded out of Mopes: she's just as bad and evil as Scoots, and she exploded and she was sent to The Black Abyss as Lincoln powered down.

Lincoln: And good riddance forever.

Claudia Cloudian: Lincoln..., are you...?

Lincoln holstered his massive greatsword on his back and he suddenly hugged Claudia Cloudian tightly as she placed her hands on his massive pecs, and his other Guardian Angels hugged him as well.

Me: I hadn't seen that scene since last year when we killed that clone of Scoots.

Nico: I know. But, this now means the plague of Scoots is gone forever.

We returned home to The World Tree Estate and continued working out.

Lincoln: I do feel a lot better knowing that Scoots, Mopes, and Killjoy Huggins are gone forever, along with Flip and his damn family, but Hawk, Hank, Morag, and Dark Chase Young are still out there, and I won't rest until they too are gone forever.

Me: We'll make absolutely sure of it, Lincoln.

Nico: Dark Chase Young and Morag are no doubt going to die at your hand if we ever run into them, but Hawk and Hank, when it's someone's day to shine, we'll get rid of them for good.

Caleb Maxwell: That's for sure. Oh, Lincoln, there's something you should know. A few months ago, I know you don't want to know about this but, Sebastian murdered the Stankcos and their entire family not long after Anti-Monitor brought 310 of your worst enemies back.

Everyone: WAIT, HE DID WHAT?!

Sebastian Mendez: I know that you guys didn't want anything to do with them anymore, so I...I went behind your backs and murdered the Stankcos and their entire family in cold blood and devoured their souls!

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

Eli closed our jaws.

Buster Bunny: I...I can't believe you did this! Caleb, how did you know about this?

Caleb Maxwell got out a video as it played on the screen, and the video matched the date of when Anti-Monitor brought back the 310 villains we'd killed, and Sebastian did indeed murder The Stankcos and their entire family in cold blood and he was covered in blood and he devoured their souls!

Nico: HOLY SHIT!

Me: DAMN!

Lincoln: And when you and Nico transformed and we did that attack to purify the darkness that still lingered inside him, not only did the darkness get sent to The Black Abyss, but it also sent the souls of The Stankcos and their entire family to The Black Abyss as well.

Lori: Looks like your darkness wanted one last desire for bloodshed and one last chance to say fuck you to us. You're lucky it was your darkness that made you behave like that, if that was indeed your true nature, we would've murdered you and left you in a ditch.

Lincoln: Now, now, Lori, that's enough. I think Sebastian's already been punished enough for all of his dark deeds and madness.

Nico: I was about to say it, but you really handled it well, Lincoln.

Me: That proved that Lincoln was the more mature one of the family.

Laney: Same with me, but Lincoln was more mature as you said, J.D.

Luna: While we on the other hand were chaotic and loud.

Lana: You got that right. (BELCHES)

Sebastian Mendez: Gross.

Suddenly, Buster Bunny was about to dump a bucket of mud on Sebastian's head, but he dodged the incoming mud, but he kicked Buster into its path, and he got covered in mud.

Buster Bunny: Yuck! Gross! Sebastian, you're gonna pay for this!

Then, Sebastian dumped a bucket of worms on Buster's head.

Plucky Duck: (LAUGHING) HE GOT YOU GOOD!

But, bad mistake: Sebastian grabbed Plucky Duck and threw him into the pile of mud and worms and he was also covered in mud and worms.

Buster Bunny and Plucky Duck: OF COURSE YOU REALIZE THIS MEANS WAR, SEBASTIAN MENDEZ!

Qin: OH! NOW, YOU'VE GONE AND DONE IT!

Me: When Bugs said his classic line, it never ends well for the wiseguy who gets him mad, and for you, you just threw open the Gates of Hell, you realize that!

Shirley the Loon: That was like so immature of you.

Sebastian Mendez: Like I even give a single care after all the humiliations you all dealt unto me in the past!

Babs Bunny: And for you to cover Buster and Plucky in worms and mud, and show no remorse for it! You muttonhead!

Babs Bunny threw a clothing iron at Sebastian's head!

CLANG!

IT HIT SEBASTIAN IN THE HEAD AND HE HAD A LUMP THE SIZE OF THE EMPIRE STATE BUILDING ON IT!

Sebastian Mendez: OUCH!

Qin: Be thankful it wasn't a feather duster.

Babs Bunny: That's right, now clean up the mess you made, or I'll dust your brains out!

Sebastian Mendez: (Grumbling)

Sebastian cleaned up the mess he made and Buster Bunny and Plucky Duck got cleaned up.

We got a shower, and then, Lincoln, Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden are heading to Sirena Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Azusa Shiratori: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Azusa, and it's perfect for our first date, shall we?

Lincoln, Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Princess Ori: (Swooning) My goodness, so manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden and hugged them in their abnormally massive and powerful muscular arms, and Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden are in your harem, Linky.

Rei Hōōmaru, Azusa Shiratori, Princess Ori, Natsume, Kurumi, Hinako Ninomiya, Bounce Back, Lefty Mario, and Nurse Golden showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Natsume: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo,

Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next Ridonculous Race challenge starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and

soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yeah!

The mascots came in with a cart covered by a tarp and Ed and Eddy were dressed as a security guards.

Pyrrha: What is it you guys want to show us?

Poromon: Feast your eyes on these.

Ed: [wheeling the cart forward] "Imported by an armored truck from the house of European wieners."

Eddy: "Behold!"

Ed: "Behold."

[Ed rips the cloth cover off. And we saw glimmering jewelry made of tanzanite and gold!]

Me: Wow!

All of us: Wow!

Nico: OOH!

We saw rings, bangles and more of many kinds made of tanzanite gemstones of different shapes.

Me: Wow! Look at all this!

Nico: It's beautiful! Where did you get these?

Poromon: We made all this!

Nora: You guys made all these?!

Qin: Wow!

Poromon: We used the crystals and gems from the Tanzanite Crystal Cave and made all this jewelry. We made the jewels from them and made the jewelry and more.

Camie: These are amazing!

Rainbow Dash: These are so awesome!

Rainbow Dash tried one on and it suited her perfectly.

Rarity: My goodness guys! These are simply magnificently made!

Lola: They sure are.

Me: Wow!

Spike was drooling at the sight of them.

Spike: Boy these must be so delicious.

Aligned Megatron: Let me guess. You want to eat some?

Spike: Uh huh!

Me: I forgot how much Spike likes to eat jewels.

Twilight Sparkle: Spike these aren't for eating.

Me: The mascots made all these. Besides these are works of art. What are you gonna do with these?

Poromon: Many of these we gave to jewelry stores to sell.

Me: Wow! I got to say though, you guys have amazing talent when it comes to this.

Poromon: Yep. That's not all we can do.

Optimus: Oh, you guys have demonstrated to be hilariously involved in certain things

Poromon: But we're talented in many more things than just making you all laugh.

Qin: Yeah that is true.

Nico: Yep.

Lola: Still cool though.

Qin: Yep.

Misfire: Spike, I realize we can't keep your hunger at bay. So, why don't you eat the spare jewels?

Poromon: Oh yeah we have those.

Poromon gave him those.

Spike: Oh boy! Thanks!

He was eating them.

Nico: (LAUGHS) Fun.

Me: Boy these are awesome guys. Well done.

Manaphy: Thanks.

Me: You're welcome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, the fucked-up monster, Tyrian Callows, he's come back from the dead and he's in the Unova Region and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, the fucked-up monster, Tyrian Callows, he's come back from the dead and he's in the Unova Region and causing havoc.

EVERYONE GASPED!

Qin: WHAT?! TYRIAN CALLOWS IS BACK?! THAT FUCKED-UP MONSTER!

May: Oh, that's it, he's gonna be torn to absolute fucking shreds for this!

Me: That's for sure, I've had it up to hear with that fucked-up piece of shit monster to last an eternity and this time, he's gonna pay!

Nico: That's for sure, and he's allied with Elise Elexton, now he's gonna get his ass kicked harder than ever. Lincoln, where's he at?

Lincoln: Tyrian Callows is at the Unova Region in Nimbasa City.

Me: Which is our next stop.

Nico: This is gonna be intense and messy. Alright, team, let's get going!

Lincoln: This is the last time we ever have to deal with that monster. Tyrian Callows, your time is up! This is where we end your pathetic life here and now!

Me: YEAH! Especially after all the times atrocities he did!

Salem: Looking back I should have never had him in my inner circle.

The previous group came.

Blizzard: Can me, Roquefort, Ssserpent, Demyx, Duskmon, Dark Laser, Roman Goodwin, Abomination, Scorcher and Gizmo go with you guys?

Nico: Yes you all can come with us.

Demyx: Awesome. Wow! Those jewels are amazing.

Me: You wouldn't believe who made them.

Poromon and the mascots smiled.

Duskmon: You guys made these? Wow!

Nico: Yep they are that gifted.

Me: Yep.

Carnivac: Boss, which Gene Slammer do you think you'll meet next?

Nico: Dianamon next.

Me: Ooh! Moonlight power.

Xenia: Yeah.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and nine sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Selena Midnight Sunny Flare, Midnight Princess of Dark Magic Sun Cruelty, and she's coming after us at The Unova Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the tenth of The Midnight Princesses, Selena Midnight Sunny Flare, Midnight Princess of Dark Magic Sun Cruelty.

Callie Parsons: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by The Daydream Magic of The Sun.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to The Unova Region and destroy Tyrian Callows for good!

Lincoln: This is the last time we ever have to deal with that monster, this is where we end his pathetic life here and now, and once we got done with him, you're next, Selena Midnight Sunny Flare.

Callie Parsons: The suffering you've caused all those years ago can never be forgiven, Selena, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The TLPS Flying City Fortress ready and we headed out to The Unova Region to meet up with Don and hunt down and put a permanent end to the psychotic incarnate monster, Tyrian Callows, and once we got done with him forever, Callie Parsons and Lincoln are going to take out Selena Midnight Sunny Flare, Midnight Princess of Dark Magic Sun Cruelty.

We were off to Nimbasa City.

We arrived in Nimbasa City.

Me: Ah, we're here in The Unova Region in Nimbasa City.

Nico: This is our next stop on The Ridonculous Race.

Then, we saw Don arrive.

Don: That's right, guys. We found another of Dark Gale's bases as well.

Lincoln: Along with Tyrian Callows who's come back and he's causing havoc once again. But, this time, we're gonna make sure that he finally stays dead once and for all, and he'll never ever come back!

Qin: YEAH!

Nico: It's amazing.

Qin: Yeah.

Ssserpent: Let's call Po Kong.

Me: Good idea.

Po Kong then came.

Po Kong: I'm here everyone.

Bai Tza: Glad to have you with us sister.

Po Kong: It's good to be here.

Sid Arkale: What's Nimbasa City famous for?

Rubanoid: Besides being the home of Elesa?

Ash: Oh there are so many things we did here.

Me: Wow.

Elesa: But it's good to be back here again.

Me: It sure is. Wow.

Laney: Wow sounds like you had a lot of fun here.

Meowth: I sure did. It's where I ended up helping everyone.

Me: Really?

Meowth: Yeah.

Iris: We helped a Purrloin get back with her owner after it thought she was lied to.

Me: Really?

Meowth: Yeah she had an accident and thought she was abandoned.

Me: Ouch.

Lola: Yikes.

Camie: Not good.

Me: That must've been rough.

Meowth: It was.

Duskmon: Is that a Meloetta?

Nico: Huh?

Me: Hey it sure is.

She flew over to us.

Me: Wow she seems excited.

She landed in Sunny Flare's lap.

Sunny Flare: You sure are excited to meet us. Would you like to come with me?

She nodded.

Me: That was easy.

Supernova Zap: How should we kill Tyrian?

Po Kong: I could eat him or squish him.

Me: How about we flip a coin for that?

I pulled out Two Face's coin.

Me: Heads for eat him, Tails squish him.

Ace Ukiyo: How can you tell?

Me: The head that's unscathed is heads and the head with an X scratched into it is tails. This is Two-Face's coin. Comes with the powers we got from him.

Nico: Okay.

Po Kong: Okay then.

I flicked it.

TING!

I caught it and put it on the back of my hand and it showed the head with the X on it.

Me: Tails.

Po Kong: Squish it is. I just remembered, I tried eating a version of him before. Tasted like raw sewage and rotten ham.

Me: YUCK!

Roman Goodwin: You ate a version of him? When was this?

Po Kong: After the Great War with the Royal Defenders.

Roman Goodwin: Oh.

Bai Tza: Yeah it was bad. Po Kong told me all about it and it was gross. She said it was the worst thing she ever tasted.

Tso Lan: I didn't expect her to be so picky about that. She always did like eating all humans no matter what they tasted like.

Me: Guess some humans give her indigestion.

Sinnertwin: Must be because he's a Scorpion Faunus.

Po Kong: That could be it.

Blake Belladonna: Yeah.

Me: Well we'll deal with that soon.

Meloetta then gasped and pointed to something.

Sunny Flare: What is it? (Gasp) Look!

We saw a Tapu Lele!

Me: WHOA! Tapu Lele!

Gizmo: What's that doing here?

Nico: I think I know.

J.D. 2: This has Dark Gale on it.

Lemon Zest: I have that feeling too. Let me see.

Lemon Zest used her Telepathy and gasped!

Lemon Zest: That's my sister Grapefruit Oasis!

Me: Whoa man! Lets go help her out.

Me and Lemon went to face her.

Lemon Zest: Grapefruit calm down and let us help!

All she did was charge at her and we dodged her.

Me: WHOA! Guess we do this the hard way.

Lemon Zest: Yep.

Me and Lemon fired waves of leaves and grass and blasted her down.

Lemon Zest: Yeah!

I fired lightning blasts and electrocuted her.

I then snapped my fingers and she revered back and was a girl with light pink hair, yellow eyes, had Tapu Lele in the middle of her forehead and had pink angel wings and had a pink version of Lemon Zest's Cutie Mark and the Equestria Emblem on her arm.

We wrapped her in a blanket and brought her over.

Nico: Awesome!

She woke up.

Grapefruit Oasis: (Groans) What hit me?

Lemon Zest: Grapefruit?

Grapefruit Oasis: Lemon? (Gasp) It is you!

She hugged her.

Lemon Zest: Thank goodness.

Me: You were turned into a Tapu Lele by Dark Gale.

Grapefruit Oasis: (GASP) I remember!

FLASHBACK!

She was in a neon green suit and injected and then turned into psychic energy and then turned into Tapu Lele! She flew out of the base.

FLASHBACK ENDS

Grapefruit Oasis: It was awful.

Me: I know. We're in the process of killing Dark Gale now. We've already destroyed 9 bases. We're in the process of destroying Base 10 here.

Grapefruit Oasis: That's good.

Nico: Your roll in Sonya's team?

Grapefruit Oasis: Well I'm the plant master of the team. I use plants to bring down our enemies.

Laney: That is cool!

Grapefruit Oasis: It sure is. Outside the team I'm a Grapefruit Farmer.

Lemon Zest: Me and my family live on an orange and citrus fruit farm. We farm oranges, lemons and all that. Including grapefruit.

Me: Wow that is cool. I don't like grapefruit though. It's too sour.

Grapefruit Oasis: I know. But I love the stuff. I want to have a good diet like my idol Cass Elliot.

Me: Cass Elliot? Wow! She was a great singer and comedian. Shes been dead for over 50 years.

Shaggy: Like that brings back memories. Me and the gang went to her factory and solved the mystery of the Green Globs.

Qin: That is cool! Those green globs were lead by Sterling Smith, the International Gold Swinder. He robbed a bank of $2,000,000.00 in Gold bricks. He was going to get all that gold out of the country in Cass Elliot's candy bars.

Horsea: Whoa!

Me: That was a very clever operation too.

Camie: Yeah.

Grapefruit Oasis: Wow! Also I sing all of Cass's songs while working in the farm.

Me: That is cool!

Velma: You could give those candy bars to Shaggy to eat and fly him to Brazil.

WE LAUGHED HYSTERICALLY!

Grapefruit Oasis: (LAUGHS) That is funny!

Shaggy: Like, it's true. Cass did say that to me.

Me: That is funny.

Shaggy: Yeah.

Grapefruit Oasis: How did they do all that?

Qin: They used metal grinders to grind the bars into powder and mix in the gold with the candy bars to swindle it out of the country.

Grapefruit Oasis: Very clever!

Me: Yeah we thought so too.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new pink and green clothes and a nature sword.

Grapefruit Oasis: Wow I look awesome!

Me: You sure do.

Nico: I was concerned when we didn't see you earlier.

Me: Well we're not doing Super Mario Odyssey anymore so they got to appear somewhere.

Nico: Yeah.

Grapefruit Oasis: I know.

Lincoln: WHOA! Guys I had a premonition on the next Akuma. It's Nora's Akuma, Pancake Maniac. The Hypothetical Akuma of Nora Valkyrie and she is a living stack of pancakes and has all the powers of pancakes. Syrup, strawberries and more. She was made because of Cinder Fall killing Pyrrha and vowed to kill her.

WE GASPED!

Nico: WHOA!

He showed us a sketch of her and she looked like a LIVING STACK OF PANCAKES!

Nora: WHOA!

Volt Luster: It's actually fitting.

Brontes: And yummy!

Nora Valkyrie: I love pancakes! But I never imagined that I would be turned into this! I'm going to eat her!

Me: You eating your own Akuma!? That would be so awesome!

Lola: Yeah!

But then...

KRASPLAT!

Nico got splattered all over with MAPLE SYRUP!

Nico: HEY! (Slurps) Yummy maple syrup! OKAY WHO IS THE WISEASS!

Scorcher: I bet that was from her

Me: LOOK!

We saw her! It was PANCAKE MANIAC!

Me: WHOA!

Pancake Maniac: (LAUGHS) Love my surprise?

Me: That was funny!

Nico: DRENCH ME IN SYRUP WILL YOU!?

Roxas: Nora? Is that you?

Pancake Maniac: Yes it's me.

SPLAT SPLAT SPLAT!

She hit us with strawberry jam!

Me: (Slurp) Yummy! Strawberries.

Nico: Cut that out!

Pancake Maniac: NEVER!

Me: Oh one of those Akumas eh?

Abomination: We might not be going after Cinder. But Tyrian is the next best thing. So, just calm down, okay?

Qin: Yeah!

Pancake Maniac: Not until Cinder is dead!

Me: We will kill her. But until then...

I fired waves of energy and blasted her all over.

Po Kong: I could use a little appetizer!

Po Kong ate half of her!

CHOMP!

Po Kong: Yummy!

She regenerated.

Me: Wow!

Po Kong charged at her and jumped and squished her!

SMASH!

Nico: WHOA!

Lola: Nice one!

Pancake Maniac regrew.

Pancake Maniac: My turn!

SHE FIRED NUMEROUS PANCAKES AND PO KONG ATE THEM ALL!

Po Kong: (GULPS) (LOUD BELCH) Now that was better than eating Tyrian!

Nora: Time to eat this monster!

ZOOM!

She ran and ATE PANCAKE MANIAC IN ONE BITE!

LOUD BELCH!

Nora was stuffed!

Red Hood: Isn't this the part where she regenerates?

Me: Nope. Nora ate her all.

Nora: She is now inside me in my stomach.

Me: You are not eating anything else for the rest of the day.

We laughed!

Me: (LAUGHS) That's funny. But yeah.

Dark Laser: I get it. Because you ate all of her.

Nico: Yep.

Nora: That's right. Now lets go after Tyrian.

Me: Right! Lets make sure he is destroyed forever!

?: Not before we destroy all of you!

We then saw our next target: Selena Midnight Sunny Flare, Midnight Princess of Dark Magic Sun Cruelty.

Callie Parsons: If it isn't Selena Midnight Sunny Flare, Midnight Princess of Dark Magic Sun Cruelty.

Selena Midnight Sunny Flare, Midnight Princess of Dark Magic Sun Cruelty: You! YOU! How dare you humiliate us like this!

Lincoln: You deserved it, she and all of you were extremely evil to the core, Selena. You all sought to destroy the world, and we weren't going to let that happen.

Selena Midnight Sunny Flare: (ENRAGED DEMONIC SCREAM) I HOPE TYRIAN CALLOWS DESTROYS ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: Selena stop!

Selena Midnight Sunny Flare: Mina!? You're alive?

She flew up to her.

Mina Midnight Sparkle: I'm more than alive Selena. Don't do this. You are better than this. Morgana is only using you Selena. You are not this person. She will only kill you in the end.

Selena Midnight Sunny Flare: (Crying) I'm sorry Mina! (CLUTCHING HER HEAD) (SCREAMS)

Laura Midnight Lulamoon disappeared in a tornado of purple darkness and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Selena!

Callie Parsons: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and destroy Tyrian Callows before that fucked-up monster starts killing once again.

Nico: Right.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with the others.

Lincoln: You got it.

Solana Celestia: And from what we saw, Selena's also going to summon her army of demons as well: The Dark Magic Sun Cruelty Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's go hunt down and kill Tyrian Callows along with Selena's army of Dark Magic Sun Cruelty Demons and trash those Dark Gale grunts and scientists.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down that fucked-up monster!

Nora Valkyrie: Let's tear him apart!

Me: Time to make this as explosive as when I fought Tomura with the Geed team!

Quake Woman: First, we need to find him

Eli: He's in the park.

Me: Then lets go.

Nico: Entrance time!

WE TOOK TO THE AIR TO PROCEED TOWARDS THE FINAL SHOWDOWN AGAINST THE FUCKED-UP MONSTER AND PSYCHOTIC INCARNATE, TYRIAN CALLOWS, AND THIS TIME, WE'RE GONNA MAKE SURE THAT HE STAYS DEAD AND GONE, THIS TIME FOREVER, IN THE BLACK ABYSS!

* * *

We were flying, and there we saw our target: Tyrian Callows, the fucked-up monster and psychotic incarnate of Remnant and he was causing havoc and laughing psychotically.

Lincoln: What a filthy animal. Time to put him down forever!

Lincoln fired powerful blasts of elements and energy from his massive white angel wings and nine sets of larger white angel wings underneath his massive white angel wings which hit Tyrian Callows and he was still laughing psychotically.

Then the spirits of Remnant came and swirled around him and then they converged and then...

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard! We landed.

Me: Hello Tyrian! Miss us?

Tyrian: I will kill you al!

Me: You've got some fucking nerve showing your face here again, you psychotic bastard!

Nico: We thought we'd never have to see your fucked up face again, but it looks like I was wrong!

Lincoln: And it was thanks to Anti-Monitor bringing you back, but not even he could keep you on a tight leash, he should've put you down like the filthy animal that you are, which is exactly what we're going to do to you.

Tyrian Callows: (LAUGHING LIKE A PSYCHOTIC FUCKED-UP MADMAN) We'll see about that! I will enjoy hearing your screams of agony!

Suddenly, we saw a massive army of demons arise and they bore the mark of Selena Midnight Sunny Flare along with Dark Gale grunts and scientists coming out.

Lincoln: So, Selena's sent her army of Dark Magic Sun Cruelty demons and the Dark Gale Grunts and scientists have also come out, huh?

Lincoln fired magic draining blasts that hit Selena Midnight Sunny Flare's Dark Magic Sun Cruelty Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Then, he fired energy draining blasts that hit the Dark Gale grunts and scientists and drained them of their energy and knocked them down and out.

Then, Lincoln tied the knocked out Dark Gale grunts and scientists up and he sent them all to prison, and that left Tyrian Callows all alone!

Tyrian Callows: Now, you will all die! (LAUGHING LIKE A PSYCHOTIC FUCKED-UP MADMAN)

Tyrian Callows went after us, but Lincoln and I fired massive rainbow, white, golden yellow, and blue energy blasts that hit Tyrian Callows and sent him flying into a wall, and Lincoln even chopped off his tail.

Nora Valkyrie: That's just the beginning, you fucked-up psycho! Now, your pain's about to become a lot worse!

Me: Tyrian Callows, You're under arrest!

HE LAUGHED LIKE A FUCKED UP LUNATIC TO THE NTH DEGREE!

Me: This time I'm not going to hold back!

We flew up into the sky and more shockwaves blasted off!

Nico: WOW! WHAT POWER!

Demyx: Dance Water Dance!

He summoned water Nobodies and I kicked Tyrian into the ground and they bashed him.

Me: OMEGA SAGE ART: SUPER TAILED BEAST RASENSHURIKEN KAMEHAMEHA BARRAGE!

I flared up my power and formed 10 clones that had 1 Rasenshuriken of each elemental force of the 10 Tailed Beasts. They threw the 10 Rasenshuriken and I fired a powerful pitch black Kamehameha Wave and the blasts all slammed into Tyrian all at once and exploded with incredibly unbelievable power!

EXTREMELY UNBELIEVABLE AND MASSIVE EXPLOSION OF INCREDIBLY POWERFUL NOVA PROPORTIONS!

He was blasted down from the blast and it was intense!

Me: KAAAAAA MEEEEEEE HAAAAAAA MEEEEEEEE HAAAAAAAAAAAAAAAAAA!

I fired a massive Rainbow Energy Kamehameha Wave and hit Tyrian and exploded with incredible force!

EXTREMELY MASSIVE AND POWERFUL UNBELIEVABLE FIERY EXPLOSION!

When the smoke cleared, Tyrian was badly hurt!

I teleported and kicked Tyrian in his stomach and bashed him in his face and kicked him in his neck, chest and head!

I then went at Tyrian with extreme force and punched him all over the place with extreme savagery!

I fired a massive barrage of energy balls and had them scatter and then had them converge on him and then they hit him all over and explode!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

I blasted Tyrian all over with energy blasts and I kicked him in his face and headbutt him and then punched him in his stomach hard and kneed him in the neck!

I kicked Tyrian in his face and teleported and punched him in his back and teleported and punched him in his face and kicked him in his eyes and I kneed him in his mouth and knocked out some of his teeth!

He flew into the air.

Me: KAAAAAA MEEEEEEE HAAAAAAA MEEEEEEEE HAAAAAAAAAAAAAAAAAA!

I fired a Kamehameha Wave and it hit Tyrian and exploded with incredible force!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Grapefruit Oasis: WHOA!

Lemon Zest: I know!

Nico: J.D. has gotten so strong over the years!

I smashed Tyrian into the ground and flew into the air and I fired a massive and powerful volley of rainbow energy blasts and they hit Tyrian all over and blasted him all over the place with indiscriminate fury and force and power. Then they pinned him down in a powerful dome of energy and then I charged up a powerful energy blast and it was incredible!

Me: TAKE THIS YOU MOTHERFUCKER! MASENKO-HA!

I fired the energy ball and the dome turned red and then…

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

The explosion was so powerful and so devastating that it rocked the area!

Tyrian flew out and I unsheathed my sword and Tyrian formed a sword of darkness then we clashed and powerful streams of lightning blasted out with each clash!

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Lightning struck all over and powerful fires blasted out all over!

Tyrian went at me and I dodged and kicked him in the back and knocked him down!

I punched Tyrian in his face and dodged a punch and then kicked him in the chest and knocked him down. I jumped as he came at me and I kicked him in the back. LIGHTNING STRUCK ALL OVER THE PLACE AS WE WERE FIGHTING AND THE FIRES OF HELL RAGED ON AROUND US AS WE WERE FIGHTING! The fight was so extremely ferocious that it was unbelievable that the entirety of the universe felt it. Massive Fiery Explosions and thunderous shockwaves from our punches destroyed much of the landscape and engulfed it in a massive raging inferno. Lightning intensified in the skies above to an extremely ferocious level and the fires of the Netherworld and Hell raged on at an extremely vicious level to an amazing degree. The fight was so vicious, ferocious, brutal and savage that it was shaking the entire Universe to an incredible level at an intense level. I was gonna make sure that Tyrian suffers for an infinite number of lifetimes for his crimes against the Earth and to countless others. Fiery embers and lava bombs rained down onto the battle and exploded with incredible power. I then punched Tyrian in the face and sent him crashing into the ground and he got up and then we charged toward each other and I punched him in the stomach and we clasped hands. Our auras flared up to such an extreme intensity and our power was so strong and powerful that it was making the entire area of the universe shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning and fire tornadoes intensified even more. Massive fiery explosions blasted off everywhere from the fight and I punched Tyrian in the face again and fired a blast of fire and burned a chunk of his face off.

I punched Tyrian in the face!

I kicked him in his stomach!

Tyrian laughed liked a fucked up lunatic.

Nora: What's so funny

Tyrian: You're my opponent?! You're not even from Team RWBY. You're from the same team as the brat Cinder killed!

Onslaught: But she's still a formidable Huntress!

Nora: And I love breaking legs!

Onslaught:...right, that too

SMASH SMASH!

She smashed his legs with her hammer!

I kicked him into the air and fired 4 more energy blasts at him from the smoke as he was flying and he stopped 2 of the blasts with his feet and the other two with his hands and he was struggling to hold them back. I fired another blast and he saw it coming and I flew up to him as the blasts hit and exploded. In the cloud of smoke I punched him and then we clasped hands and we flared up our auras. Our hands were locked together and our auras mixed and lightning clashed and formed in them. The storm clouds above us intensified and lightning struck at an incredible level at 400 bolts every half a second and the ground was shaking violently at an incredible level. Suddenly from out of no where an energy blast hit Tyrian in the back and exploded and I head butt him and kicked him in the stomach and sent him crashing into the ground! He exploded out with incredibly massive fury!

Nico: YEAH!

But then Tyrian laughed at me and then went at me and punched at me! HIS PUNCHES HIT ME AND THEY DIDN'T MAKE ME FLINCH!

Then, he punched him hard with his gauntlets and kicked him with his graves and he got hit hard.

Then, he balanced himself with his tail and kicked him hard in the crotch and pelvis and shattered them forever as he fell to the ground in pain.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF TYRIAN CALLOWS TO NO END! NOW, THE BATTLE TO FINALLY END TYRIAN CALLOWS WAS ON!

Lincoln, Crash Bandicoot, Red Savarin, Nora Valkyrie, Nico, and I and the rest of us went after Tyrian Callow, and we fired extremely powerful blasts of rainbow, orange and pink, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Tyrian Callows and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Nora Valkyrie also did the same by firing colored, white, golden yellow, and blue energy slashes from her massive warhammer and gold-plated claws, and Lincoln, Crash Bandicoot, Red Savarin, Nora Valkyrie, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Tyrian Callows even angrier than ever.

Lincoln fired red energy blasts that hit the two bullies and we saw he gave them The Min's Egyptian Virility Drain Curse. Then, Lincoln sprouted tentacles with suction tips from his chest and they latched themselves onto the massive pecs, necks, arms, and legs of Pablo and Anderson. Then, the tentacles began sucking them completely dry of their newly gained massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in total pain as they began shrinking in muscle mass and height.

Lori: (Sees the Monitor Orb) There's the Monitor Orb. Lincoln, if you would.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit The Monitor Orb embedded in Tyrian Callows' forehead and it shattered, and not only did we gain a massive power boost, but Tyrian Callows screamed in agonizing pain as he clutched his head.

Eli: That'll teach you, bastard!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf

Grapefruit Oasis was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Violet Thunder.

Violet Thunder: NO! We control the power.

Grapefruit Oasis: It doesn't control us!

They concentrate and reigned in the power of Tapu Koko and Tapu Lele and they transformed into them and blasted him all over.

Me: YEAH!

They reverted back.

Me: Awesome job girls!

Nora used Magnhild on Tyrian's tail

SMASH!

HE SCREAMED IN PAIN!

I punched him in his face.

Poromon pecked him.

Poliwag slapped him with his tail.

Nico: YEAH!

Alolan Raichu charged at him and fired lightning blasts and electrocuted him.

Me: Take that.

Then Dirty Bubble, Pinky & The Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo and Box Ghost came.

Nico: Dirty Bubble, Pinky & The Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo and Box Ghost.

Swordsman: My goodness! What a battle!

Dr. Destiny: We watched it and I ate all my popcorn halfway through it.

Pinky: That Tyrian isn't nice!

Dirty Bubble: Pinky, I think that's putting it lightly.

Me: I agree.

Swordsman: He's doing down either way.

Nico: Yeah!

Onyx: (to Nico) We heard you fought Lazlo's Akuma.

Nico: Yeah we sure did!

Dr. Destiny: (to Anakin) You should take care of that Venipede

Anakin: And I will.

Gamettsui Came.

Me: Gamettsui. First time?

Gamettsui: Yep. I may be in Jean Jacket's team, but I didn't get my shot yet.

Me: Okay then.

Gamettsui: Here's the next Hitotsuki

Out came the Ex-Aid Riders Hitotsuki, Ex-Aideki!

Ex-Aideki: Ex-Aideki, Hitotsuki of the Ex-Aid Riders.

Me: WOW!

Nicole: I like this one already. As the goddess of Video Gaming this one will be cool.

Taro: What is your human form?

She reverted back and it was a girl with black hair, blue eyes and had black clothes and black angel wings and had Dante's cross and a hell sword and had the logo of Dante's Inferno on her skirt, arm, shirt and in the middle of her forehead.

Lincoln: (GASP) Dahlia Alighieri!

Dahlia Alighieri: Awesome to see you again Lincoln and wow you grew into quite a young man!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Dahlia Alighieri, Avatar of Dante's Inferno, she's Lincoln's Guardian Angel from Michigan and part a group of Guardian Angels called The Avatars of The Great Horror Movies, these are girls that represent the greatest horror movies of all time and have the powers and skills of those monsters and have the power to bring your worst fears to life times 100,000,000,000. They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! She's the Avatar of Dante's Inferno and a master of the power of Hell and the punishments of the 9 Circles of Hell and she's the direct descendant of Dante Alighieri and she's a deadly one and she also hates all of Dante's enemies with a vengeance. She's a member of The Avatars of The Great Horror Movies, a group of girls who represent the greatest horror movies of all time and they have the powers and skills of those monsters and have the power to bring your worst fears to life times 100,000,000,000. They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! She came to Royal Woods where she met Lincoln and she even taught him how to use the power of Hell and the punishments of the 9 Circles of Hell, and over time, he not only gained all the power of Hell and the punishments of the 9 Circles of Hell, but he also gained the power of Heaven and the Heavenly Virtues as well, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies and vowed to punish them the same way that her ancestor did centuries ago and send them into the fires of Hell.

Me: WHOA!

Nico: WHOA!

Me: The Avatars of the Horror Movies!? That is amazing!

Nicole: And Dante's Inferno is a horror game so that is cool!

Taro: Scary but interesting.

Me: Yeah! And this is the first time we saw one of Lincoln's Guardian Angels as a Hitotsuki.

Nico: Yeah and it won't be the last.

Xenia: Yep.

Dahlia Aligheri: It's crazy but cool.

Me: Yeah.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Stinkor: YUCK! Stinkor would not want to eat those! (LOUD FART) Sorry.

Nokama: J.D. said the same thing there. He said those sandwiches would taste, smell and look like puke! And he wouldn't touch them with a 10 Foot pole! Lana ate the Raw Sewage, Snakeskin Skunkberry and Mongolian Death Worm ones.

Dirty Bubble: (STOMACH GRUMBLES) OH MAN I FEEL SICK!

Dirty Bubble: I'm glad they did. Lets do it!

Nokama: Here is my Gashat.

It was called Nokama and the Battle of the Waters of Gahlok. It was about Nokama battling the Water Bohrok Swarm of Gahlok. They fired waves of water, ice and jewels and smashed them down.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Selena Midnight Sunny Flare, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Selena Midnight Sunny Flare's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln fired an orange energy blast that hit Selena Midnight Sunny Flare and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

We cheered wildly as we holstered our weapons and powered down and Callie Parsons' new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large purple planets orbiting around her legs and twenty five smaller purple planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized purple planets orbiting around her wrists and ankles, eleven massive and long purple wolf tails, and massive purple angel wings and nine sets of large purple angel wings underneath her massive purple angel wings are permanent.

Callie Parsons: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Selena Midnight Sunny Flare, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Callie.

Me and Nico: Our pleasure, Callie.

Suddenly, Callie Parsons wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Callie Parsons' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Sunny Flare flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Callie Parsons sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Selena Midnight Sunny Flare.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Curtain Raiser appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Adrienne Balthazar, Gene-Slammer and Avatar of Abyss Actor - Curtain Raiser.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Adrienne Balthazar, Gene-Slammer and Avatar of Abyss Actor - Curtain Raiser, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Adrienne Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Adrienne Balthazar really hates Lori with a blazing passion, and she also knew how to bring down that stupid control freak's act when she tried to kill Lincoln, and all it took was one planned out performance from Adrienne, and Lori was done for.

Nico: Oh boy, I wonder what that bitch did this time.

Lincoln: She thought I broke her phone, but in reality, it was Lynn who did the dirty deed. Here's what happened.

Lincoln's large gold halo with four orbiting gold rings behind his head and the gold version of The Trinity Mirror behind his halo fired beams of light that formed into a one-way viewing mirror, and it shows what happened eight years ago.

Suddenly, we saw Lincoln running from an angry demonic looking Lori and she was holding a cracked cellphone and Lynn was laughing like a bitch and filming it, and Nico got so mad at Lynn, he made a clone of Dark Lynn and trashed her hard and blasted her with black fire and banished it to The Black Abyss.

Lori: Lynn was such a manipulative bitch that day, so I don't blame you for doing that.

Past Lincoln: I can't stand it anymore, that stupid gorilla went too far framing me and provoking that control freak. I need to stop them both!

Lincoln flew to The Balthazar Sisters' home, and he knocked on the door. Then, the door opened as Adrienne Balthazar answered.

Past Adrienne Balthazar: Lincoln, what brings you here?

Past Lincoln: We got a Code: Control Freak Black and Dutch Oven Black!

The Balthazar Sisters gasped.

Past Adriana Balthazar: What! Lori and Lynn are on the rampage?!

Past Lincoln: Yes, Lynn broke Lori's cellphone and framed me for it, and she's set her on me and she's filming it.

Past Adrienne Balthazar: That control freak bitch and that belching farting gorilla! Allow me to come with you, Lincoln. It's time for me to put on a grand performance that'll close the curtain on those two.

Past Adriana Balthazar: Let us come with you too, Adrienne. It's high-time that control freak bitch and that belching farting gorilla got their just desserts.

Lincoln and The Balthazar Sisters headed to their room, and there, Lincoln and Adrienne Balthazar began planning the performance that'll spell the end of Lori's rampage and Lynn's antics exposed.

Past Adrienne Balthazar: We cannot allow those bitches to get away with this any longer. It's time I bring the curtain down on them. Lincoln, where are they at?

Past Lincoln: (Sensed her) Got them! They're heading for Clyde's house, they think I'm hiding out at Clyde's.

Past Adrienne Balthazar: Then, let's go. Time for the curtain to fall on Lori's rampage and Lynn's evil act.

The Balthazar Sisters and Lincoln went to the auditorium at Royal Woods High School, and Lincoln used his dark magic to lure Lori and Lynn to Royal Woods High School, and like a bunch of saps, they fell for it. Soon, the doors burst open and there stood an angry snorting Lori and the cackling Lynn.

Past Lincoln: (Whispers) They're here.

Past Adrienne Balthazar: (Whispers) It's time for the curtain to rise on our performance.

Lynn was laughing like the bitch that she is and Lori was snorting angrily and she was snarling.

Past Lori: WHERE IS HE?! WHERE IS THAT STUPID TWERP?!

?: Too late for that, because of his escape from your rampage, you've forever sealed your fate, you miserable control freak, and the same goes with you, you belching farting sore loser gorilla!

Suddenly, blasts of darkness came out of nowhere as they burst open the doors and flooded the auditorium, and there, fiends and imps appeared sitting in the seats, and a magnificent stage setting appeared around Luan: it was a gothic landscape, and as the stage lights dimmed, IT'S SHOWTIME!

?: (Female Voice) Once, there was a control freak who sought joy in the havoc she'd caused upon her family and siblings. She made her siblings do the most atrocious tasks for her and she hated her dear younger brother with a passion, along with an extremely super aggressive overly hyperactive gorilla with atrocious manners who also despised her brother with a passion.

The screen plays the clips of Lori's actions against Lincoln along with Lynn's actions against Lincoln.

?: (Male Voice) For years, they'd gotten away by threatening the family with their lives and using violence to get their way. But, enough was enough as the only boy of the family having had enough of his two toxic monstrous sisters decided that they had gone too far.

Suddenly, The remaining Balthazar Sisters appeared dressed in black clothes and wearing silver armor and they look like knights from medieval times and they unholstered their darkness greatswords and surrounded Luan.

?: (Male Voice) He'd gathered together those whose sworn duty it was to protect and love him and decided to get back at the toxic monsters and make them pay for their atrocious crimes!

Suddenly, Lincoln appeared dressed in the armor of a medieval knight that showed off his muscular physique and he unholstered his massive greatsword along with Adrienne Balthazar dressed in the same clothes as her sisters and she too unholstered her massive darkness greatsword and joined the others and cornered Lori and Lynn.

Past Lori: WHAT THE?!

Past Lynn: NO! NO!

Past Lincoln and Past Adrienne Balthazar: And now, this is where you meet your end, she-beasts!

Lincoln and The Balthazar Sisters swung their greatswords and fired a torrent of darkness and dark magic as it hits Luan real hard with incredible force and power and she wasn't able to fight back against it, and when the torrent of darkness and dark magic ceased, Lori and Lynn fell to the ground defeated as she held a flower in her hands. The audience applauded as Lincoln and The Balthazar Sisters took a bow as the spotlight shined on them.

Past Adriana Balthazar: That was an awesome performance, everyone! Well done! Now, to tie those toxic bitches up.

Adriana Balthazar tied Lori and Lynn up. When they woke up, they saw that they were tied up, and Lincoln was here along with The

Balthazar Sisters.

Past Lynn: You're not getting away with this, Stinkoln! I'll make you and the others pay for what you did!

Past Lori: YOU'RE FUCKING DEAD, TWERP! YOU HEAR ME, DEAD! YOU BROKE MY PHONE!

Then, Lincoln's other sisters and parents showed up, but they were fine.

Past Luna: I think not, morons!

Past Lynn: What the?! Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, Lily, Mom, Dad?! But how?!

Past Rita: Adriana and her sisters along with your brother told us everything and it wasn't Lincoln who broke your phone, Lori, it was Lynn. But, thanks to Lynn manipulating you, we joined in their plan.

Past Lynn Sr.: The performance they put on was a one-act play that spelled your defeat and Lori's, Lynn Jr.. (To Lincoln and Adrienne Balthazar) Nice work with the narration, that was some powerful dialogue.

Past Lincoln: Thanks, Dad.

Past Luna: And the whole thing you just witness was real, you suffered a humiliating beatdown at the hands of The Balthazar Sisters and our little bro, bitch.

Past Lynn: No! No! No! This is not how it was supposed to go! My perfect plan to get rid of Stinkoln is ruined!

Past Luan: You've gone way too far, Lynn. When we get back home, we're gonna have a few words to speak with you and Lori!

Past Lincoln: And I'll save Mom and Dad the trouble by saying this. Lori and Lynn Loud, you two are grounded for six months! You two immature beasts are gonna be doing a whole lot of housework during that time! Now, get your farting butts into Vanzilla and wait for us there!

The Loud Sisters and parents flinched: LINCOLN USED THE DAD VOICE ON LORI AND LYNN WHICH CAUSED THAT GORILLA TO BREAK LOOSE AND TRIED TO PUNCH LINCOLN, BUT HE PUNCHED HER HARD AND SENT HER FLYING INTO VANZILLA AND LORI RAN FOR VANZILLA IN FRIGHT!

Past Lynn Sr.: Dang, if I knew you were gonna use the Dad Voice, we would've brought our earmuffs.

Past Adriana Balthazar: You can thank all of us for giving him the confidence and courage to stand up to the five mean Loud Sisters. Plus, we taped the performance and gave it to the other Guardian Angels, and they loved it.

Past Adrienne Balthazar: They sure did.

Past Lincoln: That'll teach Lori and Lynn a lesson they'll never ever forget.

The flashback ended as the viewing window closed.

Me: (WHISTLES)

Nico: Dang, that was one awesome performance, and for the narration, that was some powerful dialogue.

Eli: You said it.

Carol: It was so awesome to see such an awesome performance, and Lori and Lynn really got their butts handed to them like that.

Lincoln: After everything they've done to me, this was something we've been wanting to do to them for years.

Me: Still, that was so awesome! You performed really awesome against her, Lincoln!

Nico: And using your experience in theater, you turned the tables on Lori and Lynn and put them in their place.

Eli: But, I don't think it was going to stop them especially Lynn.

Lincoln: Unfortunately not, that caused Lynn to try and seek revenge on me, but I pulverized her big time and sent her running on all fours back into her room.

Eli: Figures she'd try something stupid to get revenge.

Me: She always did have a bad habit of trying to get revenge on Lincoln.

Nico: And acting like an animal, disgusting.

Lincoln: And Lori was no better, she tried to destroy our lives on social media, but thanks to some our tech experts who spread the stories of what Lori had done to me in the past, everyone hurled tons of abusive and nasty words at her, and she was shamed by everyone.

Luna: I always knew Lori would go too far that day, and because of it, she'd get her just desserts in the end.

Laney: And we warned Lori that if she ever did something like this to Lincoln again, we would disown her and kick her out of the house forever.

Leni: And Lincoln's Guardian Angels said they'd tell the people of Fairway University about what she'd done, and they'll issue a rejection letter and give it to her, along with getting her kicked out of her clubs in school.

NICO AND I GASPED!

Qin: Wait, are they serious?!

Lincoln: Yep, they were serious. If Lori got disowned and kicked out of the house, they would get into contact with Fairway Universe and tell them about everything she'd done to me and they'll issue her a letter of rejection and they'll also get in touch with the clubs Lori's in and when she tells them of what Lori had done to me, they'll kick her out of the clubs forever, and with Lori's bad reputation, that'll also lead to her getting kicked out of school forever.

May: That's basically going to mean ending Lori's future forever.

Nicholette Torrington: That may be true, but we weren't going to let a misandrist heartless conniving toxic bitch like Lori get away with doing this to her little brother. We love Lincoln, and any who dare to make his life a living Hell deserve no fucking mercy from us!

Me: Damn.

Nico: That's some serious dedication, and that meant if something bad happened to Lincoln, and it was at the hands of Lori, Lynn, Lola, Lisa, and Luan...!

Michelle Emperyous: Yep, those five Hellspawn toxic bitch sisters were finished!

Nora: I'm Queen of the Castle! I'm Queen of the Castle!

Jet: You sure are!

Me: YEAH! WOOHOO! THAT WAS AWESOME!

Rojo: That's it for Tyrian.

Carmen Dillo: Another insane monster dead.

Box Ghost: You said it.

Me: One of Remnant's most evil monsters is gone for good!

Qin: YEAH!

Nico: Good fucking riddance to bad rubbish!

Waffle Woman: (to Nora) How about I make you waffles and pancakes as a celebration?

Nora: I would like that very much.

Nico: You did amazingly well Nora. All of us did. Great job today everyone.

Me: We're almost done guys. We just have the Kalos region and then we can end this madness with Dark Gale once and for all.

Qin: YEAH!

Me: Elise you better be ready. (EYES GLOW RED) We're coming for you!

We fixed up the city and later had an amazing meal.

We returned home, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, and The Starfire Agency, and Thomas A.K.A. Panther, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Cage Blunt: And we got rid of another of Dark Gale's members along with the next of The Midnight Princesses, we're already on a roll.

We then got ready for bed. But, Caleb Maxwell was looking out into the distance as he headed out to the streets of New York.

Caleb Maxwell: New York's no longer the same as it was before my death and after my resurrection, I get that, it's always continued to grow, expand, and change as the years pass. Yet the one thing that hasn't changed was crime that runs rampant in the streets, and someone's got to clean up the streets of the city. The cops always do their job, and it was once a dream I had, but after my death at the hands of my ex-brother, Drake Maxwell, and my breakdowns back in the past, I became something a lot worse: a nightmare to the most dangerous and ruthless crime lords and gangs of the city, and death is something I've grown accustomed to.

Suddenly, Caleb Maxwell saw some thugs about to rob someone and he flew at them and aimed his guns at them, and then...!

BANG! BANG!

He shot them dead and took off into the night sky and he came back home to get some rest after he cleaned up.

Alright, and now, for tomorrow, the eleventh match-up in the saga of The War Against The Midnight Princesses and Dark Gale is Laura Tempest, Daydream Princess of The Blue Lightning and Lincoln VS. Irena Midnight Indigo Zap

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Bubblaine, but we're not here for a beach day, here's the bad news: it appears that an old enemy of Lincoln's has come back, his name is Ryan Finnegan, he was the worst person Lincoln's ever met, Ryan Finnegan was a dangerous thug and a criminal who was known throughout Royal Woods as a monster who terrorized everyone he'd met, not only that, but it turns out he also vandalized and destroyed private property all over Royal Woods, robbed banks, raped and murdered young girls, and slaughtered many other innocents who got in his way. Lincoln took him down and got him sentenced to death in San Quentin five years ago, but Lincoln got word from the warden that Elise Elexton had broken Ryan Finnegan out of prison, but instead of joining Dark Gale, he double-crossed her and left another scar on her face before he ran off, and if that wasn't enough, he also sent a threatening message to us saying that if we continue to foil Dark Gale and The Midnight Princesses, he was going to slaughter everyone in Gotham Royal York and that also included Lincoln's harem, kids, and all of us as well.

That's going to be the straw that breaks the camel's back and LINCOLN'S GOING TO GO ABSOLUTELY FUCKING BALLISTIC AND APESHIT TIMES INFINITY ON THAT FUCKING ASSHOLE AND CAUSE HIM TO TRANSFORM AND HE'S GONNA DESTROY AND SLAUGHTER THAT FUCKED-UP THUG AND ASSHOLE AND SEND HIM TO THE BLACK ABYSS FOREVER! And we're going to meet the next Abyss Actor Gene-Slammer and Avatar, her name is Adrienne Balthazar, Gene-Slammer and Avatar of Abyss Actor - Curtain Raiser, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Adrienne Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Adrienne Balthazar really hates Lori with a blazing passion, and she also knew how to bring down that stupid control freak's act when she tried to kill Lincoln, and all it took was one planned out performance from Adrienne, and Lori was done for.

Part 11 is next and we're going to Serena's home town of Vaniville Town and we're going to battle Jock Jockerson on Tyler's Day to shine.

See you all next time.

RIDONCULOUS RACE 2024 PART 11 - KALOS 1

Kalos Region Part 1

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream as it took him to Canterlot High School.

Lincoln: Canterlot High.

Then, I appeared.

Me: Lincoln?

Lincoln: You have the same dream too?

Me: Yep.

We were walking around the school, and then, we found a coffin underneath the school in the janitors closet, and as we stepped on a button after lifting the shelf, we found a coffin made of red glass and it bore the mark of Sunset Shimmer from Sunny Starscout's world. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: I don't believe it, you and J.D. just found Sunset Shimmer from Sunny's world, and she was in the Janitors closet of Canterlot High.

Sunset Shimmer: That's amazing. But, where is this coffin?

Lincoln: The coffin is located in the janitor's closet. We have to lift a shelf to find it..

Twilight Sparkle: So, that's where she is. Amazing.

Starlight Glimmer: It's been a while since you've also had a dream like that, Lincoln.

Lincoln: That it has, and we're telling everyone about this in the morning.

Lily the Mermaid: That's for sure.

Lincoln went back to sleep with his harem and kids. Then, morning came,

I came down to get a drink and I saw Nico, Twilight and Sunny looking at something.

Me: What are you guys looking at?

Nico: Oh it's sunny's memory book. This is awesome.

Me: It sure is. I remember seeing that book and we found out more about Sunny's mom too.

Nico: Really?

Me: Yep. It was during the Lego Marvel adventures.

I told them all about it.

FLASHBACK - BEFORE CHAPTER 2239

In the Brighthouse at night, Zipp is in the living room surrounded by a ton of books while she is looking through the royal family photos of the previous queens of Zephyr Heights before her mother.

Zipp: "Nope. Nope. Nope. Nope. No! No! Not helpful!"

She cried before she hit her head on the table.

Sunny and Twilight and me came.

The lights turned on as Me, Sunny and Twilight Sparkle were walking down from upstairs.

Sunny Starscout: "Zipp? You're up late."

Me: Yeah it's 2:00 in the morning.

Twilight Sparkle: "What's with the late night research? You don't usually do it this late unless you are searching for something you desperately need."

Me: Yeah.

Zipp: "Ugh. I've been searching through my family history trying to find somepony who did the whole 'queen thing' differently. But…" (Picks up a scroll with a french looking queen.) "Guess I'll have to work on my disapproving frown. Hmph."

She made a frown face of the picture.

Me: Whoa that is a strict one.

Sunny Starscout: "Whoa!" (Small laugh) "That is a... strong look."

Me: Yeah no kidding.

Twilight Sparkle: "Okay, that is a bit funny. But, you do know that those were during the times when Equestria was divided because of Opaline and the magic was still gone, right?"

Zipp Storm: "Yeah, why?"

Me: "There is nothing saying you can't be the FIRST in your family to do the 'queen thing' differently. Now that magic has returned and ponies are together, you can be a better queen than your mother when the time is right."

Twilight Sparkle: Even the best of Royalties can have a rough start, I should know since I saw them in action.

Me: That is true.

Zipp thought for a moment before she gave a small smile.

Zipp: "Well, I guess that's true."

Sunny Starscout: "Well, at least you know something about your family."

We looked up and saw Sunny's old picture of her father above the fireplace.

Zipp: "You really can't remember anything about being a filly?"

Sunny then frowned.

Sunny Starscout: "No, not really. Not before Mom... you know."

Me: You don't remember your mother?

Twilight Sparkle: Yeah. Don't you remember anything about your mother, Sunny?

Me: Yeah. As a matter of fact, we never saw any pictures of her or you ever telling us about her. I mean, we know your father, but that's pretty much it.

Sunny Starscout: "I really don't know, Twilight. I was way too young to even remember my mother's face. And she wasn't really around when growing up with dad. Which is why there's not even a picture of her around.

Me: Oh.

Twilight Sparkle and Zipp gave sympathetics looks at Sunny, who can't seem to remember her mother is a bit worse than not having her dad around.

Then we heard a thumping sound.

Sunny Starscout: "What was that?"

Me: It's coming from there.

We then turned to a shelf as rainbow magic is moving a makeshift book as they looked surprised by it.

Me: Hey look.

Twilight Sparkle: "What is that?"

Sunny gave a thoughtful look at the book as she walked towards it as she picked it up and saw the starscout crest and a piece of Sunny above it.

Me: It looks like a makeshift book.

Twilight Sparkle: "Do you recognize that book, Sunny?"

Sunny Starscout: "'Sunny's Memory Book'? Hey, I think I remember this! From when I was a filly!"

Me: Lets take a look.

Sunny opened the book with a couple of photos of herself as a filly, but also a picture of not only Argyle, her father, but also an Earth Pony mare who has ear fur pink lace while wearing a necklace with stars with the middle one having wings, her mane and tail are cerise pink while her mane has red and yellow stripes, her eyes is olive green and her bright yellow star with four purple spots around as she was on a family photo with Argyle and on another of her holding a filly Sunny in her arm.

Sunny gasped when she saw the mare holding her in the picture as her eyes teared up.

Sunny Starscout: "Mom?"

Twilight Sparkle and Zipp were surprised by that.

I was too.

Twilight Sparkle: "That's your mother? Wow. She looks great. And now we know why you have rainbow streaks when you become an Alicorn."

Me: Yeah.

Sunny Starscout: "Yeah. I guess I do."

She touched her mother's picture, which caused the book to sparkle, which surprised the three mares.

Me: Whoa I sense something.

Zipp Storm:"Whoa. What's happening?"

Sunny Starscout: "I don't know. It feels... warm? Kind of like hot cocoa on a cold day."

She gave a smile and tears formed from her eyes again as the book shined bright and Sunny started glowing as Zipp and Twilight and me backed away.

Me: Whoa what power!

Twilight Sparkle: "Sunny?"

Sunny Starscout: "Whoa!"

Twilight and Zipp: "Sunny!"

Sunny was sucked into the book as I quickly caught it.

Me: WHOA! Oh, dear. Not again. Huh?

Zipp: "What is it, J.D.?

Me: "Look at this."

We made room for Zipp to see in the book as the pegasus gave a surprise look.

Zipp: "Wait. Sunny?"

Sunny then looked up as she looked at her hooves and touched herself, realizing she was a filly again as she looked at her surroundings as she saw that she was on a tree branch on a tall tree, which caused Filly Sunny to scream in fear as she clutched the branch.

Sunny's Mom: "That's it!"

Filly Sunny heard a voice as she looked down and saw her mother Daylight Starscout walking up to her with Argyle beside her.

Daylight Starscout: "Just... Just jump down, Sunny!"

Argyle: "You've got this, kiddo! We'll catch you!"

Filly Sunny looked surprised before she smiled widely with sparkles in her eyes. She jumped from the branch with giggles and tears of joy as her parents raised their hooves to her as they caught her in their arms as Filly Sunny smiled at them as tears kept falling from her cheeks.

Argyle: "Oh, we're so proud of you!"

Daylight Starscout: "Our little sunbeam!"

The two parents hugged their daughter as Filly Sunny returned it.

Outside the book, Sunset and Zipp saw the pictures moving and saw what they witnessed when Filly Sunny jumped from the tree branch and into her parents' hooves.

Me: Sunny looks so adorable.

Twilight Sparkle: "Wow. Now that is cute."

Zipp: "Okay. So Sunny's been sucked inside her own memories. Keep calm, Zipp. Keep calm!

She turned to me and shook me

Zipp: Why aren't you freaked out!?"

Me: Whoa Zipp calm down. Besides this isn't the first time this has happened. Sunset Shimmer and friends had this happen to her before. Same with Twilight and Friends.

Twilight Sparkle: He's right. We were sucked into a comic and did a Power Ponies adventure against the Mane-iac.

Me: I remember that. Keep it together, Zipp. Besides, this could be useful for us to get to know Sunny's mother and see what really happens to her if these are Sunny's memories of her.

Zipp: Well, I guess we'd better just go with it, right?"

We sat on the couch.

Me: "Yeah. Now, let's turn the page. Maybe there's more memories with her mother."

Zipp turned the page to show a couple of photos of Filly Sunny messing with some fruit and two pictures of her mother, one with her at her daughter's side at her bed.

In Sunny's old bedroom, she was in bed with her mother holding a Twilight figure.

Daylight Starscout: "And that's when the magic disappeared from the world and all pony kinds fell apart from each other."

She gave the Twilight figure to her daughter, who held it with giggles.

Daylight Starscout: "But nothing's gone forever, Sunny. I know we can bring it back. And I know that you will do amazing things and make new friends. Especially those from other worlds like Twilight's friend Sunset Shimmer and the mighty Team Loud Phoenix Storm who saved Equestria from danger during the April 12th War. Sunset was from Equestria before going to that world. I know you will meet somepony else like all of them someday with friends of different pony kind."

Young Sunny Starscout: "Mommy!"

Twilight, Me and Zipp looked at the picture in surprise.

Zipp: "Whoa. Sunny's mother really believed in the magic of friendship and Twilight's reign like Argyle."

Me: She sure did.

Twilight Sparkle: "Yeah, and what's more, she also predicted Sunny's life before it was even made, like meeting all of us before and after the Great Friendship War on April 12th. And all of us being in her life.

Me: That is too true. So she was part of the team before she even joined up with us.

Twilight Sparkle: Now I see why Sunny's father married her. Looks like both of Sunny's parents believed in my history.

Me: No doubt about that. And they believed in many of our adventures.

Zipp turned the page, which revealed to be Sunny's mother exploring the different areas she discovered with a picture of her with a saddle bag and a telescope while exploring.

Zipp: "Whoa, look at those drawings."

We were in amazement as we saw a map drawing on the other page.

Zipp: "And a map."

Twilight Sparkle: "From these details, it looks like Sunny's mother was an adventurer. She must've been exploring all of Equestria in her time."

Me: That could be it.

Zipp: "Yeah. But what was Sunny's mom looking for?"

Me: Maybe she was trying to find a way to bring back the magic like Sunny and everyone did. And figure out who was responsible for tearing apart everything Twilight worked hard to do.

Twilight Sparkle: That could be it.

Me: Even though we figured it all out before she did.

Twilight Sparkle: Yeah. Let's keep looking.

Filly Sunny was holding a huge popsicle while giggling as her parents were watching her behind her with smiles as Sunny's mother gave silent giggles. Filly Sunny opened her mouth wide, but the popsicle dropped on her face as she licked her face and took some out as she gave a smile.

Me, Twilight and Zipp looked at the memory with fond smiles.

All: "Awwww!"

We thought that Sunny in that memory cute.

Me: So adorable.

Zipp: "Baby Sunny is adorable! Okay. Focus, Zipp. This is important.

Me: "Yeah. I thought that was cute.

Twilight Sparkle: Sunny was really a cute filly.

Filly Sunny was under a table as her mother was walking around with her father in the room.

Daylight Starscout: "I just know this will give us the answer.

She picked up a book and showed him a rolled up map.

Daylight Starscout: If I can find it, it might be the key to bringing magic back to Equestria.

That made Argyle smile as the two walked off.

Filly Sunny watched her parents walk off as she looked up at the map as she tried to jump up to it, but she couldn't reach it. She then stacked some books into a stair as she climbed up to the map as she reached for it.

But then Sunny's mother came in and took the map.

Daylight Starscout: "Sorry, Sunny. I need that for my adventure. But I do have a special present for you.

She reached into her saddle bag and placed her telescope down.

Daylight Starscout: "Can you keep this safe for me until I get back?"

Filly Sunny then smiled with sparkles in her eyes as she giggled and hopped on the telescope, which rolled across as Filly Sunny landed on her back. But she got up with giggles and rolled the telescope to her father as Argyle picked up his daughter as Sunny's mother giggled.

Daylight Starscout: "Just remember to watch where you're going, Sunny."

She placed her hoof on her daughter's cheeks as Filly Sunny nodded before she turned to her husband and placed her hoof on his shoulder.

Daylight Starscout: "I love you both. Look after each other. I'll be back before you know it."

She said with a wink as she walked off while Argyle and Filly Sunny watched.

Me, Twilight and Zipp saw the picture while Sunset gave a thoughtful look.

Me: "She was looking for a way to bring back magic. Like you guys did before joining us. So that's where Sunny got her adventure side and her way of spreading the magic of friendship."

Twilight Sparkle: Yeah Sunny does take up after me after all.

Me: No doubt about that.

Zipp: "Yeah. Guess it runs in the family from her parents. It's a good thing we helped complete their goal."

Me: That was before you all joined us.

Twilight Sparkle: "Yeah, but Sunny's mom didn't return. And from how long it's been, she hasn't returned when Sunny was growing up with her dad before he… you know. I wonder what happened to her?"

Me: That's a very good question.

Zipp: "Maybe there's more on the next page."

Zipp turned the page, but then the other end was the cover.

Zipp: "Oh, no. It's the last page."

Me: Well lets see.

Twilight Sparkle: "And it looks like a photo of Sunny and her father in the light room."

We were seeing the two in the top of the lighthouse at night.

Argyle was with Filly Sunny watching the stars as Filly Sunny was looking through her mother's telescope.

Argyle: "The important thing to remember, Sunny, is that your mom will always be watching over you from the stars."

He was gesturing to the night sky as Filly Sunny gave sparkling eyes as she went looking through the telescope again as Filly Sunny's Cutie Mark started glowing.

With Me, Twilight and Zipp, their Cutie Marks glowed as well as the book started glowing again.

Me: Whoa!

Zipp: "Oh! Something's happening!"

Twilight Sparkle: "Yeah, I think I have a feeling what comes next."

Sunny came out of the book with the telescope as she screamed.

Me: WHOA!

Twilight Sparkle and Zipp: "Sunny!"

Sunny landed on them as the couch tilted and the telescope landed next to them.

We caught her.

Twilight Sparkle: "Ouch!"

We got up as Sunny rubbed her head while Twilight rubbed hers from the bump from the telescope.

Me: Wow! Are you okay Sunny?

Twilight Sparkle: "Are you okay, Sunny?

Zipp: What just happened?"

Twilight Sparkle: "Yeah, we saw the photos of your memories of your mother, but nothing much."

Sunny Starscout: "I was... I was inside my memories! And my dad was there, and... I saw my mom!

Zipp: "We-we saw her, too!"

Me: Yeah we saw all that. It was so awesome.

Twilight Sparkle: "We saw your time with her and your father when the pictures were moving. You clearly take after your mother alright."

Me: No doubt about it.

Sunny Starscout: "Y-Yeah, I guess I have."

Zipp: "But what was she truly like? Do you know what she was looking for? Where did she go?

Me: That's what we were wondering ourselves.

Twilight Sparkle: "Yeah, we know it was a clue to find and restore magic before you all joined us, but what was she really looking for? We know it wasn't the Unity Crystals if they weren't rediscovered at the time, but she had a map. Where does it lead?"

Me: That's what I was wondering too.

Sunny Starscout: "I-I don't know, but... Zipp, Sunset, look! I've got the telescope she gave me!

Twilight Sparkle: "It came out of the book from your memories when you exited it. And landed on my head."

Me: Are you alright?

Twilight Sparkle: Yeah.

Zipp then read the description on the telescope.

Zipp: "'To Sunny. Love, Mom'."

Twilight Sparkle: "Aw, that's very touching."

Me: It sure is.

Sunny Starscout: "I... I think I know what I have to do!"

We thenthen made it to the crystal room at the top of the Brighthouse as they looked around.

Sunny Starscout: "In my memory, I was standing…"

She was looking at the telescope and trying to remember which spot she stood on before the Lighthouse became the Brighthouse.

Zipp: "Right over there."

She pointed to the spot where a stand for the telescope be.

Me: That must be the stand of the telescope.

Twilight Sparkle: "Looks like the Brighthouse kept one spot of your memories intact when everypony rebuilt it."

We walked to the balcony.

Sunny Starscout: "Dad used to say that Mom would always watch over me."

She placed the telescope in place as she took a breather and looked through the telescope as she looked through the stars before she found three twinkle ones up, which made her look up as her Cutie Mark started glowing.

The three mares looked in awed as the Cutie Mark magic shot up to the sky as they went to the three twinkle stars as Sunny watched as they formed into a pattern of Sunny's mother up in the night sky, which made Sunny teared up with a small smile.

Sunny Starscout: "From the stars."

She looked at the starshape of her mother.

Me: Wow!

Twilight Sparkle: That is amazing.

Twilight Sparkle and Zipp looked at Sunny with warm smiles as Sunset walked up to Sunny and wrapped a wing over her.

Me: "From the stars, and from your heart."

Twilight Sparkle: Now not only do you have your memories of your mother back, but now you have two things to remember her by. And wherever she is, she would be proud of the mare you became, Sunny."

Me: That is for sure. But I know she must be out there somewhere and whereever she is, we'll find her and you will be together again.

Sunny kept tearing up with tears of joy as she nodded and looked up to the star shape of her mother again.

Sunny Starscout: "Happy Mare's Day in advance, Mom. I love you."

The Brighthouse then glowed brightly.

Then somewhere in Equestria in the ruins of Canterlot, while Sunny's mother star shape is still shining, a shadowy figure was up on a hill looking at the night sky.

?: "I love you, my sunbeam."

FLASHBACK ENDS

Nico: So cute!

Me: Yeah. That was awesome.

Nico: And we found Daylight in the Ruins of Canterlot on that rescue.

Me: Yeah.

Later Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Canterlot High, and J.D. was there too, and as we were walking around the school, we found a coffin underneath the school in the janitors closet and as we lifted the shelf we pressed a button shaped like Sunset's Cutie Mark, we pressed it and found a coffin made of red glass and it bore the mark of Sunset Shimmer from Sunny Starscout's world.

EVERYONE GASPED!

Nico: That means, you guys have found Sunset Shimmer from Sunny's world. Awesome!

May: Which means, we're gonna be making a stop at Canterlot High School in the future on Sunset's day to shine to find Sunset Shimmer.

Sunny Starscout: She's got 1,000 years of catching up to do.

Rainbow Dash: That's for sure.

Suddenly, the phone rang and Lincoln answered it.

Lincoln: Team Loud Phoenix Storm World Tree Estate, Lincoln speaking.

Warden: Lincoln, this is the warden from San Quentin, I've got bad news that you're not going to like hearing, Ryan Finnegan's escaped from death row and he's coming after you for revenge.

Lincoln: What?! How did he break out of San Quentin?

Warden: Elise Elexton broke Ryan Finnegan out of prison last night, but instead of joining Dark Gale, he double-crossed her and left another scar on her face before he ran off, and if that wasn't enough, he also sent a threatening message saying that if you continue to foil Dark Gale and The Midnight Princesses, he was going to slaughter everyone in Gotham Royal York and that also included your harem, kids, and all of Team Loud Phoenix Storm as well.

When Lincoln heard that, he was pissed off!

Lincoln: That...lowlife...said...WHAT?!

Lincoln hung up, but man, he was PISSED OFF TO THE FUCKING EXTREME!

Me: Wait, Elise broke out Ryan Finnegan?!

Nico: Who is he?

Selene Arcangela: Allow me to speak in place of Lincoln since he's now that pissed off to the fucking extreme, Ryan Finnegan's another old enemy of Lincoln's and he's the worst person Lincoln's ever met, Ryan Finnegan was a dangerous thug and criminal who was known throughout the town as a monster who'd terrorized everyone he'd crossed, not only that, but it turns out he also vandalized and destroyed private property all over Royal Woods, robbed banks, raped and murdered young girls, and he also slaughtered many other innocents who got in his way.

Nico: This guy's fucking sick! No wonder you're that pissed off to the extreme at him, Lincoln. What happened to that asshole?

Selene Emperyous: Lincoln took him down five years ago and he got him sentenced to death in San Quentin.

Lincoln: But, thanks to Elise Elexton, that bastard's now running free and he sent a very violent death threat to me, my harem, my kids, and all of us saying that if we continue to foil Dark Gale and The Midnight Princesses, he was going to slaughter everyone in Gotham Royal York and that also included my harem, kids, and all of Team Loud Phoenix Storm as well.

Luna: THAT MOTHERFUCKING PISSANT FUCK!

Lincoln: My words exactly, Luna, I'm not letting that asshole get away with this! I'm gonna rip him to shreds! (SAVAGE WOLF ROAR)

SUDDENLY, WE FELT LINCOLN'S POWER AND ENERGY RISING: WE KNEW WHAT THAT MEANT!

Me: Lincoln's going to transform, but it's way too early!

Nico: Thanks to Ryan pissing him off with that death threat, now he's really going to get it. Hope that Lincoln keeps him alive so that I can rip his testicles off with some heated pliers!

Lincoln: I'll decide on that when we get to that point. Now, let's finish breakfast and head out to take down the villain for Nico's rescue.

Nico: Right.

Tyler Bowman woke up to see Hisuian Electrode staring at him.

Hisuian Electrode: Morning Tyler! Morning Amy!

Amy Anderson: Morning Electrode.

Tyler Bowman: Morning.

Amy and Tyler sleep together.

Hisuian Electrode: Time for breakfast.

They went and got dressed and had pancakes, french toast and eggs.

Me: Morning you two.

We then finished our breakfast, and we set out to take down the next villain on Nico's rescue.

Me: Good to see Camp Kidney again.

Lola: It sure is awesome.

Camie: It sure is awesome

Lana: I'll say!

Qin: Yeah!

Me: Yep.

Nico: Charge Man, I want to thank you, Tidal Whale, and your teams for coming.

Charge Man: No problem Nico. As long as I'm ready to smash some bad guys to pulp I'm ready for anything.

Nico: That's the spirit!

Head Rush: I'm ready for this too!

Nico: Head Rush, what do you like to do in your free time?

Head Rush: I like being a workout instructor in the art of the Earth and use the power of the song and the earth as weapons.

Me: Wow! That is amazing.

Camie: Yeah.

Qin: That is awesome.

Nico: That's a good job to have

Head Rush: It sure is. It's good to teach future warriors what we Skylanders know.

Tri Tip: I agree there. It's fun.

Me: It sure is.

Lola: Yeah.

Twilight Sparkle: Learning all the powers of the Skylanders is amazing.

Nico: I agree there.

Me: WOW! Yesterday was REALLY Explosive!

Nico: We really let Tyrian have it

Me: He totally underestimated our power.

Camie: He sure did.

Qin: Yeah. J.D. really unleashed all hell on him.

Me: I sure did. Wow!

Nico: Yep. And the funny part was that Po Kong and Nora both squished him.

Me: That was funny!

Maria: Actually, only Po Kong squished him

Me: Well they both did it together.

Nico: Yeah. And Nora became the Queen of the Castle!

WE LAUGHED!

Me: YEAH!

Nico: Yep. And Nora's Akuma was a living stack of pancakes.

Xenia: Yeah! She ate that one.

Nico: Talk about eating yourself.

Me: Yeah. But it was funny.

Qin: Yep.

Sunny Starscout: Still a fun day for us and Nora and Po Kong.

Camie: I agree.

Me: And the best part is Remnant is now rid of one of it's most dangerous enemies.

Varie: That is for sure.

Lola: Yep. Still have a few to go.

Nico: With Lumpus gone, things in Camp Kidney are very peaceful.

Me: Uh you spoke a little too soon Nico. That's the reason why we're here.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Camp Kidney, but here's the bad news: it appears Morgana Midnight Sparkle has created a clone of Lumpus, and he's out for revenge on us for killing him last year!

WE GASPED IN HORROR!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: WHAT THE FUCK?! (GROWLS) Morgana, you monstrous she-demon bitch!

Eli: Yeah that monster!

Nico put his skeleton back.

Nico: I hate it when that happens. How the Hell did that bitch create that clone of Lumpus?!

Lincoln: She must've grabbed a sample of his blood that we spilled last year when he finally showed himself at Camp Kidney again. Well, then, we're gonna piss her off big time by destroying her clone of Lumpus and drive her to utter insanity.

Twilight Sparkle: This'll truly get her enraged.

Lincoln: You got that right, Twilight.

Me: Yeah.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us, and just as we'd found out, the Demon Blood Influenced version of Caleb Maxwell has been spotted.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the next torture ready for that rat with wings: I'm gonna dump a massive vat of liver and onions down his throat.

Lincoln summoned a vat full to the brim of liver and onions.

YUCK! I HATE LIVER AND ONIONS!

Me: LIVER AND ONIONS?! (TURNS GREEN IN THE FACE AND MUZZLE AND HOLDS IT IN!)

Nico: Oh man, you're gonna make that stupid parrot eat that?! It's gonna be barf city. This is gonna be so hilarious.

Eli: It sure will!

Eddy: (LAUGHS) That is gonna be so awesome!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: Honestly, Sergio's going way too far with this.

Lori: I literally thought he'd learn his lesson, but I knew this won't be the last time he does something like this.

Lincoln: Well, he's gonna regret this after we take care of the clone of Lumpus and piss off Morgana Midnight Sparkle.

Lazlo: But it's gonna be funny to see what kinds of pranks we do.

Nico: I'm going to love it!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies,

and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for the clone of Lumpus) AHA! Gotcha! I just spotted the clone of Lumpus, he's 20 yards away and he's really out for blood. (Sensed Sergio's hired thugs) And I just spotted Sergio's hired thugs.

Nico: Let's tear them apart.

Dana heard a Pokémon cry

Dana: Hey look!

We saw an Alolan Ninetales.

Dana: An Alolan Ninetales.

Alolan Ninetales: Yeah that's right.

Dana: Are you hungry?

She gave her apples.

Alolan Ninetales: Thank you.

She ate them.

Dana: Want to come with us?

Alolan Ninetales: I would like that.

Me: Awesome.

Dana: You won't regret it

Lillie: Looks like Snowy has a new friend.

Me: She sure does.

Xenia: Yeah.

Then there was a rumble and we saw MASSIVE NUMBERS OF PEACH TREES Grow all over the place!

Me: WHOA!

We saw a HUGE PEACH ORCHARD GROW ALMOST INSTANTLY!

Me: WHOA! Look at all the peach trees!

I picked one and ate a peach.

Me: (Eating) Mmm! Juicy and delicious!

Nico: Where'd that come from?

Laney: Wow! This was all campgrounds and this became a peach orchard in seconds!

Qin: Yeah!

Lana: LOOK!

We saw a Tapu Bulu!

Me: WHOA! Tapu Bulu! That explains it!

Laney: Yeah!

Nico: That must be another of Dark Gale's victims.

Lazlo: It must be!

Sunny Flare: Lets see here.

Meloetta: Lets find out.

Sunny Flare used Telepathy and gasped!

Sunny Flare: Oh man! That's my sister Moonbow Flare!

Nico: WHOA!

Qin: WOW!

Me: We better go help her!

Me and Sunny flew up to her.

Sunny Flare: Moonbow it's me Sunny!

Me: Just calm down and let us help you!

All she did was charge at us and we dodged her.

Me: WHOA! Looks like we got to do this the hard way.

Sunny Flare: Yep. Lets do it!

Me and Sunny fired waves of lightning and fire and blasted her all over.

Me: YEAH!

I snapped my fingers and she reverted back and was a girl with blue hair and magenta eyes and had Tapu Bulu in the middle of her forehead and had purple angel wings and had the emblem of Equestria and a blue version of Sunny Flare's cutie mark on her arm.

Me and Sunny wrapped her in a blanket and we brought her over.

Me: There.

Camie: Wow that was amazing.

Lola: Yeah!

She woke up.

Moonbow Flare: (Groans) What hit me.

Sunny Flare: Moonbow?

Moonbow Flare: Sunny? (Gasp) Sunny1

She hugged her.

Moonbow Flare: I'm so happy you're here.

Me: You were turned into a Tapu Bulu by Dark Gale. You're in Camp Kidney in Prickly Pines in Wisconsin.

Moonbow Flare: (GASP) Oh man I remember!

She was in a blew suit and was injected and was turned into Tapu Bulu and she grew trees and skewered many Dark Gale Members. She flew out of there.

FLASHBACK ENDS

Moonbow Flare: That was awful.

Me: I know. But we're in the process of destroying Dark Gale right now. We already destroyed 10 of their bases.

Moonbow Flare: I'm glad.

Nico: What is your role in Sonya's team?

Moonbow Flare: I am the moonlight and life master of the team. I use moonlight and nature to subdue our enemies.

Me: Wow!

Moonbow Flare: Yep. And outside the team I am a gardener. I make all kinds of trees and more.

Me: Wow! You turned all of Camp Kidney here into a huge peach orchard.

Moonbow Flare: Wow I can see that.

Lola: But it's really cool.

Lazlo: Yeah no kidding.

Edward: It sure is.

Clam tried one of the peaches.

Clam: Mmm! Peachy!

Me: (LAUGHS) He likes them.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome blue and dark blue clothes and a moon sword.

Moonbow Flare: I look amazing!

Qin: You sure do.

Camie: Yeah.

Nico: Now lets go after a certain deluded moose we all hate and loathe.

Maria: Wonder where he is?

Eli: He's coming.

Me: Positions.

We then got ready to unleash pranking hell and to destroy the clone of Lumpus and send him to The Black Abyss and piss off Morgana Midnight Sparkle and get rid of Sergio's hired thugs.

We were waiting and hiding in the cabins, and then we spotted our target, the clone of Lumpus created by Morgana Midnight Sparkle and he was on the rampage!

Lincoln: That's right, keep on the rampage, you stupid moose!

Lincoln fired waves of energy and elemental forces from his massive white angel wings and nine sets of large white angel wings underneath his massive white angel wings and they hit the clone of Lumpus, and he screamed in rage as soon as he saw us come out.

Me: I honestly thought we were finally rid of you for good last year, but that bitch, Morgana Midnight Sparkle, decided to make a clone of you and bring you back from the dead yet again! She makes me sick!

Mina Midnight Sparkle: I hate my sister more than life itself!

Nico: There truly is no line she's not afraid to cross!

Lincoln: It's bad enough she's brought back the villains I'd killed on my rescues, but creating a clone of you through your spilled blood, that crossed a serious line! And here's a little something for you!

Lincoln fired a wave of chocolate pudding that hit the clone of Lumpus, and he was covered in it, and we were really laughing hysterically!

Me: PEANUT BUTTER SHORTCAKE!

But, it didn't end there, next he used a sheet of sandpaper and he sanded Lumpus' antlers down and when Lincoln put a mirror in front of him and when he saw that his antlers were gone, he screamed and freaked out and started crying like a baby!

Me: (LAUGHING HYSTERICALLY) OH MAN! OH! OH! THAT'S JUST WAY TOO FUCKING HILARIOUS!

Nico: Wait, I think he's just getting started.

Next, Lincoln summoned a catapult and loaded it with the stinky diapers of his newborn infant kids and the stinky diapers of his baby brother, Leo, and he fired it, and they hit Lumpus and he was covered in stinky diapers and poop, and we were laughing our butts off!

Then, Lincoln snapped his fingers and made a piano appear over Lumpus' head and he sent it down and it crashed on Lumpus' head

KRASMASH!

And when he came out, he had piano keys in his mouth.

Me: My favorite note, B-Flat.

Then, he also dropped a clothing iron on Lumpus' head and it was still hot, and when Lincoln got it off, Lumpus' head was flat!

Me: Hah! Stinks to be you, Flathead!

Lori: I think that's a good look for him.

Lumpus Clone: (SCREAMING IN BABBLING NONSENSE) I'LL GET YOU FOR THIS! YOU HEAR ME!

Lincoln: AH, SHADDUP!

POW!

LINCOLN LANDED A NASTY LEFT HOOK TO LUMPUS' FACE

AND HIS SKULL GOT CRUSHED IN A SPLIT SECOND!

Me: Damn! Lincoln crushed his skull in a split second!

Suddenly, the clone's skull reformed thanks to Morgana's black magic.

Nico: Well, how do you like those apples? His crushed skull reformed thanks to Morgana's black magic.

Lincoln: Good, I'm not gonna let this fight end too quickly.

Suddenly, Lincoln fired massive waves of pudding that forced out Sergio's hired thugs and they were screaming because some of it wound up going in their mouths and they were scraping their mouths, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Nice one, Lincoln, that forced out Sergio's thugs.

Cage Blunt: Now, all that's left is to get rid of them.

Travis Tackett: And piss that stupid parrot off big time.

Then, Lincoln grabbed one of the thugs by the neck with his left hand and he hoisted him up to make him look him in the eyes.

Lincoln: (Smirks) Well, well, who do we have here?

Then, he tossed the bastard into his friends and they got knocked down, but as soon as they got back up, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Nico: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Lincoln: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us and as he snapped his fingers, he made a huge funnel appear and it was inside Sergio's mouth.

Then, the vat full to the brim of liver and onions appeared, and using his telekinesis, Lincoln lifted the vat full of liver and onions and poured the contents into the funnel and they made their way down into Sergio's stomach. Then, the funnel vanished, and we saw Sergio's face turn green, and finally...!

SERGIO BEGAN BARFING ALL OVER THE PLACE AND HIS CELL WAS LITERALLY INUNDATED WITH BARF AND VOMIT! CRAZY!

Me: WHOA! Care to introduce us?

Anna Anyanova: Sure. This is Rhonda Jane Lloyd MacReady, Avatar of The Thing, she's Lincoln's Guardian Angel from Michigan and the first of a group of Guardian Angels called The Avatars of The Great Horror Movies, these are girls that represent the greatest horror movies of all time and have the powers and skills of those monsters and have the power to bring your worst fears to life times 100,000,000,000. They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! She's the Avatar of the 1982 horror movie, The Thing, and she's the daughter of Kate Lloyd and R.J. MacReady, and she's the leader of The Avatars of The Great Horror Movies, a group of girls who represent the greatest horror movies of all time and they have the powers and skills of those monsters and have the power to bring your worst fears to life times 100,000,000,000. They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! Rhonda is a master of the gruesome horror movie, The Thing, and she's a master of blood, fire and gruesome shapeshifting. She has all the powers of The Thing and she can even infect people with The Thing Virus just by biting them! Just one bite is all it takes for her to infect them. She came to Royal Woods where she met Lincoln and she even taught him how to use the powers of blood, fire, gruesome shapeshifting, and the powers of The Thing, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Rhonda defended Lincoln and Girl Jordan from their enemies VERY FIERCELY! But, she really has it out for Hawk, Hank, Killjoy Huggins, Lori, Luan, Lynn, Lola and Lisa with a vengeance and she vowed to kill and burn them and incinerate them!

WE GASPED!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF HOLLY HAM WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE DRAGON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE DRAGON WENT BACK TO EARTH AND HOLLY HAM GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Penny Pizza, Nico, and I and all of us went after the clone of Lumpus, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, orange, red, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at the clone of Lumpus and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Holly Ham, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and it was making the clone of Lumpus even madder than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit the clone of Lumpus, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Lumpus, this is where we're ending your revenge spree here and now.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound the clone of Lumpus.

Then, Lincoln, Nico, and I charged and smashed our rainbow energy infused left fists into the stomach of the clone of Lumpus, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW DIE AND GO TO HELL, YOU DISGUSTING PILE OF GARBAGE!

Lincoln, Nico, and I did one final powerful energy slash that hit the clone of Lumpus hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and the clone of Lumpus was on his last legs and he was really really mangled.

Then, Lincoln clenched his left hand hard, and then...!

POW! SQUELCH!

LINCOLN PUNCHED THE CLONE OF LUMPUS SO HARD, HE

EXPLODED INTO A GORY MESS AND HE THEN SENT HIM TO THE BLACK ABYSS FOREVER!

Lynn: And he's out!

We cheered as we holstered our weapons and we powered down, and Holly Ham's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large orange planets orbiting around her legs, twenty-five smaller orange planets orbiting around her waist, medium sized orange planets orbiting around her wrists and ankles, smaller planets orbiting around her fingers, and massive red angel wings and eleven sets of larger red angel wings underneath her massive red angel wings are permanent.

Nico: And that finally does it for Lumpus.

Lincoln: Without a doubt.

SUDDENLY, WE HEARD THE DEMONIC SCREAM OF MORGANA MIDNIGHT SPARKLE! SHE FOUND OUT WE KILLED THE CLONE OF LUMPUS AND IT PISSED HER OFF!

Lincoln: Hah, serves you right, Morgana.

Anna Anyanova: Morgana crossed a serious line creating that clone of Lumpus, she's already making her situation even worse than before.

Michelle Emperyous: She's crossed numerous other lines before and one of those lines was bringing back the enemies that Lincoln killed on his rescues.

Lincoln: I have an idea on how to destroy the remaining enemies I killed on my rescues that Morgana and her minions had resurrected: I knew about the power of The Shining Rainbow Master Sword and it had the power to destroy evil and purify those corrupted by evil, when I destroy Morgana for good, it'll also affect those she'd brought back and once she's dead, they'll also die as well and they'll follow her to The Black Abyss forever.

Eli: That's perfect. But, we're bound to face them again on some of your rescues, Lincoln.

Lincoln: That's true.

Suddenly, Lincoln saw three thugs coming at us, but they had The Mark of Babidi on their foreheads. Lincoln fired rainbow, white, golden yellow, and blue energy blasts at the thugs and they burst into flames and The Marks of Babidi came back into one and was imprisoned inside an orb.

Laney Emperyous: The Mark of Babidi! That means, Babidi is back!

Varie: Babidi's back?! Ugh, that piece of shit! This has Anti-Monitor behind it.

Suddenly, the orb glowed, but it revealed that wasn't Anti-Monitor who was behind it, but the culprit was Morgana Midnight Sparkle.

Me: So, it was Morgana who was behind that?! That psychotic bitch!

Lincoln: We would've thought Anti-Monitor was behind it, but it wasn't, like in the case of Voldemort, Babidi was too evil to be around.

Buster Bunny: Given his history of being a treacherous monster, I'm not surprised, and the same goes for the rest of the Z-Fighters' old enemies with the exception of The Ginyu Force, they too were treacherous.

Plucky Duck: Oh, and what does that make Cui? Is he too treacherous that he deserves to be killed?

Buster Bunny: Don't go there, Plucky. Besides, we took him down two years ago and sent him to Vypra, so that she can straighten him out, and besides, if he dares to backstab her and the other Masters of Evil, he's not going to leave out of there alive. In fact, I told The Ginyu Force to keep an eye on him. Anyways, back to the topic, now that we know Babidi's back, there's no doubt that he's going to come after us for revenge once more, but the second he does, he's going to die.

Lincoln: With the orb I created that contains the essence of Babidi's spell, it'll go around and suck out the essence of Babidi's affected victims and cure them, and once it reaches its full strength, I also put a curse on it to find that insane wizard and destroy him.

Nico: That's really impressive. How did you learn how to create a spell like that?

Goku: Lincoln created this very spell five years ago and since we taught him a lot on how to track and sense a person's evil energy, he's used it on many occasions to track down some thugs the police had been going after, and he also learned how to track down someone's presence if they'd done some sort of ritual involving dark magic.

Nico: Dark magic rituals?

Lucy Loud: Any ritual involving dark magic, black magic, or Satanic Magic always leaves an invisible trail that no one can easily track, but Lincoln learned how to capture the essence of the remains of any dark magic, black magic, or Satanic Magic and use it to track the caster down, and also, cure the afflicted victims as well.

Nico: Ah, I see. That's actually quite genius.

Me: In addition to creating and mastering The Lovecraftian Curses after acquiring and reading The Tome of Lovecraftian Magic and making his own curses and magic spells, Lincoln's learned how to track down a dark wizard or witch's trail using their own magic against them.

Lincoln: No dark wizard or witch has ever escaped from me.

Suddenly, Lincoln's orb containing the essence of Babidi's dark magic got to work and began tracking down those afflicted by Babidi's spell and it sucked the dark magic out of the victims and got them back to normal, and it was at 100% maximum strength.

Lincoln: Now, all that's left is for the orb to find and destroy Babidi.

Sherlock Hound: (British Accent) Allow me to use the orb, Lincoln, I'm planning on meeting with Lilith Morningstar, Lucifer's wife and

Charlie's mother and reunite them. There's no doubt I'll run into Babidi on my meeting with her, and if he has any of Sergio's thugs with him, let's just say they won't last for long.

Lincoln: Okay.

Lincoln gave the orb to Sherlock Hound.

Nico: NOW Camp Kidney is at peace.

Me: Yeah! And we pissed Morgana off big time.

Qin: Yeah.

Alolan Ninetales: That was so fun!

Me: It sure was.

Nico: Nice job there Alolan Ninetales.

Alolan Ninetales: Thanks Nico. It was awesome.

Poromon: Want some beer?

Alolan Ninetales: Oh no thanks. I don't drink sorry.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Rhonda Jane Lloyd MacReady: I'm just glad that moose is gone for good.

Nico: So are we.

Kate Lloyd: So you are mine and MacReady's daughter?

Rhonda Jane Lloyd MacReady: That's right. I was born a year and a half from now and you two marry shortly after.

Nico: Wow!

Me: That is amazing.

R.J. MacReady: It's amazing that we met our daughter.

Me: After the horrible nightmare you went through you more than have the right to have a family.

Charge Man: I agree.

Nico: Oh, Charge Man, what do you like to do in your free time?

Charge Man: Oh I am a Railway Tow Train Robot. I tow trains to be repaired.

Me: Cool!

Nico: Good job.

Rhonda Jane Lloyd MacReady: It sure is.

Me: And you have an infectious bite that can turn people into The Thing? Wow!

Nico: YIKES!

Rhonda Jane Lloyd MacReady: That is right and I use it on criminals like death row inmates.

Me: I got to see this to believe it.

I teleported and brought back an inmate that was on Death Row. He was tied up.

Me: This is notorious serial killer Edgar Van Cemmiola. He raped and murdered 80 women.

Nico: WHOA!

Laney: Kill this monster!

Me: Yep.

Rhonda Jane Lloyd MacReady: Stand back.

We did so.

Rhonda sniffed him.

Rhonda Jane Lloyd MacReady: Your blood will be tasty.

Then she showed her fangs and then...

CHOMP!

SHE BIT HIS NECK!

HE SCREAMED IN PAIN!

She backed away.

Nico: Was that supposed to?

Rhonda Jane Lloyd MacReady: Watch.

He was screaming in pain and then...

Edgar Van Cemmiola TURNED INTO A HORRIFYING AND GROTESQUE MONSTER AS BLOOD POURED OUT, AND TENTACLES AND TEETH AND MORE GREW AND HE WAS NOW A THING MONSTER!

It looked at us and it let out a scream that sounded like millions of creatures in agony screaming all at once!

Me: WHAT THE FUCKING HELL!?

Nico: BURN IT!

I fired a blast of fire and incinerated it into nothing!

Lola: HOLY CRAP!

Me: WOW!

Nothing of it was left!

Qin: WHOA! THAT IS AMAZING!

Me: HORRIFYING! But amazing!

Rhonda Jane Lloyd MacReady: Yeah it's amazing.

Qin: THAT WAS HORRIFYING!

Rhonda Jane Lloyd MacReady: I know. But that's why I only use it on criminals.

Me: WOW! That was scary but cool!

Kate Lloyd: Wow! I'm still reeling from that but that was amazing!

Rhonda Jane Lloyd MacReady: I know mom. But I'm glad to be here.

Nico: Misty, what's your biggest fear?

Misty Brightdawn: Oh gosh I don't now. Roller Coasters probably.

Me: Well we can help you with that.

Ace: What was the Thing by the way?

Me: Oh it's a Shapeshifting Alien Monster that has the Ability to imitate lifeforms perfectly. It has over 10,000,000 aliens woven into it. It was an ugly and horrifying story.

Rhonda Jane Lloyd MacReady: Yeah it's what killed mom and dad's friends and coworkers in 2 Antarctica Research Stations.

Nico: Yeah. As you just saw.

Ace: Oh man! I'm sorry I asked.

Me: It's okay.

Nico: But right now, it's time for the Anothers

Eli: (Sensed Anothers) And we finished just in time, I just picked up on the Anothers.

Nico: Awesome. Time for one last act of business before we go after that shithead, Ryan Finnegan, I can't wait for you to rip him to shreds, Lincoln.

Lincoln: Same here.

Me: Me too.

Nico: Yep. Who do we got?

Eli: We got Another Tidal Whale Tyler Bowman, Anthony Trumper, Triceraton 1987, Black Shadow (Ultimate Muscle), Poison Bite and Sledgehammer (Clock Tower 3).

WE GASPED!

Me: WHOA!

Tyler Bowman: Another me!? Whoa!

Eli: Yeah and the Anothers minus Tidal Whale and Tyler are 4 people.

Me: Wow! So we have Charge Man, Head Rush, Tri-Tip, Barbella, Grave Clobber, and Wallop facing them.

Nico: COOL!

Head Rush: Yeah! This will be fun! TAKING CHARGE!

Tri Tip: FACE THE MACE!

Barbella: IT'S CRUNCH TIME!

Grave Clobber: A WATERY GRAVE AWAITS!

Wallop: HAMMER IT HOME!

Nico: There they are!

We saw Another Sledgehammer but the rest weren't there.

Me: HUH?

But then A HUGE SWARM OF LOCUSTS, A SWARM OF SCARABS and a SWARM OF CROWS APPEARED!

Nico: What the?!

The swarms formed into Another Anthony Trumper, Triceraton 1987, Black Shadow (Ultimate Muscle) and Poison Bite!

Nico: WHOA! What an entrance!

Me: WOW!

Another Anthony Trumper: (In a girls voice) That was fun though.

They merged and reverted back and were the gene-slammers of Swarms of Scarabs, Locusts and Crows and Soul Absorbing Bone Tower!

Nico: (GASP) Layla Locust, Sonya Scarab, Cher Crow and Zinnia Zomtower!

Me: Whoa! The gene-slammers of Swarms of Locusts, Scarabs and Crows and Soul Absorbing Bone Tower!

Layla Locust: Yeah sorry about the entrance guys.

Sonya Scarab: We have a habit of doing that.

Cher Crow: Yeah it's fun.

Zinnia Zomtower: That always is cool.

Me: It sure is! Wow!

Qin: Yeah!

Me: By the way girls are the Another Tidal Whale and Tyler friendly or hostile?

Cher Crow: Friendly and they are awesome.

Me: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for Backup. (TURNS DIAL) CHAMELEON FURY FORCE!

She summoned Newtron, The Trickster, Universe 666 Live Action Lockdown, Marve-Shupopolous-Gou, Ba-Boom the Boisterous and Beppi the Clown.

Me: YEAH!

Nico: Now we wait.

Mevya: Stupid Lumpus trying to strangle me!

Horsea: And tried to hit me!

Me: I know but it's over now.

Qin: Yep.

But then...

KRASPLAT!

A HUGE BUCKET OF CHUM FELL RIGHT ON LUAN AND SPLATTERED HER ALL OVER!

Luan: HEY!

Me: Who's the wiseass!

?: (LAUGHS) THAT IS A FUN WAY TO BE PRANKED EH CHUM?!

We saw Another Tidal Whale and Tyler!

Me: There's the Anothers!

Nico: Bad pun!

Eddy: WHY YOU LITTLE!? WHO WOULD DUMP CHUM ON LUAN!?

Another Tidal Whale: (In a girls voice) That would be Another Tyler here.

She reverted back and was the Souleater Gene-slammer.

Nico: (GASP) Ellie Soulfish!

Me: The Souleater Gene-slammer! That fish is very enigmatic in the game.

Ellie Soulfish: Yeah no kidding!

Me: Who is your friend?

Another Tyler: Someone that Luan pranked and I am pranking her back.

Luan: That voice!

Tyler Bowman: Wait is that?

He reverted back and was a younger version of Tyler!

Tyler Bowman: Trevor!

Trevor Bowman: Hey big bro! Been a while.

Tyler Bowman: Wow! It has been a while!

Nico: You know each other?

Tyler Bowman: He's my little brother.

Luan: And I pranked him a while back when he was in 3rd grade. I dumped chum on him.

Trevor Bowman: She made me the laughingstock of the school! They called me Chumboy Sewagebreath!

Cosmo laughed at that.

BLAM!

I bashed him on his head with a frying pan.

Me: It's not funny!

Trevor Bowman: I HAD TO TAKE 40 SHOWERS A DAY TO GET RID OF THE SMELL!

Plankton: Well have you tried eating it?

Trevor Bowman: No?

Me: Well You do NOT want to eat chum! It tastes worse than puke!

Lana: I love eating chum!

Kaito (gets out Ghost gear): Did Swartz promise you anything?

Zocks (gets out Drive gear): Because we can grant it instead

Me: And from the looks of things it's payback on Luan.

Kaito and Zocks got weapons from Ghost and Drive.

Trevor Bowman: That's right and I'm satisfied now.

Me: Good.

Ellie Soulfish: I wasn't promised anything so I'm good.

Me: Okay then.

Ace: Lana loves eating Chum?

Me: Uch don't fucking ask!

Sougo (Gets out Ghost Ridewatch): Okay, you have every right to prank Luan.

Rider Time! (Upbeat music) Kaigan! Ghost!

Geiz (Gets out Mach Ridewatch): But she's changed.

(Right-hand Ridewatch's announcement)! Armor Time! (Signal Mach standby music) Mach! Mach!

Sougo got GhostArmor while Geiz got MachArmor

Me: She changed big time. You have Evil Chase Young to blame for that.

Qin: Long story.

Trevor Bowman: Oh wow. Yeah I heard about what was happening.

Lincoln: Yeah. Lets separate you all first.

We did so.

Me: Lets get it on.

Nico: (gets out Tidal Whale's Ridewatch) We're gonna have a whale of a time!

May: (Gets out Triceraton 1987) Here comes the Horns!

Maria: (Gets out Poison Bite's ridewatch) I have a bite that is deadly!

Head Rush: (Gets out Anthony Thumper's ridewatch) TAKING CHARGE!

They used the powers of Tidal Whale, Anthony Trumper, Triceraton 1987, Black Shadow (Ultimate Muscle), Poison Bite and Sledgehammer (Clock Tower 3) and smashed and bashed the Anothers.

Then Dereieri of Purity, Flurious (X-Squad Universe), Maugrim, Koritor, Martia and Vex came.

Nico: WHOA! Nice team Dereieri.

Dereieri: Thanks Nico.

Chill Man: Cool! My team next.

Martia: That is good.

Shanan: Wait! I know you! Martia of the Chameloids.

Me: I remember you! You were on Rura Penthe. You helped Kirk and Dr. McCoy escape.

Martia: That's right.

Me: Yeah.

?: That was awesome.

Dianamon came!

Me: WHOA! Dianamon!

Nico: Cool!

Dianamon: It sure is awesome!

Nico: Diana Luna!

She reverted back and was a girl with purple hair and blue eyes and had the symbol of the Moon on her forehead and had a purple dress and purple wings and had Dianamon on her skirt and shirt and had a moon bow.

Diana Luna: Awesome to see you Nico. I got this.

She fired an arrow and blasted the Anothers and I caught the Ridewatches and purified them.

Me: Awesome!

Nico: Nice shot!

Maria: Nice job!

Diana Luna: Thanks! That was fun!

Me: So that makes you the daughter of Diana, the Goddess of the Moon.

Diana Luna: That's right.

Me: Wow!

Lola: Yeah!

Head Shot: Do you have any good memories of Nico?

Diana Luna: I sure do. When me and Nico were at the Archery Range and I showed him how to shoot the farthest targets. 1,000 yards.

Me: Wow! What a shot!

Nico: Yep that was fun.

Lola: Yeah!

Nico and Diana hugged.

Nico: I've missed you.

Diana Luna: Same here.

We later went back home.

It appears an old enemy of Lincoln's has come back, his name is Ryan Finnegan and he's the worst person Lincoln's ever met, Ryan Finnegan was a dangerous thug and criminal known throughout Royal Woods as a monster who terrorized everyone he's met, not only that, but it turns out he also vandalized and destroyed private property all over Royal Woods, robbed banks, raped and murdered young girls, and slaughtered many other innocents who got in his way. Lincoln took him down and got him sentenced to death in San Quentin five years ago, but Lincoln got word from the warden that Elise Elexton had broken Ryan Finnegan out of prison, but instead of joining Dark Gale, he double-crossed her and left another scar on her face before he ran off, and if that wasn't enough, he also sent a threatening message to us saying that if we continue to foil Dark Gale and The Midnight Princesses, he was going to slaughter everyone in Gotham Royal York and that also included Lincoln's harem, kids, and all of us as well.

That's going to be the straw that breaks the camel's back and LINCOLN'S GOING TO GO ABSOLUTELY FUCKING BALLISTIC AND APESHIT TIMES INFINITY ON THAT FUCKING ASSHOLE AND CAUSE HIM TO TRANSFORM AND HE'S GONNA DESTROY AND SLAUGHTER THAT FUCKED-UP THUG AND ASSHOLE AND SEND HIM TO THE BLACK ABYSS FOREVER!

Lincoln: Ah, we're here in Bubblaine, but we're not here for a beach day, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're here to kill Ryan Finnegan.

Me: That's right.

Nico: How dare that fucking asshole issue a death threat to slaughter your harem, kids, and all of us if we continue to foil Dark Gale and The Midnight Princesses. He's gonna pay for this, that son of a bitch!

Eli: How can someone like that even think he can make a threat like that and get away with it? He's definitely on another level of stupid.

Red Savarin: Stupid or not, he threatened the lives of not only us, Lincoln's harem and kids, but also, the lives of everyone in Gotham Royal York and the world, a monster like that deserves to die. Now, let's find him and put him down forever. But, where could he be?

Suddenly, Lincoln caught something in the air, and almost barfed.

Lincoln: Ugh! Got him!

Luna: What's wrong, Lincoln? You look like you're about to...! (Realizes something) Oh no, you caught a whiff of his nasty B.O. in the air, right?

Lincoln: Yep. Ugh, I would've thought the warden and the guards made sure he showers every day.

Me: Ugh, that's gross.

Luan: Well, when we catch him, we'll be sure to give him a bath.

Chill Man: Before your brother ices him forever.

Caleb Maxwell: As in, puts that bastard down forever. But, how are we going to find him, Bubblaine is a big place.

Red Savarin: I've got just the thing.

Red Savarin typed on his wrist computer, and there we saw for ourselves his ship: The Asmodeus.

Lori: I knew you were going to call your ship here!

Nicole: The Asmodeus, Red Savarin's base of operations.

Lincoln: I did some upgrades to The Asmodeus, and it can easily track down that stupid thug.

Suddenly, The Asmodeus pointed out a signal to the northeast, along with a couple of multiple signals.

Red Savarin: Aha, Gotcha! Lincoln, I found our target, but there's multiple other targets too.

Lincoln: (Sensed them) Oh man, it's Ryan's gang, The Chaos Harbingers, they're a ruthless gang of killers and they committed the same crimes as Ryan. Let's go put them down!

We eventually got a move on to kill Ryan Finnegan and his gang, The Chaos Harbingers. WATCH OUT, RYAN FINNEGAN, DEATH IS COMING FOR YOU AND YOUR GANG!

We were flying in the air, and there we saw our target, Ryan Finnegan, a black-haired teen with blood red eyes full of hatred and he was dressed in a red prison jumpsuit along with his gang, The Chaos Harbingers.

Red Savarin: There's a lot of them here, let's thin out their numbers.

Lincoln: Leave this one to me.

Lincoln fired many blasts of anti-matter which hits the members of The Chaos Harbingers and Lincoln began sucking out their energy and draining their lifeforces and his energy aura flared up extremely as he gained a massive power boost, and when he was done, the members of The Chaos Harbingers were left as withered corpses and were banished to The Black Gates. Then, Lincoln fired waves of water and soap which hit Ryan Finnegan and drenched him and he was also scrubbed clean, and that pissed him off as we landed.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Curtain Raiser, she has a darkness greatsword in her right hand, and with her are the the seven girls.

Lincoln: (GASPS) Adrienne Balthazar, Gene-Slammer and Avatar of Abyss Actor - Curtain Raiser.

Adrienne Balthazar: That's right, and I got the girls away from that psycho, and it's about time that moron got a bath.

Ryan Finnegan: AW MAN! YOU RUINED MY NON-SHOWERING RECORD!

Lincoln: Seriously, grow up! But, more to the point, you've got some nerve showing your ugly face here again, Ryan. I thought I wouldn't have to see you again after I took you down five years ago and sent you to San Quentin to die.

Red Savarin: Well, now you just crossed the line when Elise broke you out, now we're going to carry out your death sentence.

Ryan Finnegan: SCREW YOU, FURBALL!

Red Savarin: What did you just call me?!

Lincoln blasted Ryan Finnegan with a bolt of lightning.

Lincoln: Seriously, resorting to childish insults? I think your mind has completely rotted away by years of hatred towards me, and it's driven you into an absolute pit of hatred and madness. Well, time to put you down forever.

Ryan Finnegan: I'VE FUCKING HAD IT UP TO HEAR WITH YOU, LOSER LOUD!

RYAN FINNEGAN GOT OUT A GUN AND HE FIRED AT US, BUT LINCOLN MADE AN INDESTRUCTIBLE FIELD MADE OF DIAMOND AND RYAN FINNEGAN WAS STILL LAUGHING LIKE A FUCKED-UP MADMAN, AND HE CONTINUED FIRING AT IT, BUT HE WASN'T ABLE TO MAKE A SINGLE DENT!

Ryan Finnegan: I'M GONNA KILL YOU AND I'M GONNA RAPE ALL YOUR WHORES AND FUCKING CHILDREN AND MAKE THEM MY SLAVES! (LAUGHING INSANELY)

Lincoln: What?! WHAT THE HELL DID YOU JUST SAY!?

Me and Nico: OH...SHIT!

LINCOLN FIRED A MASSIVE DIAMOND BALL WHICH HIT RYAN FINNEGAN HARD IN THE FACE AND HE BROKE HIS TEETH AND LINCOLN DEACTIVATED THE FIELD!

Lincoln: I can take the death threats you hurl at me, Ryan, but threatening to rape my harem and kids and make them your slaves and murder my friends and family, that's crossing the line, you piece of shit, and now, you've just got yourself a one-way ticket to the Nine Circles of Hell.

Suddenly, something in Lincoln's mind snapped as memories of Ryan Finnegan's rampages in Royal Woods in the past rushed through his head and his deep sapphire eyes turned neon deep sapphire blue and he was surrounded by a rainbow, white, golden yellow, and blue energy with aura energy, white and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, and Atomic Radiation surrounding the vortex, there are Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals, he unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Seraphim Phoenix God Archangel Justice from his back, and as he angrily approached Ryan Finnegan, he left rainbow, white, golden yellow, and blue energy, aura energy, white and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, and Atomic Radiation surrounding the vortex, there are Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals with every step.

Lincoln: I always knew you were an absolute fucked-up lowlife thug and natural born criminal who was born to bring chaos and destruction, Ryan, and you were already beyond any sort of rehabilitation and you're completely irredeemable to the core. (SUDDENLY, HIS RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP EVEN MORE EXTREMELY AND HIS UPPER AND LOWER BODY MUSCLES BULGED OUT

EVEN MORE) I can tolerate the death threats you hurl at me because you're an absolute bastard, but what you also just said in threatening to rape my harem and kids and make them your slaves and murder my friends and family..., (ENRAGED SCREAM OF PURE FURY) THAT'S ABSOLUTELY CROSSING THE LINE FOR THE FINAL TIME, YOU PIECE OF CRAP, AND NOW, YOU'VE JUST GOT YOURSELF A ONE-WAY TICKET STRAIGHT TO THE BLACK ABYSS! (SAVAGE WOLF ROAR)

WE WERE SUDDENLY STRUCK WITH AWE AND SHOCK: LINCOLN'S FURY HAS JUST BEEN UNLEASHED AND THAT LOWLIFE PIECE OF CRAP JUST FOUND HIMSELF ON A ONE-WAY TRIP TO THE DEPTHS OF THE NINE CIRCLES OF HELL!

Me: OH MAN, NOW HE'S GONE AND DONE IT BIG TIME!

Nico: THAT'S FOR SURE! LOOK!

SUDDENLY, WE SAW A MASSIVE AND POWERFUL STORM FORMING AND IT WAS RAGING WITH LIGHTNING CRASHING DOWN FROM THE HEAVENS AND IT WAS SO POWERFUL!

Qin: OH MAN! EVERYONE, RUN FOR COVER, HE'S GONNA FUCKING BLOW!

WE IMMEDIATELY GOT EVERYONE TO SAFETY, AND THEN...!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of wolf's teeth remained the same, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long brown wolf tails and large brown wolf ears remained the same, his long wild rainbow hair going down to the upper part of his neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head remained the same, and he let out a loud howl!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF LINCOLN WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! Lincoln's transformation, and when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking wolf hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever.

Ryan Finnegan: (FREAKED OUT) WHAT THE HELL!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Ryan Finnegan, and he proceeded to brutally smash him right into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON RYAN FINNEGAN'S MISERABLE HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SQUELCH!

LINCOLN SLASHED OFF RYAN FINNEGAN'S CROTCH WITH HIS MASSIVE GREATSWORD AND FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND CAUTERIZED HIS CROTCH AS HE LET OUT ANOTHER PAINFUL SCREAM!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you after you die.

We saw Ryan Finnegan was a mess: Lincoln left claw marks on his body and clothes.

You caused me, my friends, my family, and all of Royal Woods enough much trouble with your constant rampages, and because of your unrepentant nature, now you've doomed your soul to eternal damnation and no atonement for all your sins in the past can save you from the fate that now befalls you: eternal damnation in The Black Abyss.

LINCOLN SHOT RYAN FINNEGAN AN EXTREMELY DEATHLY GLARE AND THAT MADE HIM SO SCARED, HE SCREAMED IN FRIGHT AND PISSED HIS PANTS EVEN MORE!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, LINCOLN SHOT HIM DOWN WITH THE FACT HE CAUSED SO MUCH TROUBLE AND NEVER REPENTED FOR HIS CRIMES AND TELLING HIM OF HIS FATE ALONG WITH A DEATHLY GLARE AT HIM TOO!

Eli: He's done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKO, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELF A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL, SHITHEAD!", "TAKE THAT, YOU ASSHOLES!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN THE BLACK ABYSS, YOU MISERABLE FUCK!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to the total asshole and bastard.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to the bastard.

Luna: And what Lincoln said was true, now he's really doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

Skippy the Bush Kangaroo and Red Savarin went after Ryan Finnegan, and they fired extremely powerful blasts of red, red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels at Ryan Finnegan and they exploded with incredible power as they hit him. Then, Skippy the Bush Kangaroo punched him hard with his gauntlets and kicked him with his greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts.

Then, Skippy balanced himself on his tail and delivered a hard kick to his crotch and pelvis and that shattered them forever and he fell to the ground in pain.

Ryan Finnegan lay on the ground defeated by us, and then, Lincoln punched Ryan Finnegan hard in the face causing him to kneel to the ground, then he summoned two orange and blue dragons made of fire and lightning which grab Ryan Finnegan by the arms and lift them upwards. Then, he launched himself above the opponent and the dragons and grabbed Ryan Finnegan's head and he shoved it through his body, splitting it in half, and Lincoln smashed Ryan's head on the ground as he lands, followed by the two halves of the opponent's body falling to the ground dying immediately and Lincoln banishes Ryan Finnegan's spirit to The Black Abyss forever. We cheered as we holstered our weapons and powered down, and Lincoln's new body, clothes, jewelry, Third Eye, larger brown wolf ears, eleven massive and longer brown wolf tails and larger rabbit tail, large gold halo with four large orbiting gold rings on each corner behind his head, twenty-five large planets orbiting around his legs, twenty-five smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and massive white angel wings and eleven sets of larger white angel wings underneath his massive white angel wings are permanent.

Lincoln: Phew, now that was quite a rush.

Red Savarin: Uh, Lincoln, don't look now, but...!

Suddenly, Lincoln was swarmed by his harem, and they began kissing him all over his face, arms, shoulders, biceps, pecs, twelve-pack abs, and back leaving lipstick marks on him, and when they also gave Lincoln a kiss on the lips, Lincoln's body turned red like a rising thermometer and his eyes went wide, and steam whistled out of his large wolf ears!

TRAIN STEAM WHISTLE!

Lincoln: (In Cloud Nine and Heaven)
That...was...so...absolutely...AWESOME!

We snickered and Lincoln recovered from that sudden trip to Heaven after getting swarmed and kissed all over by his harem.

Eli: Looks like we're finally rid of Ryan Finnegan forever along with his gang.

Lincoln: Yep, and I was going to save this transformation for when we go after Ultraman Belial, but thanks to Ryan provoking me, I had no choice. No one threatens my harem and kids and gets away with it.

Nico: That's true, who does that bastard think he is?!

Me: What a lowlife.

Lincoln: Well, at least we're rid of that lowlife for good. (To Adrienne Balthazar) And it's so good to see you again, Adrienne.

Adrienne Balthazar: You too, Lincoln, it's been seven years since we last met.

Suddenly, Adrienne Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Adrienne Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Adrienne Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Adrienne Balthazar and hugged her, and Adrienne Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Renata Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and nine sets of larger white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Adrienne Balthazar, Gene-

Slammer and Avatar of Abyss Actor - Curtain Raiser, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Adrienne Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Adrienne Balthazar really hates Lori with a blazing passion, and she also knew how to bring down that stupid control freak's act when she tried to kill Lincoln, and all it took was one planned out performance from Adrienne, and Lori was done for.

We returned to the TLPS Flying City Fortress.

Nico: Lincoln showed us what you did to Lori along with Lynn, and that was an awesome performance you two pulled.

Adrienne Balthazar: I saw what that belching farting gorilla did in breaking Lori's phone and framing Lincoln so that she can finally get rid of him, and I despised Lynn and Lori for that. But, those two made a huge mistake, I'm an experienced actor with many years of experience on stage, I can easily see right through someone's act, so it was easy for me to bring the curtain down on Lori's rampage and expose Lynn for the liar that she is.

Nico: Still, I would've thought it to be impossible.

Me: I thought the same thing, but Lincoln's Guardian Angels always see right through the acts of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and Adrienne is indeed an expert and experienced actor who's able to read someone's act and bring the person down.

Lincoln: She really pulled one over on Lori and Lynn and she and I both put an end to Lori's rampage and get Lynn in huge trouble.

Luna: We were so impressed by what she did to pull one over on those two.

Laney: It was about time someone pulled one over on Lori for everything she's done along with Lynn: all of those times we've had to do Lori's bidding and deal with her rotten temper, and always worrying when Lynn was about to strike along with her rude manners, it was awful.

Lincoln: Lori and Lynn got a taste of their own medicine when she tried to mess with Adrienne, and they wound up getting grounded for two months because of it, and now that you're here, Adrienne.

Lincoln with his massive muscular arms still wrapped around Adrienne Balthazar's waist leaned his head down to the right side of Adrienne Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Adrienne Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adrienne Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Adrienne Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adrienne Balthazar.

Adrienne Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adrienne Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Adrienne Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Adrienne Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adrienne Balthazar: (In Heaven) My God. Oh, Lincoln, the seven girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eleven girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The seven girls are Kiri Ichidou, Setsuko Ichikawa, Masuyo Ikari, Shumi Monozuki, Jako Amano, Ran Wakato, and Hisako Otonari from High School! Kimengumi.

Lincoln: Oh whoa, it's Kiri Ichidou, Setsuko Ichikawa, Masuyo Ikari, Shumi Monozuki, Jako Amano, Ran Wakato, and Hisako Otonari from High School! Kimengumi.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Kiri Ichidou: Yes, we're okay, thanks to you.

Then, when Kiri Ichidou and the other six girls saw who it was that saved them from Ryan Finnegan, their faces turned atomic red upon seeing the 18-year-old 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow Kiri Ichidou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Setsuko Ichikawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kiri Ichidou, Setsuko Ichikawa, Masuyo Ikari, Shumi Monozuki, Jako Amano, Ran Wakato, and Hisako Otonari with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and you transformed and really tore that shithead apart, Lincoln.

Lincoln: That I did.

Nico: Ryan should've never made that threat, and for him to be freed from Death Row by Elise Elexton, she's got some nerve!

Me: I know, but her time has finally come, soon we'll be rid of her forever.

Eli: That's right, on the final day of The Ridonculous Race, Elise Elexton will finally be dead.

My sisters and The Flowers of Justice were busy sharpening blades and were ready to murder that bitch.

Elena Elexton: Elise has caused us enough trouble to last an eternity, this is where she dies and this time, she's never going to come back. I should've killed her fourteen years ago, but that's going to end here and now.

Me: That's right, we'll make sure your sister dies here and joins her shithead dad in The Black Abyss.

Lincoln: And we've been doing good in getting rid of the members of Dark Gale, soon the final day of The Ridonculous Race is upon us, and we'll finally be rid of its mastermind forever.

Maria: That bitch went too far Gene-Slamming Sonya's group into the legendary Pokemon so that she can use them to take over the world. But, even though we'll finally be rid of Dark Gale, we still got the remaining Midnight Princesses to go after along with that demon, Morgana Midnight Sparkle.

Anna Anyanova: We know, and so far, we've been taking them down one at a time and pissing off Morgana at the same time.

Mina Midnight Sparkle: And I heard what Lincoln said, if he slays Morgana, the villains that he'd slain on his rescues three years ago will also be slain and sent to The Black Abyss forever.

May: We'll still get some of them on his rescues later on. But, I can't wait to see that happen, when Lincoln slays Morgana, her resurrected pawns will also be slain as well.

Lincoln: That day will soon come.

After Lincoln and all of us destroyed Ryan Finnegan and sent him to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adrienne Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Adrienne Balthazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the

combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adrienne, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Adrienne Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Adrienne Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail

bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Red Savarin got out a videotape.

Nico: Say, what's that, Red?

Red Savarin: This is from the time I actually came to pay Lincoln and Lori a visit in Gotham Royal York, but when I came inside, I was in for what could be described as a living nightmare and it was thanks to Lynn, and that was when I had to stun Lynn.

Lori and Lincoln looked at each other as Red Savarin put the tape in, and it played on the big screen and we saw it: Gotham Royal York six years ago, and Red Savarin was going to pay Lincoln and Lori a visit.

Past Red Savarin: So, this is Gotham Royal York, this place sure is nice. Now, where is? (Sees The Loud House) Ah, there it is.

Red Savarin headed for The Loud House, but as soon as he got to the front door, he suddenly heard the sound of loud screams and crashes and banging coming from inside the house.

Past Red Savarin: What the?! What on Earth is... (Suddenly hears Lincoln and Lori screaming) Lincoln! Lori!

Red Savarin opened the door and the whole place was a mess, and Lincoln and Lori were screaming and running from a rage-crazy Lynn who was going absolutely berserk and running on all fours and trying to kill Lincoln!

Past Red Savarin: Lynn! Hold it right there!

Suddenly, Lynn turned her attention to Red Savarin and she was snarling like a wild animal and her mouth was foaming.

Past Red Savarin: Yeesh, I know Lincoln said you're a savage animal when you get angry, but this is too much.

That unfortunately made Lynn super angry as she roared and beat her chest like a gorilla, and then, she let out a loud belch and ran at Red Savarin who got out his stun gunsword and fired a stun blast at Lynn and stunned her.

Past Lori: Thanks for stopping her, Red. But, Lincoln's hurt really bad!

Past Red Savarin: What?!

Red Savarin ran to Lincoln, and Lori was right: Lincoln has many bruises on his body and he also had a bleeding wound, and he grabbed Lincoln and ran to his room and placed him on the bed.

Past Red Savarin: Do you have a first aid kit, Lori?!

Lori got out the first aid kit and they bandaged Lincoln's wounds and body.

Past Red Savarin: What happened, Lori?

Past Lori: Lynn lost another baseball game and she decided to blame Lincoln for it and kill him again, she's wrecked the whole place and everyone's already resting after Lynn clobbered them too.

Past Red Savarin: Can't you get the cops on her?

Past Lori: No, I've got a better idea.

Lori called Lincoln's Guardian Angels and told them of what Lynn did, and in a split second, they came to the house and went to Lincoln, and already, they were super mega enraged at Lynn!

Past Selene Arcangela: I can't believe Lynn did this! Let's go teach that belching farting gorilla a lesson she'll never forget!

The Guardian Angels went after Lynn and they absolutely trashed her hard, and when they were done, Lynn was literally beaten up with a black eye, broken teeth, broken arms and legs, and her ponytail got chopped off.

Past Laney Emperyous: And I'm going to warn you for the very last time, Lynn, if you ever try to kill Lincoln again, I'm going to send you straight to Hell, and this time, for good! Now, get out of here and go run back to your room, you filthy animal!

Lynn got scared and ran off to her room!

Past Red Savarin: I can't believe that my first visit to your house would lead to this.

Past Lori: We're so sorry about this, Red. I'm going to make sure Lynn winds up in a world of pain after Mom and Dad get done with her.

Past Lincoln: I'm not going to let Lynn get away with this, she's going to be punished big time. I'm gonna go there right now and...!

But, before he could, Red Savarin stopped him.

Past Red Savarin: No, you're too injured, Lincoln, you should get some rest.

Past Lori: He's right, Lynn really did a lot of damage to you. Let me be the one to take care of that belching farting gorilla.

Past Lincoln: Okay.

Lori kissed Lincoln on the forehead and he went back to bed, then, she gets up.

Past Red Savarin: Lori, where are you going?

Past Lori: I'm going to teach that belching farting stupid ape a lesson. Red, you stay here and look after Lincoln, okay. Don't worry, I won't be long.

Red Savarin stayed to look after Lincoln and Lori went to Lynn and Lucy's room and Lori kicked the door open and Lynn went into a panic.

Past Lori: Hey, get up, you stupid gorilla!

Lynn was already panicking and she had nowhere left to run.

Past Lori: I'm absolutely disgusted by what you did to your brother, Lynn. Who do think you are, you stupid brickheaded ape-brained gorilla?!

Past Lynn: What did you say?! You smart mouth bitch!

Past Lori: Oh, shut it already, you ape-brained brickheaded bad tempered mega aggressive belching farting gorilla! And don't you dare think you're getting away with this, Lynn, you attacked Lincoln just because you lost a game again. Seriously, when are you ever going to grow up and stop acting like a brat!

Past Lynn: WHAT DID YOU JUST SAY?! I'LL KILL YOU!

But then, Lori punched Lynn hard in the face and gave her another black eye.

Past Lori: Now, it's time we really taught you a lesson. (CRACKS KNUCKLES)

Then, the scene pans out to show The Loud House, and then...!

HORSE WHINNY!

THE HOUSE WINDS UP JUMPING UP AND DOWN AS LORI AND RED SAVARIN GIVE LYNN A BRUTAL BEATING!

Past Lynn: GET IT OFF! GET IT OFF!

Then, Luna, Sam, Mazzy, and Sully were walking, and they saw the scene.

Past Luna: Oh boy, looks like Lynn really went too far again.

Past Sam: Seriously? Someone should put a collar on that animal.

Past Lynn: AGH! PAIN AND HURT!

Past Mazzy: You guys want to hang out at my house?

Past Luna: You got it, dude.

Luna, Sam, Mazzy, and Sully walked past the jumping house.

Past Lynn: HAVE MERCY, DEPRAVED SIBLING!

The video ends.

Nico: Damn, you really pissed off Lori big time, Lynn!

Laney: We were still in our rooms resting after Lynn's rampage, but we heard the beatdown loud and clear!

Luna: And I was out at the time with Sam, Mazzy, and Sully, and when we saw the house jumping up and down, we knew Lynn went too far and is getting a beatdown again. So, we stayed at Mazzy's for a while.

Lincoln: I knew Lynn would go too far, and Red got caught in the whirlwind of Lynn's rampage.

Nicole: Luckily, he stunned her, but thank goodness he didn't say a smart aleck comment because Lynn in that temperamental state of hers would've hurt him too.

Red Savarin: I didn't have my robot with me at that time, but I know how to fight, and if she dared to hurt me, oh, she would be in a massive heap of trouble.

Chocolat Gelato: When Red told me of what Lynn did to Lincoln, I wanted to punch Lynn right in the face.

Lori: If you did, she'd come after you, Elh, and his mom too, Chocolat, that's why Lincoln's Guardian Angels are better suited for the job of punishing his enemies, and I too wound up on the wrong end of their wrath many times.

Lincoln: But, you redeemed yourself in the end, Lori, and Dark Chase Young's influence is gone. But, it'll truly end with Dark Lori getting The Black Abyss, and if I ever see that control freak again, I'm gonna shove a chainsaw right up her butt and saw her in half!

WE SCREAMED IN FRIGHT!

Eli: YIKES!

Nico: Dark Lori's the absolute definition of an absolute mega Alpha Bitch, and that's the worst kind of girl ever. I'll get the chainsaw ready for you, Lincoln, if she does show up.

Lincoln: Thanks.

We got a shower, and then, Lincoln, Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog, along with his entire harem are heading to a beach in Honolulu, Hawaii. But, they're not the only ones going, Clyde and his harem are also going as well, and joining Clyde's harem is Mabel Pines.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Clyde was dressed in dark blue swim shorts and he had his weapons holstered in case of trouble.

And Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog, along with Lincoln's entire harem are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble, and Clyde's harem are also dressed in two-piece colored bikinis and had their weapons holstered in case of trouble.

Plus, we found out Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Megumi Ayase: Wow, so this is Honolulu Beach, it sure is beautiful.

Lincoln: It sure is, Megumi, and it's perfect for our double date, shall we?

Clyde: Let's do it.

Lincoln, Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog and his harem along with Clyde and his harem dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln and Clyde a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension they'd been carrying.

Then, they made clones of themselves and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog and Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) Linky's now gotten even more manlier than ever after he transformed.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog and his harem and hugged them in their abnormally massive and powerful muscular arms, and Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog and Lincoln's harem placed their hands on the massive hairy pecs of Lincoln and his clones. Clyde also did the same as he made clones of himself and they went up to the girls in his harem.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs same with Clyde.

Me: (Whistles) Wow, it looks like you and Clyde really had a good time at Hawaii, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...!

Clyde: (In Heaven) AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And thanks to what we saw, Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog are now in your harem, Linky, and Mabel's now in Clyde's harem.

Megumi Ayase, Lavinia Herbert, Selena Blatz, Filia Ul Copt, Marlene Calvert, Universe 666 Freeze, Amy Brown, and Chelsea the Merhog showed the marks Lincoln made on the right sides of their necks.

May: Lincoln trusts Clyde with looking after Mabel, same with Dipper. Plus, we saw how Mabel had fallen in love with Clyde.

Nico: It was definitely love at first sight, and you guys had no trouble at all.

Megumi Ayase: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

After Lincoln and Clyde's double date, Sherlock Hound was preparing to meet with Lilith Morningstar, the mother of Charlie Morningstar and wife of Lucifer Morningstar and reunite them, and he had the orb Lincoln made that contains all of the dark magic from those cured from Babidi's spell, and he was going to use it to end that wizard forever. Lincoln's also going as well along with Loona, Charlie Morningstar, and Lucifer Morningstar.

Sherlock Hound: (British Accent) Alright, I'll be right back, everyone.

Me: Alright, be careful.

Sherlock Hound made a portal, and he, Lincoln, Loona, Charlie Morningstar, and Lucifer Morningstar went inside and it closed. Then, in another part of the world on a beach, the portal opened up, and Sherlock Hound, Lincoln, Loona, Charlie Morningstar, and Lucifer Morningstar came out and it closed.

Lincoln: We're here.

Sherlock Hound: (British Accent) Yes, this is where Lilith is located at. Apparently, after I killed Adam last year and sent him to The Black Gates and Lute was banished from Heaven forever, I decided to find out where Lilith was at, and she was located here on this beach in the Philippines.

Charlie Morningstar: But, why was Mom here in the mortal world?

Sherlock Hound: (British Accent) Apparently, she tried to cut a deal with Adam in stopping the yearly exterminations, but he refused to do so due to that incident eons ago and Lute drove her out and she also heard of the death threat she made towards you and Lucifer, she had no choice but to go into hiding in the mortal world, and she put a protective barrier to keep out the exorcists.

Lucifer Morningstar: But, now Adam's gone forever along with all those other bastards when you killed them and Mundus, yet she still hasn't returned to Hell.

Loona: Something big's happening here, and I don't like it.

Lincoln: There's no doubt it's Babidi.

Suddenly, the orb was glowing intensely.

Sherlock Hound: (British Accent) Without a doubt, it's him. Come, we have no time to waste.

They hightailed it, and there, they saw Lilith Morningstar, and she's fighting against some thugs who fell under Babidi's spell along with Exorcists sent by Lute in pure spite and hatred of us, and they also heard malevolent laughter and saw the main target: Babidi, and he had the mark of Morgana Midnight Sparkle on his forehead.

Lincoln: There's Lilith, and there's our target, Babidi. (Sees some thugs) Ah, looks like he put more thugs under his control, and Lute sent Exorcists out of pure spite and hatred of us for what we did to Adam again. That little...!

Loona: I'm gonna pull her guts out through her halo! First, we got to take those fuckers out.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts that hit and purified the thugs of Babidi's spell and he also sucked out their muscle mass and strength and he fired blasts of infernal darkness that hit the Exorcists and destroyed them, and they landed.

Charlie Morningstar: Mom, you're alright!

Lilith Morningstar: Charlie, Lucifer. (Sees Lincoln and Sherlock Hound) Ah, and you've brought the two heroes who saved Hell from Adam and permanently ended the yearly exterminations.

Lucifer Morningstar: Lincoln had a part in saving Hell from them, but Sherlock Hound was the one who ended Adam for good and permanently ended the yearly exterminations last year. We're so glad you're okay, honey.

Sherlock Hound: (British Accent) And just as expected, looks like Anti-Monitor never made you one of his lackeys after he breached The Black Gates because of the lack of a Monitor Orb on your forehead, Babidi. But, I'm not surprised though, you're too treacherous and evil to be around.

Babidi: We'll see who's laughing when I destroy you all!

Suddenly, more thugs bearing the Mark of The Majin came out and they were all out for blood, but Sherlock Hound stood there as he let out a sinister chuckle as the skies turn blood red.

Babidi: What?! What is so funny?! Answer me!

Sherlock Hound: (British Accent) Oh, I'm just pleased, that's all. You know, I thought the world would finally be at peace without you or your schemes of world domination to mess that up, but it looks like I was wrong.

Suddenly, Sherlock Hound's blood red eyes turned even more blood red and he had slit pupils and he revealed he now had vampire fangs and his full head of hair suddenly turned wild and he had a very sinister and sadistic grin on his face.

Sherlock Hound: (British Accent) And to also find out that Morgana Midnight Sparkle, ever the shrewd conniving manipulator, decided to recruit you of all people to her soon-to-be dead cause, indeed she's getting far too desperate, and you tried to cause us trouble with sending mind-controlled puppets to kill us, this just proves you haven't learned your lesson at all. (Hair turns even more wilder as bats fly out into the skies) But, I'm actually glad that you still continue to bring such madness in your wake!

WE SAW IT ON THE BIG SCREEN: SHERLOCK HOUND'S ABOUT TO UNLEASH PURE TERROR AND HELL ON BABIDI!

Me: OH...!

Nico: SHIT! Everyone, you better get some front row seats, things are about to get really ugly!

While we got front row seats inside the TLPS Flying City Fortress, outside, the show's about to begin.

Sherlock Hound: (British Accent) Now...! (BLOOD STARTS RAINING DOWN AND BATS FLY OUT INTO THE SKIES AND DEMONS ARISE FROM HELL) It's time to play, Babidi! And I'll start by slaughtering the rest of your minions who came out of hiding, and then, I will deal with you.

Babidi let out a shriek of pure fright: Sherlock Hound's let out that sinister side to him.

Babidi: (Thinking) W-who...! Who is this monster?! Why am I shaking in pure fright and fear? No, I won't give in that easily! (Out Loud) KILL THEM!

Babidi's mind-controlled puppets went at Sherlock Hound, Lincoln, Loona, Charlie Morningstar, Lucifer Morningstar, and Lilith Morningstar, but Sherlock Hound let out a hiss and he bit one of the thugs on the neck and he drank his blood and he flung him into the air and landed dead and drained of blood, and that shocked the thugs and frightened Babidi even more.

But, Sherlock Hound not showing any signs of stopping went at the others and he began slicing and cutting all of them to shreds with his massive greatsword and oceans of blood were being spilled out.

Lincoln: WHOA!

Loona: Damn, he's really letting them have it!

Babidi was so horrified at the monster he'd unleashed, he tried to run, but Sherlock Hound ran after him and put up a demonic energy barrier to keep Babidi from escaping.

Sherlock Hound: (British Accent) Going somewhere?

Babidi turned to see Sherlock Hound with his fangs biting down on another thug's neck and drained him dry of every last of drop of blood.

Babidi: (Frightened and Horrified) W-what on Earth are you?! You...you're a monster! A demon!

Sherlock Hound dropped him and walked slowly towards Babidi.

Sherlock Hound: (British Accent) I've been called much worse than that. (To Babidi) But, then, what does that make you? You're far worse than that, and the only thing I can do to protect the world is to get rid of you for good just like how I'm going to get rid of your entire family.

Sherlock Hound used his powers of darkness and he sent the souls of Babidi's family who were still in The Hell for Infinite Losers to The Black Abyss and he showed it to Babidi as he saw them screaming in pure horror as the black flames consumed them.

Maria: OH MAN! TELL ME HE DIDN'T JUST...!

King Kai: (Telepathically) He did! He really did do just that! Get him, Sherlock Hound! Make that little weasel pay with his life! Babidi, your time's up!

Babidi tried to run, but Sherlock Hound fired a black and blood red energy spear that impaled him in the stomach and sent him flying into a wall Lincoln made, and his blood was spilling out.

Babidi: (Weak and slowly dying) I-impossible...! Who...are you?

Babidi looked at Sherlock Hound, but then, the left side of him covered by darkness showed that of Sparda, and the image of Sparda vanished. Then, Sherlock Hound had Babidi impaled in the same way as Vlad Dracula's victims over 600 years ago and left him there as a warning to all villains, and he banished him to The Black Abyss forever as he fired the orb that contained his dark magic and it destroyed his spirit. They returned to The TLPS Flying City Fortress with Lilith Morningstar joining us and reuniting with Charlie and Lucifer.

Eli: Oh man! What we just saw, that was truly terrifying!

Nico: No doubt about it. You just slaughtered Babidi's mind-controlled puppets like they were nothing, and when exactly did you get those fangs?

Lincoln: That was from when he absorbed the powers of Alucard's Universe 666 self, and because of having both demon and vampire blood in his veins, it was inevitable that he'd also gain fangs as well.

Sherlock Hound: (British Accent) Yes, but in the end, Babidi met his end and Charlie and Lucifer were reunited. Of course, I did go too far when I let that side of me out.

Gohan: Are you joking? Babidi has been asking for it for a long time, I was expecting Lincoln to do that sort of thing, but you. You really terrorized that scumbag and those thugs.

Nico: And Lilith was in The Philippines, how about that. Plus, those thugs were criminals I'd busted a long time ago and were on death row, so thanks for carrying out their death sentences.

Goku: Plus, what you did caught King Kai's attention, and he was cheering for you to end Babidi for good.

King Kai: (Telepathically) You got that right, and you also impaled Babidi in the same manner as Vlad Dracula in the 15th Century, that was really bloody. But, of course, Babidi's dead body is going to rot away.
